Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☐ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☒ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **LEGACY PROFESSIONALS LLP**

(2) EIN: **32-0043599**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)	☒		
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		☒	
l Has the plan failed to provide any benefit when due under the plan?		☒	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		☒	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

Report of Independent Auditors

To the Participants and Trustees of
International Brotherhood of Electrical Workers
Local Union No. 725
Supplemental Pension Trust

Opinion

We have audited the financial statements of International Brotherhood of Electrical Workers Local Union No. 725 Supplemental Pension Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of May 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of International Brotherhood of Electrical Workers Local Union No. 725 Supplemental Pension Trust as of May 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Responsibilities of Management for the Financial Statements (continued)

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements; and
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Notes to Financial Statements

May 31, 2024 and 2023

Note 1. Summary of Significant Accounting Policies

Method of Accounting - The accompanying financial statements of International Brotherhood of Electrical Workers Local Union No. 725 Supplemental Pension Trust (the Plan) have been prepared using the accrual basis of accounting.

New Accounting Pronouncement - In June 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2016-13, *Financial Instruments - Credit Losses* (Topic 326), which is effective for the Plan for the year ended May 31, 2024. This new standard provides financial statement users with more decision-useful information about the expected credit losses on financial instruments and other commitments to extend credit held by a reporting entity at each reporting date. The standard replaced the incurred loss impairment model with a methodology that reflects expected credit losses and requires consideration of a broader range of reasonable and supportable information to inform credit loss estimates. The standard had no material impact on the Plan's financial statements.

Investments - The investments of the Plan are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. For all other investments, the fair value of a financial instrument is the amount that would be received to sell that asset (or paid to transfer a liability) in an orderly transaction between market participants at the measurement date (the exit price). Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Purchases and sales of the investments are reflected on a trade-date basis.

Dividend income is recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

Contributions Receivable - Contractor contributions due and not paid prior to year end are recorded as contributions receivable. Contractor contribution deficiencies established through payroll compliance audits are recognized upon settlement with the contractor. An allowance for uncollectible accounts is considered unnecessary and is not provided.

Note 1. Summary of Significant Accounting Policies (continued)

Revenue Recognition - Revenue derived from contractor contributions is recognized in the period in which covered work is performed, based on the amount of eligible wages earned in covered employment and the contribution rate currently in effect, as set forth in the collective bargaining agreement. Contractors are required to remit contributions on a monthly basis. The Plan carries out its purpose described in Note 2 within a jurisdiction located in Brown, Clay, Green, Knox, Monroe, Owen, Parke, Sullivan and Vigo Counties in Indiana and Clark, Crawford, Edgar, Jasper, Lawrence and Richland Counties in Illinois.

Reciprocal Contributions - The Plan is signatory to reciprocity agreements with various other multiemployer retirement plans for its participants who perform work outside the geographic jurisdiction of the local union. Participants who are normally employed within the territory of one local union (home local) may be temporarily employed within the territory of another local union (reciprocating local). When a participant of the home local works in the territory of a reciprocating local, the latter is to make contributions to the former's fringe benefit plans on the participant's behalf. Monies received by the Plan on behalf of persons from outside participating local unions are forwarded to their home local fringe benefit plans. The Plan uses the same recognition and measurement criteria for such contributions received on behalf of its participants under the terms of the reciprocity agreements, as for all other contractor contribution revenue. Amounts paid to other plans under the terms of reciprocity agreements are not reflected in the statements of changes in net assets available for benefits, as the amounts received are not revenue earned by the Plan, and the corresponding payments are not an expense of the Plan. The Plan recognizes a liability upon receiving reciprocal contributions on behalf of non-participants working within the jurisdiction of the local union, and recognizes a decrease in that liability upon remitting those contributions to the appropriate plan. Contractor contributions included reciprocal contributions of \$331,256 and \$409,127 for the years ended May 31, 2024 and 2023, respectively, from various other retirement plans under the terms or reciprocity agreements. The Plan remitted a total of \$1,037,317 and \$410,045 in reciprocal contributions to various other retirement plans under the terms of reciprocity agreements for the years ended May 31, 2024 and 2023, respectively.

Revenue Sharing Income - The Plan has a revenue sharing arrangement with Empower Retirement, the custodian of the Plan. Revenue received represents the quarterly recordkeeping revenue earned by Empower Retirement. Such revenue is available to pay administrative expenses incurred by the Plan.

Payment of Benefits - Benefits paid to participants are recorded upon distribution. No amounts were allocated to participants who elected a withdrawal from the Plan but were not paid at either May 31, 2024 or 2023.

Expenses - Certain investment related expenses are included in net appreciation (depreciation) in fair value of investments. The Plan pays directly any other expenses related to the Plan's operations.

Note 1. Summary of Significant Accounting Policies (continued)

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Subsequent Events - Subsequent events have been evaluated through March 10, 2025, which is the date the financial statements were available to be issued.

Note 2. Description of the Plan

The Plan was established in 1992 under the terms of a collective bargaining agreement between the local union and various contractors to provide benefits upon termination or retirement. The Plan is primarily funded by contractor contributions as specified in the collective bargaining agreement. The Plan is a multiemployer defined contribution retirement plan, subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Benefits under the Plan are not insured by the Pension Benefit Guaranty Corporation.

An individual account is established for each participant. Contractor contributions made on the participant's behalf are credited to the individual account and are adjusted for Plan earnings or losses, less administrative expenses. As defined, income allocations are based on individual account balances. Participant accounts are charged a monthly fee of \$4 to cover administrative costs incurred by the Plan. Participants were also charged a one time fee of \$45.75 during the year ended May 31, 2024. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Upon enrollment in the Plan, participants may elect to have their account balances invested in various investment options. In the absence of participant direction, contributions are invested in a default investment option. Participants must evaluate their own investment goals and objectives. Poor investment performance by the investments selected by the participants may cause their balances to be lower than the amounts contributed on their behalf.

