## Independent Auditors' Report

To the Trustee of  
Key West Boats, Inc. Retirement Savings Plan  
Ridgeville, South Carolina

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed an audit of the financial statements of Key West Boats, Inc. Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of March 31, 2024 and 2023, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Empower Trust Company, the custodian as of March 31, 2024 and 2023, and for the year ended March 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by the custodian agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Key West Boats, Inc. Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Key West Boats, Inc. Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Key West Boats, Inc. Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Key West Boats, Inc. Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter - Supplemental Schedule Required by ERISA***

The supplemental Schedule H; Line 4i – Schedule of Assets (Held at End of Year) as of March 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such

information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **1. Description of Plan**

The following description of the Key West Boats, Inc. Retirement Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### **General**

The Plan is a defined contribution prototype non-standardized plan with CODA covering all employees of Key West Boats, Inc. (the Sponsor) and Clover Enterprises who are age twenty-one or older and have completed one year of service. The Plan was started on April 1, 1991 and has been restated since plan inception. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### **Contributions**

Each year, participants may contribute up to one hundred percent of pretax annual compensation, as defined in the Plan, subject to Internal Revenue Code limitations. Participants over the age of fifty by the end of the calendar year may also make an additional catch-up contribution. With the Trustee's consent, participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Sponsor may make a discretionary matching contribution to the plan equal to a percentage of a participant's elective deferrals. The Sponsor may also make a discretionary profit-sharing contribution. Participants must perform at least 1,000 hours of service during the plan year to receive an allocation of the profit-sharing contribution.

For the plan years ended March 31, 2024 and 2023, the Sponsor elected to implement a discretionary matching contribution for the employees of Key West Boats, Inc. equal to a one hundred percent match of the first six percent of compensation deferred into the plan. The same matching contribution was elected for the employees of Clover Enterprises for the plan year ended March 31, 2024. The Sponsor elected not to make any profit sharing contributions for the plan years ended March 31, 2024 and 2023.

#### **Participant Accounts**

Each participant's account is credited with the participant's contributions, an allocation of Sponsor's contributions and an allocation of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### **Investment Options**

The Plan's assets are invested in a pooled separate account that encompass various mutual funds offered by Talcott Resolution Life Insurance Company. Upon enrollment in the Plan, a participant may direct contributions in any of the various mutual funds offered by the Plan.

#### **Forfeited Accounts**

Forfeited non-vested accounts may be used to reduce plan administrative expenses or be applied against future employer contributions. Forfeitures of \$10,556 and \$23,845 were generated for the years ended March 31, 2024 and 2023, respectively. Forfeitures of \$10,975 were utilized to offset administrative fees during the plan year ended March 31, 2024. No forfeitures were utilized during the plan year ended March 31, 2023. There were \$65,194 and \$62,827 of unused forfeitures remaining at March 31, 2024 and 2023, respectively.

### **Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or fifty percent of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at prime plus 2%. Current interest rates on outstanding loans are between 4.25% and 9.50%. Principal and interest is paid ratably through bi-weekly payroll deductions.

### **Vesting**

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of each participant's account is based on the number of years of continuous service as follows:

| <b><u>Years of Service</u></b> | <b><u>Percent Vested</u></b> |
|--------------------------------|------------------------------|
| 1 year or less                 | 0%                           |
| 2 years                        | 20%                          |
| 3 years                        | 40%                          |
| 4 years                        | 60%                          |
| 5 years                        | 80%                          |
| 6 years                        | 100%                         |

Participants who terminate employment upon reaching normal retirement age, death or disability are immediately one hundred percent vested in their full account balance.

### **Payment of Benefits**

On termination of service due to death, disability or retirement, a participant may elect to receive benefits in either a lump-sum amount equal to the value of the participant's vested interest in his or her account or monthly over certain annuity options. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

### **Administrative Fees**

Certain administrative fees not covered by forfeitures are paid by Key West Boats, Inc., the Sponsor of the Plan.

## **2. Summary of Significant Accounting Policies**

### **Basis of Accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting.

### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

## **Notes to Financial Statements**

---

### **Investment Valuation and Income Recognition**

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of March 31, 2024. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan is reduced and a benefit payment is recorded for tax purposes. Deemed distributable loans continue to be reported in the Plan's financial statements until the participant has reached a distributable event.

### **Payment of Benefits**

Benefits are recorded when paid.

### **Administrative Expenses**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

### **Subsequent Events**

The Plan has evaluated subsequent events through March 21, 2025, the date the financial statements were available to be issued.

