INDEPENDENT AUDITORS' REPORT

The Plan Administrator
CIMCO Refrigeration, Inc. 401(k) Plan
Mobile, Alabama

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of CIMCO Refrigeration, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance, and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CIMCO REFRIGERATION, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

NOTE 1 - PLAN DESCRIPTION

The following description of the CIMCO Refrigeration, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan established on June 1, 2011 for the purpose of providing benefits upon retirement to participating employees of CIMCO Refrigeration, Inc. (Plan Sponsor). The Plan is available to substantially all employees of the Plan Sponsor on the first day of the following month immediately upon employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions. Each year, participants may contribute up to 60% of annual compensation, as defined in the Plan, subject to maximum dollar limitations established by the Internal Revenue Service. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Plan Sponsor makes non-discretionary matching contributions in an amount equal to 50% of participant contributions subject to a maximum of 6% of eligible compensation contributed to the Plan.

Participant Accounts. Each participant's account is credited with the participant's contribution, allocations of the Plan Sponsor's contribution, investment income and gains related to the investments. Each account is charged for any losses related to the investments, benefit withdrawals, and applicable fees. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits. On termination of service due to death, disability, or retirement, a participant or designated beneficiary may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump sum amount or equal periodic payments according to the provisions of the Plan. In-service withdrawals are allowed for participants over age 59 ½ from their deferral contributions account only. Non-terminated employees may obtain hardship distributions of their deferral contributions account only subject to certain limits.

Forfeited Accounts. Forfeited accounts are first used to pay for Plan expenses with any remaining balance available to reduce Plan Sponsor contributions. Employer matching contributions were reduced by \$11,134 using amounts from forfeited non-vested accounts during the year ended December 31, 2022. The amount forfeited during the year ended December 31, 2022 was \$23,625. At December 31, 2022 and 2021, forfeited non-vested account balances were \$23,726 and \$11,153 respectively.

CIMCO REFRIGERATION, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) DECEMBER 31, 2022 AND 2021

NOTE 1 - PLAN DESCRIPTION (CONTINUED)

Vesting. Participants are immediately vested in their rollover contributions, qualified nonelective contributions, deferral contributions and any earnings thereon. Vesting of the matching employer contribution portion of their account is based on the following schedule.

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 3	0%
3	100%

Trustee and Advisor. The Plan uses Fidelity Management Trust Company as Trustee and record-keeper (the Trustee). Cardwell Consulting, Inc. serves as Investment Advisor (the Advisor) to the Plan. The Advisor is authorized to supervise and manage the Plan in accordance with the investment objectives of the Plan Sponsor. The Advisor's responsibilities also include advising individual participants regarding investment choices and objectives for their individual accounts.

Notes Receivable from Participants. Participants may borrow (\$1,000 minimum) from their vested accounts the lesser of 50% of their vested account balances or \$50,000 reduced by the excess, if any, of the participant's highest outstanding balance of loans from the Plan during the immediately preceding one year period over the participant's loan balance on the date of the new loan. Loan terms shall not exceed five years unless it is for the purchase of a principal residence which the Plan Administrator may permit a longer repayment period. Loans are collateralized by the participant's account balance. A participant may have only one loan outstanding at any time. Loans are charged interest at a rate determined by the Plan Administrator based on the prevailing interest rates charged by persons in the business of lending money. The interest rate is fixed for the duration of the loan. Principal and interest are paid ratably through bi-weekly or monthly payroll deductions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in accordance with U.S. generally accepted accounting principles (U.S. GAAP) requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and those differences could be material.

CIMCO REFRIGERATION, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) DECEMBER 31, 2022 AND 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment valuation and income recognition

The Plan's investments are reported at fair value as provided by the Trustee. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) of investments is reported in the statement of changes in net assets available for benefits and consists of the realized gains or losses and the unrealized appreciation (depreciation) of investments.

Notes receivable from participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and included in administrative expenses when incurred. Notes receivable from participants are fully secured by vested participant account balances, therefore, no allowance for doubtful participant loans has been provided. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

Administrative expenses of the Plan are absorbed by the Plan and Plan Sponsor. Only the expenses absorbed by the Plan are reflected in the accompanying financial statements.

Subsequent events

Subsequent events have been evaluated through June 25, 2024, which is the date the financial statements were available to be issued.

CIMCO REFRIGERATION, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) DECEMBER 31, 2022 AND 2021

NOTE 3 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurements accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs were not available.

Investments held by the Plan are valued as follows:

Money market fund. Valued at cost, which approximates fair value.

Mutual funds. Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021.

NOTES TO FINANCIAL STATEMENTS (CONTINUED) DECEMBER 31, 2022 AND 2021

NOTE 4 - INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The investments information included in the accompanying financial statements and supplemental schedule, in total, including investments held and notes receivable from participants at December 31, 2022 and 2021, and net appreciation (depreciation) in fair value, interest and dividends for the year ended December 31, 2022 was obtained from data prepared by the Trustee of the Plan and provided to the Plan Administrator. The Plan Administrator has obtained certification from the Trustee that such information is complete and accurate.