Under current Plan provisions, each participant's account is immediately vested in all contractor contributions paid on the participant's behalf. Upon death, disability, retirement or a separation from service for two consecutive years, participants are entitled to receive their account balance subject to the payment provisions of the Plan.

Included in net assets available for benefit is an administrative reserve, which is available to pay administrative expenses and establish individual accounts for contractor contributions that are deemed delinquent. At May 31, 2024, the Plan had a deficiency of approximately \$44,000 in the administrative reserve. At May 31, 2023, the Plan had a surplus of approximately \$5,000 in the administrative reserve. During the year ended May 31, 2023, a total of \$350,000 in unallocated amounts was allocated to participants. No such amounts were allocated to participant accounts during the year ended May 31, 2024.

Participants should refer to the summary plan description for more complete information.

Note 3. Priorities upon Termination

It is the intent of the Trustees to continue the Plan in full force and effect; however, the right to discontinue the Plan is reserved to the Trustees. Termination shall not permit any part of the Plan assets to be used for or diverted to purposes other than the exclusive benefit of the participants and their beneficiaries, except that provision may be made for the payment of necessary expenses resulting from termination of the Plan.

In the event of termination, the net assets of the Plan will be allocated to pay benefits in priorities as prescribed by ERISA and its related regulations. Whether or not a particular participant will receive full benefits should the Plan terminate at some future time will depend on the sufficiency of the Plan's net assets at that time and the priority of those benefits.

Note 4. Tax Status

The Plan's latest determination letter is dated August 20, 2015, in which the Internal Revenue Service stated that the Plan was in compliance with the applicable requirements of Section 401(a) of the Internal Revenue Code and was, therefore, exempt from federal income taxes under the provisions of Section 501(a). The Plan has since been amended since receiving the determination letter. The Plan's administrator and the Plan's legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and therefore believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require the Plan to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 5. Funding Policy

Contractor contributions are made in accordance with the collective bargaining agreement. Contractor contributions were paid at a predominant rate ranging from 14.70% to 15.00% of gross wages for the years ended May 31, 2024 and 2023.

Note 6. Fair Value Measurements

The *Fair Value Measurements and Disclosures* Topic of the FASB Accounting Standards Codification established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The following describes the three levels of the fair value hierarchy:

Basis of Fair Value Measurement

Level 1	Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities
Level 2	Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly
Level 3	Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable

The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's investment assets at fair value as of May 31, 2024 and 2023. As required, assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. In accordance with generally accepted accounting principles, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the following tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Note 6. Fair Value Measurements (continued)

		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
	Total			
Mutual funds	\$ 11,960,201	\$ 11,960,201	\$ -	\$ -
Investments measured at net asset value:				
Common collective trusts	73,911,616			
Total	\$ 85,871,817			

Level 1 Measurements

The fair values of the mutual funds are determined by reference to the funds' underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds are traded on national securities exchanges and are valued at the net asset value on the last business day of each period presented.

Measurements Using Net Asset Value as a Practical Expedient

The common collective trusts and pooled separate account are valued at the net asset value per share, used as a practical expedient to estimate fair value. The net asset value is based on the fair values of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value.

The common collective trusts and pooled separate account are direct filing entities (DFEs) and file a Form 5500 annual report with the U.S. Department of Labor. The Plan is not required to disclose the investment strategies of DFE investments. Units held in the common collective trusts and pooled separate account are not subject to significant withdrawal restrictions.

Note 7. Group Annuity Contract

The Plan has a traditional fully benefit-responsive investment contract with Empower, who maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. The issuer is contractually obligated to repay the principal at a specified interest rate that is guaranteed to the Plan. The crediting rates ranged from 3.30% to 3.80% for the year ended May 31, 2024, and from 2.85 to 3.30% for the year ended May 31, 2023. The crediting rate is reviewed on a quarterly basis for resetting. The group annuity contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower Retirement, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or the other Plan sponsor events that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, and (4) a material amendment to the agreement without the consent of the issuer.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Due to inherent uncertainties involved in the valuations of investments that are not publicly traded, estimated fair values may differ materially from the values that would have been used had a ready market for the underlying securities existed.

Note 9. Related Organizations

The Plan has a number of related organizations including a defined benefit pension plan, a welfare plan, a local union and a training fund, all of which are tax-exempt.

Note 10. Major Contractors

Contributions from one contractor accounted for approximately 18% of total contractor contributions for the year ended May 31, 2024. Contributions from four contractors accounted for approximately 54% of total contractor contributions for the year ended May 31, 2023. In the event these contractors were to suspend contributions, the Plan would retain the risk of meeting current fixed administrative expenses until the appropriate adjustments were made.

Note 11. Party-In-Interest Transactions

Certain Plan investments are held and managed by Empower Retirement. Therefore, transactions related to these investments qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA.

REPORT OF INDEPENDENT AUDITORS ON SUPPLEMENTAL SCHEDULES

To the Participants and Trustees of
International Brotherhood of Electrical Workers
Local Union No. 725 Supplemental Pension Trust

We have audited the financial statements of International Brotherhood of Electrical Workers Local Union No. 725 Supplemental Pension Trust (the Plan) as of and for the years ended May 31, 2024 and 2023, and our report thereon dated March 10, 2025, which expressed an unmodified opinion on those financial statements, appears on pages 1 and 2. Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. Supplemental Schedules 1 and 2 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
