Gregory Burgess 401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of **Gregory Burgess 401(k) Profit Sharing Plan and Trust**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of January 29, 2021, and the related statement of changes in net assets available for benefits for the period then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of **Gregory Burgess 401(k) Profit Sharing Plan and Trust**'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit needs not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the period ended January 29, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Gregory Burgess 401(k) Profit Sharing Plan and Trust** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Gregory Burgess 401(k) Profit Sharing Plan and Trust**'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Gregory Burgess 401(k) Profit Sharing Plan and Trust**'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Gregory Burgess 401(k)Profit Sharing Plan and Trust**'s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of **Gregory Burgess 401(k) Profit Sharing Plan and Trust** were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 14, 2021, indicated that (*a*) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (*b*) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA

NOTE 1: DESCRIPTION OF PLAN

The following description of Gregory Burgess 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan, as amended, was formed and adopted in January 2006, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The Plan is maintained for the employees of the Burgess Group, LLC (the "Company" or the "Employer").

On October 1, 2020, HealthEdge Software, Inc. acquired The Burgess Group, LLC. As a result of the acquisition, The Burgess Group, LLC became a wholly owned subsidiary of HealthEdge Software, Inc.

As a result of the acquisition, the Plan sponsor approved the merger of the Plan into HealthEdge Software 401(k) Plan effective January 1, 2021. Plan assets totaling $10,835,680 were transferred to HealthEdge Software 401(k) Plan on January 29, 2021.

Eligibility: The Plan is a defined contribution plan covering all employees of Burgess Group, LLC. The Plan is subject to the provisions of ERISA. Reliance Trust Company is the "Trustee" of the Plan.

All employees of the Company who have reached the age of 21 are eligible to participate, except employees covered by a collective bargaining agreement with the Employer and employees not required to be taken into account for nondiscrimination testing purposes under Code Section 410(b)(6)(C) but only during the Code Section 410(b)(6)(C) transition period, may participate in the Plan upon completing the Plan's eligibility requirements.

Employee Contributions: Participants may contribute up to 90% of pretax annual compensation, as defined in the Plan, without exceeding limitations prescribed by the Internal Revenue Code ("IRC"). Participants may begin making contributions to the Plan after becoming eligible to participate. The entry dates to the Plan are the first day of the month following the satisfaction of the eligibility requirements. Participants may also rollover amounts representing distributions from other qualified defined benefit or defined contribution plans. Additionally, participants aged 50 or older, who are making contributions to the Plan, are allowed to make catch-up contributions as defined in the Plan. Participants direct the investment of all contributions into various investment options offered by the Plan.

Employer Contributions: The Employer can make a discretionary matching contribution based on the employee elective contributions and compensation. During the year ended December 31, 2020, the Employer elected to make discretionary matching contributions of up to 4% of a participant's eligible compensation. Additionally, the Employer may, at its discretion, make profit-sharing and qualified non-elective contributions. During the period ended January 29, 2021, and the year ended December 31, 2020, the Company did not make any discretionary profit sharing or qualified non-elective contributions.

Participant Investment Account Options: The Plan offers various mutual funds and a collective trust as investment options for participants. Each investment option has its own investment strategy, which can be obtained through the prospectus of the respective fund. Participants may change their investment options at their discretion.

NOTE 1: DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts: Each participant's account is credited and/or reduced with the participant's elective deferral contributions and distributions as well as allocation of (a) the Company's contribution, (b) Plan earnings (losses), (c) forfeitures, and (d) administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeitures: Forfeiture non-vested accounts may be used to pay the Plan's administrative expenses, reduce the Employer's contributions, or to reallocate to participants.

