Report of Independent Auditor

To the Plan Administrator and Participants
O'Neal, Inc.
401(k) Plan and Trust
Greenville, South Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of O'Neal, Inc. 401(k) Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan "investment information" by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating the certified investments information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Emphasis of Matter

As discussed in Notes 7 and 10, the Plan is expected to terminate in 2025. Our opinion is not modified in respect to this matter.

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

O'NEAL, INC. 401(k) PLAN AND TRUST

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Note 1—Description of the Plan

The following plan description of O'Neal, Inc. (the "Company") 401(k) Plan and Trust (the "Plan") is provided for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering all employees ("participants") of the Company who have completed at least three months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was amended effective November 1, 2017 to allow for the merging of the O'Neal Constructors 401(k) Plan and Trust into the Plan. The Plan was also amended effective June 1, 2020 to include the employees of INfab, LLC and Quest Site Solutions, LLC.

Contributions – Eligible participants may elect to contribute up to 75% of pre-tax annual compensation, as defined in the Plan. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined-contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 5% of eligible compensation and their contributions invested in a designated-balanced fund until changed by the participant. The Company made a safe harbor matching contribution of 100% of the first 3% of base compensation that a participant contributes to the Plan and 50% of the next 2% of base compensation that a participant contributes to the Plan for the year ended December 31, 2023. The Company may also make additional discretionary-matching contributions to the Plan at the option of the Company's Board of Directors. There was no discretionary-matching contribution for the year ended December 31, 2023. Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Participant Accounts – Each participant's account is credited and/or charged with distributions, contributions, and an allocation of Plan earnings and losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Investment Account Options – Participants may direct the qualified institution as to the investment of their account balances in accordance with guidelines established by the Plan. Participants may change their investment elections at any times. Transfers of account balances between elected investment options may also be made at any time.

Vesting – Participants are vested immediately in their contributions and Company contributions plus actual earnings thereon.

Payment of Benefits – Withdrawals are made on a lump-sum basis or at the participant's option as a deferred annuity upon retirement, disability, termination, or proof of hardship. If death occurs prior to retirement, the participant's account is paid to the designated beneficiary. All balances are available for distribution after the participant reaches the age of 59½.

Hardship Withdrawals – The Plan allows participants to make hardship withdrawals to satisfy certain immediate and heavy financial needs. A participant may request a hardship withdrawal for certain qualifying expenses as defined by the Plan document and within what the IRS deems an immediate and financial need of the participant.

O'NEAL, INC. 401(k) PLAN AND TRUST

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Note 2—Summary of significant accounting policies

Basis of Accounting – The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

Use of Estimates – The preparation of financial statements in accordance with U.S. GAAP requires the Plan administrator and the Company to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein and disclosure of contingent assets and liabilities. The most significant estimates include those regarding fair value of the common collective trust and mutual funds. Actual results, as determined at a later date, could differ from those estimates.

Administrative Expenses – Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of distributions to participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net depreciation in fair value of investments on the statement of changes in net assets available for benefits.

Investment Valuation and Income Recognition – The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by Fidelity Management Trust Company (the “Trustee” or “Qualified Institution”). See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits – Benefits are recorded when paid.

Risks and Uncertainties – Investment securities, in general, are exposed to various risks, such as interest rates, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in value of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the financial statements.

Note 3—Information prepared and certified by the Qualified Institution (unaudited)

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the qualified institution of the Plan, has certified the following data included in the accompanying financial statements and supplemental schedule as complete and accurate:

- Investments, at fair value as shown in the statements of net assets available for benefits as of December 31, 2023 and 2022.
- Net appreciation in fair value of investments and dividends and interest as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2023.
- Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2023.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

O'NEAL, INC. 401(k) PLAN AND TRUST

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Note 4—Fair value measurements

The Plan follows the fair value measurements topic of the Financial Accounting Standards Board Accounting Standards Codification ("ASC") 820 which defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value.

The standard describes three levels of inputs that may be used to measure fair value:

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

Level 2 – Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following are descriptions of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy. There have been no changes in methodologies used at December 31, 2023 or 2022.

Common Collective Trust – Investments in the common collective trust are stated at estimated fair values, which have been determined based on the unit values of the funds. Each investment is valued at a daily calculated unit value, which is determined by the organization sponsoring such funds by dividing the funds' net assets at fair value by its units outstanding at each valuation date. The common collective trust held by the Plan is further classified as a stable value fund, which has indirect investments in synthetic and traditional guaranteed investment contracts. As the investment is indirect, there is no readily determinable fair value and the trust is valued at the net asset value ("NAV") practical expedient so it is shown outside the fair value hierarchy.

Mutual Funds – These investments are public investment vehicles valued using NAV provided by the administrator of the fund. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. For mutual funds where NAV is the quoted price in an active market, investments are classified within Level 1 of the valuation hierarchy.

Money Market Fund – This investment is a public investment vehicle valued using NAV provided by the administrator of the fund. The underlying assets are generally comprised of short-term securities representing high-quality, liquid debt, and monetary assets. The redemption and subscription frequencies are daily and the fund has no redemption notice periods or unfunded commitments. The money market fund is classified within Level 1 of the valuation hierarchy.

