FINANCIAL STATEMENTS

JUNE 30, 2024

## INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees  
Asbestos Workers Local Union No. 80  
Supplemental Medical Fund

### Opinion

We have audited the accompanying financial statements of the Asbestos Workers Local Union No. 80 Supplemental Medical Fund (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of benefit obligations as of June 30, 2024 and 2023, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Asbestos Workers Local Union No. 80 Supplemental Medical Fund as of June 30, 2024 and 2023, and the changes in its net assets available for benefits and changes in its benefit obligations for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

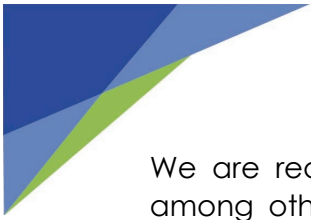

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of assets (held at end of year) and of reportable transactions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

### **Other Supplemental Information**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of administrative expenses are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

## ASBESTOS WORKERS LOCAL UNION NO. 80 SUPPLEMENTAL MEDICAL FUND

### NOTES TO FINANCIAL STATEMENTS

YEARS ENDED JUNE 30, 2024 AND 2023

#### NOTE 1. DESCRIPTION OF THE PLAN

The following brief description of the Asbestos Workers Local Union No. 80 Supplemental Medical Fund (the Plan) is provided for general information purposes only. Participants should refer to the Summary Plan Description for more complete information.

**General** - The Plan was established in 1994 by an Agreement and Declaration of Trust by the Board of Trustees (Trustees). The Plan is a supplemental medical plan covering all eligible participants who are also participants in the National Asbestos Workers Medical Fund. Participants must be within the jurisdiction of the International Association of Health and Frost Insulators and Asbestos Workers, Local No. 80. The Plan is operated and administered by the Trustees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Employees of Asbestos Workers, Local Union No. 80 and non-collectively bargained employees of contributing employers are also eligible to participate in the Plan provided certain length of service and other requirements are met.

**Benefits** - The Plan pays a supplemental medical benefit per family to offset the deductible required by the National Asbestos Workers Medical Fund or other insurance arrangements.

The Plan pays a weekly accident and sickness benefit to participants who are unable to work due to non-occupational illness or injury. The benefit is payable on the eighth day if the participant's disability resulted from an illness and immediately if from an accident and is limited to a period not to exceed 26 weeks. Participants receiving this benefit are entitled to receive \$200 per week for a maximum of 26 weeks.

**Contributions** - Contributions are made by the employers of the Plan on behalf of the participants and under the terms of collective bargaining agreement(s) between Asbestos Workers, Local Union No. 80 and signatory employers, or pursuant to some other written agreement that requires the employer to make contributions to the Plan on the participant's behalf.

**Eligibility** - Collectively bargained employees are eligible for benefits from this Plan provided they are also eligible for benefits from the National Asbestos Workers Medical Fund, and they must work a sufficient number of hours for a participating employer in the geographic jurisdiction of Asbestos Workers, Local Union No. 80. A minimum of 400 hours worked in the preceding quarter is required to earn and maintain eligibility.

## NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

To be eligible for the Retired Employees Separate Account (RESA) benefits, participants must be eligible for retiree benefits from the National Asbestos Workers Medical Fund, and the employee's home local must be Local 80 of the International Association of Heat and Frost Insulators and Asbestos Workers. The participant must also be a member in good standing with the Local.

Other eligibility requirements are as follows: the participant must have pension eligibility from Local Union No. 80 in the National Asbestos Workers Pension Fund and the employee must have ten years of participation and seven years of eligibility in the National Asbestos Workers Supplemental Medical Fund in the Local Union No. 80 area. Contributions must have been made on the employee's behalf into this fund for thirty-six out of sixty months immediately preceding the employee's effective pension date. Certain employees with ownership interests in an employer and members who are not working out of Asbestos Workers, Local Union No. 80 upon retirement or do not elect retiree coverage upon retirement may also be eligible provided they meet certain requirements set forth in the Plan document.

## NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Basis of Accounting** - The accompanying financial statements have been prepared using the accrual basis of accounting. Under this basis, revenue is recognized when earned and expenses are recognized when incurred.

**Estimates** - The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts assets, liabilities, benefit obligations, and changes therein, incurred but not reported (IBNR), claims payable, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition** - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are reported on a trade-date basis. Interest income is reported on the accrual basis. Dividends are reported on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Administrative Expenses** - Administrative expenses are paid by the Plan.