Vesting: Participants are immediately vested in their own contributions plus or minus any earnings or losses thereon, matching, safe harbor matching, and rollover contribution accounts, if any. Participants also become fully vested in their account in the event of death, disability, or upon attaining the Plan's normal retirement age, all as defined in the Plan document. Non-elective employer matching contributions, including profit-sharing contributions, are subject to the following vesting schedule:

Years of Service	Vested Percentage
Less than 2 years	0%
At least 2 years, but less than 3	20%
At least 3 years, but less than 4	40%
At least 4 years, but less than 5	60%
At least 5 years, but less than 6	80%
6 years or more	100%

Notes Receivables from Participants: Participants may borrow up to the lesser of $50,000 or 50% of their vested account balance. Participants are allowed a maximum of two outstanding notes and the minimum amount of any note is $500. The notes are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. Interest rates for a loan will be the rate in effect in the month the loan is effective. The interest rate is the prime rate as published in The Wall Street Journal on the 14th of each month and ranged from 5.25% to 7.50% at December 31, 2020. Participant notes have a term of no more than five years, unless for the purchase of a principal residence, which then the term would be determined by the Plan Administrator at the time of the loan. Principal and interest are paid ratably typically through payroll deductions.

Payment Benefits: Upon termination of service due to death, disability or retirement or other reasons, the Plan provides for a lump-sum distribution or installment payments equal to the total value of the participant's deferral contribution account, and the vested portion of his/her matching contribution and non-elective contribution accounts. Participants are allowed in service withdrawals of their vested accounts upon attainment of retirement age or in the event of a financial hardship. The Plan provides for involuntary cash-out distributions for terminated employees with a vested balance of less than $5,000.

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates: The preparation of financial statements in conformity with GAAP requires the Plan's Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividend income is recorded on the ex- dividend date and interest income is recognized when earned. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses: The Plan pays all the expenses and are included in the statement of changes in net assets available for benefits. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net depreciation of fair value of investments.

Risks and Uncertainties: The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such change could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Notes Receivable from Participants: Notes receivable from participants were measured at their unpaid principal balance plus accrued but unpaid interest. Interest income was recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses was recorded as of December 31, 2020. If a participant ceased to make loan repayments and the Plan Administrator deemed the participant loan to be in default, the participant loan balance was reduced and a benefit payment (distributed loan) recorded.

Payment of Benefits: Benefits are recorded when they have been processed and paid by the Plan.

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurements: The methods used to measure fair value of the Plan's investments may produce amounts that may not be indicative of net realizable value or may not be reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 - inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan can access at the measurement date.

Level 2 - inputs other than quoted market prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - inputs that are unobservable for the asset or liability.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There were no changes in the methodologies used at December 31, 2020.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan were deemed to be actively traded and included within Level 1 of the fair value hierarchy.

Collective Trust - These investments were public investment vehicles valued using NAV as a practical expedient provided by the Administrator of the fund. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. Collective trusts have not been classified under the fair value hierarchy.

NOTE 3: CERTIFICATION OF TRUSTEE

The Plan management has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Reliance Trust Company, the Trustee of the Plan, has certified to the completeness and accuracy of the following data included in the accompanying financial statements.

	January 29, 2021	December 31, 2020
Mutual funds	$ -	$ 10,527,692
Collective trust	$ -	$ 206,213

	Period Ended January 29, 2021
Net depreciation in fair value of investments	$ 49,736
Interest and dividends	$ 2,017

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements.

NOTE 4: FAIR VALUE OF INVESTMENTS

The following summarizes the Plan's investments based upon the fair value hierarchy:

There were no Plan assets at January 29, 2021.

	December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 10,527,692	$ -	$ -	$ 10,527,692
Collective trust *				206,213
Investments, at fair value				$ 10,733,905

* In accordance with Subtopic 820-10, certain investments that are measured at fair value using NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits

NOTE 5: INCOME TAX STATUS

The Plan adopted a prototype non-standardized profit-sharing plan with a cash or deferred arrangement which received a favorable opinion letter from the IRS on July 8, 2014, which stated that the prototype plan is designed in accordance with applicable sections of the IRC. The Plan has not received a determination letter specific to the Plan itself, and the Plan has not been amended since receiving the opinion letter. However, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and has no income subject to business income tax and, therefore, the Plan continues to be tax-exempt.

GAAP requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of January 29, 2021 and December 31, 2020, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan was subject to audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE6: PLAN TERMINATION

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their account balances.

