Employees' Retirement Savings Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C), which comprise the statements of net assets available for benefits as of June 30, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended June 30, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of June 30, 2024 and 2023, and for the year ended June 30, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).

- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplementary information, as listed in the accompanying table of contents, is presented for purposes of additional analysis and is not a required part of the financial statements but is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary information, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary information that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary information, we evaluated whether the supplementary information, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary information, other than the information in the supplementary information that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplementary information agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1 - Description of the Plan

The following description of the University Book Store, Inc. Employees' Retirement Savings Plan and Trust (the Plan) provides general information only. Participants should refer to the plan document for complete information regarding the Plan's definitions, benefits, eligibility and other matters.

General - The Plan is a defined contribution plan that was established in 1966 to provide retirement benefits for all eligible employees of University Book Store, Inc. (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Plan Administration - ADP, LLC (ADP) and Reliance Trust Company (Reliance) served as the recordkeeper and trustee, respectively, for the Plan.

Effective August 12, 2024, the Company changed its recordkeeper and trustee services from ADP and Reliance to Nationwide Financial Services, Inc. (Nationwide). Plan assets amounting to \$19,938,239 were transferred to Nationwide following the change.

Eligibility - All employees are eligible to participate in the Plan after completing a minimum of 500 hours of service in their first 6 months of employment, or one year of service. Participants may enroll in the plan on the first day of the month after meeting the eligibility requirements.

Contributions - Employees may elect to contribute between 1% and 90% of their eligible compensation as pre-tax or Roth contributions. The Plan has an automatic enrollment feature under which new employees are enrolled with a 1% pre-tax deferral unless they formally waive participation or elect a different participation level. Participants who have attained age 50 before the end of the calendar year are eligible to make catch-up contributions. Participants are also allowed to rollover contributions from other qualified retirement plans.

The Plan allows the Company to make discretionary matching contributions in any specific dollar amount or any specific percentage. The Company may also make additional discretionary profit sharing contributions. For the year ended June 30, 2024 the Company elected to make matching contributions equal to 100% of each participant's elective deferrals up to 4% of compensation and 50% of the next 2% of deferrals. There were no additional discretionary profit sharing contributions approved for the year ended June 30, 2024.

Effective August 12, 2024, the discretionary employer matching contribution was replaced by a fixed employer matching contribution, equal to 100% of each participant's elective deferrals up to 4% of compensation and 50% of the next 2% of deferrals.

Contributions are subject to limitations prescribed by the Internal Revenue Service (IRS).

Participant Accounts - Each participant's account is credited with the participant's contributions and matching contributions, as well as allocations of the Company's profit sharing contributions (if any) and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their account into various investment options offered by the Plan.

**Notes to Financial Statements
For the Year Ended June 30, 2024**

Note 1 - Continued

Distributions - Upon termination of service, death, disability, or retirement, a participant may elect to receive a distribution of their vested account balance. The Plan also provides for in-service and hardship withdrawals in accordance with provisions specified in the plan document. Participants may also elect to receive in-service withdrawals from balances rolled into the Plan. If the value of a participant's vested account balance is \$5,000 or less at the time of termination, the participant will receive an immediate cash-out of their account balance as soon as administratively feasible.

Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Company contributions are subject to a vesting schedule based on years of credited service as follows:

<u>Years of Service</u>	<u>Percentage Vested</u>
1	20%
2	40%
3	60%
4	80%
5	100%

Effective August 12, 2024, active participants became fully vested in current and future Company contributions. Participants who terminated prior to that effective date are still subject to the above five-year graded vesting schedule.

Forfeitures - At June 30, 2024 and 2023, forfeited nonvested accounts totaled \$2,705 and \$1,816, respectively. These accounts will be used to reduce future employer contributions or pay administrative expenses of the Plan. During the year ended June 30, 2024, employer contributions were reduced by \$2,632 from forfeited nonvested accounts.

Note 2 - Significant Accounting Policies

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. Purchases and sales are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Note 1 - Continued

Administrative Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Transaction based fees for benefit payments are charged directly to participant accounts. Certain investment related expenses are charged directly against the fund's investment performance and, therefore, are not separately disclosed in the accompanying financial statements.

Payment of Benefits - Benefits paid to participants are recognized when they are paid.

Subsequent Events - The Company has evaluated subsequent events through March 7, 2025, the date on which the financial statements were available to be issued.

Note 3 - Fair Value Measurements

GAAP provides a consistent framework for determining fair value measures for financial assets and liabilities. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy are described as follows:

Level 1 - Unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than the quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Unobservable inputs that are significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2024 and 2023.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**UNIVERSITY BOOK STORE, INC.
EMPLOYEES' RETIREMENT SAVINGS PLAN AND TRUST**

**Notes to Financial Statements
For the Year Ended June 30, 2024**

Note 3 - Continued

Collective Trust Fund - Valued using the NAV provided by the fund's trustee. The NAV is based on the fair value of the underlying assets owned by the funds, minus its liabilities, and then divided by the number of units outstanding at the valuation date. The funds are traded on a private market that is not active; however, the unit prices are based primarily on observable market data of the funds' underlying assets.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of:

	Fair Value Measurements as of June 30, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 17,494,705	\$ -	\$ -	\$ 17,494,705
Total Assets in the Fair Value Hierarchy	\$17,494,705	\$ -	\$ -	17,494,705
Investments measured at NAV ^(a)				2,531,622
Total Investments at Fair Value				\$20,026,327

	Fair Value Measurements as of June 30, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 18,614,287	\$ -	\$ -	\$ 18,614,287
Total Assets in the Fair Value Hierarchy	\$18,614,287	\$ -	\$ -	18,614,287
Investments measured at NAV ^(a)				3,108,471
Total Investments at Fair Value				\$21,722,758

(a) Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The following sets forth additional disclosures of the Plan's investments, whose fair value is measured using NAV per share practical expedient at June 30:

Morley stable value	\$ 2,531,622	\$ 3,108,471	Daily	None

Note 4 - Certified Information

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Investments held at June 30, 2024 and 2023, and investment income or loss for the year ended June 30, 2024, that is disclosed in the accompanying financial statements and supplementary information, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust Company. The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplementary information.

Note 5 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. If the Plan is terminated, participants would become 100% vested in their employer contributions.

During the 2024 plan year, the Sponsor determined there was a partial termination of the Plan. All affected participants became fully vested in their accounts.

Note 6 - Tax Status

The Company adopted an ADP, LLC pre-approved plan document. ADP, LLC received an approval letter from the IRS dated October 6, 2020, which states that the form of the plan document satisfies the applicable provisions of the Internal Revenue Code (IRC). The Plan itself has not received a determination letter from the IRS; however, the Plan's management believes that the Plan is designed and currently being operated, in compliance with the applicable requirements of the IRC. The Plan is subject to audits by the IRS; however, there are currently no audits for any tax periods in progress.

In August 2024, the Company adopted a Nationwide pre-approved plan document. Nationwide received an approval letter from the IRS dated May 29, 2024, which states that the form of the plan document satisfies the applicable provisions of the IRC.

Note 7 - Party-in-Interest Transactions

ADP and Reliance provide trustee, recordkeeper and administrative duties for the Plan. As such, fees paid by the Plan to ADP and Reliance qualify as party-in-interest transactions.

**UNIVERSITY BOOK STORE, INC.
EMPLOYEES' RETIREMENT SAVINGS PLAN AND TRUST**

**Notes to Financial Statements
For the Year Ended June 30, 2024**

Note 8 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events such as a pandemic or international conflict which could impact the value of investment securities. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
