Independent Auditors' Report

Plan Administrator, Trustees, and Participants
403(b) Thrift Plan for Employees of North Carolina Justice Center

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of 403(b) Thrift Plan for Employees of North Carolina Justice Center, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of 403(b) Thrift Plan for Employees of North Carolina Justice Center's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of 403(b) Thrift Plan for Employees of North Carolina Justice Center and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan for Employees of North Carolina Justice Center's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 403(b) Thrift Plan for Employees of North Carolina Justice Center's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan for Employees of North Carolina Justice Center's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedule H, line 4a – schedule of delinquent participant contributions for the year ended December 31, 2022 and schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

403(b) Thrift Plan for Employees of North Carolina Justice Center
Notes to Financial Statements
December 31, 2022 and 2021

1. DESCRIPTION OF PLAN

The following description of 403(b) Thrift Plan for Employees of North Carolina Justice Center (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

- a. General – The Plan is a defined contribution plan, established on May 1, 1996 to provide retirement benefits for employees of the North Carolina Justice Center (the "Plan Sponsor" and "Employer") and their beneficiaries. The Plan is designed to conform to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). All employees of the Plan Sponsor are eligible to participate in the Plan upon their date of hire, except for employees who are non-resident aliens with no U.S. source income, or employees who are eligible to make contributions to another qualified Plan of the employer. Participation in the Plan is voluntary.
- b. Contributions – Each year, participants may contribute between 1% and 100% of annual compensation, as defined by the Plan. Participants may elect to make pre-tax and/or Roth contributions to the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Annual contributions to the Plan may not exceed the amount permitted under Section 415 of the Internal Revenue Code. Participants direct the investment of their contributions into various investments offered by the Plan. The plan allows participants to contribute amounts representing distributions from other qualified plans (rollovers). Effective January 1, 2018, the Plan was amended to allow for Automatic Enrollment Contributions of 3% to be made on behalf of all new participants unless otherwise elected on a form provided by the Plan Administrator.

The Plan allows for employer matching contributions equal to 100% of eligible compensation deferred by all eligible participants up to \$1,000. All employees are eligible for employer matching contributions the first of the month following or coinciding with the completion of 6 months of service from their date of hire.

In addition, the Plan allows for a discretionary employer base contribution equal to \$166.67 per month, up to \$2,000 per year, and an additional discretionary contribution up to \$1,000 per year for all eligible participants. All employees are eligible for employer base contributions the first of the month following or coinciding with the completion of 6 months of service from their date of hire, regardless of whether or not the employee makes their own contributions.

- c. Participant Accounts - Each participant's account is credited with the participant's contributions, employer contributions, and an allocation of net Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which participants are entitled is the vested portion of their accounts.
- d. Vesting - Participants are vested immediately in their contributions and employer contributions plus actual earnings thereon.

1. DESCRIPTION OF PLAN (Continued)

- e. Payment of benefits - Upon termination of employment, retirement, death, or disability, a participant or beneficiary may elect to receive a single lump-sum payment of their vested account balance. Upon reaching 59 ½ years of age, a participant or beneficiary may elect to receive a single lump-sum payment of their employee contribution account balance. If a terminated participant is 59 ½ years of age or older, payment of their account balance can also be requested in either installment payments over a period that does not exceed life expectancy, or payment in the form of an annuity. In addition, during active service, a participant can take a hardship distribution if certain conditions are satisfied. Effective January 1, 2019, participants are no longer voluntarily suspended from deferring employee contributions into the Plan for six months following hardship distributions.
- f. Plan loans – Participants may borrow against their investment accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. All Plan loans are issued directly by funds owned by Mutual of America Life Insurance Company (Mutual of America) and are secured by the value held in the participant's Interest Accumulation account within the Plan (i.e., loan proceeds are not removed from a participant's account balance). At any time, the participant's account value must be equal to 120% of the Plan loan in order to ensure adequate collateralization. Plan loans bear interest at a variable rate as determined by Mutual of America. Interest rates may be adjusted by Mutual of America each quarter if the current loan interest rate differs from the rate applicable by ½% or more. Plan loans must be repaid within 5 years. If the loan is used for the purchase of a principal residence, the loan term can be extended to a period of no more than 10 years. Principal and interest is paid through semi-monthly installments deducted through payroll. As of December 31, 2022 and 2021, there were Plan loans due to Mutual of America secured by Plan assets of \$21,217 and \$37,064, respectively. As of December 31, 2022 and 2021, there were no defaulted Plan loans due to Mutual of America.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for the fully benefit-responsive investment contract (Note 7) which is reported at contract value as provided by the insurance company. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by Mutual of America. See Note 5 for discussion on fair value measurements.