NOTE 7: PARTY-IN-INTEREST TRANSACTIONS

ADP, LLC provides recordkeeping services and Merrill Lynch, Fenner & Smith provides investment advisor and management services for which fees are paid by the Plan.

INDEPENDENT AUDITOR'S REPORT

Gregory Burgess 401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of **Gregory Burgess 401(k) Profit Sharing Plan and Trust**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of January 29, 2021, and the related statement of changes in net assets available for benefits for the period then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of **Gregory Burgess 401(k) Profit Sharing Plan and Trust**'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit needs not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the period ended January 29, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Gregory Burgess 401(k) Profit Sharing Plan and Trust** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Gregory Burgess 401(k) Profit Sharing Plan and Trust**'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Docusign Envelope ID: A8AEA594-00A9-4682-BE31-A39036F57E9C

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Gregory Burgess 401(k) Profit Sharing Plan and Trust**'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Gregory Burgess 401(k)Profit Sharing Plan and Trust**'s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Docusign Envelope ID: A8AEA594-00A9-4682-BE31-A39036F57E9C

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of **Gregory Burgess 401(k) Profit Sharing Plan and Trust** were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 14, 2021, indicated that (*a*) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (*b*) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA

Eligibility: The Plan is a defined contribution plan covering all employees of Burgess Group, LLC. The Plan is subject to the provisions of ERISA. Reliance Trust Company is the "Trustee" of the Plan.

All employees of the Company who have reached the age of 21 are eligible to participate, except employees covered by a collective bargaining agreement with the Employer and employees not required to be taken into account for nondiscrimination testing purposes under Code Section 410(b)(6)(C) but only during the Code Section 410(b)(6)(C) transition period, may participate in the Plan upon completing the Plan's eligibility requirements.

Employee Contributions: Participants may contribute up to 90% of pretax annual compensation, as defined in the Plan, without exceeding limitations prescribed by the Internal Revenue Code ("IRC"). Participants may begin making contributions to the Plan after becoming eligible to participate. The entry dates to the Plan are the first day of the month following the satisfaction of the eligibility requirements. Participants may also rollover amounts representing distributions from other qualified defined benefit or defined contribution plans. Additionally, participants aged 50 or older, who are making contributions to the Plan, are allowed to make catch-up contributions as defined in the Plan. Participants direct the investment of all contributions into various investment options offered by the Plan.

Employer Contributions: The Employer can make a discretionary matching contribution based on the employee elective contributions and compensation. During the year ended December 31, 2020, the Employer elected to make discretionary matching contributions of up to 4% of a participant's eligible compensation. Additionally, the Employer may, at its discretion, make profit-sharing and qualified non-elective contributions. During the period ended January 29, 2021, and the year ended December 31, 2020, the Company did not make any discretionary profit sharing or qualified non-elective contributions.

Participant Investment Account Options: The Plan offers various mutual funds and a collective trust as investment options for participants. Each investment option has its own investment strategy, which can be obtained through the prospectus of the respective fund. Participants may change their investment options at their discretion.

NOTE 1: DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts: Each participant's account is credited and/or reduced with the participant's elective deferral contributions and distributions as well as allocation of (a) the Company's contribution, (b) Plan earnings (losses), (c) forfeitures, and (d) administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeitures: Forfeiture non-vested accounts may be used to pay the Plan's administrative expenses, reduce the Employer's contributions, or to reallocate to participants.

Vesting: Participants are immediately vested in their own contributions plus or minus any earnings or losses thereon, matching, safe harbor matching, and rollover contribution accounts, if any. Participants also become fully vested in their account in the event of death, disability, or upon attaining the Plan's normal retirement age, all as defined in the Plan document. Non-elective employer matching contributions, including profit-sharing contributions, are subject to the following vesting schedule:

Years of Service	Vested Percentage
Less than 2 years	0%
At least 2 years, but less than 3	20%
At least 3 years, but less than 4	40%
At least 4 years, but less than 5	60%
At least 5 years, but less than 6	80%
6 years or more	100%

Notes Receivables from Participants: Participants may borrow up to the lesser of $50,000 or 50% of their vested account balance. Participants are allowed a maximum of two outstanding notes and the minimum amount of any note is $500. The notes are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. Interest rates for a loan will be the rate in effect in the month the loan is effective. The interest rate is the prime rate as published in The Wall Street Journal on the 14th of each month and ranged from 5.25% to 7.50% at December 31, 2020. Participant notes have a term of no more than five years, unless for the purchase of a principal residence, which then the term would be determined by the Plan Administrator at the time of the loan. Principal and interest are paid ratably typically through payroll deductions.

