INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of the
Philadelphia Hospital and Health Care
District 1199C Training and Upgrading Fund

Report on the Audit of Financial Statements

Opinion

We have audited the accompanying financial statements of the Philadelphia Hospital and Health Care District 1199C Training and Upgrading Fund (the Fund), which comprise the statements of financial position as of June 30, 2024 and 2023, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Fund as of June 30, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Fund and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fund's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2024 AND 2023

NOTE 1. ORGANIZATION

The purpose of the Training and Upgrading Fund (the Fund) is to address the workforce needs of hospitals, nursing homes, behavioral health settings, health clinics, home care and child care and similar institutions; and develop training and education programs for employees and employers of contributing institutions.

The Fund sponsors programs open solely to union members whose employers are contributors to the Fund. Tuition reimbursement programs and various continuing education programs are offered to allow employees to upgrade their skills and further develop themselves professionally through education.

The Fund is also the recipient of grants through the Federal Government, the Commonwealth of Pennsylvania, and City of Philadelphia as well as a variety of other sources. The Commonwealth of Pennsylvania furnishes the Fund with several grants from the Department of Education and the Department of Labor and Industry. The Department of Education grants include federal and state funds to provide basic education and ESL classes that are open to Pennsylvania residents, allowing the Fund to serve both District 1199C members and area residents who are not members but reside in Pennsylvania. These classes provide residents with the opportunity to upgrade basic skills either to retain current employment, transition into post-secondary education, obtain employment, or seek career advancement opportunities.

Other funding sources include: a general operations grant from United Way of Greater Southeastern Pennsylvania and Southern New Jersey, which provides critical support to workforce, literacy, youth, and associate's degree programs operated or supported by the Fund; Health Information Professions training and Health Career Opportunity Program funded by Temple University through grants from the US Department of Health and Human Services; an OSHA Susan B. Harwood training grant funded by the US Department of Labor; and, Philadelphia Youth Network grants, which support Nurse's Aide training and GED to College for out of school youth, 21st Century continuum program that assists 11th and 12th grade students to successfully graduate high school and transition into college, the summer WorkReady program to support 8th and 9th grade students in succeeding in high school by participating in a summer academic enrichment and service learning experience, Work Experience Model to provide a structured employment opportunity to youth who have never worked before, Capacity Building Program, and the Career Exposure grant.

NOTE 1. ORGANIZATION (continued)

Other grant funds include, child care training and professional development funded by the Southeast Regional Key, Early Head Start Child Care Partnership, an early childcare partnership grant to serve zero to 3 year old's funded by the Department of Health and Human Services under Administration for Children and Families early childhood education grants funded by the William Penn Foundation, Pre-K childhood grant funded by the State of Pennsylvania, and various Industrial Partnership grants and Pre-Apprenticeship grants funded through the Pennsylvania Department of Labor and Industry passed through by Philadelphia Works.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The financial statements are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Employer contributions and tuition are accounted for as an exchange transaction.

Net Assets - Net assets, revenues, gains, and losses are classified based on the existence or absence of donor imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows. Net assets without donor restrictions are net assets available for use in general operations and not subject to donor restrictions. Net assets with donor restrictions are net assets subject to donor-imposed restrictions. There are no net assets with donor restrictions.

Employer Contributions Receivable - Contributions due but not paid prior to year-end are recorded as contributions receivable. The Fund believes that the receivables are fully collectible; therefore, no allowance for credit losses is recorded.

Grants Receivable - Grants receivable are based on costs incurred prior to year-end, for which the Fund has not yet received payment under the award. The Fund believes that the receivables are fully collectible; therefore, no allowance for credit losses is recorded.

Investments and Income Recognition - Investments in mutual funds are carried at fair value as provided by the investment broker who generally represents the net asset value of the mutual fund as of the last business day of the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Fund's gains and losses on investments bought and sold as well as held during the year.

Property and Equipment - Leasehold improvements, furniture and computers are carried at cost. Major additions are capitalized while replacements, maintenance and repairs which do not improve or extend the useful lives of the respective assets are expensed currently. Depreciation is computed using the straight-line method over the useful lives of the assets, generally five to ten years. Major repairs and maintenance of existing assets are capitalized if they extend the useful life of the respective asset.

