INDEPENDENT AUDITOR'S REPORT

To the Administration Committee of
WeCare TLC 401(k) Profit Sharing Plan
Altamonte Springs, FL

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of WeCare TLC 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter

As discussed in Note 3 to the financial statements, the 2021 financial statements have been restated to correct a misstatement involving other contributions. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participant.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4 (i) – Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Responsibility

Our responsibility is to express an opinion on this 2020 financial statements based on conducting our audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Principal Life Insurance Company and Principal Trust Company (together referred to as "Principal"), the custodian of the Plan, except for comparing the information with the related information included in the financial statement. The Plan Administrator has obtained a certification from the custodian as of December 31, 2020, that the information provided to the Plan Administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on this 2020 financial statement.

Emphasis of Matter

As discussed in Note 3 to the financial statements, the 2020 financial statements have been restated to correct a misstatement involving other contributions. Our opinion is not modified with respect to this matter.

WeCare TLC 401(k) Profit Sharing Plan Notes to Financial Statements

Note 1: DESCRIPTION OF THE PLAN

The following description of the WeCare TLC 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan documents for a more complete description of the Plan provisions.

General

The Plan is organized as a profit sharing and safe harbor 401(k) plan under Section 401(k) of the Internal Revenue Code and covers all eligible employees of WeCare TLC, L.L.C. and WeCare TLC Corrections, L.L.C. (the “Company” or the “Employer”). The Plan is subject to the provisions of the Department of Labor’s (DOL’s) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees is responsible for oversight of the Plan. The Plan was adopted September 16, 2014, and last amended January 1, 2018.

The Plan is administered by the Plan Administrator. The custodian is appointed by the Plan Administrator. Authority for control, management and administration of the Plan is vested in the Plan Administrator. As the Plan’s fiduciary, the custodian’s responsibility is to maintain the Plan’s assets. Some administrative functions are performed by employees of the Plan Sponsor. No compensation is remitted to the Plan Sponsor for these services

Delaware Charter Guarantee & Trust Company, doing business as Principal Trust Company, Principal Life Insurance Company and Principal Global Investors Trust Company (together referred to as Principal or Custodian) (also referred to as Automatic Data Processing, Inc.) maintained all records of investment transactions and determined the valuation of the investment portfolio for the year ended December 31, 2021. Principal maintained all records of investment transactions and determined the valuation of the investment portfolio for the year ended December, 31 2020.

Eligibility

The Plan is a defined contribution plan covering all full-time and part-time employees of the Company who have been employed for 3 months and are at least 18 years of age.

WeCare TLC 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 1: DESCRIPTION OF THE PLAN (Continued)

Contributions

Employee Elective Contributions – Each participant may elect to defer up to 100 percent of pretax annual compensation provided the total elective contributions do not exceed \$19,500 in 2021, and \$19,000 in 2020, and non-discrimination tests are met in accordance with the Internal Revenue Code §401(k). Employees over age 50 may make additional catch-up contributions annually provided the total catch-up contributions do not exceed \$6,500 in 2021 and \$6,000 in 2020. Roth deferrals are permitted. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan provides for Qualified Automatic Contribution Arrangement (QACA) elections unless the election is declined. These provide for a deferral of 3% in the first year, with a 1% automatic annual increase, up to 6%, unless declined. Rollover contributions are permitted.

Employer Safe Harbor Matched Contributions – Matched contributions are the amounts contributed by the Employer to active participants who have made elective contributions during the Plan year. The Plan provides for safe harbor matching contributions of 100% of salary deferrals up to 1% of compensation, plus 50% of salary deferrals of up to the next 5% of compensation.

Employer Discretionary Matching Contributions – The Employer, at its sole discretion, may contribute amounts to the Plan in addition to any safe harbor matched contributions. The Employer discretionary matching contribution will not exceed 4% of plan compensation. A discretionary matching contribution was not made by the Company for the year ended December 31, 2021.