Payment Benefits: Upon termination of service due to death, disability or retirement or other reasons, the Plan provides for a lump-sum distribution or installment payments equal to the total value of the participant's deferral contribution account, and the vested portion of his/her matching contribution and non-elective contribution accounts. Participants are allowed in service withdrawals of their vested accounts upon attainment of retirement age or in the event of a financial hardship. The Plan provides for involuntary cash-out distributions for terminated employees with a vested balance of less than $5,000.

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates: The preparation of financial statements in conformity with GAAP requires the Plan's Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividend income is recorded on the ex- dividend date and interest income is recognized when earned. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses: The Plan pays all the expenses and are included in the statement of changes in net assets available for benefits. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net depreciation of fair value of investments.

Risks and Uncertainties: The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such change could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Notes Receivable from Participants: Notes receivable from participants were measured at their unpaid principal balance plus accrued but unpaid interest. Interest income was recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses was recorded as of December 31, 2020. If a participant ceased to make loan repayments and the Plan Administrator deemed the participant loan to be in default, the participant loan balance was reduced and a benefit payment (distributed loan) recorded.

Payment of Benefits: Benefits are recorded when they have been processed and paid by the Plan.

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurements: The methods used to measure fair value of the Plan's investments may produce amounts that may not be indicative of net realizable value or may not be reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 - inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan can access at the measurement date.

Level 2 - inputs other than quoted market prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - inputs that are unobservable for the asset or liability.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There were no changes in the methodologies used at December 31, 2020.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan were deemed to be actively traded and included within Level 1 of the fair value hierarchy.

Collective Trust - These investments were public investment vehicles valued using NAV as a practical expedient provided by the Administrator of the fund. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. Collective trusts have not been classified under the fair value hierarchy.

NOTE 3: CERTIFICATION OF TRUSTEE

The Plan management has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Reliance Trust Company, the Trustee of the Plan, has certified to the completeness and accuracy of the following data included in the accompanying financial statements.

	January 29, 2021	December 31, 2020
Mutual funds	$ -	$ 10,527,692
Collective trust	$ -	$ 206,213

	Period Ended January 29, 2021
Net depreciation in fair value of investments	$ 49,736
Interest and dividends	$ 2,017

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements.

NOTE 4: FAIR VALUE OF INVESTMENTS

The following summarizes the Plan's investments based upon the fair value hierarchy:

There were no Plan assets at January 29, 2021.

	December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 10,527,692	$ -	$ -	$ 10,527,692
Collective trust *				206,213
Investments, at fair value				$ 10,733,905

* In accordance with Subtopic 820-10, certain investments that are measured at fair value using NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits

NOTE 5: INCOME TAX STATUS

The Plan adopted a prototype non-standardized profit-sharing plan with a cash or deferred arrangement which received a favorable opinion letter from the IRS on July 8, 2014, which stated that the prototype plan is designed in accordance with applicable sections of the IRC. The Plan has not received a determination letter specific to the Plan itself, and the Plan has not been amended since receiving the opinion letter. However, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and has no income subject to business income tax and, therefore, the Plan continues to be tax-exempt.

GAAP requires the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of January 29, 2021 and December 31, 2020, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan was subject to audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE6: PLAN TERMINATION

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their account balances.

NOTE 7: PARTY-IN-INTEREST TRANSACTIONS

ADP, LLC provides recordkeeping services and Merrill Lynch, Fenner & Smith provides investment advisor and management services for which fees are paid by the Plan.

NOTE 8: RECONCILIATION TO FORM 5500