NOTE 5 - EXCESS CONTRIBUTIONS PAYABLE

The Plan is subject to certain compliance requirements of non-discrimination rules under ERISA and IRS guidelines. For the Plan years ended December 31, 2022 and 2021, the Plan failed certain of these non-discrimination tests. The Plan has recorded an excess contributions payable of \$40,221 and \$18,672 as of December 31, 2022 and 2021, respectively, in the statements of net assets available for benefits to reflect the appropriate refund of a portion of the contributions made by highly compensated participants in order to comply with the non-discrimination requirements. The Plan Administrator believes that these corrective measures will satisfy the non-discrimination requirements of the IRS.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE 7 - TAX STATUS

The Plan is a Non-Standardized Pre-Approved Profit Sharing Plan with CODA with an opinion letter dated June 30, 2020. The Plan has not requested its own determination letter from the Internal Revenue Service. The Plan Administrator believes the Plan is currently being operated in compliance with applicable requirements of the Internal Revenue Code. The Plan Administrator believes the Plan is qualified and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 - PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of mutual funds managed by the Trustee and, therefore, these transactions qualify as party-in-interest transactions. The Advisor is a fiduciary because they give investment advice and, therefore, these transactions qualify as party-in-interest transactions.

NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022 to the Form 5500:

Net assets available for benefits per the financial statements	\$ 10,485,465
Employer's contributions receivable	(5,879)
Participants' contributions receivable	(12,873)
Excess contributions payable - 2022	<u>40,221</u>
Net assets available for benefits per the Form 5500	<u>\$ 10,506,934</u>

The following is a reconciliation of the net decrease in net assets available for benefits per the financial statements for the year ended December 31, 2022 to the net loss per the Form 5500:

Net decrease in net assets available for benefits on the financial statements	\$ (2,542,316)
Participants' contributions receivable	(12,873)
Employer's contributions receivable	(5,879)
Excess contributions payable - 2022	40,221
Excess contributions payable - 2021	<u>(18,672)</u>
Net loss per the Form 5500	<u>\$ (2,539,519)</u>

NOTE 10 - RISKS AND UNCERTAINTIES

The Plan provides for investments that are exposed to various risks, such as interest rate, credit, and market volatility risks. Due to the level of risk associated with certain investment securities, it is possible that changes in the value of investment securities may occur in the near future and that changes could materially affect the amounts reported in the statements of net assets available for benefits.

INDEPENDENT AUDITORS' REPORT

The Plan Administrator
CIMCO Refrigeration, Inc. 401(k) Plan
Mobile, Alabama

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of CIMCO Refrigeration, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance, and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CIMCO REFRIGERATION, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

NOTE 1 - PLAN DESCRIPTION

The following description of the CIMCO Refrigeration, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan established on June 1, 2011 for the purpose of providing benefits upon retirement to participating employees of CIMCO Refrigeration, Inc. (Plan Sponsor). The Plan is available to substantially all employees of the Plan Sponsor on the first day of the following month immediately upon employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions. Each year, participants may contribute up to 60% of annual compensation, as defined in the Plan, subject to maximum dollar limitations established by the Internal Revenue Service. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Plan Sponsor makes non-discretionary matching contributions in an amount equal to 50% of participant contributions subject to a maximum of 6% of eligible compensation contributed to the Plan.

Participant Accounts. Each participant's account is credited with the participant's contribution, allocations of the Plan Sponsor's contribution, investment income and gains related to the investments. Each account is charged for any losses related to the investments, benefit withdrawals, and applicable fees. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits. On termination of service due to death, disability, or retirement, a participant or designated beneficiary may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump sum amount or equal periodic payments according to the provisions of the Plan. In-service withdrawals are allowed for participants over age 59 ½ from their deferral contributions account only. Non-terminated employees may obtain hardship distributions of their deferral contributions account only subject to certain limits.

Forfeited Accounts. Forfeited accounts are first used to pay for Plan expenses with any remaining balance available to reduce Plan Sponsor contributions. Employer matching contributions were reduced by \$11,134 using amounts from forfeited non-vested accounts during the year ended December 31, 2022. The amount forfeited during the year ended December 31, 2022 was \$23,625. At December 31, 2022 and 2021, forfeited non-vested account balances were \$23,726 and \$11,153 respectively.

CIMCO REFRIGERATION, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) DECEMBER 31, 2022 AND 2021

NOTE 1 - PLAN DESCRIPTION (CONTINUED)

Vesting. Participants are immediately vested in their rollover contributions, qualified nonelective contributions, deferral contributions and any earnings thereon. Vesting of the matching employer contribution portion of their account is based on the following schedule.

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 3	0%
3	100%

Trustee and Advisor. The Plan uses Fidelity Management Trust Company as Trustee and record-keeper (the Trustee). Cardwell Consulting, Inc. serves as Investment Advisor (the Advisor) to the Plan. The Advisor is authorized to supervise and manage the Plan in accordance with the investment objectives of the Plan Sponsor. The Advisor's responsibilities also include advising individual participants regarding investment choices and objectives for their individual accounts.

