City of Hope National Medical Center Tax-Deferred Annuity Plan

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of City of Hope National Medical Center Tax-Deferred Annuity Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of City of Hope National Medical Center Tax-Deferred Annuity Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion on the Financial Statements

We do not express an opinion on the financial statements referred to above of City of Hope National Medical Center Tax-Deferred Annuity Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion on the Financial Statements section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion on the Financial Statements

As described in Note 9 to the financial statements, City of Hope National Medical Center Tax-Deferred Annuity Plan has not maintained sufficient accounting records and supporting documents relating to certain contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the financial statements referred to above may have been affected by these conditions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about City of Hope National Medical Center Tax-Deferred Annuity Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City of Hope National Medical Center Tax-Deferred Annuity Plan's internal control. Accordingly, no such opinion is expressed.

Retirement Plan Committee
City of Hope National Medical Center Tax-Deferred Annuity Plan

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about City of Hope National Medical Center Tax-Deferred Annuity Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 and the supplemental schedule of delinquent participant contributions for the year then ended are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Retirement Plan Committee
City of Hope National Medical Center Tax-Deferred Annuity Plan

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditor's Report on the 2022 Financial Statements

Predecessor auditors performed an audit of the 2022 financial statements of City of Hope National Medical Center Tax-Deferred Annuity Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated November 1, 2023 indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

CITY OF HOPE NATIONAL MEDICAL CENTER TAX-DEFERRED ANNUITY PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 DESCRIPTION OF PLAN

The following description of City of Hope National Medical Center Tax-Deferred Annuity Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a tax deferred annuity 403(b) plan originally effective September 1, 1972 by City of Hope National Medical Center ("City of Hope") to provide benefits to eligible employees, as defined by the Plan document. The Plan has been amended and restated throughout the years to comply with tax legislation, and last restated effective January 1, 2016. The Plan covers substantially all employees of City of Hope, Beckman Research Institute of the City of Hope, and City of Hope Medical Foundation (collectively, the "Employer"). The Plan excludes students and nonresident aliens, as defined by the Plan. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Employees are immediately eligible to participate salary deferrals, provided they are not in an excluded class, as defined by the Plan.

Administration

The Employer has appointed a Retirement Plan Committee (the "Committee") to manage the operation and administration of the Plan. City of Hope has contracted Fidelity Management Trust Company ("Fidelity") and Teachers Insurance and Annuity Association of America and College Retirement Equity Fund ("TIAA-CREF"), an insurance company and issuer of certain annuity contract investments of the Plan, and TIAA on behalf of TIAA, FSB and TIAA Trust, N.A., as a directed custodian (collectively, the "Custodians"), to act as recordkeepers and custodians of the Plan.

Contributions

Participants may elect to contribute their eligible pre-tax compensation to the Plan up to the amount allowable under the Plan document and current income tax regulations. Participants may also make Roth contributions. Participants who have a portion of their compensation contributed to the Plan agree to accept an equivalent reduction in taxable compensation. Contributions withheld are invested in accordance with the participant's direction. Participants who have attained age 50 before the end of the calendar year are eligible to make catch-up contributions.

Participants are also allowed to make rollover contributions of amounts received from other tax qualified employer-sponsored retirement plans. Such contributions are deposited in the appropriate investment funds in accordance with the participant's direction and the Plan's provision.

No Employer contributions are allowed per the Plan document; however, corrective contributions may be remitted to the Plan in order to pass non-discrimination testing.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions, as well as allocations of Plan earnings, and charged with any withdrawals or distributions requested by the participant, investment losses and allocation of administrative expenses, if applicable. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Benefit Payments

Upon termination of service due to death, disability, or retirement, a participant may elect to receive the value of the vested interest in his or her account in the form of a lump sum distribution. The Plan allows for in-service distributions if a participant reaches age 59½ and hardship distributions subject to Plan provisions.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by balance in the participant's account and bear an interest rate equal to the Prime Rate at the time of issuance plus 1%. Principal and interest is paid ratably through payroll deductions.