December 31, 2022 and 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is accrued on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

3. ADMINISTRATIVE AND TRUSTEE INFORMATION

The plan administrator and trustee are the Plan Sponsor, North Carolina Justice Center. The plan administrator has designated Mutual of America Life Insurance Company, the insurance company, to hold the Plan's invested assets and to execute investment transactions.

4. GROUP ANNUITY CONTRACT

The plan administrator designated Mutual of America Life Insurance Company, the insurance company, to administer certain plan investments under a group annuity contract. In addition to executing investment transactions, the group annuity contract provides for benefit payments to be made from the Plan upon the direction and request of the plan administrators.

5. FAIR VALUE MEASUREMENTS

The Plan follows FASB ASC 820, *Fair Value Measurements*, which defines fair value as the price that would be received from selling an asset in an orderly transaction between market participants at the measurement date. When determining the fair value measurements for assets required to be recorded at fair value, the Plan considers the principal or most advantageous market in which it would transact and considers assumptions that market participants would use when pricing the asset or liability, such as inherent risk, transfer restrictions, and risk of nonperformance.

FASB ASC 820 also establishes a fair value hierarchy that requires the Plan to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The categorization of each investment type within the fair value hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

403(b) Thrift Plan for Employees of North Carolina Justice Center
Notes to Financial Statements
December 31, 2022 and 2021

5. FAIR VALUE MEASUREMENTS (Continued)

FASB ASC 820 establishes three levels of inputs that may be used to measure fair value: Level 1: Quoted prices in active markets for identical assets or liabilities at the measurement date; Level 2: Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active market for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; or Level 3: Unobservable inputs that are supported by little or no market activity and that reflect the Plan's own assumptions about market participants and prices.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Pooled Separate Accounts

Valued at the net asset value (NAV) of units of a pooled separate account. The NAV, as provided by Mutual of America, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

In accordance with ASC 820-10, certain investments measured at fair value using the net asset value per share (or its equivalent) practical expedient are not classified in the fair value hierarchy.

Fair Value of Investment in Entities that use Net Asset Value

The following table summarizes additional disclosures of the Plan's separate account investments, classified by major category, whose fair value is based on net asset value (NAV) per share as of December 31, 2022 and 2021, respectively.

<u>December 31, 2022</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Pooled separate accounts	\$ 6,783,630	\$ -	Daily	None
<u>December 31, 2021</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>

6. INFORMATION CERTIFIED BY THE PLAN'S INSURANCE COMPANY

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Mutual of America Life Insurance Company, a qualified institution, except for comparing such information certified by the insurance company to information included in the Plan's financial statements and supplemental schedule of assets (held at end of year):

	<u>2022</u>	<u>2021</u>
Pooled separate accounts	\$ 6,783,630	\$ 8,793,228
Guaranteed investment contracts	909,341	1,187,228
Net investment loss	(1,906,263)	N/A

7. GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has a fully benefit-responsive guaranteed investment contract with Mutual of America. Mutual of America maintains the contributions in their general account and is contractually obligated to repay the principal and a specified rate of interest. A guaranteed minimum interest rate is determined by Mutual of America annually. Each contract is fully and unconditionally guaranteed by Mutual of America.

As described in Note 2, because the investment contract is fully benefit-responsive, contract value is the relevant measurement attributable for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported by Mutual of America, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. Interest is credited to the contract at interest rates that reflect the performance of the underlying portfolio. Such interest rates are reviewed no less than once a year by Mutual of America for resetting. The average yield and crediting interest rate to the Mutual of America Interest Accumulation Account for the year ending December 31, 2022 and 2021 was approximately .25% and 1.00%, respectively.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value. Participants will receive the principal and earnings credited to their accounts on withdrawal for allowed events. These events include transfer to other Plan investment options; payments because of retirement, termination, disability, death; and in-service withdrawals as permitted by the Plan.

