SWA Group Profit Sharing and Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of SWA Group Profit Sharing and Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2024 and 2023, and the related statement of change in net assets available for benefits for the year ended June 30, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of June 30, 2024 and 2023 and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year, as of and for the year ended June 30, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SWA GROUP PROFIT SHARING AND SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

June 30, 2024 and 2023

NOTE 1: DESCRIPTION OF PLAN

The following description of the SWA Group Profit Sharing and Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was established on July 1, 1989 to provide retirement benefits for employees of SWA Group and its subsidiary in Shanghai China, SWA Landscape Design Consulting (Shanghai) Co. Ltd. (the “Plan Sponsor”). The Plan is administered by a committee appointed by the Plan Sponsor. The Plan is designed to comply with section 401(k) of the Internal Revenue Code (the “Code”) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is a defined contribution plan covering employees of the Plan Sponsor who meet the eligibility requirements of the Plan. Shanghai employees are excluded from participation in employee salary deferrals and safe harbor matching contributions.

Vanguard Fiduciary Trust Company held the Plan’s assets and served as the Plan’s trustee until December 31, 2022. Effective January 1, 2023, the Plan’s assets were transferred to Charles Schwab Trust Bank, who assumed custodial and trustee responsibilities. In addition, the Plan adopted a new prototype plan as of that date, however, there were no significant changes to the provisions of the Plan.

Plan Year

The Plan year begins July 1 and ends June 30.

Contributions to the Plan

The Plan allows for the following types of contributions:

Employee Salary Deferral 401(k) Contributions

The Plan includes an elective salary deferral arrangement pursuant to Section 401(k) of the Code. After completing six months of service, employees may voluntarily contribute a percentage of their eligible compensation to the Plan subject to certain nondiscrimination tests and limitations prescribed by the Code. Employees age 50 or over are permitted to make additional catch-up contributions.

Safe Harbor Matching Contributions

The Plan Sponsor makes nondiscretionary safe harbor matching contributions equal to 100% of eligible employee deferrals, up to 4% of eligible Plan compensation. The Plan Sponsor made safe harbor matching contributions \$726,391 for the Plan year ended June 30, 2024.

Discretionary Employer Contributions

The Plan permits the Plan Sponsor to make a discretionary employer contribution. Discretionary employer contributions are allocated to participant accounts based on eligible Plan compensation. Participants must complete at least 1,000 hours of service during the plan year to be eligible to receive an allocation of discretionary employer contributions. The Plan Sponsor elected to make discretionary employer contributions of \$1,202,381 for the Plan year ended June 30, 2024.

Employee Rollover Contributions from Another Qualified Plan

Participants may make rollover contributions from another qualified plan.

Participant Accounts and Allocations

The Plan provides various investment fund options and allows participants to self-direct their contributions and investments. Each participant’s account is credited with the participant’s contributions, safe harbor matching contributions, rollover contributions, discretionary employer contributions and an allocation of Plan earnings and certain Plan expenses, as defined by the Plan document. The benefit to which a participant is entitled is limited to the benefit that can be provided from the participant’s vested account.

NOTE 1: DESCRIPTION OF PLAN (Continued)

Forfeitures

Forfeitures may be used to reduce the amount of employer discretionary contributions for the Plan year in which the forfeiture occurs or allocated to qualifying participants. At June 30, 2024 and 2023, forfeiture ending balances included in Plan net assets were \$138,813 and \$140,070, respectively. Forfeitures of \$119,994 were allocated to eligible participants during the year ended June 30, 2024. There were no forfeitures used to reduce employer discretionary contributions for the year ended June 30, 2024.

Vesting

Participants are immediately vested in their salary deferral contributions and safe harbor matching contributions, and related earnings at all times. Discretionary employer contributions are considered 100% vested after the completion of two years of service. Assets transferred from SWA Group's Employee Stock Ownership Plan to a participant's individual account are 100% vested.

For vesting purposes, a year of service is equivalent to 1,000 hours of service during the Plan year.

Retirement

Normal retirement age under the Plan is age 65.

Notes Receivable from Participants

The Plan allows participants to borrow against their account a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participants are only allowed one loan to be outstanding at any time and are secured by the balance in the participant's account. Loans bear interest at Prime rate plus 1.00% and are repaid through regular payroll deductions. Loan periods can range from one to five years, except for loans made for the purchase of a principal residence, which may permit a longer repayment term.

