INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Management of
Ag Partners Coop 401(k) Retirement Plan
Goodhue, Minnesota

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Ag Partners Coop 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of June 30, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended June 30, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Ag Partners Coop 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2024 and 2023, and for the year ended June 30, 2024, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Ag Partners Coop 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ag Partners Coop 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance, and therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ag Partners Coop 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ag Partners Coop 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of Plan year) and schedule of delinquent participant contributions as of or for the year ended June 30, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AG PARTNERS COOP 401(k) RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
June 30, 2024 and 2023

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Ag Partners Coop 401(k) Retirement Plan provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Ag Partners Coop; Red Wing Grain, LLC; and Western Wisconsin Ag Supply, LLC who have completed 30 days of service and are age 18 or older. Employees who qualify to become participants may enter the first day of the Plan year quarter coinciding with or next following the date they satisfy the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrator and 401k Committee are responsible for oversight of the Plan, determining the appropriateness of the Plan's investment offerings, and monitoring investment performance.

Contributions

Each year, participants may contribute up to 100% of annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of all contributions into various investment options offered by the Plan. The Cooperative contributes a safe harbor matching contribution equal to 100% of participant salary deferrals that do not exceed 3% of participant's compensation, plus 50% of participant salary deferrals between 3% and 5% of participant's compensation. The Cooperative also contributes an additional matching contribution as follows: all eligible employees, except Red Wing Grain, LLC union employees, may receive a discretionary matching contribution based on years of service as follows: less than 8 years of service: no additional matching contribution; 8 - 14 years of service: if the participant defers 5% or more of compensation, the additional matching contribution shall be equal to 1% of compensation; 15 - 19 years of service: if the participant defers 5% of compensation, the additional matching contribution shall equal 1% of compensation. If the participant defers 6% or more of compensation, the additional matching contribution shall equal 2% of compensation; 20 or more years of service: if the participant defers 5% of compensation, the additional matching contribution shall equal 1% of compensation. If the participant defers 6% of compensation, the additional matching contribution shall be 2% of compensation. If the participant defers 7% or more of compensation, the additional matching contribution shall equal 3% of compensation. For eligible employees of Red Wing Grain, LLC who are part of the union, the additional discretionary matching contribution shall be based on the same tiered years of service formula, except that the 8-14 years of service tier will apply to eligible employees with 1 - 14 years of service and employees with a deferral rate of less than 5% of compensation shall receive no contribution.

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Contributions (Continued)

Years of service are determined as of the end of the Plan year. Deferrals and compensation shall be based on the Plan year. Additional nonelective amounts may be contributed at the option of the Cooperative's Board of Directors. Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Cooperative's contributions, as well as allocations of the Cooperative's nonelective contribution and Plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon, as well as the Cooperative's additional matching and nonelective contributions plus actual earnings on those contributions.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Borrowings are secured by the balance in the participant's account and bear interest at rates that range from 3.25% to 8.50% at June 30, 2024. The loan interest rate is set at the *USA Today* Prime Rate per year. A maximum of two loans may be outstanding at any time. Principal and interest are paid ratably through payroll deductions. Terms range from one to five years or 15 years for the purchase of a primary residence.

Payment of Benefits

On termination of service due to death, disability, retirement, or any other reason a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, partial withdrawals, or installments over a period not to exceed the joint life expectancy of the participant and their beneficiary. Hardship distributions are allowed if qualification criteria are met. A participant may receive an in-service distribution from all contribution accounts after the participant has reached age 59½. Upon attaining the age of 72, participants may elect to receive partial or installment distributions to satisfy the required minimum distribution rules.

NOTES TO THE FINANCIAL STATEMENTS
June 30, 2024 and 2023

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Payment of Benefits (Continued)

A terminated employee may also leave a portion or all of his or her vested benefit in the Plan, if it is greater than \$5,000, until such time as they wish to withdraw it, with the account continuing to share in the Plan's earnings. If a terminated participant's vested account balance does not exceed \$5,000, the Plan will distribute the benefit in a lump sum as soon as administratively practicable.

Forfeited accounts

At June 30, 2024 and 2023, forfeited non-vested accounts totaled \$237 and \$250 respectively. These accounts will be used to reduce future employer contributions or pay plan expenses.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator and management determine the Plan's valuation policies utilizing information provided by the investment advisor and trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when they are incurred. No allowance for credit losses has been recorded as of June 30, 2024 and 2023. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

NOTES TO THE FINANCIAL STATEMENTS
June 30, 2024 and 2023

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Benefits

Benefits are recorded when paid.

Plan Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Cooperative. Expenses that are paid by the Cooperative are excluded from these financial statements. Fees related to distributions and the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in administrative expenses. Other expenses paid by the Plan include administrative fees charged by the Plan's record-keeper, OneAmerica, a party-in-interest.

Subsequent Events Consideration

The Plan has evaluated subsequent events through February 10, 2025, the date the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets
- quoted prices for identical or similar assets or liabilities in inactive markets
- inputs other than quoted prices that are observable for the asset or liability
- inputs that are derived principally from or corroborated by observable market data by correlation or other means

AG PARTNERS COOP 401(k) RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
June 30, 2024 and 2023

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2024 and 2023.

Interest -bearing cash: Valued at cost, which approximates fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Cash value of life insurance policy: Valued at the actual cash value of the underlying policy as reported by the insurance provider.

Common/collective trust fund: A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the net asset value of units of the bank collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily.

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of June 30, 2024 and 2023, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
2024				
Common/Collective Trust Fund	\$ 4,327,234	N/A	Daily	12 months
2023				
Common/Collective Trust Fund	\$ 4,308,421	N/A	Daily	12 months

NOTE 4 – PARTY-IN-INTEREST TRANSACTIONS

Fees incurred by the Plan for investment management services are included in administrative expenses. In 2024, the Plan made direct payments to OneAmerica, the record-keeper, of \$64,417. Additionally, the Plan issues loans to participants, which are secured by the participant's account balances. These transactions qualify as party-in-interest transactions.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Cooperative has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will remain 100% vested in their accounts.

AG PARTNERS COOP 401(k) RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
June 30, 2024 and 2023

NOTE 6 – TAX STATUS

The Plan is relying on an opinion letter the Internal Revenue Service has issued on the Non-Standardized Pre-Approved Profit Sharing Plan with CODA, dated September 6, 2023, which states the Plan is acceptable under Section 401 of the Internal Revenue Code (IRC) for use by employers for the benefit of their employees. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Certain investments exceeded 10% of the net assets available for benefits. As of June 30, 2024 and 2023, the Plan had investments of \$11,450,675 and \$9,172,331, respectively, that were concentrated in one fund in 2024 and 2023.

NOTE 8 – CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at June 30, 2024 and 2023, and net appreciation in fair value of investments, dividends, and interest income on notes receivable from participants for the year ended June 30, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Matrix Trust Company (a trustee of the Plan).

NOTES TO THE FINANCIAL STATEMENTS
June 30, 2024 and 2023

NOTE 9 – DELINQUENT PARTICIPANT CONTRIBUTIONS

During 2023, the Cooperative was untimely in remitting certain participant contributions. Late remittances of participant contributions constitute a prohibited transaction in accordance with ERISA, regardless of materiality. Delinquent participant contributions totaled approximately \$15,649 in 2023. The Cooperative transmitted the delinquent participant contributions in 2023. Lost earnings related to the transaction will be remitted to the Plan and the related excise tax will be paid in 2025.
