INDEPENDENT AUDITOR'S REPORT

Plan Administrator
UH Clinical Associates, LLC 401(k) Retirement Plan
Canton, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of UH Clinical Associates, LLC 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of UH Clinical Associates, LLC 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution, Charles Schwab Trust Bank, as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section.

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, is presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of UH Clinical Associates, LLC 401(k) Retirement Plan and to meet our other ethical

responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about UH Clinical Associates, LLC 401(k) Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the UH Clinical Associates, LLC 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about UH Clinical Associates, LLC 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of Assets (Held at end of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2022 Financial Statements

Predecessor auditors performed an audit of the 2022 financial statements of UH Clinical Associates, LLC 401(k) Retirement Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated September 24, 2024 indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the UH Clinical Associates, LLC 401(k) Retirement Plan (the Plan), provides only general information. Participants should refer to the Plan document for a more comprehensive description of the Plan's provisions.

GENERAL

The Plan was a multi-employer defined contribution plan covering substantially all full-time employees of the Alteon Health, LLC and its affiliates who had attained the age of twenty-one given they have completed one month of service. Alteon Health, LLC was acquired by US Acute Care Solutions on February 1, 2022. Effective July 1, 2022, the sponsorship and administrator of the Plan was changed to US Acute Care Solutions (the "plan sponsor"). At this time, all adopting employers other than UH Clinical Associates, LLC (the "Company") were removed from the Plan with the respective plan assets transferred to the US Acute Care Solutions Profit Sharing/401(k) Plan and Trust. The plan sponsor controls and manages the operation and administration of the Plan. Charles Schwab Trust Bank ("Schwab") serves as the trustee of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

CONTRIBUTIONS

Participants may elect to contribute up to the lesser of \$22,500 and \$20,500 for the years ended December 31, 2023 and 2022, respectively, (plus catch up contributions as defined in the Plan document) or 75% of their pre-tax annual compensation to the Plan on a pre-tax basis and/or after-tax (Roth) basis. Participants may also make rollover contributions to the Plan from other qualified defined benefit or defined contribution plans.

The plan sponsor may elect to make discretionary matching contributions. Eligible employees hired on or after December 1, 2018 who have completed one year of credited service are eligible to receive matching contributions. The years of service requirement is waived for eligible employees hired before December 1, 2018. For 2023 and 2022, the plan sponsor matched 50% of the first 8% of eligible pay contributed.

In addition to discretionary matching contributions, the plan sponsor may elect to make discretionary profit-sharing contributions. Eligible employees hired on or after December 1, 2018, who have completed one year of credited service and are employed on the last day of the plan year are eligible to participate in the profit-sharing portion of the Plan. The years of service requirement is waived for eligible employees hired before December 1, 2018. Employer contributions are allocated as defined in the plan document. For the year ended December 31, 2023 and 2022, the plan sponsor did not make a profit-sharing contribution to the Plan. Contributions are subject to certain limitations.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions, allocations of the plan sponsor's contributions and Plan earnings and charged with an allocation of administrative expenses. Allocations of earnings and expenses are based on the participants' account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately vested in all contributions plus earnings thereon. Participants who were hired prior to January 1, 2019, are fully vested in their employer profit-sharing contributions. For participants hired on or after January 1, 2019, vesting is based on years of service. A participant hired on or after January 1, 2019, is fully vested after six years of credited service.

INVESTMENT OPTIONS

Upon enrollment in the Plan, participants may direct contributions to their accounts into various investment options offered by the Plan, or act as their own asset manager and select the option of a self-directed investment account. Assets reported as self-directed investments are the aggregate of all self-directed funds.

PAYMENT OF BENEFITS

Upon termination of service due to death, disability, retirement, or separation of service, participants may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. However, if the vested account balance is less than \$5,000, a direct rollover or lump sum distribution will be made to the participant regardless of whether the participant elects to receive it. Participants may also be permitted to receive a distribution from their account prior to termination of employment if they experience financial hardship. Any hardship distribution would be limited to amounts contributed on a before-tax basis.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes receivable are secured by the balance in the participant's account and bear interest at rates that are commensurate with local prevailing rates. Principal and interest are paid ratably through bi-weekly payroll deductions.

In management's opinion, all notes receivable are fully collectible; accordingly, no allowance for doubtful accounts was recorded as of December 31, 2023 and 2022.

FORFEITED ACCOUNTS

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$7,970 and \$2,132, respectively. These accounts will be used to reduced future employer contributions. In 2023 and 2022, employer contributions were reduced by \$5,583 and 11,543, respectively, from forfeited nonvested accounts.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan have been prepared on the accrual basis of accounting (GAAP).

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold, as well as held, during the year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the Plan document. Certain administrative functions are performed by employees of the Company. No such employee receives compensation from the Plan. Expenses relating to specific participant transactions (notes receivable from participants) are charged directly to the participant's account.

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document.

RECLASSIFICATIONS

Certain amounts have been reclassified to conform to current year presentation.

SUBSEQUENT EVENTS

The Plan changed Trustees and Recordkeepers from Charles Schwab Trust Company and Charles Schwab Retirement Plan services to Fidelity Management Trust Company effective April 1, 2024.

The Plan evaluated subsequent events through March 14, 2025, the date these financial statements were available to be issued. There were no other events identified that required recognition or disclosure in these financial statements.

NOTE 3 - INFORMATION CERTIFIED BY THE TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation(depreciation) in fair value of investments, interest and dividends and interest income on notes receivable from participants for the years ended December 31, 2023 and 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Charles Schwab Trust Bank, the trustee of the Plan. This information has not been audited by the Plan's independent auditors.

NOTE 4 - FAIR VALUE MEASUREMENTS

GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs used in valuation models (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets. Level 2 inputs include those other than quoted prices that are observable for the asset or liability. Level 2 inputs are derived principally from, or are corroborated by, observable market data by correlation or other means. If the asset or liability has a specified term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

NOTE 4 -FAIR VALUE MEASUREMENTS (CONTINUED)

Money market fund – Valued based on quoted market prices on the last business day of the Plan year. The net asset value (NAV) is a quoted price on an active market.

Registered investment companies - Investments in registered investment companies are stated at the respective fund's NAV, which is determined based on quoted market prices on the last business day of the Plan year. The NAV is a quoted price on an active market.

Self-directed investments (including US Treasury Notes) – US Treasury Notes are valued at a percentage of par on the secondary market on which the individual securities are traded. Self-directed investments (excluding US Treasury Notes) accounts primarily consist of actively-traded registered investment companies, corporate bonds, money market, and cash funds that are stated at the respective fund's net asset value (NAV), which is determined based on quoted market prices on the last business day of the Plan year. The NAV is a quoted price on an active market.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 5 – TAX STATUS

The Plan is relying on the IRS approval of the prototype non-standardized plan it is utilizing. The IRS has determined and informed the document sponsor by a letter dated September 21, 2020 that the prototype nonstandardized document was designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. As of December 31, 2023 and 2022, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax year pending or in progress.

NOTE 6 - PLAN TERMINATION

Although they have not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan, subject to the provisions of ERISA.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments at December 31, 2023 and 2022 are invested in funds managed by Charles Schwab Trust Bank. Charles Schwab Trust Bank is the trustee as defined by the Plan document and, therefore, these transactions are considered party-in- interest transactions. The Plan also makes loans to Plan participants who are also considered to be parties-in-interest.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities which are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
