INDEPENDENT AUDITOR'S REPORT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements

We have performed an audit of the financial statements of Storer Services, LTD Cash or Deferred Profit-Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Report on Compiled 2021 Financial Statement

Plan management is responsible for the accompanying financial statement of Storer Services, LTD Cash or Deferred Profit-Sharing Plan, which comprises the statement of net assets available for benefits as of December 31, 2021. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy of completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the financial statement.

STORER SERVICES, LTD CASH OR DEFERRED PROFIT-SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

1. Description of Plan

The following description of the Storer Services, LTD Cash or Deferred Profit-Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Plan is a defined contribution plan covering all employees of Storer Management Corporation, Storer Interests, Ltd., Gladstone Investment, LLC., Devonshire Property and Casualty Insurance Corporation, Storer HVAC Management Corporation and Storer Investment, LLC. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was restated effective May 18, 2021 to include provisions for regulatory changes.

- (a) Eligibility.** Employees of the Plan Sponsor and adopting employers are eligible to participate in the Plan on the next entry date after completing one year of service and attainment of age nineteen (19), as defined by the plan document. Entry dates are the first day of the month when an employee satisfies eligibility requirements. Participants are eligible for employer contributions on the first day of the month following the completion of one year of service with the Plan Sponsor.
 - (b) Employee Contributions.** Participants are permitted to contribute up to the maximum deferral amount allowed by the Internal Revenue Service (IRS), to the Plan on a tax-deferred or after-tax (Roth) basis. Transfers from qualified plans are allowed under the provisions of the Plan. Additional voluntary contributions are not allowed. Participants direct the investment of their contributions into various investment options offered by the Plan.
 - (c) Employer Contributions.** The Company will make matching contributions equal to 100% of the first 3% of deferrals plus 50% of additional deferrals up to a maximum of 5%. Employees must work at least 1,000 hours during the Plan year to receive matching contributions. The Plan sponsor is also allowed to make additional profit-sharing contributions at the discretion of the Company. Employees must work at least 1,000 hours during the Plan year and be employed at the end of the Plan year to receive profit sharing contributions.
 - (d) Participant Accounts.** Each participant's account is credited with the participant's voluntary contribution, employer matching contributions, and an allocation of the Plan's earnings and administrative expenses. The allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
 - (e) Vesting.** Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in employer matching contributions are immediate, as the Plan is designed as a safe harbor plan. Vesting in the company's profit-sharing contributions are subject to a six (6) year graded vesting schedule.
 - (f) Payment of Benefits.** On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account, or in installments over a period of not more than his or her life expectancy or the life expectancy of the participants beneficiary.
-

STORER SERVICES, LTD CASH OR DEFERRED PROFIT-SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

- (g) **Forfeitures.** Forfeitures of non-vested employer contributions are used to first reduce employer contributions. If there are no employer contributions to apply forfeitures toward, they are then allocated to participants as if they were profit sharing contributions. As of December 31, 2022 and 2021, the balance in the forfeiture account was \$2,354 and \$2,255, respectively.
- (h) **Notes Receivable from Participants.** Participants may borrow amounts from the Plan subject to the provisions of the Plan. Notes may be made from a minimum of \$1,000 up to a maximum of \$50,000. In addition, the maximum amount that a participant may request is \$50,000 or 50% of the vested account balance, whichever is less. The \$50,000 is reduced by the highest outstanding loan balance during the past 12 months or any existing loan balance on the date a new loan is made, whichever is greater. The notes are secured by the vested balances in the participants' accounts and are repayable through payroll deductions over a period not to exceed five years (except for the purchase of a primary residence). The notes bear interest at prevailing market rates on the date the note is made (as determined by the Plan Administrator); the interest rate is fixed over the life of the note. The number of loans a participant may have outstanding at one time is two (2).

2. **Summary of Accounting Policies**

- (a) **Basis of Accounting.** The financial statements of the Plan are prepared on the accrual method of accounting, except for the cash basis recording of benefits paid.
- (b) **Use of Estimates.** The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of Plan assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.
- (c) **Investment Valuation and Income Recognition.** Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

- (d) **Notes Receivable from Participants.** Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.
- (e) **Payment of Benefits.** Benefits are recorded when paid.
- (f) **Administrative Expenses.** The Plan will pay some or all Plan related expenses except for a limited category of expenses, known as "settlor expenses," which the law requires the employer
-

STORER SERVICES, LTD CASH OR DEFERRED PROFIT-SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

to pay. Generally, settlor expenses relate to the design, establishment or termination of the Plan. The expenses charged to the Plan may be charged pro rata to each participant in relation to the size of each participant's account balance or may be charged equally to each participant. In addition, some types of expenses may be charged only to some participants based upon their use of a Plan feature or receipt of a plan distribution. Finally, the Plan may charge expenses in a different manner as to participants who have terminated employment with the employer versus those participants who remain employed with the employer.

3. Information Certified by the Custodian

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Investments held at December 31, 2022, and investment income for the year ended December 31, 2022, that is disclosed in the accompanying financial statements and supplemental schedule, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Empower Trust Company, LLC, the custodian of the plan.

4. Fair Value Measurements

FASB ASC #820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC #820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

STORER SERVICES, LTD CASH OR DEFERRED PROFIT-SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022.

Mutual Fund: Valued at the closing price reported on the active market on which the individual securities are traded.

Group Annuity Contract: The Plan has a contract with the trustee that invests contributions in the Key Guaranteed Portfolio Fund. The contract meets the fully-benefit responsive investment contract criteria and therefore is reported at contract value, which approximates fair value. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021.

Assets at Fair Value as of December 31, 2022

	Level 1	Level 2	Level 3	Investments Measured at NAV	Total

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022 and 2021.

December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Group Annuity Contract	\$ 1,004,486	N/A	Daily	N/A

December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Group Annuity Contract	\$ 950,671	N/A	Daily	N/A

5. Related Party and Parties in Interest Transactions

Certain Plan investments are interests in funds managed by Empower. Empower is the custodian of the Plan and, therefore, these transactions qualify as party-in-interest.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination, all participants are 100% vested in their accounts.

7. Fully Benefit-Responsive Investment Contract

The Plan invests in a traditional benefit responsive investment contract. The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

The investment contract held by the Plan is a guaranteed investment contract in which the issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is typically between 1-3% based on a formula established by the contract issuer and is declared in advance. The rates are periodically reviewed for resetting.

Generally, the issuer processes distributions and transfers from the investment within a reasonable period of time after a participant request is received in good order. However, under certain conditions as described in the Account Rider of the Group Annuity Contract, transfers from the contract account may be limited or deferred, and distributions may be subject to a market value adjustment.

STORER SERVICES, LTD CASH OR DEFERRED PROFIT-SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

8. Tax Status

The Company adopted a Prototype Standardized Profit-Sharing Plan with a cash or deferral arrangement which received a favorable opinion letter from the Internal Revenue Service (IRS) on November 14, 2022, which stated that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and has no income subject to unrelated business tax. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any taxing periods in progress.

9. Subsequent Events

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through February 28, 2025, which is the date the financial statements were available to be issued.
