INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Compucom Systems, Inc. Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Compucom Systems, Inc. Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the year ended December 31, 2023, and for the period from June 13, 2022 (inception) through December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Compucom Systems, Inc. Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, and for the period from June 13, 2022 (inception) through December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of Compucom Systems, Inc. Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Compucom Systems, Inc. Retirement Savings Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Compucom Systems, Inc. Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Compucom Systems, Inc. Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) as of December 31, 2023 and 2022, and delinquent participant contributions for the year ended December 31, 2023, (collectively, "supplemental schedules") are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Compucom Systems, Inc. Retirement Savings Plan
Notes to Financial Statements
December 31, 2023 and 2022

1. DESCRIPTION OF THE PLAN

The following description of the Compucom Systems, Inc. Retirement Savings Plan (the "Plan") is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions, which is available from the Plan Administrator.

General

The Plan was established June 13, 2022 as a result of the Plan merger of the Office Depot, Inc. Retirement Savings Plan. Assets were transferred from the Office Depot, Inc. Retirement Savings Plan to the Plan. The Plan is a defined contribution plan for the benefit of the employees of Compucom Systems, Inc. (the "Company" or "Employer"). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

All employees, 18 years of age or older, of the employer are eligible to participate in the Plan. The entry date is immediate upon satisfaction of the Plan's eligibility requirements. Employees covered by a collective bargaining agreement, leased employees, and employees working outside of the United States, the U.S. Virgin Islands, and Guam are excluded from the Plan.

Contributions

An eligible employee may elect to defer up to 80% of their eligible compensation, as defined by the Plan, up to the maximum allowed by the Internal Revenue Code ("IRC"). Participants age 50 or older are allowed to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. For the year ended December 31, 2023 and for the period from June 13, 2022 to December 31, 2022, employer matching contributions were 50% of the participant's elective deferral contributions up to 3% of their compensation.

A participant must be at least 18 to be eligible to receive the Employer matching contributions. The Employer, at its discretion, may also elect to contribute an additional matching contribution at the end of each Plan year. Participants, to be eligible for the additional matching contributions, must be an active participant on the last day of the contribution period. No additional matching contributions were made during the year ended December 31, 2023 and for the period from June 13, 2022 to December 31, 2022.

Participant accounts

Each participant's account is credited with the participant's contributions, allocations of the Company's matching contributions and Plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Compucom Systems, Inc. Retirement Savings Plan
Notes to Financial Statements
December 31, 2023 and 2022

1. DESCRIPTION OF THE PLAN (continued)

Vesting

Participants are 100% vested in employee deferral and rollover contributions, plus actual earnings thereon. Vesting in Employer matching contributions is subject to a graded vesting schedule based on years of credited service. Participants are 50% vested in the Employer contributions after the completion of two years of service and are fully vested after completion of 3 years of service.

All participants that merged into the Plan from the Office Depot, Inc. Retirement Savings Plan on June 13, 2022 will be fully vested in Employer contributions that transferred into the Plan.

Notes receivable from participants

Participants may borrow from their accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested balance. The notes are secured by the vested balance in the participant's account. Note terms range from one to five years unless it is for the purchase of a primary residence. Principal and interest are paid ratably at least on a quarterly basis. Interest rates on participant notes are based on the rates available for similar loans from commercial lending institutions.

Payment of benefits

Upon termination of service due to death, disability or retirement, a participant may receive a lump-sum benefit payment equal to the value of the participant's vested interest in his or her account. Participants who have attained the age of 59½ years may elect to withdraw all or any part of their vested account balance. Additionally, participants may elect distributions under certain circumstances of financial hardship, as defined by the Plan, subject to a \$500 minimum amount.

Forfeitures

Forfeited non-vested account balances may be used to pay administrative expenses or to reduce future Employer contributions. At December 31, 2023 and 2022, there were balances of \$83,729 and \$66,362 forfeited non-vested accounts, respectively. Forfeitures used to reduce Employer contributions for the year ended December 31, 2023 and for the period from June 13, 2022 to December 31, 2022, totaled \$257,380 and \$142,020, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting and financial statement presentation

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Compucom Systems, Inc. Retirement Savings Plan
Notes to Financial Statements
December 31, 2023 and 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan Administrator to make estimates and assumptions that affect certain amounts reported in the financial statements and related notes. Actual results could differ from those estimates.

