## Independent Auditor's Report

To the Plan Administrator  
CDC Small Business Finance Corp. 401(k) Plan and Trust  
Arlington, Virginia

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements

We have performed an audit of the accompanying financial statements of CDC Small Business Finance Corp. 401(k) Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the Statement of Net Assets Available for Benefits as of January 1, 2023, and the related Statement of Changes in Net Assets Available for Benefits for the one day period of January 1, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of CDC Small Business Finance Corp. 401(k) Plan and Trust's 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of January 1, 2023 and for the one day period of January 1, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section:

- the amounts and disclosures in the 2023 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2023 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Independent Auditor's Report (continued)**

### **Basis for Opinion on the 2023 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of CDC Small Business Finance Corp. 401(k) Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the 2023 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CDC Small Business Finance Corp. 401(k) Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the 2023 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

## Independent Auditor's Report (continued)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CDC Small Business Finance Corp. 401(k) Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CDC Small Business Finance Corp. 401(k) Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## Notes to Financial Statements

- 
1. **Description of the Plan** The following description of the CDC Small Business Finance Corp. 401(k) Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General:** The Plan was a defined contribution plan covering substantially all employees of CDC Small Business Finance Corp. (the "Company"), except for nonresident aliens, employees covered by a collective bargaining agreement, and part time, temporary, or seasonal employees whose regularly scheduled service was less than 1,000 hours. Eligible employees could participate in the Plan after completing six months of service for employee and discretionary employer matching contributions and after one year of service and the completion of 1,000 hours of service for the discretionary profit sharing. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective January 1, 2023, the Plan merged into the Momentum Capital Retirement Plan ("Momentum Plan"). All assets of the Plan became assets of the Momentum Plan on that date and are reflected as a transfer out in the accompanying Statement of Changes in Net Assets Available for Benefits.

**Contributions:** Each year, participants could contribute up to 100 percent of pretax annual compensation, as defined in the Plan. Roth contributions were also permitted. Participants who attained age 50 before the end of the Plan year were eligible to make catch-up contributions. Participants could also contribute amounts representing distributions from other qualified plans (rollovers). The Plan provided for automatic enrollment. Any newly eligible employee who had not affirmatively elected to contribute to the Plan or had not affirmatively declined to participate in the Plan was automatically enrolled in the Plan with a three percent withholding of pretax annual compensation. This withholding increased by one percent each subsequent year until the automatic election reached a maximum withholding contribution of ten percent of compensation. The Plan allowed for discretionary matching contributions. Profit sharing amounts could be contributed at the discretion of the Company. Participants had to be employed on the last day of the Company's taxable year and complete 1,000 hours of service to receive an allocation of any discretionary profit sharing contribution. During 2023, there were no discretionary matching or profit sharing contributions. Participants directed the investment of their contributions and Company contributions into various investment options offered by the Plan. Contributions were subject to certain limitations.

**Participant accounts:** Each participant's account was credited with the participant's contributions, the Company's discretionary matching contributions, if any, as well as allocations of the Company's discretionary profit sharing contribution, if any and Plan earnings. Participant accounts could also be charged with an allocation of certain administrative expenses. Investment earnings and losses were allocated based upon the investment performance of each investment in the participant's account. Allocations of the Company's discretionary profit sharing contributions, if any, were based on the ratio of the participant's compensation to total compensation for the Plan year. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account.

**Notes receivable from participants:** Participants could borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. Loan terms ranged from one to five years or up to fifteen years for the purchase of a primary residence. The loans were secured by the balance in the participant's account and bore interest at the Wall Street Journal Prime Rate plus one percent. Principal and interest were paid through payroll deductions.

**Vesting:** Participants were vested immediately in their contributions and any Company discretionary matching contributions deemed to be supplemental matching contributions, plus actual earnings thereon. Vesting in other Company discretionary matching and non-elective contributions was based on years of continuous service of at least 1,000 hours per year. A participant was 25 percent vested after two years of service was completed, and vested an additional 25 percent per year until full vesting after five years.

**Payment of benefits:** Benefits were payable upon retirement at age 65 with five years of service, early retirement at age 55 with five years of service, disability, death, or termination of employment. Hardship withdrawals and in-service withdrawals at age 59 1/2 were also permitted, subject to provisions described in the Plan document. Withdrawals from rollover contributions were permitted at any time. Benefits were payable in lump sum or installment payments.

**Forfeited accounts:** At January 1, 2023 there were no forfeited nonvested accounts. At December 31, 2022, forfeited nonvested accounts totaled \$20,621. These accounts were historically used to reduce future Company contributions or to pay Plan expenses. During 2023, \$20,621 of forfeited nonvested accounts were transferred to the Momentus Plan.

