INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of the
Parish Management Consultants Salary Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Parish Management Consultants Salary Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Parish Management Consultants Salary Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Parish Management Consultants Salary Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Parish Management Consultants Salary Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Parish Management Consultants Salary Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Parish Management Consultants Salary Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The accompanying schedule of assets (held at end of year), as of and for the year ended December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the

underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**PARISH MANAGEMENT CONSULTANTS SALARY SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022**

NOTE A – DESCRIPTION OF PLAN

The following description of the **Parish Management Consultants, formerly the Parish Anesthesia Associates, Ltd.** (“the Company”) **Salary Savings Plan** (“the Plan”), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General – The Plan is a multiple-employer defined contribution plan that consisted of 9 and 9 participating employers in 2023 and 2022, respectively. The Plan covers all employees of the participating employers who are age twenty-one or older. In addition, there is a minimum one year of service requirement to participate in the employer match and profit sharing. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions – Each year, participants may contribute up to 100% of their eligible compensation or the maximum amount determined annually in accordance with the applicable provisions of the Internal Revenue Code. Participants who have attained the age fifty before the end of the plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers several mutual funds and one collective trust fund as investment options for participants.

In any plan year, the Company may make matching contributions of up to 2% of eligible compensation. In 2023 and 2022, the Company accrued matching contributions of 50% of the first 4% of each participant’s elective deferral up to 2% of eligible compensation (adjusted for annual wage limits) to be paid to the Plan in 2024 and 2023.

In any plan year, the Company may make additional discretionary profit-sharing contributions. In 2023 and 2022, the Company accrued additional discretionary profit-sharing contributions up to 3.50% and 4.50% of eligible compensation (adjusted for annual wage limits), based on the employee category, to be paid to the Plan in 2024 and 2023.

Participant Accounts – The Plan is a defined contribution plan under which a separate individual account is established for each participant. Each participant’s account is credited with (1) the participant’s contributions made by salary reductions pursuant to Section 401(k) of the Internal Revenue Code, (2) an allocation of the Company’s contributions and (3) an allocation of plan earnings. Additionally, each participant’s account is charged quarterly with an allocation of an annual recurring advisor fee. Allocations are based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting – Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Participants are not vested in any portion of the employer’s discretionary matching or profit-sharing contributions until the participant achieves three years of service. Upon achieving three years of service, the participant is vested 100% in employer discretionary matching and/or profit-sharing contributions.

See Independent Auditors’ Report

**PARISH MANAGEMENT CONSULTANTS SALARY SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022**

NOTE A - DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants – On April 1, 2016, the Plan amended its Plan document to permit participant loans. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000 reduced by their highest outstanding loan balance in the past 12 months. The notes are secured by the vested balance in the participant’s account and bear interest at the Prime Rate as reflected in the Wall Street Journal on the date of the loan, plus 1%. Principal and interest are paid ratably through payroll deductions every pay period.

Payment of Benefits – Upon termination of service, once requested a participant will receive a lump sum payment equal to the value of the vested interest in his or her account. At the option of the Plan, deferred vested benefits in an amount less than \$5,000 but greater than \$1,000 will be distributed to an IRA for the terminated participant’s benefit. For deferred vested benefits of \$1,000 or less, the terminated participant will be paid out in a lump-sum distribution.

Forfeited Accounts – At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$50,260 and \$44,150. These accounts will first be used to pay the administrative expenses of the Plan, if directed by the Employer. To the extent forfeitures are not used to pay administrative expenses, forfeitures can be applied to reduce the contributions of the Employer. The Company used forfeited non-vested accounts to reduce administrative fees by \$15,956 in 2023 and \$2,573 in 2022. The Company did not use forfeited non-vested accounts to reduce employer contributions in 2023 and 2022.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates – The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America (“GAAP”) requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Payment of Benefits – Benefits are recorded when paid.