Investment valuation and income recognition

The Plan's investments are stated at fair value. Fair value is the price which would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's retirement committee determines the Plan's valuation policies utilizing information provided by investment advisors and the trustee.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Fees related to participant notes receivable are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Payment of benefits

Benefit payments are recorded when paid.

Administrative expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent events

The Plan has evaluated subsequent events through February 21, 2025, the date the financial statements were available to be issued.

3. CERTIFICATION OF INVESTMENT INFORMATION

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company ("Fidelity"), the Trustee of the Plan, has certified the completeness and accuracy of all investments, including notes receivable from participants, reflected on the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022, the supplemental Schedule H Line 4i-Schedule of Assets (Held at End of Year) as of December 31, 2023 and 2022, and the information related to investment income and interest income on notes receivable from participants, reflected in the statements of changes in net assets available for benefits for the year ended December 31, 2023 and for the period from June 13, 2022 to December 31, 2022.

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observed for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Compucom Systems, Inc. Retirement Savings Plan
Notes to Financial Statements
December 31, 2023 and 2022

4. FAIR VALUE MEASUREMENTS (continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable outputs.

The following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust funds - Valued at the NAV of the units held by the Plan at year end. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Brokerage accounts - Common stocks, preferred stocks, mutual funds, cash, U.S government securities, and common corporate bonds in the brokerage accounts are at fair value based on published market quotations from individual investments composing the brokerage accounts. Such assets are classified as Level 1.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	\$ 153,030,612	\$ -	\$ -	\$ 153,030,612

4. FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	\$ 145,491,295	\$ -	\$ -	\$ 145,491,295
Brokerage accounts	<u>3,755,574</u>	<u>-</u>	<u>-</u>	<u>3,755,574</u>
	<u>\$ 149,246,869</u>	<u>\$ -</u>	<u>\$ -</u>	149,246,869
Investments measured at NAV (a)				<u>172,038,256</u>
				<u>\$ 321,285,125</u>

(a) In accordance with subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

5. INVESTMENTS MEASURED USING THE NET ASSET VALUE PER SHARE PRACTICAL EXPEDIENT

The following table includes a summary of the Plan's investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2023 and 2022. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2023:

<u>Investment Name</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>

5. INVESTMENTS MEASURED USING THE NET ASSET VALUE PER SHARE PRACTICAL EXPEDIENT (continued)

December 31, 2022:

Investment Name	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
T. Rowe Price Retirement Trusts	\$ 95,807,583	-	Daily	30 days
Fidelity Growth Company Commingled Pool Class A	63,838,245	-	Daily	None
Galliard Stable Return Fund E	<u>12,392,428</u>	-	Daily	12 months
	<u>\$ 172,038,256</u>			

6. INCOME TAX

The Trustee has obtained an opinion letter dated June 30, 2020, in which the Internal Revenue Service ("IRS") stated that the prototype plan document was in compliance with applicable requirements of the IRC. The Plan Administrator believes that the Plan is being operated in compliance with the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are no audits for any tax periods in progress.

7. PLAN TERMINATION

Although it has not expressed intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their employer contributions.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Compucom Systems, Inc. Retirement Savings Plan
Notes to Financial Statements
December 31, 2023 and 2022

9. RELATED PARTY TRANSACTIONS

The Plan investments are managed by Fidelity, the Trustee of the Plan. Therefore, the investment transactions with Fidelity qualify as party-in-interest transactions. Fees paid to Fidelity, by the Plan, for administrative services were \$185,730 and \$77,584 for the year ended December 31, 2023 and for the period from June 13, 2022 to December 31, 2022, respectively.

10. PLAN TRANSFERS

The Plan merged the assets of the Office Depot, Inc. Retirement Savings Plan into the Plan in June 2022. As such, plan assets totaling \$328,619,098 were transferred from the Office Depot, Inc. Retirement Savings Plan to the Plan.

11. DELINQUENT PARTICIPANT CONTRIBUTIONS

The Company remitted participant contributions and loan repayments totaling \$474,395 late during 2023. These delinquent contributions and related lost earnings will be self-corrected by the Company during 2025.

This filing of the Form 5500 is late due to CompuCom Systems, Inc. being located in a FEMA-designated natural disaster area. The impact of the disaster disrupted our operations and delayed our ability to complete the necessary paperwork on time. We have been working diligently to submit the required forms as soon as possible, and we appreciate your understanding and consideration of the circumstances.
