Independent Auditor's Report

RSM US LLP

Board of Trustees and Plan Administrator
The Centers for Families and Children Defined Contribution Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The Centers for Families and Children Defined Contribution Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in Note 2.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter—Basis of Accounting

We draw attention to Note 2 in the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matters—Supplemental Schedule Required by ERISA

The supplemental schedule (modified cash basis) of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule (modified cash basis) that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule (modified cash basis), we evaluated whether the supplemental schedule (modified cash basis), other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule (modified cash basis), other than the information in the supplemental schedule (modified cash basis) that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule (modified cash basis) related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Defined Contribution Retirement Plan**

(Modified Cash Basis)**

Note 1. Description of the Plan

The following description of The Centers for Families and Children Defined Contribution Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all eligible employees of The Centers for Families and Children, El Barrio, Inc., Circle Health Services and The Cleveland Christian Home, Inc. (collectively, The Centers), as defined by the Plan. As a related employer, The Cleveland Christian Home, Inc. adopted the Plan with respect to its eligible employees effective July 1, 2023.

To be eligible to make employee contributions to the Plan, employees must meet the definition of a covered employee, as defined in the Plan agreement. To be eligible to participate in employer contributions, the participant must be 21 years of age or older and have at least one year of service. In addition, eligible employees may join the Plan on the first day of the month immediately following the date eligibility requirements are met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions: The Centers automatically withholds 2% from a covered employee's compensation and contributes this amount to the Plan as employee contributions, unless the employee elects otherwise. Participants may designate all or a portion of contributions as Roth 401(k) contributions. Contributions may not exceed the annual maximum permitted under the applicable section of the Internal Revenue Code. Participants who attain age 50 before the end of the Plan year are eligible to contribute additional catch-up contributions. In addition, participants may contribute amounts representing eligible rollover distributions from other qualified plans.

For those eligible employees, the employer contribution is integrated with the published U.S. Social Security Wage Base. For bargaining unit employees, The Centers may make discretionary contributions not to exceed 5% of eligible base compensation, plus an additional 4.3% of eligible compensation that exceeds a portion of the Social Security Wage Base. For non-bargaining unit employees, The Centers will, at its discretion, make a Safe Harbor non-elective contribution of 3%, plus an additional non-elective contribution of 2% of eligible base compensation. At The Centers' discretion, an additional non-elective contribution of 2% of eligible compensation that exceeds a portion of the Social Security wage base can also be made.

All contributions are remitted to the trust after each pay period. Contributions are invested by the Plan's trustee and custodian, as directed by the employees, in one or more of the participant-directed funds. Participating employees may elect to change investment direction at any time. Earnings, interest and dividends received from investments in each fund are invested in the fund in similar assets. Contributions from Plan participants and the matching contributions from the employer are recorded in the year in which the employee contributions are withheld from compensation.

Participant accounts: Each participant's account is credited with the participant's contributions and allocations of (a) the employer contributions, and (b) Plan earnings. Allocations are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Center for Families and Children
Defined Contribution Retirement Plan**

**Notes to Financial Statements
(Modified Cash Basis)**

Note 1. Description of the Plan (Continued)

Vesting: Participants are immediately vested in their employee contributions.

A bargaining unit participant's vested interest in the employer's contributions, along with any earnings on those contributions, shall be determined in accordance with the following schedule:

<u>Years of Vesting Service:</u>	<u>Vested Interest</u>
<u>Bargaining Vesting Schedule</u>	
Less than 1	0%
1 but less than 2	33-1/3%
2 but less than 3	66-2/3%
3 or more	100%

A non-bargaining unit participant's vested interest in the safe harbor contributions is always 100%. For all other employer contributions, a non-bargaining unit participant's vested interest is 0% prior to completion of three years of vesting service. Upon completion of three years of vesting service, the vested interest is 100%.

Payment of benefits: On termination of services due to death, disability or retirement, a participant will receive an amount equal to the value of the participant's vested interest in his or her account as a lump-sum amount.

Administrative expenses: Administrative fees related to the Plan are paid by The Centers or the Plan, at the option of The Centers.

Forfeitures: At December 31, 2023 and 2022, unallocated forfeitures from nonvested and partially vested participants totaled \$133,196 and \$78,941, respectively. Forfeiture dollars, as of the last day of the Plan year in which the forfeiture occurs, shall be applied first against plan expenses and then against the employer contribution obligations. During the year ended December 31, 2023, \$59,292 of forfeitures were used. The Centers intends to use the balance of unallocated forfeitures at December 31, 2023, to reduce plan expenses and employer contributions in 2024.

