## **Independent Auditor's Report**

To the Participants and Administrator of  
SaaSOptics 401(k) Plan:

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for 2023 Financial Statements***

We have performed an audit of the financial statements of SaaSOptics 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion on the 2023 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section:

- the amounts and disclosures in the 2023 financial statements, referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- the information in the 2023 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2023 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2023 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern over the twelve months from the report date.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the 2023 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter – 2023 Supplemental Schedule Required by ERISA***

The supplemental schedules of the Plan, as listed in the accompanying index, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# **SaaSOptics 401(k) Plan**

## **Notes to Financial Statements December 31, 2023 and 2022**

---

### **Note 1: Description of Plan**

The following description of the SaaSOptics 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

#### **General**

The Plan is a defined contribution plan, initially effective January 1, 2018 and recently amended September 1, 2021, covering substantially all employees with the exception of non-resident aliens, of SO Holdco, LLC and Subsidiaries (dba Maxio) (the Plan Sponsor or the Company). Employees are permitted to enter the Plan on the day of hire. The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### **Administration**

The Plan Sponsor serves as the plan administrator. The plan administrator has the responsibility to administer the Plan for the exclusive benefit of the participants and their beneficiaries. These duties include, among other things, establishing procedures, maintaining records, interpreting provisions of the Plan, and making determinations regarding questions, which may affect eligibility for benefits. The Plan Administrator engaged The Retirement Advantage Inc., as a third-party administrator, to assist in the administration of the Plan (Note 8).

The Plan Sponsor has engaged Empower Trust Company, LLC (Empower), to serve as the Trustee of the Plan. The Trustee receives all contributions made under the Plan, holds plan assets and pays benefits to participants as directed by the plan administrator (see Notes 3 and 8).

#### **Contributions**

Participants may make pre-tax and Roth contributions to the Plan through payroll deductions up to 100% of their annual compensation, subject to limitations under the Internal Revenue Code (IRC). Participants are eligible to enroll into the Plan once eligibility requirements are met. If a participant is eligible to make contributions and reaches age 50 before the end of the Plan year, the participant may make catch-up pre-tax contributions totaling \$7,500. Aggregate limits as prescribed by the Internal Revenue Service (IRS) during 2023 were \$22,500 for participants under the age of fifty and \$30,000 for participants age fifty and older.

The Plan Sponsor may match, subject to limitations under the IRC, participants' pre-tax and Roth contributions of all participants in the Plan regardless of service completed during the Plan Year or employment status on the last day of the Plan Year. The Plan Sponsor may also make a discretionary non-elective contribution to all eligible participants who complete at least 1,000 hours of service during the Plan year and are employed by the Plan Sponsor on the last day of the applicable period, except for participants terminated due to death, disability, or retirement. During 2023, the Plan Sponsor made \$391,492 of discretionary matching contributions and did not make any non-elective contributions.

## **Administrative Expenses**

Administrative expenses of the Plan are liabilities of the Plan but may be paid by the Company. The expenses include, but are not limited to, legal, accounting and recordkeeping fees and investment expenses. For administrative expenses not paid by the Company, a proportionate share of fees and expenses paid by the Plan is charged to each participant's account.

## **Participant Accounts**

Each participant account is credited with pre-tax, Roth, and rollover contributions made by the participant, the participant's portion of the Plan Sponsor's contributions and Plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

## **Vesting**

Participants are immediately vested in their contributions, rollover balances and any allocated earnings thereon. Participants' vesting in the Plan Sponsor's matching contributions and income earned thereon is based on years of service with the Plan Sponsor, as defined in the Plan Document. The vesting percentages are as follows:

| <b>Years of Service</b> | <b>Percentage</b> |
|-------------------------|-------------------|
| Less than 1             | 0%                |
| 1                       | 25%               |
| 2                       | 50%               |
| 3                       | 75%               |
| 4 or more               | 100%              |

## **Investment Options**

Participants are required to make participant-directed allocations of their accounts in increments totaling 100% among various investment options, including certain options for which the Trustee or its affiliates serve as investment advisors (see Note 8), selected by the plan administrator.

## **Withdrawals**

In general, a participant may withdraw up to 100% of the participant's pre-tax and rollover contributions in the event of a participant's heavy and immediate financial hardship, as defined in the Plan Document. Hardship distributions may not exceed the amount of the participant's financial hardship.

In-service withdrawals of all or a portion of a participant's vested account balance, other than participant rollover, employer matching and profit sharing accounts, may be made by a participant after reaching age 59 ½ as defined in the Plan Document.

Participants withdrawing from the Plan due to termination of employment, other than due to retirement, death, or disability, may receive the value of their vested account by transfer to another qualified plan or individual retirement account or through a lump sum distribution. In general, if the participant's account balance, as defined in the Plan Document, is greater than the involuntary cash-out amount, the account may not be distributed without the participant's consent. However, regardless of the participant's election as to the payment, the Plan may, upon termination of service of a participant for any reason, pay the benefits owed in a lump sum if the account balance is less than the involuntary cash-out amount.

Distributions from the Plan will normally be subject to income taxes and in certain circumstances may also be subject to Internal Revenue Service (IRS) penalties, unless the distribution is transferred to another qualified plan or individual retirement account.

### **Forfeitures**

Forfeitures of terminated employees' non-vested accounts may first be used to pay administrative expenses of the Plan. Any remaining amounts will be used to reduce future Plan Sponsor contributions to the Plan. There were no forfeitures of non-vested balances that were used to offset Plan Sponsor contributions of the Plan for the year ended December 31, 2023 and 2022. As of December 31, 2023 and 2022, there were \$22,522 and \$9,692 of unapplied forfeitures, respectively.

