INDEPENDENT AUDITORS' REPORT

The Board of Trustees
International Brotherhood of Electrical Workers
Local 480 Pension Plan
Jackson, Mississippi

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of International Brotherhood of Electrical Workers Local 480 Pension Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of June 30, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of International Brotherhood of Electrical Workers Local 480 Pension Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Principal Trust Company for the period from July 1, 2022 to July 31, 2022, and from Empower as of June 30, 2024 and 2023, and for the periods from August 1, 2022 to June 30, 2023 and from July 1, 2023 to June 30, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

(Continued)

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified by the qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by the institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of International Brotherhood of Electrical Workers Local 480 Pension Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about International Brotherhood of Electrical Workers Local 480 Pension Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

(Continued)

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of International Brotherhood of Electrical Workers Local 480 Pension Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about International Brotherhood of Electrical Workers Local 480 Pension Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

(Continued)

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant auditing findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at June 30, 2024, is presented for the purpose of additional analysis, and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INTERNATIONAL BROTHERHOOD OF ELECTRICAL WORKERS
LOCAL 480 PENSION PLAN

NOTES TO FINANCIAL STATEMENTS
June 30, 2024 and 2023

NOTE 1. Description of the Plan

The following description of the International Brotherhood of Electrical Workers Local 480 Pension Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution, money purchase plan formed July 1, 1971, under the terms of a collective bargaining agreement between the Central Mississippi Chapter (Jackson Division) of the National Electrical Contractors Association, Inc. and the International Brotherhood of Electrical Workers, Local 480. In May, 1988, the International Brotherhood of Electrical Workers Local 917 Savings Plan and Trust, which was a defined contribution plan formed under terms of a collective bargaining agreement between the Central Mississippi Chapter (Meridian Division) of the National Electrical Contractors Association, Inc. and the International Brotherhood of Electrical Workers Local 917, merged into the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and meets the minimum funding standards.

Contributions

Employers contribute to the Plan based on the actual number of hours worked by participants at the rates specified in collective bargaining agreements. The employers' contributions for the years ended June 30, 2024 and 2023, met the minimum funding requirements of ERISA.

Participant Accounts

Each participant's account is credited with the amount contributed on his or her behalf by employers, participant rollover contributions, and an allocation of net investment income.

Vesting

Participants are immediately vested in the total value of their accounts.

Notes to Financial Statements – Continued

NOTE 1. Description of the Plan – Continued

Payment of Benefits

On reaching age fifty-five, or upon death, a participant is entitled to the total value of his account. The Plan provides several options in the method of payment. The Plan also provides for benefit payments for disability. All of these provisions are more fully described in the summary plan description of the Plan.

Agents

The Agent for the Plan is appointed by the Plan's board of trustees. Principal Trust Company previously served as Agent through July 31, 2022, followed by Empower, which served as Agent from August 1, 2022 through June 30, 2024. The duties of the Agents include the managing, investing and reinvesting of monies received by it for the Plan and responsibility for the safekeeping thereof.

NOTE 2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date and included as part of net appreciation.

Reclassifications

Certain amounts in the prior year financial statements have been reclassified to conform with the current year presentation.

NOTE 3. Investments

The valuation of investments is based on a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs consist of appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

Registered investment companies (mutual funds) are reflected at the net asset values reported by the funds. The group fixed annuity contracts are unallocated general account insurance contracts that earn interest at a rate adjusted quarterly by the insurance company, are subject to certain withdrawal restrictions, and are reflected at fair value as reported by the insurance company.

Following is a summary of the Plan's investments at June 30, 2024 and 2023, using fair value measurements based on the net asset values provided by the Agent:

	<u>June 30, 2024</u>	<u>June 30, 2023</u>
Level 1:		
Registered investment companies	\$104,414,121	\$91,929,390
Level 2:

	<u>\$110,783,823</u>	<u>\$98,729,391</u>

NOTE 4. Information Prepared and Certified by Agents

The following information, which is included in the accompanying financial statements and supplemental schedule, was obtained from data as of and for the years ended June 30, 2024 and 2023, that has been prepared and certified as complete and accurate by the Agents.

NOTE 5. Related Party Transactions

The Plan's agent, Empower Advisory Group, LLC, provided investment management services to the Plan beginning August 1, 2022. The Plan's investments include group fixed annuity contracts with Empower Annuity Insurance Company of America, which is an affiliate of the Plan's agent and which provided administrative services to the Plan beginning August 1, 2022. Certain fees incurred by the Plan for investment management services are included in the investment income since they are paid through revenue sharing rather than a direct payment. The Plan's previous agent, Principal Trust Company, provided administrative services to the Plan through July 31, 2022. Consequently, these transactions are party-in-interest transactions. Investment fees paid by the Plan to Empower Advisory Group, LLC totaled \$3,606 and \$1,092 for the years ended June 30, 2024 and 2023, respectively. Recordkeeping fees paid by the Plan to Empower Annuity Insurance Company totaled \$76,079 and \$58,866 for the years ended June 30, 2024 and 2023, respectively. Recordkeeping fees paid by the Plan to Principal Trust Company totaled \$7,066 for the year ended June 30, 2023.

The Plan pays the International Brotherhood of Electrical Workers Local 480 (the Union) and the NECA-IBEW Local 480 Health and Welfare Plan (H&W) for certain administrative services and office space provided by the Union and H&W. The administrative expenses paid to the Union and H&W totaled \$55,541 and \$55,640 for the years ended June 30, 2024 and 2023, respectively. The office space is leased from the Union under an annual lease agreement, and rent expense was \$3,000 and \$2,250 for the years ended June 30, 2024 and 2023, respectively. Amounts payable to these related parties was \$15,527 and \$17,119 at June 30, 2024 and 2023, respectively.

NOTE 6. Plan Termination

Although it has not expressed any intention to do so, the board of trustees has the right under the Plan to discontinue employer contributions at any time and to terminate the Plan subject to the provisions of ERISA.

(Continued)

Notes to Financial Statements – Continued

NOTE 7. Tax Status

Effective July 1, 2022, the Plan was amended and restated by adopting a pre-approved plan document, Findley Inc. Defined Contribution Pre-Approved Plan Basic Document #02, for which the IRS issued a determination letter dated June 30, 2020 indicating that the Plan document was designed in accordance with applicable sections of the Internal Revenue Code.

The Plan annually files Forms 5500 and 8955-SSA in the U.S. federal jurisdiction. The Plan is generally no longer subject to income tax examinations for years prior to the fiscal year ended June 30, 2021.

NOTE 8. Contingencies

The Plan has filed a lawsuit against a contractor for failure to pay the required contributions to the Plan for its employees. The Plan's lawsuit involves delinquent contributions totaling approximately \$16,000. However, these delinquent contributions have not been recorded as receivables in the accompanying financial statements since their collectability is uncertain.

NOTE 9. Subsequent Events

Subsequent events were evaluated through March 10, 2025, which is the date the financial statements were available to be issued.
