INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Fresno Surgical Center Employees 401(K) Salary Deferral and Profit-Sharing Plan
Fresno, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Fresno Surgical Center Employees 401(K) Salary Deferral and Profit-Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C)[ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for Plan benefits as of October 9, 2023 (in liquidation) and December 31, 2022 (ongoing), and the related statement of changes in net assets available for Plan benefits for the period (in liquidation) and year then ended (ongoing) and the related notes to the financial statements.

Management having determined it is permissible in the circumstances, has elected to have the audit of Fresno Surgical Center Employees 401(K) Salary Deferral and Profit-Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the period ended October 9, 2023 and the year ended December 31, 2022, stating that the certified information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America
- the information in the financial statements referred to above related to assets held by and certified to by qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with accounting standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of Fresno Surgical Center Employees 401(K) Salary Deferral and Profit-Sharing Plan and to meet our ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter-Plan Termination and Liquidation Basis of Accounting

As discussed in Note 1 of the financial statements, the Plan was terminated on January 1, 2023, and management determined liquidation was imminent. Full liquidation was completed om October 9, 2023, and as a result the Plan changed its basis of accounting from the going concern basis used in presenting the 2022 financial statements to the liquidation basis used in presenting the 2023 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to error or fraud. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Fresno Surgical Center Employees 401(K) Salary Deferral and Profit-Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial Statements as a whole are free from material misstatement, whether due to error or fraud, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Fresno Surgical Center Employees 401(K) Salary Deferral and Profit-Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Fresno Surgical Center Employees 401(K) Salary Deferral and Profit-Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Fresno Surgical Employees 401(K) Salary Deferral and Profit-Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

Effective January 1, 2010, Fresno Surgical Center, LP dba Fresno Surgical Hospital (the "Company" or "Employer") established and adopted the Plan for its employees. The Plan was a defined contribution savings Plan covering substantially all employees who have completed 90 days of service and have reached the age of 18 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was administered by trustees consisting of one or more people appointed by the Board of Directors of the Company. The Plan was officially terminated on January 1, 2023, and all assets distributed during 2023 with the final distribution on October 9, 2023.

Contributions

Under the terms of the Plan, participants may elect to defer a percentage of their regular earnings from the Company to the Plan. Such salary reduction contributions on a pre-tax basis shall not exceed the maximum Internal Revenue Service ("IRS") dollar limit of $22,500 in 2023 and $20,500 in 2022, respectively. Additionally, participants who will be at least age 50 by the end of the tax year may make an additional "catch up" contribution of $7,500 in 2023 and $6,500 in 2022. Participants may also contribute rollover distributions from other qualified plans.

The Company may make safe harbor matching contributions, on a per pay period basis, in an amount equal to 50% of the participant's elective salary deferrals or catch-up contributions that do not exceed 8% of the participant's compensation. For the period ended October 9, 2023 and the year ended December 31, 2022 the Company made matching contributions of $291,194 and $553,085, respectively, to the Plan. The Company may also make a discretionary profit-sharing contribution to those participants who have completed at least 1,000 hours of service during the Plan year and were employed on the last day of the Plan year. In addition, the Company, at their discretion, may make additional qualified non-elective contributions for the benefit of all participants.

Rollover Contributions

The Plan allows employees to rollover their benefits from other qualified retirement plans. During the period ended October 9, 2023 and the year ended December 31, 2022, the Plan received rollover contributions of $106,211 and $195,953, respectively.

NOTE 1 - DESCRIPTION OF PLAN (Cont.)

Participant Accounts

Each participant's account is credited with the participant's contribution, rollover contributions, employer matching contributions and an allocation of the Company's contribution, the Plan's earnings or losses and forfeitures of terminated participants' nonvested accounts and charged with an allocation of administrative expenses. The accounts are credited with actual earnings and losses and unrealized appreciation/depreciation on the investments, and charged for plan withdrawals, administrative and miscellaneous expenses. Allocations are based on participant earnings or losses on account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Upon enrollment into the Plan, a participant may direct their employee and employer contributions in various percentage increments among any of the various investment options offered by the Plan. The Plan offers investments through pooled separate accounts with John Hancock Life Insurance Company. Participants may change their investment options at any time via internet access.

