Independent Auditor's Report

To the Plan Administrator
Residential One 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C)

We have performed an audit of the accompanying financial statements of Residential One 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from Reliance Trust Company as of December 31, 2022 and for the period from January 1, 2023 to October 31, 2023, and American Trust Custody for the period from October 31, 2023 to December 31, 2023 stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain

additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements
December 31, 2023

NOTE 1 – DESCRIPTION OF PLAN

The following brief description of the Residential One 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Residential One LLC (the Company) who have attained the age of 21. Employees are eligible to participate in the Plan the first of the month following a 60-day service period. The Plan became effective January 1, 1997. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Company has the right to terminate the Plan at any time, although it has no intention to do so. If the Plan is terminated, a participant will become 100% vested in his or her account balance attributable to employer contributions, regardless of his or her vested years of service, provided that the participant is an employee on the date of Plan termination. The Company will provide for the orderly distribution of benefits either at the of Plan termination or at a later date.

Contributions

Each year, participants have the right to elect to defer a portion of their compensation which will then be contributed on their behalf to the Plan. For 2023 and 2022, the maximum statutory limits for employee deferrals are \$22,500 and \$20,500, respectively. For 2023 and 2022, employees 50 years of age or older could defer a maximum of \$30,000 and \$27,000, respectively. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company contributes a matching contribution equal to 60% of eligible contributions not to exceed 5% of a participant's compensation as defined by the plan, after completion of 60 days of service. The Company may also, at its discretion, contribute a non-elective contribution to each participant's account, as determined on a yearly basis by the Company. There were no non-elective contributions made during 2023 and 2022.

Participant Accounts

Each participant's account is participant-directed and is credited with the participant's contribution, the employer matching contribution, allocations of the Plan earnings and or losses, and charged with an allocation of administrative expenses in excess of forfeitures. Allocations are based on participant earnings or account balances, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are 100% vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and non-elective contribution is based on years of continuous service. The Plan provides that participants become 100% vested in the Company's contributions after completing three years of credited service.

RESIDENTIAL ONE 401(k) PLAN
Notes to Financial Statements
December 31, 2023

Participant Notes Receivable

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 reduced by the highest outstanding loan balance in the participant's account during the prior 12-month period or 50% of the vested value in the participant's account. Loan terms are limited to a maximum of five years per the current plan agreement. The loans are secured by the balance in the participant's account. Interest rates range from 4.25% to 9.50% on loans outstanding as of December 31, 2023. Loan repayments are made through regular payroll deductions.

Payment of Benefits

Upon termination of service, a participant (or designated beneficiary) may elect to receive an amount equal to the value of the interest in their account. The Plan allows for distributions upon termination of service, death, disability, attainment of age 59 1/2, or in certain hardship situations. A participant may elect to receive a lump sum payment or may roll over the value of their account into another qualified plan.

Hardship distributions are permitted if certain conditions are met. These hardship withdrawals are subject to IRC restrictions and penalties.

Forfeited Accounts

Forfeitures resulting from unvested employer contributions are used to reduce the contributions of the Company and to pay the administrative fees of the Plan. At December 31, 2023 and 2022, the forfeited account balance was \$39,089 and \$30,396, respectively.

Administrative Costs

The Plan pays the reasonable expenses for administration of the Plan and the Company also pays expenses for the Plan and participants are also charged a quarterly maintenance fee.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are presented on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates that affect the reported amounts in the financial statements and accompanying notes. Accordingly, actual results could differ from those estimates.

Investment Valuation

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

RESIDENTIAL ONE 401(k) PLAN
Notes to Financial Statements
December 31, 2023

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Participant Notes Receivable

Loans to participants are measured at their principal balances plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the plan document.

Distributions

Distributions to participants are recorded when paid.

NOTE 3 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) guidance for fair value measurement and disclosure provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB guidance are described as follows:

- Level 1 – Observable inputs such as quoted prices (unadjusted) in active markets for identical as identical assets or liabilities;
- Level 2 – Inputs other than quoted prices that are observable for the asset or liability either directly or indirectly. These include quoted prices for similar assets or liabilities in active markets and quoted prices for identical or similar assets or liabilities in markets that are not active; or
- Level 3 – Unobservable inputs that reflect the reporting entity's own assumptions.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Investments measured at fair value on a recurring basis consisted of mutual funds in the amount of \$6,232,596 and \$5,225,265 as of December 31, 2023 and 2022 and are categorized as Level 1 in the hierarchy. The Plan did not have Level 2 or 3 investments as of December 31, 2023 and 2022, respectively.

NOTE 4 – INFORMATION CERTIFIED BY THE PLAN’S TRUSTEE

Investments are carried at market value and held by Reliance Trust Company from January 1, 2022 through October 31, 2023 and American Trust Custody from November 1, 2023 through December 31, 2023, the trustees of the Plan.

All investment and participant note receivable information disclosed in the accompanying financial statements and supplemental schedules, including investments held at December 31, 2023 and 2022 and net realized and unrealized appreciation in fair value of investments, dividend and interest income for the year ended December 31, 2023, are based on information certified by the Trustee as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employment Retirement Income Security Act of 1974.

NOTE 5 – INCOME TAX STATUS

The Plan obtained its latest IRS determination letter dated October 6, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 6 – RELATED PARTY TRANSACTIONS

The Plan invests in mutual funds managed by affiliates of the trustee. These are related party transactions and are identified as parties-in-interest in the accompanying schedule of assets (held at end of year). For the year ended December 31, 2023, the Plan paid \$78,416 for administrative services.

NOTE 7 – RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for plan benefits.

NOTE 8 – SUBSEQUENT EVENTS

Subsequent events were evaluated through March 10, 2025, which is the date the financial statements were available to be issued. No significant events have been identified that would require adjustment or disclosure in the accompanying financial statements.