**Benefit Payments** - Benefit payments are recorded when paid by the Plan.

## NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

**Reclassifications** - When applicable, certain reclassifications may have been made to conform to current year financial statement presentation. These reclassifications had no effect on the net assets available for benefits.

**New Accounting Pronouncement Adopted** - During the year ended June 30, 2024, the Plan adopted the provisions of Accounting Standards Update (ASU) 2016-13, *Financial Instruments - Credit Losses* (Topic 326). This ASU replaced the incurred loss methodology with an expected loss methodology that is referred to as the current expected credit loss (CECL) methodology. The ASU requires nonprofit entities to immediately recognize the estimated expected credit losses over the life of a financial instrument, including employer contributions. The estimate of expected credit losses considers not only historical information, but also current and future economic conditions and events. The Plan adopted the ASU effective July 1, 2023. The impact of the adoption was not considered material to the financial statements and primarily resulted in additional disclosures.

## NOTE 3. FAIR VALUE MEASUREMENTS

Accounting standards provide the framework for measuring fair value which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

### NOTE 3. FAIR VALUE MEASUREMENTS (CONTINUED)

Descriptions of the valuation methodologies used for assets measured at fair value are summarized below. There have been no changes in the methodologies used at June 30, 2024 and 2023.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Limited partnerships:* The fair values of limited partnerships recorded by the Plan are determined from financial statements received by the Plan from the limited partnerships or other entities in which the Plan has invested. Some of these financial statements are financial statements audited by independent accountants other than the Plan's independent auditors and some are unaudited financial statements. In addition, most of these investment vehicles operate as "fund of funds" which invest in limited partnerships and other nonmarketable investments. The entities in which the Plan invests prepare their financial statements stating their investments at fair value as determined in good faith by the general partner or by a third-party valuator based on the best information available, in the absence of readily ascertainable market values.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, of the Plan's assets at fair value as of June 30, 2024:

Description	Assets at Fair Value as of June 30, 2024			
	Totals	Level 1	Level 2	Level 3
Mutual funds	\$ 6,234,034	\$ 6,234,034	\$ -	\$ -
Investments measured at NAV*				
Limited partnerships	3,551,707			
Total assets in fair value	\$ 9,785,741			

\* In accordance with ASC, investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

### NOTE 3. FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, of the Plan's assets at fair value as of June 30, 2023:

Description	Assets at Fair Value as of June 30, 2023			
	Totals	Level 1	Level 2	Level 3
Mutual funds	\$ 5,480,853	\$ 5,480,853	\$ -	\$ -
Investments measured at NAV*				
Limited partnerships	3,699,375			
Total assets in fair value	\$ 9,180,228			

\* In accordance with ASC, investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

#### Fair Value of Investments that Calculate Net Asset Value

The following tables summarize the Plan's investments in certain entities that calculate NAV per share as fair value measurement as of June 30, 2024 and 2023 by investment category:

Description	June 30, 2024 Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Limited partnerships	\$ 3,551,707	\$ -	N/A	N/A

Description	June 30, 2023 Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Limited partnerships	\$ 3,699,375	\$ -	N/A	N/A

The Plan's investment in the pooled separate accounts category is a diversified real estate equity account consisting primarily of high quality, well leased real estate properties in the multifamily, industrial, office, retail and hotel sectors. The account has the ability to apply a contractual limitation which delays the payment of withdrawal requests. If the withdrawal limitation were applied, withdrawal requests included within the withdrawal limitation would be paid on a pro rata basis as cash becomes available for distribution.

## NOTE 4. BENEFIT OBLIGATIONS

The Plan adopted the provisions of the FASB ASC Topic *Health and Welfare Benefit Plans*. However, the Plan does not provide retiree health benefits and therefore there is no actuarial post-retirement obligation applicable to this plan. This plan does not have any benefit obligation for any participant as their plan obligations are reflected in the National Asbestos Workers Medical Fund. The Plan accrues current benefit obligations only for claims incurred but not reported.

*Benefits currently payable and incurred but not reported:* Amounts currently payable to or for participants, beneficiaries and dependents represent actual and estimated amounts paid or payable after year end for all reported claims for benefits occurring during the respective accounting periods.