## **Note 2: Summary of Significant Accounting Policies**

### **Basis of Accounting**

The financial statements of the Plan are prepared using the accrual method of accounting.

### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the Plan's management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

### **Payment of Benefits**

Benefit payments are recorded when paid by the Plan.

### **Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate risk, market risk, and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits and statement of changes in net assets available for benefits.

### **Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### Note 3: Information Certified by Trustee

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Empower, except for comparing such information to information included in the Plan's financial statements and supplemental information:

|                                                                   | 2023         | 2022         |

| Investments:                                                      |              |              |

| Investments at contract value                                     | 33,672       | 45,810       |
| <b>Statement of changes in net assets available for benefits:</b> |              |              |
| Net appreciation in fair value of investments                     | \$ 614,539   |              |
| Interest and dividends                                            | 111,472      |              |

### Note 4: Fair Value Measurements

The accounting standard for fair value measurements provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Quoted prices for identical assets or liabilities in active markets.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in markets that are not active; and
- Model-derived valuations in which all significant inputs are observable or can be corroborated by observable market data for substantially the full term of the investment.

Level 3: Model-derived valuations in which one or more significant inputs are unobservable.

If the inputs used to value the investment fall within different levels of the hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement of the investment.

The following is a description of the valuation methodologies used for assets measured at fair value:

*Mutual funds:* Mutual funds are valued at quoted market prices as provided by the Trustee.

*Collective investment fund:* The collective investment fund represents a stable value fund that invests in a variety of investment contracts including traditional guaranteed investment contracts (GIC's), security backed investment contracts, and separate account GIC's. The collective trust is valued at the net asset value (NAV) of the fund, which is used as a practical expedient to estimate fair value and is based on the fair value of the underlying investments held by the fund, minus any liabilities. The practical expedient would not be used if it is determined to be probable the fund would sell the investment for an amount different from the reported NAV. There are currently no redemption restrictions or unfunded commitments on these investments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Net appreciation/depreciation in the fair value of investments represents the change in fair value during the year, including realized and unrealized gains and losses, net of investment expenses charged by the Trustee. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022.

Investments at fair value as of December 31, 2023:

|                                 | <u>Level 1</u>      | <u>Level 2</u> | <u>Level 3</u> | <u>Total</u>        |
|---------------------------------|---------------------|----------------|----------------|---------------------|

| Total investments at fair value | <u>\$ 5,134,115</u> | <u>\$ -</u>    | <u>\$ -</u>    | <u>\$ 5,134,115</u> |

Investments at fair value as of December 31, 2022:

|                                 | <u>Level 1</u>      | <u>Level 2</u> | <u>Level 3</u> | <u>Total</u>        |
|---------------------------------|---------------------|----------------|----------------|---------------------|
| Mutual funds                    | \$ 2,845,590        | \$ -           | \$ -           | \$ 2,845,590        |
| Cash and cash equivalents       | <u>9,692</u>        | <u>-</u>       | <u>-</u>       | <u>9,692</u>        |
| Total investments at fair value | <u>\$ 2,855,282</u> | <u>\$ -</u>    | <u>\$ -</u>    | <u>\$ 2,855,282</u> |

\* In accordance with Subtopic ASC 820-10, these investments were measured at NAV per share (or its equivalent) as a practical expedient and have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

## **Note 5: Fully Benefit-Responsive Investment Contract**

The Plan invests in the Key Guaranteed Portfolio Fund, which is a fully benefit-responsive guaranteed investment contract (GIC). This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. The contract value of investment contract accounts totaled \$33,672 and \$45,810 as of December 31, 2023 and 2022, respectively, and is reported as investment at contract value on the statements of net assets available for benefits.

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established in a contract between the Plan and the contract issuer, which will not fall below 0%. The crediting rate is reviewed on a quarterly basis for resetting. The contract cannot be terminated before the scheduled maturity date. The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

No events are probable that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

## **Note 6: Reconciliation of Financial Statements to Form 5500**

The financial information of the Plan, as reported on Form 5500, does not include all amounts necessary for reporting on the accrual basis of accounting. A reconciliation of the amounts appearing on Form 5500 to the accompanying financial statements follows:

| <b>Net Assets Available for Benefits</b>                         | <b>2023</b>         | <b>2022</b>         |

| Increase in net assets, as reported in the accompanying financial statements | <u>\$ 2,300,683</u> |

## **Note 7: Income Tax Status**

The Plan Sponsor has entered into an adoption agreement under the *Empower Trust Company Defined Contribution Prototype Plan and Trust* (the prototype plan). The prototype plan received a favorable opinion letter from the IRS dated June 30, 2020, which stated that the prototype plan was designed in accordance with the applicable sections of the IRC.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## **Note 8: Party-in-Interest Transactions**

Empower performs services for, sells products to, and manages and maintains certain investments of the Plan for which fees are charged to the Plan. Party-in-interest transactions also include notes receivable made to participants.

Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

#### **Note 9: Prohibited Transactions**

During 2023 and 2022, the Plan Sponsor deducted, via payroll withholding, an aggregate of \$405,884 and \$397,415, respectively, from participants' gross wages that were not remitted in a timely manner to the Plan in accordance with DOL regulations. The Plan Sponsor intends to make a restoration contribution to restore lost earnings for the 2022 and 2023 late remittances in 2025.

#### **Note 10: Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, each participant's account as of the date of termination shall immediately become non-forfeitable and fully vested.

#### **Note 11: Subsequent Events**

The Plan Sponsor has evaluated for subsequent events between the statement of net assets available for benefits date of December 31, 2023 and the report date, the date these financial statements were available for issuance, and has concluded that all subsequent events requiring recognition or disclosure have been incorporated into these financial statements.