O'NEAL, INC. 401(k) PLAN AND TRUST
NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Note 4—Fair value measurements (continued)

Below are the Plan's financial instruments carried at fair value on a recurring basis, by the fair value hierarchy levels described above, as of December 31:

As of December 31, 2023				
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total Fair Value
Assets:				
Money market fund	\$ 6,932	\$ -	\$ -	\$ 6,932
Mutual funds	42,627,705	-	-	42,627,705
Total assets in fair value hierarchy	<u>\$ 42,634,637</u>	<u>\$ -</u>	<u>\$ -</u>	42,634,637
Common collective trust measured at NAV ^(*)				<u>2,827,747</u>
Investments, at fair value				<u>\$ 45,462,384</u>

As of December 31, 2022				
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total Fair Value
Assets:				
Money market fund	\$ 1,585	\$ -	\$ -	\$ 1,585
Mutual funds	35,279,743	-	-	35,279,743
Total assets in fair value hierarchy	<u>\$ 35,281,328</u>	<u>\$ -</u>	<u>\$ -</u>	35,281,328
Common collective trust measured at NAV ^(*)				<u>3,854,247</u>
Investments, at fair value				<u>\$ 39,135,575</u>

* In accordance with ASC Subtopic 820-10, certain investments that are measured at fair value using NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The Plan has no financial instruments which were valued using Level 3 inputs as of December 31, 2023. The Plan recognizes any transfers between levels in the fair value hierarchy as of the end of the reporting period. There were no transfers between levels for the year ended December 31, 2023.

O'NEAL, INC. 401(k) PLAN AND TRUST
NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Note 5—Investments measured using NAV per share practical expedient

The following tables summarize investments measured at fair value based on NAV per share as of December 31:

2023				
Asset	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common collective trust, at NAV	\$ 2,827,747	N/A	Daily	None

2022				
Asset	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common collective trust, at NAV	\$ 3,854,247	N/A	Daily	None

Note 6—Party-in-interest transactions

Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investments, as they are paid through revenue sharing, rather than a direct payment. As described in Note 2, the Plan made direct payments to the qualified institution of \$35,808, which are not covered by revenue sharing. The Company pays directly any other fees related to the Plan's operations. Certain plan investments are managed by the qualified institution, and therefore, these transactions qualify as party-in-interest transactions.

Note 7—Plan termination

The Company has the right to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. As described in Note 10, the Plan is expected to terminate in 2025.

Note 8—Tax status

The Plan has not obtained a determination letter from the IRS stating the Plan was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan is relying on the IRS approval of the standardized prototype plan that it is utilizing. The IRS has determined and informed the Trustee by a letter dated June 30, 2020, that the prototype plan document was designed in accordance with applicable sections of the IRC. The Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC. Therefore, the Plan administrator believes the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Note 9—Reconciliation to the Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31:

	<u>2023</u>	<u>2022</u>
Net assets available for benefits per the financial statements	\$ 45,684,203	\$ 39,375,092
Less participant contributions receivable	(157,644)	(158,400)
Less employer contributions receivable	<u>(64,175)</u>	<u>(81,117)</u>
Net assets available for benefits per Form 5500	<u>\$ 45,462,384</u>	<u>\$ 39,135,575</u>

The following is a reconciliation of the net increase in assets available for benefits per the financial statements to the net increase in assets available for benefits per Form 5500 for the year ended December 31, 2023:

Changes in net assets available for benefits per financial statements	\$ 6,309,111
Less current year participant contribution receivable	(157,644)
Less current year employer contributions receivable	(64,175)
Plus prior year participant contributions receivable	158,400
Plus prior year employer contributions receivable	<u>81,117</u>
Net income per Form 5500	<u>\$ 6,326,809</u>

Note 10—Subsequent events

During 2024, the Company sold the assets of the engineering and automated welding businesses, which included the termination and transfer of all employees to the buyer. None of the operating assets of the construction business were sold. However, the Company ceased all construction activity in November of 2024 and suspended any remaining operations. Contributions were no longer allowed after this date, and participants became fully vested. As a result, the Plan will terminate and will begin the process of liquidation during 2025. At that time, participants may elect to rollover account balances to another qualified employer plan, an Individual Retirement Account, or receive a direct taxable distribution.

In accordance with U.S. GAAP related to subsequent events, the Plan has evaluated all events subsequent to the statement of net assets available for benefits date of December 31, 2023 through January 7, 2025.

RE: O'Neal, Inc. 401(k) Plan and Trust
EIN: 57-0619503, Plan Number: 001

Dear Sir or Madam:

We are filing with this letter Form 5500 for the above referenced Plan for its plan year ending 12/31/2023. This filing is late; however, we believe that this Plan qualifies for a special exemption as noted in SC-2024-08 (Hurricane Helene) and respectfully request a waiver or abatement of any late filing penalties that may be assessed.

Regards,

Kevin C. Bean
Plan Administrator
