## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of  
401(k) Profit Sharing Plan of  
Little City Foundation:

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the accompanying financial statements of 401(k) Profit Sharing Plan of Little City Foundation (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

***Auditor's Responsibilities for the Audit of the Financial Statements--(Continued)***

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter -- Supplemental Schedules Required by ERISA***

The supplemental Schedule H, Line 4i - Schedule of Assets Held (At End of Year) and Schedule H Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2023 are presented for purpose of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

***Other Matter -- Supplemental Schedules Required by ERISA-(Continued)***

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

401(k) PROFIT SHARING PLAN OF  
LITTLE CITY FOUNDATION  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2023 AND 2022

(1) DESCRIPTION OF PLAN:

The following description of 401(k) Profit Sharing Plan (the Plan) of Little City Foundation (the Foundation) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The financial statements were available to be issued on March 5, 2025 with subsequent events being evaluated through this date.

General -

The Plan is a defined contribution plan covering all full-time employees of the Foundation who have completed four months of service and are not:

- Leased employees;
- Non-resident aliens;
- Highly compensated employees.

The Plan is subject to the provision of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Participants who do not have at least 1,000 hours of service during such Plan year, are under the age of 21, have not completed a year of service or are not employed on the last working day of a Plan year, are generally not eligible for an allocation of Foundation contributions for such year.

Contributions -

A participant may elect to contribute a portion of his or her pretax or after-tax compensation for the Plan year, as defined in the Plan, not to exceed the Internal Revenue Code (the Code) section 415(d) limit as adjusted in any Plan year. All participants who were eligible to make salary deferral contributions under the Plan, and who have attained age 50 before the close of the Plan year, were eligible for catch-up contributions of up to \$7,500 during 2023. Some or all of a Participant's contribution may be designated as a Roth Deferral Contribution. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. In addition, the Foundation matches 50 percent of participant contributions up to 6 percent of participant contributed compensation. Contributions are subject to certain limitations.

Investments and Investment Options -

The assets of the Plan as of December 31, 2023 and 2022, are held by Mutual of America Life Insurance Company, the trustees of the Plan. Upon enrollment in the Plan, a participant may direct employee and allocable shares of Foundation contributions into a variety of investment choices as more fully described in the Plan's literature. Participants may change their investment options at any time.

Participant Accounts -

Each participant's account is credited with the participant's elective and, if applicable, rollover contributions and allocations of a) the Foundation's matching and profit-sharing contributions, and b) Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(1) DESCRIPTION OF PLAN: (Continued)

Participant Loans -

Participants may borrow a minimum of \$1,000 from their fund accounts, up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance net of loans outstanding. The Plan allows participants to have two outstanding loans. Loan terms range from one to five years but may be longer if used for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at rates that range from 4.25 percent to 9.50 percent, which are commensurate with local prevailing rates at loan origination, as determined by the Plan Administrator. Principal and interest are paid ratably through bi-weekly payroll deductions.

Vesting -

Participants are immediately fully vested in their salary deferral contributions, plus actual earnings thereon and in all other accounts, if the participant dies, becomes disabled, or retires while an employee of the Foundation. Participants are also immediately fully vested in their employer matching contribution portion of accounts upon meeting the eligibility requirements of the Plan.

Payment of Benefits -

On termination of service, a participant may elect to receive 1) a lump sum amount equal to the value of the participant's vested interest in his or her account, or 2) partial withdrawals or installments, but only with respect to lifetime minimum required distributions over a period of not more than their assumed life expectancy. If the participant's vested account balance does not exceed \$1,000, payment is made at time of termination in a lump sum distribution. Except for hardship, withdrawals are not permitted prior to a participant's death, disability, reaching the age of 59 1/2, or termination of employment. Participants are also required to take minimum distributions at the age of 72.

Forfeited Accounts -

At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$0. These accounts may be used to pay any administrative expenses and used to reduce any Foundation contributions. For the year ended December 31, 2023 and 2022, the Plan used \$- and \$92 of the forfeited non-vested accounts to reduce Foundation contributions, respectively.