Participant Accounts

Each participant's account is credited with the participant's contribution and Company's matching contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administration expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's safe harbor matched contribution portion of their accounts is based on years of continuous service. A participant is 100% vested in this match after two years of service. The vested portion of employer discretionary matching contributions is based on years of service. A participant is 20% vested after 2 years, with a 20% increase each succeeding year until becoming fully vested after the sixth year of service. However, each participant is 100% vested in these contributions upon death or becoming disabled, if still employed at the time of death or disability.

WeCare TLC 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 1: DESCRIPTION OF THE PLAN (Continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000. The maximum amount of loans outstanding cannot exceed the lesser of one-half of the present value of the non-forfeitable accrued benefits of the participant or \$10,000. Participants may not have more than one loan outstanding at a time. The loans are secured by the balance in the participant's account and bear interest at prime (as stated in the Wall Street Journal at the date of the loan) plus 1%, ranging from 4.25% to 6.25%. Principal and interest is paid ratably through bi-monthly payroll deductions.

Benefit Payments

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a period of time. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

Forfeitures

At December 31, 2021 and 2020, there were no forfeited non-vested accounts. These accounts will be used to reduce future employer contributions. Also, in 2021 employer contributions were reduced by \$13,015 from forfeited nonvested accounts.

Hardship Withdrawals

As permitted by the Internal Revenue Code (IRC) and in accordance with the plan agreement, a participant may request a financial hardship withdrawal if they experience a severe financial hardship. The financial hardship withdrawal may not exceed the amount of the financial hardship or the value of the vested portion of the participant's balance, whichever is less.

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The Financial Accounting Standards Board (FASB) provides authoritative guidance regarding U.S. GAAP through the Accounting Standards Codification (ASC) and related Accounting Standards Updates (ASUs).

WeCare TLC 401(k) Profit Sharing Plan Notes to Financial Statements

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

The preparation of U.S. GAAP financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments generally are reported at fair value but may also be reported at net asset value (NAV). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for further discussion of fair value measurements and NAV.

The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Payment of Benefits

Distributions to participants are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation/depreciation of fair value of investments.

WeCare TLC 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Risk and Uncertainties

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risks associated with certain investment securities, it is reasonably possible that changes in value of investment securities will occur in the near term and that these changes could materially affect amounts reported in the Plan's financial statements.

Subsequent Events

Management has evaluated subsequent events through the date that the financial statements were available to be issued, January 3, 2025, and determined there were no events that occurred that require disclosure. No subsequent events occurring after this date have been evaluated for inclusion in these financial statements.

Note 3: RESTATEMENT

The Plan has restated its financial statement for the years ended December 31, 2021 and 2020 to correct an error in the accounting for other contributions. This resulted in a decrease in net assets available for benefit and other employer contributions in the amount of \$17,197 at December 31, 2021 and an increase in net assets available for benefit of \$42,112 at December 31, 2020.

Note 4: INFORMATION CERTIFIED BY QUALIFIED INSTITUTION

The Plan Administrator has elected the method of compliance, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The following financial information included in the Plan's financial statements was obtained by management and agreed to or derived from information certified as complete and accurate by the qualified institution:

- Total investments, at fair value, included in the statements of net assets available for benefits at December 31, 2021 and 2020.
- Investment income, information included in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- All amounts included in Note 5, *Fair Value Measurements*.
- All information included, except for notes receivable from participants, in the supplemental schedule of assets (held at end of year) as of December 31, 2021.

WeCare TLC 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 5: FAIR VALUE MEASUREMENTS

Fair value is the exchange price that would be received for an asset or paid to transfer a liability (exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. There are three levels of inputs that may be used to measure fair values:

Level 1 – Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2 – Significant other observable inputs other than Level 1 prices, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs, other than quoted prices, that are:
 - observable; or
 - can be corroborated by observable market data.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Common collective trusts (CCTs): The Plan's CCTs are valued based on NAV per share or unit as a practical expedient as reported by the fund manager, multiplied by the number of shares or units held as of the measurement date. Accordingly, these NAV based investments have been excluded from the fair value hierarchy leveling.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate accounts: Valued using a unit value system of recording, which indicates the dollar value for one unit. Due to the valuation method, the value of one unit is not identical to the value of the fund if it were purchased outside of the Plan. Therefore, the security is measured at NAV. Assets measured at NAV as a practical expedient are exempt from classification within the fair value hierarchy.