Effective December 1, 1999, the Plan implemented a RESA in which retiree premium payments are provided on behalf of those retirees, spouses and dependents who meet certain eligibility requirements of the National Asbestos Workers Supplemental Medical Fund. These premiums are paid quarterly to the National Asbestos Workers Supplemental Medical Fund at rates established by such Fund. Total retiree premiums during the years ended June 30, 2024 and 2023 were \$1,307,074 and \$1,570,994, respectively.

## NOTE 5. TAX STATUS

The Plan obtained a determination letter from the Internal Revenue Service (IRS) dated July 29, 1996, in which the IRS stated that the Plan was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan Sponsor, on advice of the Plan's counsel, believes that the Plan is currently designed and is operating in compliance with the applicable requirements of the IRC. The IRS has ruled that the Plan qualifies under Code Section 501(c)(9) of the IRC and is, therefore, not subject to tax.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan administrator is not aware of any uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements as of June 30, 2024. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

The Plan has two Employer Identification Numbers (EINs): 1) The Plan's own EIN - 52-1863202 and 2) the Plan Sponsor EIN - 52-1863210. This has been reviewed by Plan Counsel and it was determined that no corrective action is necessary.

## NOTE 6. PLAN TERMINATION

It is the present intent of the Trustees to continue the Plan indefinitely. In the event of termination of the Plan, the Trustees have a provision for the payment of expenses out of the Trust and then apply the liquidation of the remaining assets in accordance with the Plan.

## NOTE 7. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per the financial statements	\$ 10,170,493	\$ 9,368,788
Less: benefit obligations currently payable (claims payable, claims incurred but not reported and premiums)	<u>(5,033)</u>	<u>(12,087)</u>
Net assets available for benefits per the Form 5500	<u>\$ 10,165,460</u>	<u>\$ 9,356,701</u>

The following is a reconciliation of benefits paid per the financial statements to the Form 5500:

Benefits paid to participants per the financial statements	\$ 1,307,074
Add: amounts currently payable at June 30, 2024	5,033
Less: amounts currently payable at June 30, 2023	<u>(12,087)</u>
Benefits paid to participants per the Form 5500	<u>\$ 1,300,020</u>

Claims and premiums that have been processed and approved for payment at year-end but not paid, and claims incurred but not yet reported are not considered liabilities under U.S. generally accepted accounting principles and, therefore, are not presented as liabilities or claims and premiums paid in the accompanying financial statements but are recorded on the Form 5500 as a liability.

The following is a reconciliation of additions per the financial statements to the Form 5500 for the year ended June 30, 2024:

Total additions per the financial statements	\$ 2,197,204
Add: investment expenses	<u>17,503</u>
Total additions per Form 5500	<u>\$ 2,214,707</u>

## NOTE 7. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (CONTINUED)

The following is a reconciliation of deductions per the financial statements to the Form 5500 for the year ended June 30, 2024:

Total deductions per the financial statements	\$ 1,395,499
Add: investment expenses	17,503
Less: net change in benefits paid	<u>(7,054)</u>
Total deductions per Form 5500	<u>\$ 1,405,948</u>

## NOTE 8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

## NOTE 9. PARTY-IN-INTEREST TRANSACTIONS

The Plan paid certain expenses related to plan operations and investment activity to various service providers. These were party-in-interest transactions that satisfied ERISA's prohibited transaction exemption requirements and, therefore, were not prohibited transactions under ERISA.

## NOTE 10. CONCENTRATION OF CREDIT RISK

Concentration of credit risk with respect to any one insurer or security type are presented in the schedule of assets (held at end of year). The maximum loss in the event of nonperformance by any counter party is the value for each investment at June 30, 2024. The Plan does not anticipate nonperformance by any counterparties. None of the investments listed are in default as to interest.

Financial instruments that potentially subject the Plan to concentrations of credit risk consist primarily of cash. The Plan places its cash with financial institutions and limits the amount of credit exposure to any one financial institution. The balances are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 in a single financial institution. At June 30, 2024, the Plan had \$-0- in excess of FDIC insurance coverage.

## **NOTE 11. SUBSEQUENT EVENTS**

Subsequent events have been evaluated through March 17, 2025, which is the date the financial statements were available to be issued. This review and evaluation revealed no material event or transaction which would require an adjustment to or disclosure in the accompanying financial statements.
