Independent Auditors' Report

To the Plan Administrator
Children's Crisis Treatment Center
Health & Welfare Plan
Philadelphia, Pennsylvania

Opinion

We have audited the financial statements of Children's Crisis Treatment Center Health & Welfare Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits--modified cash basis as of June 30, 2024 and 2023, and the related statement of changes in net assets available for benefits--modified cash basis for the year ended June 30, 2024, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits--modified cash basis of Children's Crisis Treatment Center Health & Welfare Plan as of June 30, 2024 and 2023, and the changes in net assets available for benefits--modified cash basis for the year ended June 30, 2024 in accordance with the modified cash basis of accounting described in Note B.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Children's Crisis Treatment Center Health & Welfare Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note B of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

To the Plan Administrator
Children's Crisis Treatment Center
Health & Welfare Plan
Philadelphia, Pennsylvania

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note B, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Children's Crisis Treatment Center Health & Welfare Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Children's Crisis Treatment Center Health & Welfare Plan's ability to continue as a going concern for a reasonable period of time.

To the Plan Administrator
Children's Crisis Treatment Center
Health & Welfare Plan
Philadelphia, Pennsylvania

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Schedule of Assets (Held at End of Year) and Schedule of Reportable Transactions as of June 30, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024 AND 2023**

NOTE A - DESCRIPTION OF PLAN

The following description of the Children's Crisis Treatment Center Health & Welfare Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan covers all full-time or part-time employees, who regularly work 22.5 or more hours of service per week, of Children's Crisis Treatment Center (the "Company") and their eligible dependents, once the employee completes a 60-day waiting period from their first day of employment. In 2020, the Plan sponsor contracted with Veris Benefits Consortium to self-fund medical insurance benefits. The Plan is subject to the provisions of the Employee Retirement Security Act of 1974, as amended (ERISA).

Benefits

The Plan provides medical, dental, vision, life insurance, accidental death and dismemberment, short- and long-term disability benefits to the full-time or part-time employees and their eligible dependents.

Contributions

The Company and the participants' share the premiums for the self-funded medical insurance with the participants contributing based on bi-weekly payroll deductions in accordance with the provisions of the plan. The Company and the participants share the premiums for the vision, dental, short-term disability, long-term disability, AD&D, and life insurance benefits available in the plan with the participant contributing based on bi-weekly payroll deductions in accordance with the provisions of the plan.

Stop Loss Coverage

The Plan has entered into a stop loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contribution at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, remaining assets will be applied in a uniform and non-discriminating manner towards the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

See independent auditors' report.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Investments are reported at fair value. Contributions are recorded when received and are not accrued. Accordingly, the accompanying financial statements are not intended to present net assets available for benefits and changes in net assets available for benefits in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein; claims incurred but not reported; and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Concentration of Credit Risk

Financial instruments that potentially subject the Plan to concentrations of credit risk consist principally of cash deposits. Accounts at each institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At June 30, 2024, the Plan had no amounts in excess of federally insured amounts. Cash amounts not covered by the FDIC may be covered by the Plan's Fidelity Bond insurance. Plan Management does not believe this has a material impact on the financial statements.

Tax Status

The trust established under the Plan to hold the Plan's assets is not qualified pursuant to the appropriate section of the Internal Revenue Code, and, accordingly, the trust's net investment income is subject to income taxes. Investment income is immaterial therefore there is no provision for income taxes.

Payment of Benefits

Claims and premiums are reported when paid. Premiums paid by either the Company or the trust are recorded as premium payments and self-insured benefits paid in the accompanying statement of changes in net assets available for benefits--modified cash basis.

See independent auditors' report.

HEALTH & WELFARE PLAN**

JUNE 30, 2024 AND 2023

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Stop Loss

The Plan has entered into a stop loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims). Premiums for stop loss insurance are included in premium payments for healthcare and insurance in the accompanying statement of changes in net assets available for benefits--modified cash basis. During the year ended June 30, 2024, stop loss reimbursements netted against self-insured benefits paid on the statement of changes in net assets--modified cash basis were \$442,656.

Administrative Expenses

Administrative expenses of the Plan are paid by the Company and recorded as employer contributions on behalf of the Plan.

Date of Management's Review

Management has evaluated subsequent events through February 3, 2025, the date which the financial statements were available to be issued.

NOTE C - CLAIMS INCURRED BUT NOT REPORTED

Plan obligations at June 30, 2024 and 2023 for claims incurred but not reported are estimated by the Plan's management in accordance with accepted principles based on claims data provided by the Plan's third-party claims administrators. These amounts are paid by the Plan only if claims are submitted and approved for payment.

The present value of Plan benefit obligations is as follows:

	June 30,	
	2024	2023
Estimated liability for benefits payable including claims incurred but not reported ("IBNR")	\$ 348,753	\$ 72,227

The changes in the present value of plan benefit obligations are as follows:

	June 30, 2024
Estimated liability for benefits payable including IBNR claims:	
Plan obligation at beginning of year	\$ 72,227
Increase in plan benefit obligations attributable to:	
Net change in IBNR claims	276,526
 PLAN IBNR OBLIGATION, END OF YEAR	 \$ 348,753

NOTE D - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.
