**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of ***I.B.E.W. Local #106 Annuity Plan***, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of October 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of ***I.B.E.W. Local #106 Annuity Plan's*** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended October 31, 2024 and 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ***I.B.E.W. Local #106 Annuity Plan*** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ***I.B.E.W. Local #106 Annuity Plan's*** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of *I.B.E.W. Local #106 Annuity Plan's* internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about *I.B.E.W. Local #106 Annuity Plan's* ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### Supplemental Schedules Required by ERISA

The supplemental schedule of assets held for investment purposes as of and for the year ended October 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ANNUITY PLAN  
NOTES TO FINANCIAL STATEMENTS  
FOR THE YEARS ENDED OCTOBER 31, 2024 AND 2023**

**Page 6**

**NOTE 1 - DESCRIPTION OF PLAN**

The following brief description of the I.B.E.W. Local #106 Annuity Plan (Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

*General.* The Plan is a trustee defined contribution plan that covers all members of the collective bargaining unit represented by Local Union #106 International Brotherhood of Electrical Workers and provides for annuity benefits. The employers have agreed to make contributions to the Plan in accordance with the collective bargaining agreement between the companies and the bargaining unit. The Plan trustees have the right under the Plan to modify, suspend, and under certain conditions, discontinue the Plan. In the event of discontinuance, the available assets shall be allocated and distributed in accordance with the applicable provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan provides for: (a) participation based upon those persons whom contributions are required to be made pursuant to terms of a collectively bargained agreement; (b) a life annuity option; and (c) a vested interest of 100% for each participant which may be received in full upon termination of participation.

*Contributions.* Contributions by employers are determined by the collective bargaining agreements and, after deducting administrative expenses, are held for the participants in accordance with the terms of the Plan.

*Participant Accounts.* Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers approximately twenty five mutual funds as investment options for participants. Plan earnings are allocated based upon participant account balances. Each participant is charged \$55 per month for Plan administrative expenses.

*Participant Loans.* Participants may borrow from their fund accounts a minimum of \$2,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear an interest rate equal to prime plus 1%. In no instance may the term of the loan be greater than five years.

**NOTE 2 - SUMMARY OF ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

**Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**NOTE 2 - SUMMARY OF ACCOUNTING POLICIES  
(CONTINUED)**

**Notes Receivable from Participants**

Loans to participants are reported at their unpaid principal balances.

**Valuation of Investments**

Investments are valued at quoted market prices. Purchases and sales of securities are recorded on a trade-date basis. Dividends and capital gains are recorded on the trade date. Net (depreciation) appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Payment of Benefits**

Benefits are recorded when paid.

**Cash**

The Plan maintains cash accounts that periodically exceed federally insured amounts.

**NOTE 3 - RELATED PARTY AND PARTY IN INTEREST  
TRANSACTIONS**

In addition to the Annuity Plan, I.B.E.W. Local Union #106 maintains a general fund and separate funds including Pension, Health and Welfare, and Joint Apprenticeship and Training funds.

Administrative services are paid through an administrative account and each fund is billed monthly for expenses specifically applicable to it. Subsequently, within each fund, expenses get allocated to the appropriate expense classification. The Plan's reimbursements to this account for expenses amounted to \$72,961 and \$63,985 for the years ended October 31, 2024 and 2023, respectively.

The Plan leased space from the Local Union #106 Building Corporation for a one year term ending December 31, 2022 at \$1,032 per month. The Plan renewed the lease for two twelve month terms ending December 31, 2024 and 2023. Rent expense was \$12,384 and \$12,384 for the years ended October 31, 2024 and 2023, respectively.

Also, the Plan paid certain expenses related to plan operations and investment activity to various service providers including investment expenses to John Hancock Trust Company totaling \$31,173 and \$31,594 during the years ended October 31, 2024 and 2023, respectively.

These party in interest transactions are exempt from the prohibited transaction rules of ERISA.

**NOTE 5 - TAX STATUS**

The Internal Revenue Service has ruled that the Plan qualifies under Section 401 of the Internal Revenue Code and is, therefore, not subject to income tax. The Plan obtained its latest favorable determination letter dated December 15, 2003. The Plan has been amended since receiving the determination letter. The Plan Administrator and the Plan's tax counsel believe that the plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. The Plan's Form 5500 is subject to examination by the Internal Revenue Service. The last three Plan years remain open for examination.

**I.B.E.W. LOCAL #106  
 ANNUITY PLAN  
 NOTES TO FINANCIAL STATEMENTS  
 YEARS ENDED OCTOBER 31, 2024 AND 2023**

**NOTE 6 - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**NOTE 7 - FAIR VALUE MEASUREMENTS**

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurement at the reporting date. FASB ASC 820-10-50, Fair Value Measurements, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels. Level 1 inputs on the hierarchy consist of unadjusted quoted prices in active markets and have the highest priority. Level 2 inputs consist of quoted prices in active markets for similar assets or liabilities or quoted prices in inactive markets for identical or similar assets or liabilities. Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement, and have the lowest priority. The Plan uses appropriate valuation techniques based on available inputs to measure the fair value of net assets available for benefits. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 and Level 3 inputs are only used when Level 1 inputs are not available. As of October 31, 2024 and 2023 the Plan's investments measured at fair value consisted of the following instruments which were all Level 1.

	Quotes Prices in Active Markets for Identical Assets (Level 1) 10/31/24	Quoted Prices in Active Markets for Identical Assets (Level 1) 10/31/23
Mutual Funds:		
Target date fund	\$ 18,142,776	\$ 13,909,774
Index fund	3,102,545	2,258,031
Growth fund	2,771,367	1,904,950
Value fund	4,095,921	3,734,913
Fixed income fund	431,639	414,352
Total	<u>\$ 28,544,248</u>	<u>\$ 22,222,020</u>

**NOTE 8 – PLAN TERMINATION**

Although it has not expressed any intent to do so, the Plan has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their account balances.

**NOTE 9 – SUBSEQUENT EVENTS**

Subsequent events were evaluated by management through March 14, 2025, which is the date that the financial statements were available to be issued.
