In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matter - supplemental schedule required by ERISA

The supplemental schedule of reportable transactions for the period January 1, 2024 through October 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is

derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Huntington Ingalls Industries, Inc. Newport News Operations Target Benefit Plan for Employees Covered by United Steelworkers of America, Local 8888 Collective Bargaining Agreement (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a qualified defined contribution plan covering all eligible production and maintenance employees of Newport News Shipbuilding, a division of the Plan's sponsor, Huntington Ingalls Industries, Inc. ("HII" or the "Company"). Effective July 10, 2017, the Plan was amended to provide that all contributions to the Plan ceased for valuations beginning on and after October 1, 2017, and beginning October 1, 2017, participants would no longer accrue pension credits under the Plan.

The purpose of the Plan is to fund the Huntington Ingalls Industries, Inc. Newport News Operations Pension Plan for Employees Covered by United Steelworkers Local 8888 Collective Bargaining Agreement and the HII Newport News Shipbuilding, Inc. Retirement Plan (the "Pension Plan(s)"), which provide to a participant a target benefit, in the form of a straight-life annuity, payable monthly in an amount equal to the difference between the minimum benefit required under the Collective Bargaining Agreement (the "CBA") between the Company and the United Steelworkers of America, Local 8888 (the "Union") and the benefit the participant is expected to receive at his or her normal retirement date under the Pension Plans.

The Plan is administered by the HII Administrative Committee (the "Plan Administrator" or the "Administrative Committee"). Investment of Plan assets is directed by the HII Investment Committee (the "Investment Committee"). Principal Financial Group performs trustee and recordkeeping services for the Plan. The Plan is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Plan Termination

The Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA and applicable collective bargaining agreements. In the event of the Plan's termination, the interests of all participants in their accounts would become 100% vested.

Effective August 31, 2024, the HII Administrative Committee amended and terminated the Plan. The remaining assets of the Plan were transferred to the Pension Plans. On October 31, 2024, \$484,290 was transferred to HII Newport News Shipbuilding, Inc. Retirement Plan and \$1,608,612 was transferred to Huntington Ingalls Industries, Inc. Newport News Operations Pension Plan for Employees Covered by United Steelworkers Local 8888 Collective Bargaining Agreement. The Pension Plans have established individual accounts within the trust which are assigned directly to each participant. These accounts will hold the transferred assets until they are distributed.

The following provisions were in place prior to the transfer of the remaining assets.

Eligibility

Active employees of the Company covered under the CBA and initially hired before June 7, 2004, were eligible to participate in the Plan on January 1 or July 1 that next followed the date they met all the following requirements:

- Were at least 21 years old;
- Had completed one year of eligible service during which they received pay or had unpaid authorized absences totaling 1,000 hours; and
- Had an expected Pension Plan benefit less than the minimum benefit required under the CBA.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with an allocation of the Plan's earnings, and charged with the participant's withdrawals, an allocation of the Plan's losses, and an allocation of administrative expenses borne by the Plan. Allocations are based on the participant's account balance, as defined in the Plan document. The benefit to which a participant is entitled is that which can be provided from the participant's vested account.

Vesting

Plan participants are 100% vested in Plan benefits.

Payment of Benefits

Transfers from the Plan to the Pension Plans are made at the time that the participant is entitled to begin receiving benefits under the Pension Plans and are converted to additional pension benefits. The Pension Plans govern the timing and form of the distribution to the participant from the Pension Plans.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, credit, U.S. and foreign government and overall market volatility risks. Market risks include

global events that could impact the values of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities may occur in the near term and such changes could materially affect the amounts reported in the financial statements.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value and are overseen by the Investment Committee. The shares of registered investment company funds are valued at quoted market prices, which represent the net asset values ("NAV") of shares held by the Plan at year end. The investment in the collective trust fund is valued at the NAV of units owned by the Plan, which is based on the fair value of the fund's underlying assets less liabilities. The collective trust fund provides for daily redemptions by the Plan at reported net asset value per share, with no advance notice requirement. There are no unfunded commitments for the collective trust.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Brokerage commissions, transfer taxes, and other charges and expenses incurred in connection with the purchase, sale, or other disposition of a security are added to the cost of the security or deducted from the proceeds of the sale or other disposition thereof, as appropriate. Taxes, if any, on the assets of the funds, or on any gain resulting from the sale or the disposition of such assets, or on the earnings of the funds, are apportioned among the participants whose interests in the Plan are affected. Net appreciation (depreciation) in fair value of investments includes gains and losses on investments bought and sold as well as held during the year.