Vesting

Participants are immediately 100% vested in their elective deferrals, rollover contributions, safe harbor matching contributions and earnings thereon. Participants become vested in any employer discretionary matching and profit-sharing contributions based on years of continuous service. A participant becomes fully vested after five years of continuous service. Any amount not vested upon a participant's separation from service is forfeited and used to reduce employer contributions or pay Plan expenses. A participant becomes fully vested in the entire balance of their account upon retirement, disability, death or termination of the Plan.

The discretionary matching and profit-sharing contributions of a participant shall vest subject to the following vesting schedule:

Vesting Years Of Service	Vested Percentage
1	20%
2	40%
3	60%
4	80%
5	100%

NOTE 1 - DESCRIPTION OF PLAN (Cont.)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 and a maximum equal to the lesser of 50% of their vested account or $50,000, reduced by any outstanding loan balance. Loan transactions are treated as segregated investments of the individual participant. Participants may not have more than two loans outstanding at any one time. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest payments are paid ratably through payroll deductions. Loans are limited to a five-year term, with the exception of a loan taken for purchase of a principal residence.

Termination or Modification of the Plan

The Plan was terminated on January 1, 2023. The Company has the right to terminate the Plan at any time by delivering to the Trustee and Administrator written notice. The sponsor may amend any or all provisions of this Plan without obtaining the approval or consent of the Employer providing the amendment does not permit any part of the corpus or income of the Plan to be used for any purpose other than for the benefit of the participants and their beneficiaries. Upon the Plan is termination, all participants became 100% vested in their accounts.

Payment of Benefits

Upon termination of service for any reason a participant is entitled to the vested value of their accounts. A partial or installment distribution may be permitted if needed to satisfy the required minimum distribution rules. If the vested value is below $5,000 the participant may receive either a lump sum or have the funds transferred to an IRA or other qualified plan. If the vested value is more than $5,000 the participant in addition to the options above may also defer benefits to Normal Retirement Age or age 65. Participant loans deemed distributed that have been offset against the participant assets are treated as withdrawals from the Plan.

Forfeitures

Any accumulated benefits forfeited during a Plan year due to participant withdrawal prior to full vesting may be applied to reduce employer contributions or to pay administrative expenses which would otherwise be paid by the Plan. The total amount forfeited from participants' nonvested accounts was $14,595 and $44,323 for the period ended October 9, 2023 and the year ended December 31, 2022, respectively. Forfeited non-vested accounts totaled $0 and $56,887 on October 9, 2023 and December 31, 2022, respectively.

NOTE 1 - DESCRIPTION OF PLAN (Cont.)

Administrative Expenses

The employer is authorized to reimburse the Plan for all expenses and fees incurred in the administration of the Plan and paid out of the assets of the fund. During 2023 and 2022, the Plan expenses were $194,063 and $194,260, respectively. In addition, investment related expenses are included in net appreciation of fair value of investments.

Concentration of Credit Risk

The Plan has exposure to credit risk to the extent that its investments are subject to market fluctuations that may materially affect the value of the investment balances.

Date of Management Evaluation

Management has evaluated subsequent events through July 19, 2024, the date on which the financial statements were available to be issued.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual method of accounting and present the net assets available for Plan benefits on October 9, 2023 (liquidation basis) and December 31, 2022 and changes in net assets available for Plan benefits for the period ended October 9, 2023 (liquidation basis) and the year ended December 31, 2022.

Valuation of Investments and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Investments in pooled separate accounts are valued on a per unit market value basis as determined by John Hancock, which represent the net asset value of shares held by the Plan at year-end as reported to the Plan by the Trustee. Participant loan receivables are valued at cost which approximate current value. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net gains and losses from transactions of securities are computed using the "average cost" method and includes the Plan's gains and losses on investments bought and sold as well as held during the year. Dividend income and capital gain distributions are recorded on the payment date. Interest income is recorded on an accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES(Cont.)