Cash - For the purpose of the statement of cash flows, cash consists of cash in checking accounts which are subject to immediate withdrawal.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Compensated Absences - Employees of the Fund are entitled to paid vacation, paid sick days and personal days off, depending on job classification, length of service, and other factors. The dollar value of compensated absences has not been recorded in the accompanying financial statements because it is impractical to estimate future absences. The Fund's policy is to recognize the costs of compensated absences when actually paid to employees.

Functional Allocation of Expenses - The Fund's expenses relate to one basic activity, providing training to members, and have been allocated accordingly on the statement of functional expenses.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Leases - The Fund is required to recognize a right-of-use model (ROU) asset and lease liability on the statement of financial position for leases with a term longer than twelve months. ROU assets represent the lessee's right to control the use of the leased asset during the lease. Leases will be classified as finance or operating, with classification affecting the pattern and classification of expense recognition in the statement of activities. Lease liabilities represent the present value of the future lease payments over the expected lease term. The present value of the lease liability is determined using the incremental borrowing rate at the lease inception. Over the lease term, the Fund uses the effective interest rate method to account for the lease liability as lease payments are made and the ROU asset is amortized into expenses in a manner that results in a straight-line expense recognition in the statement of activities. As of June 30, 2024, the Fund has determined that the leases identified include operating leases.

Reclassifications - Certain reclassifications have been made to prior year amounts to conform to the current year presentation.

NOTE 3. RELATED PARTY TRANSACTIONS

The Fund and the 1199C Health and Technology Training Institute (the Institute) are directed by a common Board of Trustees and a common Executive Director. The fees are as stated in the contract for the individuals who are assigned to the work and the monthly billable rates which are established for each of them from \$3,250 to \$8,000 per month. NOTE 5. MULTIEMPLOYER DEFINED BENEFIT PENSION PLAN

Employees of the Fund and the Institute, together referred to as the Benefit Funds, participate in one multiemployer defined benefit pension plan under the terms of a participation agreement that covers its non-collectively bargained employees. The Fund remits the contributions to this multiemployer defined benefit pension plan for the shared employees on behalf of the Benefit Funds. the Institute reimburses the Fund for its share of the contributions based on a cost allocation study. The risks of participating in a multiemployer defined benefit pension plan is different from a single-employer plan in the following aspects:

NOTE 5. MULTIEMPLOYER DEFINED BENEFIT PENSION PLAN (continued)

- a. Assets contributed to the multiemployer defined benefit pension plan by one employer may be used to provide benefits to employees of other participating employers.
- b. If a participating employer stops contributing to the multiemployer defined benefit pension plan, the unfunded obligations of the multiemployer defined benefit pension plan may be borne by the remaining participating employers.
- c. If the Benefit Funds choose to stop participating in the multiemployer defined benefit pension plan, the Benefit Funds may be required to pay the multiemployer defined benefit pension plan an allocated amount based on the underfunded status of the multiemployer defined benefit pension plan, referred to as a withdrawal liability.

The Benefit Funds participation in the multiemployer defined benefit pension plan for the annual periods ended June 30, 2024 and 2023 is outlined in the table below. The zone status is based on information that the Benefit Funds received from the multiemployer defined benefit pension plan and is certified by the multiemployer defined benefit pension plan's actuary. Among other factors, pension plans in the red zone are generally less than 65 percent funded, pension plans in the yellow zone are less than 80 percent funded, and pension plans in the green zone are at least 80 percent funded.

NOTE 6. MULTIEMPLOYER PLAN THAT PROVIDES POSTRETIREMENT BENEFITS OTHER THAN PENSIONS (continued)

The Benefit Fund is self-administered and, except for hospitalization and medical claims, is self-insured. The Fund provides postretirement health benefits (medical, hospital, surgical, major medical, and dental), prescription drug, death and accidental death and dismemberment, disability, hearing aid and vision benefits, camp and scholarship benefits.

NOTE 7. CASH CONCENTRATION

The Fund places its cash with financial institutions deemed to be credit worthy. Cash balances are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 in a single bank. As of June 30, 2024, the Fund's cash on deposit exceeded the FDIC coverage in a single bank by \$4,496,325.

