Independent Auditors' Report

The 403(b) Plan Administrative Committee of Community Behavioral Health 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Community Behavioral Health 403(b) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institutions).

Management has obtained certifications from the qualified institutions as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by the qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

**The 403(b) Plan Administrative Committee of
Community Behavioral Health 403(b) Plan**
Page 3

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**The 403(b) Plan Administrative Committee of
Community Behavioral Health 403(b) Plan**

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by the qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Community Behavioral Health 403(b) Plan

Notes to Financial Statements
December 31, 2023

1. Description of Plan

The following description of the Community Behavioral Health 403(b) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Community Behavioral Health ("Employer"), except for part-time employees who work less than 20 hours per week, non-resident aliens, and employees who are represented by a bargaining unit that has bargained in good faith on the subject of retirement benefits. An employee may join the Plan on the first day of each calendar month after meeting the eligibility requirements. To be eligible for Employer matching contributions, an employee must have completed one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Each year, participants may contribute up to 100% of their annual compensation on a pre-tax or Roth basis, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to the statutorily permitted amount. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan includes an auto enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default rate set at 4% of their eligible compensation.

The Employer makes safe-harbor matching contributions in an amount equal to 200% of a participant's elective deferrals, capped at 4% of the participant's eligible compensation. The Employer may also make a discretionary contribution. For the 2023 plan year, no discretionary contributions were made by the Employer.

Vesting

Effective January 1, 2018, the Plan was amended to remove the vesting service requirement. As of that date, all contributions are 100% vested at the time they are made to the Plan.

Notes Receivable from Participants

The Plan offers a loan feature whereby a participant enrolled in the Plan may borrow a minimum amount of \$1,000 up to a maximum amount of \$50,000 or 50% of their vested account balance (whichever is less). A participant may not have more than one loan outstanding at any one time. The loans are secured by the balance in the participant's account and bear interest at prime rate. The loan must be repaid within a five-year period, unless the loan is used to acquire the principal residence of the borrower. Principal and interest is paid ratably through payroll deductions.

Community Behavioral Health 403(b) Plan

Notes to Financial Statements
December 31, 2023

1. Description of Plan (*continued*)

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Employer contributions and (b) Plan earnings (losses) thereon. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined.

Payment of Benefits

Benefits are paid upon retirement, age 59 ½, death, or other termination of employment. Upon termination of service, a participant's balance will be paid in a lump-sum amount equal to the participant's account balance, installment payments over a specified period of time, or periodic installment payments of a specified dollar amount. Benefits can also be distributed in the event of a participant's immediate and heavy financial need. Upon termination if a participant's vested account is \$5,000 or less, the participant will receive the value of his or her account in a single lump-sum distribution.

Forfeitures

Prior to January 1, 2018, participants forfeited their non-vested balances upon termination of employment. Forfeitures may be used to pay Plan administrative expenses. At December 31, 2023 and 2022, forfeitures amounted to \$103 and \$93. During 2023, no forfeitures were used to reduce administrative expenses.

Plan Expense Account

The Plan and Empower Retirement entered into a service-based pricing arrangement whereby a portion of the revenue earned by certain Plan investments is passed through to the Plan for payment of permitted Plan expenses. The Plan Expense Account is a nonparticipant directed account within the Plan. The Plan Expense Account balance was \$77,609 and \$60,663 at December 31, 2023 and 2022. During 2023, \$132,706 from the Plan Expense Account was used to pay Plan expenses.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

2. Summary of Significant Accounting Policies (*continued*)

Fair Value Measurements

The Plan follows U.S. GAAP guidance on Fair Value Measurements which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

Investment Valuation and Income Recognition

All investments of the Plan are stated at fair value except for the guaranteed investment contracts, which are stated at contract value. Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. These funds are deemed to be actively traded. The separate accounts are reported at fair value based on the value reported to the Plan by the insurance company, which represents the fair value of the underlying investments comprising the accounts. The guaranteed investment contracts are valued at contract value, which represents contributions and any transfers into the contracts plus credited interest, less participant withdrawals, transfers out and administrative expenses.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of the Plan are paid by the Employer and are excluded from these financial statements. Investment related expenses are included in net appreciation in value of investments.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is February 10, 2025.

3. Information Certified (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) including investments and notes receivable from participants held at December 31, 2023 and 2022, and the net appreciation in value of investments, interest and dividends, and interest on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Annuity Insurance Company of America, Empower Trust Company, LLC, and Equitable Financial Life Insurance Company (“Equitable Financial”), qualified institutions.

4. Investments

The following tables set forth, by level within the fair value hierarchy, the Plan’s investments at fair value as of December 31:

	2023		
	Level 1	Level 2	Total

5. Guaranteed Investment Contracts

The guaranteed investment contracts are stated at contract value and consist of the investments at December 31:

	2023	2022
Prudential Guaranteed Income Fund	\$ 2,159,170	\$ 2,397,032
Guaranteed Interest Account	101,942	98,882
	<u>\$ 2,261,112</u>	<u>\$ 2,495,914</u>

The Prudential Guaranteed Income Fund and the Guaranteed Interest Account are fully benefit-responsive guaranteed investment contracts.

Prudential Guaranteed Income Fund

The Prudential Guaranteed Income Fund (the "Fund") is a stable value fund designed to provide safety of principal, liquidity, and a competitive rate of return. Principal and accumulated interest are fully guaranteed by Empower Annuity Insurance Company. The guaranteed interest rate is announced in advance and is guaranteed for a six-month period. Participants may not directly transfer amounts from the Fund to a competing fund. A transfer out of the Fund must be directed to and remain in a non-competing fund for a period of 90 days before it can be invested in a competing fund. Competing funds are generally short-term fixed income investments, money market funds or stable value investments that may be available as a Plan investment option.

Guaranteed Interest Account

The Guaranteed Interest Account (the "Account") provides a guaranteed fixed rate of interest and a guarantee to preserve principal. Contributions to the Account become part of Equitable Financials' general account. Every year, Equitable Financial sets the lifetime minimum guaranteed interest rate and the annual minimum guaranteed interest rate. These rates apply to all contracts or certificates issued in that calendar year. Equitable Financial sets current interest rates for the Account on a monthly basis. Current interest rates may be equal to or higher than the annual minimum guaranteed interest rate, but will never be lower. The current interest rate for the Account depends on when a contribution is invested in the Account. Transfer restrictions from the Account to other investment options may apply in certain instances. There may also be allocation restrictions.

6. Separate Accounts

The Plan offers various separate accounts as investment options under the Plan. The separate accounts have different investment objectives, investment policies, and risks. The name of each separate account corresponds to the name of the underlying fund in which it invests. When contributions or transfers are made to a separate account, the separate account purchases shares in the appropriate underlying fund. The Plan's separate accounts include various asset classes which are: equity funds, fixed income funds, and blended funds.

7. Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

8. Tax Status

On March 31, 2017, the Internal Revenue Service ("IRS") issued an opinion letter to the prototype document preparer, Great-West Trust Company, LLC, indicating that the Plan, as then designed, qualifies under Section 403(b) of the Internal Revenue Code ("IRC"). The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

U.S GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that is more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax period in progress.

9. Party-in-Interest Transactions

Certain investments of the Plan are managed by an affiliate of Equitable Financial Life Insurance Company, a custodian of the Plan, or Empower Annuity Insurance Company of America, a custodian of the Plan. Therefore, these transactions qualify as exempt party in-interest transactions under ERISA.

Empower Retirement is the record-keeper of the Plan.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivables from participants in the statements of net assets available for benefits.

10. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Global and domestic economic uncertainty has resulted in significant volatility in financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2023 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted.