Plan Loans

The Plan allows participants to borrow not less than \$1,000 and up to the lesser of \$50,000 or 45 percent of their TIAA Traditional Annuity account balance. The loans are collateralized by 110 percent of the participant's account balance. Such loans bear interest at the available market financing rates and must be repaid to the Plan within a five-year period, unless the loan is used for the purchase of a principal residence, in which case the maximum repayment period may be longer. The specific terms and conditions of such loans are established by TIAA-CREF. Principal and interest is paid directly by the participant and not made through payroll deductions. As of December 31, 2023 and 2022, participants had outstanding Plan loan balances due to TIAA-CREF of \$385,759 and \$576,476, respectively. These loans were collateralized by the TIAA Traditional Annuity account balances of \$424,325 and \$634,124 as of December 31, 2023 and 2022, respectively. Investments underlying defaulted Plan loan balances are reflected in the statements of net assets available for benefits until a distribution event occurs.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

CITY OF HOPE NATIONAL MEDICAL CENTER TAX-DEFERRED ANNUITY PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value (except for fully benefit responsive contracts reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefit Payments

Benefit payments to participants are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are included in gross loan withdrawals and are not recorded as administrative expenses. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Administrative Expenses

The Plan's expenses are paid either by the Plan or the Employer, as provided by the Plan document. Expenses paid directly by the Employer are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation of fair value of investment presented in the accompanying statements of changes in net assets available for benefits.

Subsequent Events

The Plan has evaluated subsequent events through March 4, 2025, the date the financial statements were available to be issued.

CITY OF HOPE NATIONAL MEDICAL CENTER TAX-DEFERRED ANNUITY PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION

Fidelity Management Trust Company, TIAA and CREF, and TIAA on behalf of TIAA, FSB and TIAA Trust, N.A., the qualified institutions have supplied the Plan administrator with a certification as to the completeness and accuracy of all investment information and notes receivable from participants reflected in the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022, the statement of changes in net assets available for benefits for the year ended December 31, 2023, and the supplemental schedule of assets (held at end of year) as of December 31, 2023.

NOTE 4 FAIR VALUE OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 4 FAIR VALUE OF INVESTMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2023 and 2022.

Variable Annuity Contracts: Fair values of accumulation units held by the Plan in the variable annuity accounts are based on each account's daily NAV, which is considered by Plan management to be the best approximation of fair value. The accounts are not exchange traded. Data for NAV's are available daily to Plan administrators and client investors on TIAA's website, and provides sufficient corroborative evidence to ascertain the relationship between each fund's NAV and the values of individual underlying holdings. Underlying holdings are primarily valued using market quotations or prices obtained from independent pricing sources.

Insurance Company General Account Contract (TIAA Traditional Annuity, Non Benefit-Responsive; includes the Plan Loan Default Fund): Investments in the insurance company general account are valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit worthiness of the issuer. Funds are under the investments contract that have been allocated and applied to purchase annuities (that is, Insurance Company is obligated to pay the related pension benefits) are excluded from the Plan's assets. As of January 1, 2011, the TIAA Traditional Annuity was closed to new contributions.

Pooled Separate Account (TIAA Real Estate): Valued at the net asset value (NAV) of units as determined by the insurance company. NAV is a readily determinable fair value and is the basis for current transactions.

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

In estimating fair value of the investments in Level 3, the Plan may use third-party pricing sources or appraisers. In substantiating the reasonableness of the pricing data provided by third parties, the Plan evaluates a variety of factors including review of methods and assumptions used by external sources, recently executed transactions, existing contracts, economic conditions, industry and market developments, and overall credit ratings.

NOTE 5 GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY

The TIAA Traditional Annuity is a guaranteed fixed annuity contract available as an investment option to Plan participants. Each contract is fully and unconditionally guaranteed by TIAA-CREF. The TIAA Traditional Annuity is offered through a variety of contract types, including Retirement Annuities ("RA"), Supplemental Retirement Annuities ("SRA"), and Group Supplemental Retirement Annuities ("GSRA"). The type of contract through which a participant invests in the TIAA Traditional Annuity determines the applicability of certain account features, such as the guaranteed minimum interest rate, additional interest declarations, the degree of liquidity of the participant's account, and the options for receiving income upon retirement.