NOTE 8. INCOME TAX STATUS

The Fund obtained its latest determination letter, dated November 1978, in which the Internal Revenue Service determined that the Fund qualified for exemption from income tax under Internal Revenue Code Section 501(c)(3). The Trustees and Legal Counsel of the Fund believe that the Fund and Trust is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Fund management to evaluate tax positions taken by the Fund and recognize a tax liability if the Fund has taken an uncertain position that, more likely than not, would not be sustained upon examination by the U.S. Federal, state, or local taxing authorities. The Fund is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Typically, Fund tax years will remain open for three years; however, this may differ depending upon the circumstances of the Fund.

NOTE 9. INVESTMENTS

The following summary presents the cost and fair value for investments held for each investment category.

	2024		2023

NOTE 9. INVESTMENTS (continued)

The Fund's investments, including investments bought, sold as well as held during the year depreciated in value as follows:

	<u>2024</u>	<u>2023</u>
Net appreciation (depreciation) in investments at fair value as determined by net asset value:		
Mutual fund	<u>\$ 666,546</u>	<u>\$ (73,250)</u>
	<u><u>\$ 666,546</u></u>	<u><u>\$ (73,250)</u></u>

NOTE 10. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Basis of Fair Value Measurement:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Fund has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE 10. FAIR VALUE MEASUREMENTS (continued)

	Fair Value Measurements at June 30, 2024			
	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual Fund - short term bond fund	<u>\$ 2,928,671</u>	<u>\$ 2,928,671</u>	<u>\$ -</u>	<u>\$ -</u>

	Fair Value Measurements at June 30, 2023			
	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual Fund - short term bond fund	<u>\$ 2,170,532</u>	<u>\$ 2,170,532</u>	<u>\$ -</u>	<u>\$ -</u>

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

For the years ended June 30, 2024 and 2023 there were no transfers in or out of levels 1, 2, or 3.

NOTE 11. TREATMENT OF GOVERNMENT AWARDS

The Fund considers all government awards to be exchange transactions in which each party receives and sacrifices commensurate value. Accordingly, government awards do not affect net assets with restrictions. Funds received in advance are deferred revenue and funds disbursed and not received represent receivables. The Fund receives government awards on a fee for service, cost reimbursement basis, and performance based funding stipulations are subject to audit and possible retroactive adjustment by funding sources.

NOTE 12. AVAILABILITY AND LIQUIDITY

The following represents the Fund's financial assets at June 30, 2024 and 2023:

	<u>2024</u>	<u>2023</u>
Financial assets at year end

Financial assets available to meet general expenditures over the next 12 months	<u>\$ 8,174,996</u>	<u>\$ 6,635,647</u>

NOTE 12. AVAILABILITY AND LIQUIDITY (continued)

The Fund's goal is generally to maintain financial assets to meet 12 months of operating expenses. As part of its liquidity plan, excess cash is invested in mutual funds.

NOTE 13. SUBSEQUENT EVENTS

The Fund has evaluated subsequent events through March 20, 2025, the date the financial statements were available to be issued, and they have been evaluated in accordance with relevant accounting standards.

Subsequent to year end, the Institute transferred \$92,800 to the Fund, in settlement of amounts due from the Institute to the Fund. Subsequent to year end, the Fund transferred \$4,560 to the Institute in settlement of amounts due from the Fund to the Institute.

**INDEPENDENT AUDITOR’S REPORT ON
INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Board of Trustees of the
Philadelphia Hospital and Health Care
District 1199C Training and Upgrading Fund

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Philadelphia Hospital and Health Care District 1199C Training and Upgrading Fund (the Fund), which comprise the statement of financial position as of June 30, 2024 and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated March 20, 2025.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Fund’s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Fund’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Fund’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Fund's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Fund's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Fund's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR’S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM
AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Trustees of the
Philadelphia Hospital and Health Care
District 1199C Training and Upgrading Fund

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Philadelphia Hospital and Health Care District 1199C Training and Upgrading Fund’s (the Fund) compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of the Fund’s major federal programs for the year ended June 30, 2024. The Fund’s major federal programs are identified in the summary of auditor’s results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Fund complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2024.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor’s Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Fund and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Fund’s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Fund's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Fund's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Fund's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Fund's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Fund's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
