Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Culligan Soft Water Services Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Culligan Soft Water Services Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Culligan Soft Water Services Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Culligan Soft Water Services Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statement.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Culligan Soft Water Services Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Culligan Soft Water Services Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Retirement Committee
Culligan Soft Water Services Savings Plan

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The following description of the Culligan Soft Water Services Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was originally established by Culligan Soft Water Service (the Company) effective January 1, 1963. The Plan was most recently amended effective January 1, 2023. The Plan includes all employees (excluding union employees and nonresident aliens) of the Company and the following affiliated employers:

- Southwest Water Conditioning Company
- Susquehanna Valley Water Conditioning Company
- Northern Iowa Water Conditioning Company
- UNCO Data Systems, Inc.
- NorthCentral Minnesota Water Conditioning Company
- St. Croix Valley Water Conditioning Company
- Riverside Water Technology, Inc.
- Eastern Wisconsin Water Conditioning Company
- Northwest Water Conditioning

The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility

Employees who have attained age 18 and completed three consecutive months of service, are eligible to participate in the Plan. An employee is automatically enrolled as a participant on January 1, April 1, July 1, or October 1, after meeting the eligibility requirements. Union employees at the Minnetonka location who are covered by District Lodge No. 77 of the International Association of Machinists and Aerospace Workers, AFL, CIO are eligible to participate in the Plan, but are not eligible for Company contributions.

Contributions

The Plan includes a cash or deferred arrangement allowed under Section 401k of the Internal Revenue Code (IRC). New participants are automatically enrolled at 3% of eligible compensation unless otherwise elected by the participant. Participants' elections are automatically increased annually by 1% up to 6% of eligible compensation unless otherwise elected by the participant. The Plan also allows for after-tax Roth contributions from participants. Participants may elect to make salary deferral contributions up to 100% of their eligible compensation. Participants may also contribute amounts representing distributions from other qualified plans and in-plan Roth rollovers are also allowed. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Contributions (Continued)

The Company adopted a safe harbor matching contribution formula whereby the Company will contribute a matching contribution equal to 100% of the participant's pre-tax contributions up to 3% of the participant's eligible compensation and an additional 50% of the participant's pre-tax contribution up to the next 3% of the participant's eligible compensation.

The Plan allows the Company to make discretionary profit sharing contributions in an amount determined each year by the Company's Board of Directors. Contributions are allocated among participants employed on the last day of the Plan year with a year of service (1,000 hours) during the Plan year, unless service is terminated due to death, disability, or retirement. No profit sharing contributions were made in 2023 or 2022. Contributions are subject to certain limitations.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's deferral contribution, the Company's matching contribution, and allocations of the Company's discretionary profit sharing contribution, Plan earnings and losses and administrative expenses. Allocations are based on participant earnings or account balances, as defined. Participants' accounts are valued on a daily basis. Participants are allowed to direct their investments into various investments offered by the Plan.

Vesting

Employee deferral contributions, Company safe harbor matching contributions and all income and gains thereon are immediately 100% vested. Vesting in the Company's discretionary profit sharing contributions plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service or upon termination at normal retirement (age 65), death, or disability.

Forfeitures

Forfeitures of Company profit sharing contributions are used to reduce future Company contributions or reduce Plan expenses. Forfeitures of \$4,133 and \$-0- were used to reduce Company contributions for the years ended December 31, 2023 and 2022, respectively. Forfeitures of \$4,233 and \$-0- were used to reduce Plan expenses for the years ended December 31, 2023 and 2022, respectively. At December 31, 2023 and 2022, forfeited accounts totaled \$54,764 and \$55,128, respectively.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants

Plan participants may borrow from their fund accounts a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan transactions are treated as a transfer to (from) their investment fund from (to) the participant loan fund. Loan terms range from one to five years. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest are paid ratably through payroll deductions.

Distributions

The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Under the terms of the Plan, lump-sum distributions from the Plan will be made upon a participant's termination, retirement, death, or financial hardship (as defined by the Plan). The Plan also allows for in-service distributions from the Plan during employment upon the attainment of age 59½. The Plan generally requires lump sum distributions of account balances of less than \$1,000 upon termination. Participants with an account balance greater than \$1,000 but less than \$5,000 will receive a lump sum distribution that is automatically rolled into an IRA for the benefit of the former participant. The Plan also allows for partial withdrawals.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenue and expense during the reporting period. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

CULLIGAN SOFT WATER SERVICES SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Purchases and sales are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are recorded as distributions on the basis of the terms of the Plan document.

Benefit Payments

Benefit payments are recorded when paid.

Administrative Expense

The Company pays certain administrative expenses on behalf of the Plan.

Subsequent Events

The Standard acquired Securian Financials' retirement plan recordkeeping business. As a result of the acquisition, this Plan was converted to The Standard's platform on February 26, 2024.

The Plan has evaluated events and transactions for potential recognition or disclosure through January 15, 2025, the date the financial statements were available to be issued.

NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION

State Street Bank and Trust Company, the trustee, has supplied the Plan administrator with a certification as to the completeness and accuracy of all notes receivable from participants and investment information reflected on the accompanying statement of changes in net assets available for benefits for the period January 1, 2022 to October 15, 2022.

Minnesota Life Insurance Company, the trustee effective October 15, 2022, has supplied the Plan administrator with a certification as to the completeness and accuracy of all notes receivable from participants and investment information reflected on the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022, the statement of changes in net assets available for benefits for the period October 15, 2022 to December 31, 2022 and for the year ended December 31, 2023, and the supplemental schedule of assets (held at end of year) as of December 31, 2023.

CULLIGAN SOFT WATER SERVICES SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 4 FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2023 and 2022:

Pooled Separate Account: Valued at the net asset value (NAV) of units of the insurance company. NAV is a readily determinable fair value and is the basis for current transactions.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

		2023			
		Level 1	Level 2	Level 3	Total
Pooled Separate Accounts			\$ 60,673,803	\$ -	\$ 60,673,803
Total Investments at Fair Value		\$ -	\$ 60,673,803	\$ -	\$ 60,673,803

		2022			
		Level 1	Level 2	Level 3	Total
Pooled Separate Accounts		\$ -	\$ 50,667,127	\$ -	\$ 50,667,127
Total Investments at Fair Value		\$ -	\$ 50,667,127	\$ -	\$ 50,667,127

NOTE 5 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to modify, amend, or terminate the Plan subject to the provisions of ERISA. Upon termination of the Plan, all accounts become 100% vested.

NOTE 6 PLAN TAX STATUS

The Plan utilizes a volume submitter profit sharing plan, which obtained an opinion letter, in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

CULLIGAN SOFT WATER SERVICES SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 7 RISKS AND UNCERTAINTIES

The Plan provides for investment in a variety of investment funds. In general, investments are exposed to various risks, such as interest rate, credit, and overall market volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 PARTY-IN-INTEREST

The Plan investments were managed by State Street Bank and Trust Company for the period from January 1, 2022 to October 15, 2022, and Minnesota Life Insurance Company for the period October 15, 2022 to December 31, 2022 and for the year ended December 31, 2023. State Street Bank and Trust Company and Minnesota Life Insurance Company were the trustees as defined by the Plan and, therefore, the investment transactions qualify as party-in-interest transactions.