Expenses

Administrative expenses of the Plan may be paid by either the Plan or the Plan's sponsor as provided in the Plan document.

Benefit Transfers

Benefit transfers are recorded when retired participants' account balances are transferred from the Plan to the Pension Plans and are paid by the Pension Plans in accordance with the Pension Plans' provisions. Transfers are made at the end of each calendar quarter. The amount of each transfer is based on the sum of the Plan participant account balances of the Pension Plans' participants who retired during the quarter.

NOTE 4 - FAIR VALUE MEASUREMENTS

Accounting Standards Codification 820, *Fair Value Measurement*, clarifies the definition of fair value, prescribes methods for measuring fair value, establishes a fair value hierarchy based on the inputs used to measure fair value, and expands disclosures about the use of fair value measurements.

The valuation techniques utilized are based upon observable and unobservable inputs. Observable inputs reflect market data obtained from independent sources, while unobservable inputs reflect internal market assumptions. These two types of inputs create the following fair value hierarchy:

- Level 1 - Quoted prices for identical instruments in active markets. Level 1 investments of the Plan primarily include registered investment company funds based on pricing, frequency of trading, and other market considerations;
- Level 2 - Quoted prices for similar instruments in active markets; quoted prices for identical or similar instruments in markets that are not active; and model-derived valuations whose inputs are observable or whose significant value drivers are observable. There were no Level 2 investments in the Plan as of December 31, 2023; and
- Level 3 - Significant inputs to the valuation model are unobservable. There were no Level 3 investments in the Plan as of December 31, 2023.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

**AS OF OCTOBER 31, 2024 AND DECEMBER 31, 2023 AND FOR THE PERIOD JANUARY 1, 2024
THROUGH OCTOBER 31, 2024**

The following tables set forth by level the fair value hierarchy of the investments held by the Plan as of December 31, 2023 (\$ in thousands):

| | As of December 31, 2023 | | |
|-------------------------------------|-------------------------|--------------------|-----------------|
| | Level 1 | NAV ^(a) | Total |
| Registered investment company funds | \$ 1,303 | \$ - | \$ 1,303 |
| Money market fund | 22 | - | 22 |
| Collective trust fund | - | 730 | 730 |
| | <u>\$ 1,325</u> | <u>\$ 730</u> | <u>\$ 2,055</u> |
| Total investments | <u>\$ 1,325</u> | <u>\$ 730</u> | <u>\$ 2,055</u> |

^(a) Investment in the collective trust fund is measured at NAV as practical expedient to estimate fair value and, therefore, has not been classified in the fair value hierarchy.

NOTE 5 - EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Plan investments include units of a collective trust fund managed by the Trustee, which qualify as party-in-interest transactions. Fees paid by the Plan for investment services were included as a reduction of the return earned on the fund. In Plan management's opinion, fees paid during the year for services rendered by parties-in-interest were based upon customary and reasonable rates for such services.

NOTE 6 - FEDERAL INCOME TAX STATUS

The Plan Administrator received a favorable determination letter from the Internal Revenue Service ("IRS") dated August 15, 2024. The Plan Administrator believes that the Plan is designed and is currently being operated in accordance with the applicable requirements of the Internal Revenue Code.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or other applicable taxing authorities. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of October 31, 2024 and December 31, 2023, there were no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. While the Plan is subject to routine audits by taxing jurisdictions, no audits are currently in progress for any tax periods.

NOTE 7 - SUBSEQUENT EVENTS

For the period ended January 1, 2024 through October 31, 2024, subsequent events were evaluated through March 14, 2025, the date the financial statements were available to be issued. The Plan Administrator is not aware of any subsequent events which would require recognition or disclosure in the financial statements.
