Description of Weighted Average Retirement Age**

Stein & Associates, LLC Cash Balance Plan

23-2978446 / 001

For the plan year 01/01/2024 through 12/31/2024

The age reported is the weighted average of the assumed retirement ages for all active participants as of the valuation date based on their funding target or target normal cost should the funding target of the plan be zero rounded to the nearest whole age. For an active late retiree, the assumed retirement age may be later than the Plan's normal retirement age. Each participant's rate of retirement is assumed to be 100% of his/her assumed retirement age.

Schedule SB, Line 11
Explanation of Line 11 Discrepancy
Stein & Associates, LLC Cash Balance Plan
23-2978446/001
For the Plan Year January 1, 2024 through December 31, 2024

The prior valuation understated the trust asset values, which lowered the required minimum required contribution and increased the contribution in excess of the minimum funding disclosed on Line 38 of the 2023 Schedule SB. Because there was no impact on the satisfaction of the prior year minimum funding, an amended 2023 valuation and Schedule SB was not done. Instead, the actuary has adjusted Line 11 of the 2024 Schedule SB to reflect the correct value of the amount in excess of the prior year's funding requirement.