Investment Valuation and Income Recognition – Investments are reported at fair value. Where applicable, investments are stated at net asset value (NAV) as a practical expedient to fair value. See Note C for discussion of fair value measurements. Purchases and sale of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022**

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Forfeitures Payable – Amounts payable to the forfeiture account of the Plan are for contributions made by two ineligible employees. In December 2023, the ineligible employees contributed \$22,500 each, totaling \$45,000. Upon discovering the error in early 2024, the Plan Sponsor reimbursed the ineligible employees, but the contributions remained in the ineligible participants' accounts within the Plan. These amounts will be transferred from the ineligible participants' accounts to the Plan's forfeiture account and will be used to reduce future employer contributions to the Plan.

Since all Plan funds were transferred due to the merger in Note K, the 2023 ineligible participants' accounts were transferred to the Zephyr Anesthesia, LLC 401(k) Plan in 2024. As of the date of these financial statements, the amounts have not been transferred from the ineligible participants' accounts to the Zephyr Anesthesia, LLC 401(k) Plan's forfeiture account.

There were no forfeitures payable for the year ended December 31, 2022.

Operating Expenses – Certain expenses of maintaining the Plan are paid by the Company using the Plan's forfeiture account. Recordkeeping expenses are deducted from participant accounts, when applicable.

NOTE C – FAIR VALUE MEASUREMENTS

The Plan discloses its assets that are measured at fair value in the accompanying Statement of Net Assets Available for Benefit by level within the fair value hierarchy as defined by applicable accounting standards:

- Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.
- Level 2 inputs consist of observable inputs other than quoted prices for identical assets.
- Level 3 inputs are unobservable and have the lowest priority.

The Plan did not have any Level 2 or Level 3 measurements as of December 31, 2023 and 2022. During 2023, there were no transfers in or out of Level 1, 2, or 3.

At this time, the Fund does not believe that the occurrence of any such market value event, which would limit the Fund’s ability to transact at contract value with participants, is probable.

NOTE D – INFORMATION CERTIFIED BY TRUSTEE

The following is a summary of the Plan’s investment information, included in the Plan’s financial statements and supplemental schedule that was prepared by, or derived from, information prepared by Fidelity Trust Management Company, the trustee of the Plan, and furnished to the Plan administrator. NOTE E –PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee as defined by the Plan, and therefore, fees paid for investment management and recordkeeping services qualify as party in interest transactions. Fees paid by the Plan to the trustee for investment management and recordkeeping services amounted to \$6,219 and \$25,597 for the years ended December 31, 2023 and 2022, respectively.

These party-in-interest transactions are exempt from the prohibited transactions rules of ERISA.

NOTE F – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statement of net changes available for benefits.

NOTE G – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the accompanying financial statements to Schedule H of the Form 5500:

	<u>2023</u>	<u>2022</u>

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022**

NOTE H – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their employer contributions.

NOTE I – TAX STATUS

On June 30, 2020, the IRS stated that the prototype adopted by the Plan, as then designed, qualifies under IRC Section 401(a). The Plan has not received a determination letter specific to the plan itself; however, the Plan administrator and the Plan’s tax counsel believe that the Plan was designed and was being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognizes a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE J – DELINQUENT PARTICIPANT CONTRIBUTIONS

For the year ended December 31, 2023, the Company did not remit certain participant contributions to the Plan on a timely basis as defined by the Department of Labor's Rules and Regulations for Reporting and Delinquent Participant Contributions Disclosure under ERISA. Untimely remittances identified on Schedule H, Line 4(a) - Schedule of Delinquent Participant Contributions totaled \$7,916. The delinquent participant contributions were deposited to the Plan within 40 days of the segregation, and the Plan was reimbursed for lost earnings in the amount of \$94 on September 10, 2024.

NOTE K - SUBSEQUENT EVENTS

Management has evaluated subsequent events through February 24, 2025, the date the statements were available to be issued. The following was noted for disclosure:

On August 18, 2023, the Administrative Committee of the Parish Management Consultants Salary Savings Plan agreed to the merger of this Plan into the Zephyr Anesthesia, LLC 401(k) Plan (“401(k) Plan”), effective January 1, 2024. As a result, a majority of the investment balance was transferred from the Plan to the 401(k) Plan on January 1, 2024, while a small remaining balance was transferred to the 401(k) Plan on April 2, 2024.
