INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Vesta, Inc. 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Vesta, Inc. 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of June 30, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended June 30, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Vesta, Inc. 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2024 and 2023, and for the year ended June 30, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Plan Administrator of
Vesta, Inc. 403(b) Plan

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Vesta, Inc. 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Vesta, Inc. 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

To the Plan Administrator of
Vesta, Inc. 403(b) Plan

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Vesta, Inc. 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Vesta, Inc. 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

To the Plan Administrator of
Vesta, Inc. 403(b) Plan

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Plan Administrator of
Vesta, Inc. 403(b) Plan

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

VESTA, INC. 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024 AND 2023

NOTE 1: DESCRIPTION OF PLAN

The following description of Vesta, Inc. 403(b) Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, established September 25, 1995, covering all employees of Vesta, Inc. (the Employer) over 18 years of age. The Plan was amended and restated effective July 1, 2023. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Eligible employees may participate in the Plan on the first day of employment and may elect to defer up to 100% of their eligible compensation as defined by the Plan, up to the maximum allowed by the Internal Revenue Code (IRC). Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit plans or defined contribution plans. The Plan contains an automatic deferral provision which states that all employees hired on or after October 1, 2015 will be automatically enrolled in the Plan with a deferral of 6% of participant compensation unless the participant makes a contrary election. Employees who have completed 1,000 hours of service during the Plan year and are employed on the last day of the Plan year are eligible to receive Employer matching contributions. The Employer's matching contribution is 70% of deferrals up to 10% of annual compensation. The Plan also allows discretionary nonelective contributions. The Employer made \$297,375 in contributions for the year ended June 30, 2024.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of the Employer's contribution, Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Employer's matching and discretionary nonelective contribution accounts are based on years of service, as defined by the Plan. A participant is 100% vested in the Employer contributions after six years of credited service.

**VESTA, INC. 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024 AND 2023**

NOTE 1: DESCRIPTION OF PLAN (Continued)

Investment Options

The Plan invests participant directed contributions in a number of mutual funds. Each participant's elective contribution will be invested into those funds selected by the participant. The Employer's contribution will also be invested into funds selected by the participant.

Forfeitures

Non-vested amounts will be forfeited by participants upon termination, and may be used to reduce the Employer contributions. At June 30, 2024 and 2023, forfeited nonvested accounts totaled \$125,459 and \$39,003, respectively. During the year ended June 30, 2024, the Employer used \$37,864 in forfeitures to reduce the Employer contributions.

Payment of Benefits

Upon termination of employment or termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount. In-service distributions are also permitted upon meeting certain requirements as defined by the Plan.

Expenses

Certain Plan expenses are assumed by the Employer and are not reflected in the accompanying financial statements. Investment-related expenses are included in net appreciation in fair value of investments. Fees related to third-party administrative services, investment advisory services, recordkeeping services, and specific participant transactions are charged directly to the participant's account and are included in administrative expenses.

Tax Status

The Plan is intended to comply with the applicable requirements of Section 403(b) of the Internal Revenue Code of 1986, as amended. A tax determination letter program through the Internal Revenue Service is only available for IRC Section 403(b) plans on a limited basis, and no determination letter has been obtained. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and as such is exempt from federal income taxes.

NOTE 2: SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

**VESTA, INC. 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024 AND 2023**

NOTE 2: SUMMARY OF ACCOUNTING POLICIES (Continued)

Subsequent events

The Plan has evaluated subsequent events through March 13, 2025, which is the date the financial statements were available to be issued.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Contributions

Contributions from Plan participants and the Employer are recorded in the year in which the employee contributions are withheld from compensation or in which participant compensation is earned.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3: INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the custodian, Fidelity Management Trust Company, has certified that the following data included in the accompanying financial statements and supplemental schedules is complete and accurate.

	<u>2024</u>	<u>2023</u>
Mutual funds	\$ <u>16,098,685</u>	\$ <u>13,246,570</u>

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024 AND 2023

NOTE 3: INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN (Continued)

	<u>2024</u>
Income:	
Interest	\$ 23,190
Dividends	398,165
Net appreciation in fair value of investments (including gains and losses on investments bought and sold, as well as held during the year)	<u>2,061,296</u>
Total	<u>\$ 2,482,651</u>

The Plan's independent auditors did not perform procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

NOTE 4: FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits.

The fair value measurement accounting literature provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. The three levels of the fair value hierarchy are described as follows:

- Level 1 Fair value is based on observable inputs such as quoted prices for identical assets or liabilities in active markets.
- Level 2 Fair value is based on quoted prices in markets that are not active, quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the asset or liability.
- Level 3 Fair value is based on unobservable inputs that reflect management's own assumptions.

At June 30, 2024 and 2023, all of the Plan's assets presented at fair value were level 1 (mutual funds).

Following is a description of the valuation methodologies that are used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2024 and 2023.

NOTE 4: FAIR VALUE MEASUREMENTS (Continued)

Mutual Funds

The fair value of mutual funds is based on quoted net asset values of shares held by the Plan at year-end. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended June 30, 2024 are reported in net appreciation in fair value of investments.

NOTE 5: PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

NOTE 6: RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments are managed by the custodian. Fees incurred by the Plan for investment management services are included in net appreciation in fair value of investments. The Plan made direct payments of \$5,155 to Fidelity Investments, a Fidelity Management Trust Company affiliate, for recordkeeping services. This party-in-interest transaction is exempt from the prohibited transaction rules of ERISA.

NOTE 7: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