Payment of Benefits

Benefits are recorded when paid. For the period ended October 9, 2023 and the year ended December 31, 2022 the Plan reported distributions of $22,545,869 and $1,936,389, respectively. Corrective distributions of $0 and $13,740, respectively, are included in those amounts.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance will be reduced, and the delinquent participant note receivable is recorded as a benefit payment (deemed distribution) based on the terms in the Plan document. Deemed distributions of $370,748 and $66,026 were reported for the Plan period ending October 9, 2023 and the year ending December 31, 2022, respectively. Interest ranged from 4.25% to 8.25% during the period ending October 9, 2023 and the year ending December 31, 2022.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and charges therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

NOTE 3 - INCOME TAX STATUS

The Internal Revenue Service has determined the Plan and related trust is designed in accordance with applicable sections of the Internal Revenue Code. Although the plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believe that the plan is qualified, and the related trust is tax exempt.

NOTE 3 - INCOME TAX STATUS (Cont.)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability or asset if the plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan and has concluded that as of October 9, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

NOTE 4 - ADMINISTRATION OF PLAN ASSETS

The Plan's assets were held by the trustees of the Plan consisting of one or more people appointed by the Board of Directors of the Company. On October 9, 2023 there were no remaining assets held by the Plan. On December 31, 2022, the assets of the Plan were administered under a Custodian agreement with John Hancock Life Insurance Company, (the "Custodian"). The custodian agreement requires that the Custodian holds, administers and distributes the funds of the Plan in accordance with the text of the Plan and instructions of the trustees.

NOTE 5 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

NOTE 5 – FAIR VALUE MEASUREMENTS(Cont.)

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Pooled Separate Accounts and Registered investment companies (Mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. Mutual funds held by the Plan are deemed to be actively traded and therefore classified at Level one.

Notes receivable from participants: Valued at amortized cost, which approximates fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

As required by FASB ASC 820-10, on December 31, 2022, the following tables set forth a summary of the Plan's investments with a reported NAV:

2022 Investment category	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Stable Value Fund	$ 2,489,970	0	daily	30 days
Target Date Retirement Funds	$ 7,967,451	0	daily	30 days
Index Funds	2,472,447	0	daily	30 days
Various Mutual Funds	2,423,627	0	daily	30 days
Growth Funds	2,273,235	0	daily	30 days
Balanced Funds	1,528,112	0	daily	30 days
Bond Funds	328,484	0	daily	30 days
Real Estate Securities Funds	240,408	0	daily	30 days

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities which are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified as complete and accurate by the John Hancock Life Insurance Company.

	2023	2022
Investments, at fair value:		
Pooled Separate accounts	$ -	$ 19,723,734

NOTE 8 – EXEMPT PARTY IN INTEREST TRANSACTION

The Plan's trustees, John Hancock Life Insurance Company, Cetera Advisor Insurance Services, Kenneth P. Benavides, Factor Admin LLC and Fresno Surgical Center, LP DBA Fresno Surgical Hospital are parties in interest in accordance with the definition provided by ERISA. During the period ended October 9, 2023, and the year ended December 31, 2022, fees totaling $27,079 and $33,108, respectively, were paid by the Plan to Cetera Advisor Insurance Services. During the period ended October 9, 2023, and the year ended December 31, 2022, fees totaling $6,770 and $8,277, respectively, were paid by the Plan to Kenneth P. Benavides. During the period ended October 9, 2023, and the year ended December 31, 2022, fees totaling $82,537 and $51,290, respectively, were paid by the Plan to Factor Admin LLC. During the period ended October 9, 2023, and the year ended December 31, 2022, fees totaling $77,678 and $101,585, respectively, were paid by the Plan to John Hancock Life Insurance Company. In addition, certain Plan investments are units held in pooled separate accounts through sub-accounts of John Hancock. These investments and transactions qualify as party-in-interest transactions; however, they are exempt transactions as defined by ERISA.