### **New Accounting Pronouncements**

On December 29, 2022, the SECURE 2.0 Act of 2022 was signed into law. This act contains provisions that go into effect at various times starting in 2023 and ending in 2033. The deadline for adopting any required plan amendments pursuant to the SECURE 2.0 Act is December 31, 2026; however, plans must be operated in accordance with the effective date of each new provision. Management has reviewed the provisions effective for the 2023 year and continues to monitor and adjust operations in accordance with provisions as they become effective. As of March 31, 2024, no formal Plan amendments have been made to adopt SECURE 2.0 Act provisions. Management has determined that the Plan was in compliance with all applicable non-elective provisions for the year ended March 31, 2024.

#### 3. Unaudited Investment Information Certified by Trustee

The accompanying financial statements and supplemental schedule includes the following unaudited information as of March 31, 2024 and 2023, and for the years then ended that was obtained from data prepared and certified to be complete and accurate by Empower Trust Company, plan custodian.

|                                                              | <u>2024</u>  | <u>2023</u>  |
|--------------------------------------------------------------|--------------|--------------|
| Investments in pooled separate accounts                      | \$ 8,010,012 | \$ 6,164,718 |
| Net appreciation (depreciation) in fair value of investments | \$ 1,071,562 | \$ (442,174) |

Supplemental schedule on page 14 - all items and amounts, excluding participant loans.

#### 4. Fair Value Measurements

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

##### Basis of Fair Value Measurement

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Inputs to the valuation methodology include

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment, and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at March 31, 2024.

### Notes to Financial Statements

*Pooled Separate Accounts:* Valued at the NAV of units of an insurance company pooled account. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of March 31, 2024 and 2023.

| Assets at Fair Value as of March 31, 2024 |         |              |         |              |
|-------------------------------------------|---------|--------------|---------|--------------|

| Total Investments, at Fair Value          | \$ -    | \$ 6,164,718 | \$ -    | \$ 6,164,718 |

The Plan did not hold any investments that were classified as Level 3 investments at March 31, 2024 and 2023.

### **Notes to Financial Statements**

---

#### **5. Related Party Transactions**

The Plan Sponsor provides certain accounting, administrative and investment management services to the Plan for which no fees are charged. Additionally, certain expenses not paid by plan assets are paid directly by the Sponsor.

#### **6. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits and the individual participant account balances.

#### **7. Tax Status**

The Plan is a prototype standardized profit-sharing plan offered by Great West Life and Annuity Insurance Company which qualifies under applicable sections of the Internal Revenue Service Code. The plan document was restated effective July 1, 2021. The prototype plan has received a favorable opinion letter from the Internal Revenue Service dated June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes that it is no longer subject to income tax examinations for years ending prior to March 31, 2021.

#### **8. Operational Compliance Deficiencies**

The Plan's non-discrimination testing for the March 31, 2022 plan year was not completed timely resulting in the issuance of corrective distributions more than two and one-half months after year end. For the March 31, 2022 plan year, corrective distributions in the amount of \$1,998 were processed and distributed to the affected participant in April 2023. These corrective distributions, including lost earnings, were recognized in the Plan's current year financial statements. A Form 5330 was filed to bring the Plan into compliance.

The Plan's non-discrimination testing for the March 31, 2023 plan year was not completed timely resulting in the delayed forfeitures of excess employer matching contributions. For the March 31, 2023 plan year, forfeitures in the amount of \$10,195 were processed in April 2024.

### 9. Plan Termination

Although it has not expressed intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become one hundred percent vested in their accounts and the net assets available for benefits would be distributed to participants based on amounts which have been allocated to their respective accounts.

### 10. Subsequent Events

In October 2024, the Plan was amended and restated, effective April 1, 2024, to adopt a non-standardized defined contribution pre-approved plan offered through its new custodian. Additionally, this amendment allows participants to elect to make after-tax Roth contributions to the Plan, including rollover contributions. Lastly, this amendment removed Clover as a participating employer. As of the report date, all Clover employees were removed from this Plan and transferred into a separate Plan.

In December 2024, the Plans assets were transferred from Empower Trust Company to OneAmerica Financial, who was acquired by Voya as of January 1, 2025.

Subsequent to year end, the United States stock market experienced market volatility that has resulted in significant declines in carrying values of investment assets held at March 31, 2024. The extent of future losses due to market declines is unknown.

### 11. Form 5500 Reconciliation

The March 31, 2024 financial statements include certain adjustments that have not been reflected within the Form 5500. Specifically, the financial statements include an accrual of employer and employee contributions receivable at year end that have not been reflected in the Form 5500.

The following is a reconciliation of the net assets available for benefits per the financial statements to the net assets available for benefits per the Form 5500 at March 31, 2024.