When participants choose to allocate a portion of their retirement savings to the TIAA Traditional Annuity during the accumulation phase of the contract, their contributions purchase a specific amount of lifetime income based on the contractual rate schedule in effect at the time the premium is paid. The participant's principal, plus a specified minimum rate of interest, is guaranteed by TIAA-CREF's claims-paying ability. The TIAA Traditional Annuity also provides the potential for additional interest if declared by TIAA-CREF's Board of Trustees. Additional interest, when declared, remains in effect for the declaration year, which begins each March 1 for accumulating annuities, and January 1 for lifetime payout annuities. Additional interest is not guaranteed for future years. Together, the guaranteed minimum and additional amounts make up the crediting interest rate.

For accumulating RA contracts, the crediting interest rate was 6.75% and 6.25% as of December 31, 2023 and 2022, respectively.

All RA contracts require withdrawals in the form of a lifetime payout annuity or in periodic installments over a 10-year period. All RA and GSRA contracts provide for full participant-directed liquidity. When a participant's accumulation in the TIAA Traditional Annuity is converted to a lifetime payout annuity, the present value of the stream of payments is equal to the accumulated balance, and the entire amount is recorded as a distribution in the statement of changes in net assets available for benefits.

The contracts that are fully benefit-responsive (SRA and GSRA contracts) are reported at contract value. The contracts that are non benefit-responsive (RA contracts) are reported at fair value which approximates contract value.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are probable of not occurring.

NOTE 6 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 8 PLAN TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (IRC). The terms of the Plan have been prepared to conform to the sample language provided by the IRS in Revenue Procedure 2007-71. The Plan is required to operate in conformity with the IRC to maintain the tax-exempt status for Plan participants under Section 403(b). City of Hope routinely self-reviews the administration of the Plan and self-corrects any compliance issues in accordance with the Employee Plans Compliance Resolution System and management determined that employees employed by a certain subsidiary are ineligible to participate in the Plan. City of Hope submitted a Voluntary Correction Program filing with the IRS and received their compliance statement in July 2023. City of Hope has established a separate 401(k) plan for this subsidiary and effective May 1, 2023, contributions for the affected participants were remitted to the 401(k) plan. The Plan administrator believes that the Plan, other than the operation error noted above, is currently designed and operating in accordance with the applicable requirements of Section 403(b) of the IRC and, therefore, believes that the Plan is qualified, and the related accounts are tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. No uncertain positions have been identified that would require the recognition of a tax liability (or asset) or disclosure in the financial statements as of December 31, 2023 and 2022. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

DECEMBER 31, 2023 AND 2022

NOTE 9 HISTORICAL PLAN ADMINISTRATION

Prior to 2009, the Plan's third-party administrators tracked contributions, investment earnings, distributions and other activity on a "contract" basis. Each participant was setup as having a separate "contract" and Plan level activity was not captured. This method of administration was utilized prior to January 1, 2009 as the regulations governing 403(b) plans did not require Plan level reporting. The Plan administrator believes a good faith effort was made to obtain all relevant information prior to January 1, 2009. However, as a result of the method of administration and lack of historical Plan level financial reporting, the Plan administrator is unable to obtain Plan level information prior to January 1, 2009.

NOTE 10 PARTY-IN-INTEREST TRANSACTIONS

The Plan investments are managed by Fidelity Management Trust Company, the trustee of the Plan and TIAA and CREF, the insurance companies of the Plan. Therefore, these investment transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than direct payment. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

In accordance with the Retirement Plan Services Agreement between the City of Hope and Fidelity, Fidelity is required to fund revenue credits to the Plan on a quarterly basis. The revenue credits are allocated to participants on a quarterly basis and any unallocated revenue credits are allocated to the Revenue Credit Account ("RCA"). The funds in the RCA may be used to pay Plan administrative expenses or may be allocated to participants at the discretion of the City of Hope.

This is deemed a prohibited transaction in accordance with ERISA and the Internal Revenue Code. The Employer corrected the prohibited transactions in 2023 by depositing lost earnings, filing the required Form 5330 with the Internal Revenue Service and paying the appropriate excise tax.