Plan termination: While The Centers has not expressed any intentions to discontinue the Plan, it can do so subject to the provisions of ERISA. In the event of termination of the Plan, the amounts allocated to the individual participant accounts would become 100% vested and paid to the participants.

Notes receivable from participants: Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum of \$50,000, or 50%, of their vested account balance, whichever is less. Loans may not be made from the portion of the participant's account attributable to employer contributions. The loans are secured by the balance in the participant's account, and bear interest at varying rates that are commensurate with local prevailing rates, as determined by the Plan Administrator. Principal and interest are paid ratably through payroll deductions.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The Plan uses the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America (U.S. GAAP).

**Center for Families and Children
Defined Contribution Retirement Plan**

**Notes to Financial Statements
(Modified Cash Basis)**

Note 2. Summary of Significant Accounting Policies (Continued)

Use of estimates: The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Investment valuation: Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts, as contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Income recognition: Purchases and sales of securities are recorded on a settlement date basis. Interest and dividends are recorded when received. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Delinquent loans are treated as distributions based upon the terms of the Plan document.

Payment of benefits: Benefits to participants are recorded when paid.

Subsequent events: No subsequent events were identified through March 21, 2025, the date these financial statements were available to be issued.

Note 3. Information Certified and Provided by Empower Trust Company, LLC and Empower Annuity Insurance Company of America

The following is a summary of the Plan's asset information as of December 31, 2023 and 2022, and for the year ended December 31, 2023, included throughout the Plan's financial statements and supplemental schedule that was prepared by or derived from information provided by the trustee and custodian, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustee and custodian that information provided to the Plan Administrator by the trustee and custodian related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule related to the following assets.

	2023	2022
Registered investment companies	\$ 18,912,844	\$ 15,057,970
Guaranteed investment contract	\$ 2,606,549	\$ 2,387,652
Notes receivable from participants	\$ 228,680	\$ 173,282

The trustee and custodian also certified to the completeness and accuracy of the following for the year ended December 31, 2023:

Net appreciation in fair value of investments	\$ 2,109,864
Interest and dividends	\$ 744,224
Interest income on notes receivable from participants	\$ 14,236

Note 4. Fair Value Measurements

Accounting standards established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to the valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under accounting standards are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability

**Center for Families and Children
Defined Contribution Retirement Plan**

**Notes to Financial Statements
(Modified Cash Basis)**

Note 4. Fair Value Measurements (Continued)

- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2023 and 2022.

Registered investment companies: Valued at the daily closing price, as reported by the fund. Registered investment companies held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value, and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets measured at fair value on a recurring basis at December 31:

	2023			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 18,912,844	\$ -	\$ -	\$ 18,912,844

	2022			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 15,057,970	\$ -	\$ -	\$ 15,057,970

Note 5. Investment with Insurance Company

The Plan has a benefit-responsive traditional investment contract with Empower Annuity Insurance Company of America (Empower). Empower maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

**Center for Families and Children
Defined Contribution Retirement Plan**

**Notes to Financial Statements
(Modified Cash Basis)**

Note 5. Investment with Insurance Company (Continued)

As described in Note 2, because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate of 0%, as stated in the contract, and prevailing market conditions. Interest crediting rate is reset quarterly.

There are no events which limit the ability of the Plan to transact at contract value with the issuer.

Either party to the contract may terminate the agreement prior to the scheduled maturity date with at least 60 days advance written notice to the other party.

Note 6. Tax Status

The Internal Revenue Service has determined and informed the Plan Sponsor, by a letter dated June 14, 2016, that the Plan is qualified, and the trust established under the Plan is tax-exempt under Section 401(a) of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. The Plan Administrator believes the Plan and trust are operating in a manner that does not jeopardize this tax status.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7. Parties-in-Interest Transactions

Certain Plan investments are shares of registered investment companies and a guaranteed investment contract managed by affiliates of Empower Trust Company, LLC, the trustee as of the Plan. Fees paid by the Plan for administrative services provided by the custodian, their affiliates and other parties-in-interest amounted to \$81,781 for the year ended December 31, 2023.

Note 8. Risks and Uncertainties

The Plan holds various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