### 2. Significant accounting policies

**Administrative expenses:** Certain expenses of maintaining the Plan were paid by the Company. Transaction expenses, such as loan and distribution administration fees, were charged directly to the participant's account and were included in administrative expenses. Investment consulting fees were also charged to participants based on account balances.

**Basis of accounting:** The financial statements of the Plan are prepared under the accrual method of accounting.

**Investment valuation:** Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

**Notes receivable from participants:** Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans were reclassified as distributions based upon the terms of the Plan document.

**Contributions:** Participant contributions and the related Company discretionary matching contributions were recognized in the period the participant contribution was withheld from compensation. Discretionary nonelective employer contributions were recognized in the period the eligible compensation was paid to the participant.

**Reclassifications:** Certain 2022 balances have been reclassified to conform with the 2023 presentation.

**Use of estimates:** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Subsequent events:** The Plan has evaluated subsequent events for disclosure in these financial statements through March 13, 2025, which is the date the financial statements were available to be issued.

## Notes to Financial Statements

- 
- 3. Certified information** Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements, including investments and notes receivable from participants held at December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Annuity Insurance Company of America and Empower Trust Company, LLC, the insurance company and custodian of the Plan.
- 4. Fair value measurements** The Plan reports its assets at fair value based on a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1. Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2. Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3. Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

The fair value of the shares of mutual funds owned by the Plan is based on quoted net asset values on the last business day of the Plan year.

## CDC Small Business Finance Corp. 401(k) Plan and Trust

### Notes to Financial Statements

The fair value of the collective trust funds is based on the net asset value ("NAV") on the last business day of the Plan year provided by the entity holding the trust funds. The NAV of the collective trust is used as a practical expedient to estimate fair value and is determined by the fund trustee based on the fair value of underlying assets in the trust, less its liabilities.

As a result of the Plan merger, the guaranteed investment contract was no longer considered to be fully benefit responsive (see Note 5) and therefore is reported at fair value. Fair value of the guaranteed investment contract as determined by the insurance company approximates contract value, which represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

The fair value of assets is as follows:

|   | <b>Assets at Fair Value<br/>as of December 31, 2022</b> |              |         |                      |

# CDC Small Business Finance Corp. 401(k) Plan and Trust

## Notes to Financial Statements

(a) In accordance with ASC 820, certain investments that were measured at net asset value per share (or its equivalent) as of December 31, 2022 have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

Investments in all collective trust funds could be redeemed immediately at the current net asset value for participant directed withdrawals. The Flexpath, Mid Cap Growth, Large Cap Value, and International Growth collective trust funds required a five day written notice for withdrawals that exceeded \$1 million of the assets invested in each fund. The Small Cap Growth and Core Bond collective trust funds required a five day written notice for withdrawals that exceeded \$1 million or 10% of the assets invested in each fund. There were no other withdrawal limits, redemption frequency limits or redemption notice periods. There were no unfunded commitments for these investments as of December 31, 2022.

### 5. **Guaranteed investment contract**

The Plan participated in a benefit responsive investment contract with Empower Annuity Insurance Company of America ("Empower") via an investment in a Guaranteed Investment Contract ("GIC"). Empower commingled the assets of the GIC with other assets in a general account. The account was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Empower was contractually obligated to repay the principal and a specified interest rate that was guaranteed to the Plan. Contract value, as reported to the Plan by Empower, represented contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants could ordinarily direct withdrawals or transfer all or a portion of their investment at contract value.

The terms of the contract provided that upon termination of the contract the Company could transfer the balance less a surrender charge or could delay payment for the twelve months. During the twelve months participants are eligible to receive their balance for normal benefit distributions, but otherwise cannot transfer the balances. The Company elected to delay payment for twelve months, therefore the contract is no longer considered fully benefit responsive at December 31, 2022 and is reported at fair value.

### 6. **Tax status**

The Plan is a pre-approved plan of Empower Retirement, LLC which received an opinion letter on November 14, 2022, in which the Internal Revenue Service ("IRS") stated that the form of the plan document was acceptable under the applicable requirements of the Internal Revenue Code ("IRC"). The Plan administrator believes that the Plan was designed, and was operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan was qualified, and the related trust was tax-exempt.

## Notes to Financial Statements

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. **Party-in-interest transactions** Certain Plan investments were managed by affiliates of Empower Retirement, LLC. Empower Retirement, LLC is the recordkeeper as defined by the Plan. These transactions qualify as exempt party-in-interest transactions.

During prior years, the Company failed to remit to the insurance company and custodian certain employee contributions and loan repayments totaling \$47,871 within the period prescribed by Department of Labor regulations. These delinquent remittances are considered nonexempt party-in-interest transactions.

8. **Reconciliation to Form 5500** The following is a reconciliation of amounts in the financial statements to Form 5500 as of January 1, 2023 and for the one day period of January 1, 2023:

|  |           |                |