Notes Receivable from Participants. Participants may borrow (\$1,000 minimum) from their vested accounts the lesser of 50% of their vested account balances or \$50,000 reduced by the excess, if any, of the participant's highest outstanding balance of loans from the Plan during the immediately preceding one year period over the participant's loan balance on the date of the new loan. Loan terms shall not exceed five years unless it is for the purchase of a principal residence which the Plan Administrator may permit a longer repayment period. Loans are collateralized by the participant's account balance. A participant may have only one loan outstanding at any time. Loans are charged interest at a rate determined by the Plan Administrator based on the prevailing interest rates charged by persons in the business of lending money. The interest rate is fixed for the duration of the loan. Principal and interest are paid ratably through bi-weekly or monthly payroll deductions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in accordance with U.S. generally accepted accounting principles (U.S. GAAP) requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and those differences could be material.

CIMCO REFRIGERATION, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) DECEMBER 31, 2022 AND 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment valuation and income recognition

The Plan's investments are reported at fair value as provided by the Trustee. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) of investments is reported in the statement of changes in net assets available for benefits and consists of the realized gains or losses and the unrealized appreciation (depreciation) of investments.

Notes receivable from participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and included in administrative expenses when incurred. Notes receivable from participants are fully secured by vested participant account balances, therefore, no allowance for doubtful participant loans has been provided. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

Administrative expenses of the Plan are absorbed by the Plan and Plan Sponsor. Only the expenses absorbed by the Plan are reflected in the accompanying financial statements.

Subsequent events

Subsequent events have been evaluated through June 25, 2024, which is the date the financial statements were available to be issued.

CIMCO REFRIGERATION, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) DECEMBER 31, 2022 AND 2021

NOTE 3 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurements accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs were not available.

Investments held by the Plan are valued as follows:

Money market fund. Valued at cost, which approximates fair value.

Mutual funds. Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021.

	<u>Total</u>	<u>Level 1</u>
<u>December 31, 2022</u>

CIMCO REFRIGERATION, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) DECEMBER 31, 2022 AND 2021

NOTE 4 - INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The investments information included in the accompanying financial statements and supplemental schedule, in total, including investments held and notes receivable from participants at December 31, 2022 and 2021, and net appreciation (depreciation) in fair value, interest and dividends for the year ended December 31, 2022 was obtained from data prepared by the Trustee of the Plan and provided to the Plan Administrator. The Plan Administrator has obtained certification from the Trustee that such information is complete and accurate.

NOTE 5 - EXCESS CONTRIBUTIONS PAYABLE

The Plan is subject to certain compliance requirements of non-discrimination rules under ERISA and IRS guidelines. For the Plan years ended December 31, 2022 and 2021, the Plan failed certain of these non-discrimination tests. The Plan has recorded an excess contributions payable of \$40,221 and \$18,672 as of December 31, 2022 and 2021, respectively, in the statements of net assets available for benefits to reflect the appropriate refund of a portion of the contributions made by highly compensated participants in order to comply with the non-discrimination requirements. The Plan Administrator believes that these corrective measures will satisfy the non-discrimination requirements of the IRS.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE 7 - TAX STATUS

The Plan is a Non-Standardized Pre-Approved Profit Sharing Plan with CODA with an opinion letter dated June 30, 2020. The Plan has not requested its own determination letter from the Internal Revenue Service. The Plan Administrator believes the Plan is currently being operated in compliance with applicable requirements of the Internal Revenue Code. The Plan Administrator believes the Plan is qualified and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTES TO FINANCIAL STATEMENTS (CONTINUED) DECEMBER 31, 2022 AND 2021

NOTE 8 - PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of mutual funds managed by the Trustee and, therefore, these transactions qualify as party-in-interest transactions. The Advisor is a fiduciary because they give investment advice and, therefore, these transactions qualify as party-in-interest transactions.

NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022 to the Form 5500:

Net assets available for benefits per the financial statements	\$ 10,485,465
Employer's contributions receivable	(5,879)
Participants' contributions receivable	(12,873)
Excess contributions payable - 2022	<u>40,221</u>
Net assets available for benefits per the Form 5500	<u>\$ 10,506,934</u>

The following is a reconciliation of the net decrease in net assets available for benefits per the financial statements for the year ended December 31, 2022 to the net loss per the Form 5500:

Net decrease in net assets available for benefits on the financial statements	\$ (2,542,316)
Participants' contributions receivable	(12,873)
Employer's contributions receivable	(5,879)
Excess contributions payable - 2022	40,221
Excess contributions payable - 2021	<u>(18,672)</u>
Net loss per the Form 5500	<u>\$ (2,539,519)</u>

NOTE 10 - RISKS AND UNCERTAINTIES

The Plan provides for investments that are exposed to various risks, such as interest rate, credit, and market volatility risks. Due to the level of risk associated with certain investment securities, it is possible that changes in the value of investment securities may occur in the near future and that changes could materially affect the amounts reported in the statements of net assets available for benefits.