Payment of Benefits

Payment of benefits may be made at the following times under the Plan: 1) normal retirement; 2) termination of employment of the participant; 3) death of the participant; 4) upon demonstration of financial hardship; 5) attainment of age 59 ½; or 6) disability of the participant.

Benefit payments are made in installment or lump sum payments.

Participants who separate from service and have vested account balances of \$5,000 or less and do not process their own distributions, may receive a lump sum cash payment if the entire vested account balance is \$1,000 or less. If the value of the vested account balance is greater than \$1,000 but equal to or less than \$5,000, the account may be rolled over to an IRA account.

Administrative Expenses

Fees and expenses incurred in the administration of the Plan, to the extent not paid by the Plan Sponsor, are charged to, and paid from the Plan's assets. Expenses related to specific participant transactions are charged to the respective participant's account.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Contributions Receivable

Employer contributions receivable are recorded in the financial statements for amounts contributed but not received by the Plan as of year-end.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

Investments are stated at fair value based on quoted market prices. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date. Capital gain distributions are included in dividend income. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year. Increases and decreases in the share values of investments are reflected in each participant's self-directed account. Investments are valued daily.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. No allowance for credit losses has been recorded as of June 30, 2024 and 2023. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Income Taxes

The Plan adopted a prototype defined contribution plan which obtained a favorable opinion letter on September 21, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was acceptable under Section 401 of the Code. The Plan has been amended since receiving the opinion letter, however the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Plan management has determined that as of June 30, 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition or disclosure in the financial statements. The Plan is subject to routine examinations by taxing authorities; however, there are currently no examinations for any tax periods in progress.

Estimates and Assumptions

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of income and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 3: INFORMATION CERTIFIED BY THE TRUSTEES

The following amounts were taken directly from statements provided and certified as complete and accurate by Charles Schwab Trust Bank as of and for the years ended June 30, 2024 and 2023:

	<u>2024</u>	<u>2023</u>
Mutual funds	\$ 78,928,519	\$ 76,781,387
Money market fund	\$ 138,813	\$ 140,070
Common collective trust	\$ 1,473,178	\$ 1,544,058
Notes receivable from participants	\$ 374,299	\$ 399,390
Dividends, interest, and other income	\$ 2,631,950	\$ -
Net appreciation in fair value of investments	\$ 7,869,095	\$ -
Interest income, notes receivable from participants	\$ 23,714	\$ -

NOTE 4: FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) ASC 820 provides a framework for measuring fair value. That framework provides a three-tier hierarchy that prioritizes the inputs to valuation techniques used for measuring fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are as follows:

Level 1 - Inputs are unadjusted quoted prices for identical assets or liabilities that the Plan has the ability to access.

Level 2 - Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, model-based valuation techniques for which all significant assumptions are observable in the market, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Inputs that are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at June 30, 2024 and 2023.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market fund: Money market funds have underlying short-term investments with quoted prices in active markets to preserve the value of investments at \$1.00 per share.

Common Collective Trust: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. Collective trust investments include a stable value fund that is composed primarily of fully benefit-responsive investment contracts. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

NOTE 4: FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2024:

	Assets at Fair Value as of June 30, 2024			
	Level 1	Level 2	Level 3	Total

The following table summarizes investments for which fair value is measured using the net asset value per unit practical expedient as of June 30, 2024 and 2023:

June 30, 2024	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Stable value collective trust fund	\$ 1,473,178	n/a	Daily	60 days
June 30, 2023	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Stable value collective trust fund	\$ 1,544,058	n/a	Daily	60 days

NOTE 5: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 6: PLAN TRANSFERS

Assets from the SWA Group Employee Stock Ownership Plan that were transferred into the Plan totaled \$311,565 for the year ended June 30, 2024.

NOTE 7: PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 8: RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Fees paid by the Plan for investment management and advisory services are recorded in net appreciation in fair value of investments. Fees for certain administrative expenses are paid to Charles Schwab Trust Bank, the record keeper, and third-party administrator for the Plan. Notes receivable from participants are considered party-in-interest transactions. These investments and transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA.

NOTE 9: SUBSEQUENT EVENTS

Plan management evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through March 6, 2025, the date the financial statements were available to be issued. Plan management has determined there are no events that have occurred that should be disclosed.