Certain events limit the ability of the Plan to transact at contract value with the issuers. Such events could include, but are not limited to the following (a) partial plan termination, (b) full plan termination, (c) any termination of employment payments that exceed 20% of the aggregate account values of all participants accounts at the beginning of the contract year, (d) plan sponsor files for protection under federal bankruptcy law, is deemed insolvent, dissolves, closes or shuts down its business or ceases operations. The Plan's administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

Notes to Financial Statements
December 31, 2022 and 2021

8. PLAN TERMINATION

Although the Plan Sponsor intends to continue the Plan, it reserves the right to amend or terminate the Plan at any time.

9. TAX STATUS

The Internal Revenue Services ("IRS") has determined and informed the Plan prototype sponsor by a letter dated March 31, 2017, that the Plan and related trust are designed in accordance with the applicable sections of the IRC. The Company has chosen to rely on the determination letter issued to the Plan prototype sponsor. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax and, therefore, the Plan and related trust continue to be tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

10. RELATED PARTY TRANSACTIONS

The Plan invests in certain funds managed by Mutual of America. Mutual of America is the insurance company of the Plan's assets and therefore, these transactions qualify as party-in-interest transactions. For the year ending December 31, 2022, \$523 was paid to Mutual of America for investment, recordkeeping and administrative services.

Mutual of America issues Plan loans to participants of the Plan in exchange for a guaranteed interest in the participant's account equal to 120% of the value of the Plan loan, see Note 1. As of December 31, 2022 and 2021, there were Plan loans due to Mutual of America secured by Plan assets of \$21,217 and \$37,064, respectively.

11. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

12. NONEXEMPT TRANSACTIONS

Participant contributions and plan loan repayments of \$70,871 were withheld from participants' pay throughout the plan year and were not remitted to the Plan timely. Each remittance constituted a loan from the Plan to the Plan Sponsor. The late contributions and plan loan repayments were remitted from two to ten business days after the date the contributions and plan loan repayments could have reasonably been remitted. Lost earnings on these participant contributions and loan repayments were determined to be immaterial, and the Plan Sponsor intends to remit these lost earnings during 2024 (see attached Schedule H, line 4a – Schedule of Delinquent Participant Contributions).

Re: 403(b) Thrift Plan for Employees of North Carolina Justice Center

North Carolina Justice Center has filed a Short Form 5500 throughout most of the life of the plan. For Plan Year Ending 2021, the Plan Sponsor filed Form 5500 (including Schedule I). For Plan Year ending 2022, the Plan Sponsor believed that Schedule I could be filed. (Schedule H was supposed to be filed given that Plan Year 2022 began with 122 participants).

The Plan Sponsor has submitted Schedule 5550 with accompanying Schedules (including Schedule H) for Plan Year Ending 2022. The Plan is going through an audit and will re-submit the 5500 (and appropriate Schedules) after the audit has been completed.

North Carolina Justice Center is a 501c (3) non-profit. Our mission is to eliminate poverty in North Carolina by ensuring that every household in the state has access to the resources, services, and fair treatment it needs to achieve economic security.

Sincerely,

Josh Laureore

**Re: 403(b) Thrift Plan for Employees of North Carolina Justice Center; Reasonable Cause
for Late Filing**

North Carolina Justice Center filed Long Form 5500 for plan year 2022 on 10/9/2023. This was filed with an attached letter stating the organization's audit was still being performed and that an amended filing would follow as soon as the 403(b) Plan's audit finalized and the Accountant's Opinion/Financial Statement became available.

This filing serves as the amended filing for plan year 2022 and the Accountant's Opinion/Financial Statement is attached to support Schedule H, line 3a (or Sch. I line 4k).

North Carolina Justice Center is a 501c(3) non-profit organization, who's mission is to eliminate poverty in North Carolina by ensuring every household has access to the resources, services, and fair treatment to achieve economic security. Any potential late filing penalties or fees could significantly hinder our ability to carry out our services for the Community and humbly request reconsideration of any potential late filing fees or penalties.

Sincerely,

Josh Laurore