WeCare TLC 401(k) Profit Sharing Plan Notes to Financial Statements

Note 5: FAIR VALUE MEASUREMENTS (Continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in different fair value measurements at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020.

	Quoted Prices in Active Markets for Identical Assets Level 1	Significant Other Observable Inputs Level 2	Significant Unobservable Inputs Level 3	Total
December 31, 2021				
Mutual funds	\$ 2,486,588	\$ -	\$ -	\$ 2,486,588
Common collective trusts (A)				202
Total investments at fair value				\$ 2,486,790

	Quoted Prices in Active Markets for Identical Assets Level 1	Significant Other Observable Inputs Level 2	Significant Unobservable Inputs Level 3	Total
December 31, 2020				
Mutual funds	\$ 78,729	\$ -	\$ -	\$ 78,729
Common collective trusts (A)				7,211
Pooled separate accounts (A)				2,171,629
Total investments at fair value				\$ 2,257,569

(A) Investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statement of Net Assets Available for Benefits.

WeCare TLC 401(k) Profit Sharing Plan Notes to Financial Statements

Note 5: FAIR VALUE MEASUREMENTS (Continued)

Fair Value of Investments that Calculate Net Asset Value

The following table summarizes information related to the CCTs and PSAs measured at fair value based on NAV per share as of December 31, 2021 and 2020, respectively. The CCTs and PSAs are maintained by investment companies and hold investments in accordance with a stated set of fund objectives.

Year-End	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
December 31. 2021	\$ 202	\$ -	Daily	1 Day
December 31. 2020	\$ 2,178,840	\$ -	Daily	1 Day

Note 6: TAX STATUS

The Plan has adopted a prototype non-standardized profit sharing plan with a cash or deferral arrangement which received a favorable advisory letter from the Internal Revenue Service dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's management believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Tax positions are recognized only if it is "more likely than not" that the tax position be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount that is greater than 50% likely of being realized on examination. For tax positions not meeting the "more likely than not" test, no tax position is recorded. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

WeCare TLC 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 7: RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Principal, the custodian of the Plan for the first portion of the year, provided investment services to the Plan and also managed and invested contributions and other cash received as directed, recorded interest and dividend income, and makes distributions to participants. ADP performed these services for the remainder of 2021. Investments of the Plan were invested in pooled separate accounts, a common collective trust, and mutual funds with Principal for a portion of 2021 and at December 31, 2020. Reliance Trust Company is the custodian of investments at December 31, 2021.

In general, the administrative expenses for the Plan are paid from the Plans' assets. From time to time, certain expenses related to plan operations and investment activity to various service providers, as described in Note 1 and 2. These transactions qualify as party in interest transactions under ERISA.

Note 8: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become 100% vested in their accounts.

Note 9: PLAN COMPLIANCE (RESTATED)

For the years ended December 31, 2015, 2016, 2017, 2018, 2019, 2020 and 2021, the Plan Sponsor did not make matching contributions in accordance with the Plan document. It was determined that \$113,662 of additional contributions were needed to comply with the Plan documents. These additional contributions have been included in Other employer contributions on the statement of net assets available for benefits as well as the statement of changes in net assets available for benefits. Additionally, it was determined that lost earnings in the amount of \$150,901, in total was incurred. The amount associated with 2021 was \$20,402. The lost earnings have been included in Other employer contributions on the statement of net assets available for benefits as well as the statement of changes in net assets available for benefits. Both the additional contributions and the lost earnings were remitted in August 2024.