(2) SUMMARY OF ACCOUNTING POLICIES:

Basis of Accounting -

The financial statements of the Plan are prepared under the accrual method of accounting.

Accounting Policies -

The Plan follows generally accepted accounting principles as established by the Financial Accounting Standards Board (FASB) to ensure consistent reporting of financial condition and results of operations.

(2) SUMMARY OF ACCOUNTING POLICIES: (Continued)

Estimates -

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of Benefits -

Benefits are recorded when paid.

Investment Valuation and Income -

Appreciation or depreciation in the market value of an investment held both at the beginning and end of the year is equal to the difference between the market value at the beginning and end of the year. Appreciation or depreciation in the market value of an investment acquired during the year and held at the end of the year is equal to the difference between the cost and the market value of the investment at the end of the year.

The Plan's investment committee determines the Plan's valuation policies, utilizing information provided by the Investment Advisor and Trustee.

Gain or loss recognized from the disposition of an investment held at the beginning of the year is equal to the difference between the market value of the disposed asset at the beginning of the year and the proceeds from disposition. Gain or loss realized from the disposition of an investment acquired during the year is equal to the difference between the cost and the proceeds from disposition.

Notes Receivable from Participants -

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Defaulted participant loans are treated as distributions based upon the terms of the Plan document.

Administrative Expenses -

Administration expenses of the Plan are paid by the Plan as provided in the Plan document. Certain of the Plan's administrative expenses are paid by the Foundation on behalf of the Plan, without reimbursement.

(3) FAIR VALUE MEASUREMENTS:

The Accounting Standards Codification establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1:

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2:

Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3:

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Pooled Separate Accounts: Investments in shares of pooled separate accounts held with an insurance company are stated at estimated fair market value and are valued by the insurance company based on the net asset value shares held by the Plan at year end. The net asset value is determined by the insurance company based on the market value of the underlying investments and deducting participant withdrawals and administrative expenses.

(3) FAIR VALUE MEASUREMENTS: (Continued)

Level 3: (Continued)

Insurance Company General Accounts: The general account is a deposit administration account through an insurance company that is non fully benefit-responsive. Interest is credited to the general account using a current rate. The general account is reported at the estimated fair value representing contributions and transfers made to the account, plus earnings, less participant withdrawals and transfer and administrative expenses.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

|                                   | <u>Assets at Fair Value as of December 31, 2023</u> |                |                   |                      |

4) INCOME TAXES:

The Plan has adopted a non-standardized form of a volume submitter plan sponsored by SunGard Corbel, LLC. The volume submitter plan has received an opinion letter dated March 31, 2008, from the IRS as to the volume submitter plan's qualified status. The volume submitter plan opinion letter had been relied upon by this Plan. The Plan has been amended since this adoption date. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2020.

(5) PARTY-IN-INTEREST TRANSACTIONS:

Certain Plan investments are managed and advised by Mutual of America Life Insurance Company, the Trustees of the Plan, and therefore, these investments held by the Plan and issued by these entities are party-in-interest transactions. As of December 31, 2023 and 2022, \$15,147,381 and \$12,374,556, respectively, of the Plan's investments are pooled separate accounts or an insurance company general account offered by Mutual of America Life Insurance Company or one of its subsidiaries.

Participants covered under the Plan are considered to be parties-in-interest. Participant loans in the amounts of \$411,201 and \$369,139 at December 31, 2023 and 2022, respectively, are considered to be party-in-interest investments.

Certain employees of the Foundation provide administrative services to the Plan and are not reimbursed for their services from the Plan.

(6) CERTIFIED INVESTMENTS:

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2023 and 2022, and net appreciation/depreciation in fair value of investments, interest and dividends for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Mutual of America Life Insurance Company (the trustee of the Plan).

(7) PLAN TERMINATION:

Although it has not expressed any intent to do so, the Foundation has the right under the Plan to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

(8) RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

(9) RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500:

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

|                                                                | <u>2023</u>          | <u>2022</u>          |
|----------------------------------------------------------------|----------------------|----------------------|
| Net assets available for benefits per the financial statements | \$ 15,607,507        | \$ 12,790,436        |
| Receivables:                                                   |                      |                      |
