INDEPENDENT AUDITOR'S REPORT

**To the Participants and Administrators
Prospectus/Berco 401(k) Plan
Reading, Pennsylvania**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Prospectus/Berco 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended June 30, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Prospectus/Berco 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of June 30, 2024 and 2023, and for the year ended June 30, 2024, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Prospectus/Berco 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Prospectus/Berco 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Prospectus/Berco 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Prospectus/Berco 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of June 30, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PROSPECTUS/BERCO 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

June 30, 2024 and 2023

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Prospectus/Berco 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all full-time employees of Prospectus/Berco (the “Company”). Employees are eligible to make elective deferrals who have been employed for 90 days and are eligible to receive the employer matching contributions who have been employed for at least one year and have 500 hours of credited service effective July 1, 2023 (previously 1,000 hours of credited service prior to July 1, 2023). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Administrators are responsible for oversight of the Plan, determines the appropriateness of the Plan’s investment offerings, and monitors investment performance.

Contributions

Participants may contribute a percentage of pretax annual compensation, as defined in the Plan and limited by law. Participants may also contribute to the Roth option of the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant effective July 1, 2023 (the prior deferral rate was 3% of eligible compensation prior to July 1, 2023). The Company will match 50% of the first 8% of each participant’s elective deferral up to a maximum of 4% of compensation. During the years ended June 30, 2024 and 2023, the Company made matching contributions of \$289,982 and \$225,247, respectively. The Company may also make a discretionary profit sharing contribution at the option of the board of directors. The Company declared a discretionary profit sharing contribution of \$500,000 for the year ended June 30, 2024 that was allocated to participant accounts subsequent to the year end. For the June 30, 2023 plan year, participants must be employed at the end of the plan year to receive an allocation of the discretionary profit sharing contribution. There was no such requirement for the June 30, 2024 plan year. Participants who have been terminated due to death, disability, or retirement shall be eligible to share in the allocation, without regard to hours of service or year-end employment. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and allocations of the Company’s contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

PROSPECTUS/BERCO 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

June 30, 2024 and 2023

NOTE 1 - DESCRIPTION OF THE PLAN - CONTINUED

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contributions portion of their accounts is based on years of continuous service. A participant is 100% vested in the Company match and profit sharing contributions after four years of credited service effective July 1, 2023 (previously was six years of credited service prior to July 1, 2023). Participants become 100% vested in all amounts upon death, disability, or retirement.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may receive their account balance in a lump-sum payment or partial installment withdrawals. Early retirement is permitted at the age of 60 years with 10 years of credited service. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account in the methods listed above. If a participant's vested benefit in the Plan exceeds \$5,000, the participant must consent to the distribution before it is made. The Plan provides that if a participant's vested account balance does not exceed \$5,000, a distribution of the vested account will be made to the participant as soon as administratively feasible following termination of employment. If the amount of the distribution exceeds \$1,000, and the participant does not elect to receive or roll the distribution, the distribution will be rolled directly over to an IRA.

Hardship distributions are permitted from a participant's fully vested elective deferral accounts, accounts attributable to employer matching contributions, and accounts attributable to employer nonelective contributions. In-service distributions are also permitted for participants from all contribution accounts that are fully vested if a participant has attained age 59 ½ effective July 1, 2023 (previously was age 65 prior to July 1, 2023) or has incurred a disability.

Forfeited Accounts

At June 30, 2024 and 2023, forfeited nonvested accounts totaled \$73 and \$62, respectively. Forfeitures may be used to pay plan administrative expenses or reduce any nonelective contribution or matching contribution. During the year ended June 30, 2024, forfeitures totaling \$11,922 were used to reduce employer matching contributions and qualified nonelective contributions.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles accepted generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

June 30, 2024 and 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Administrators determine the Plan's valuation policies utilizing information provided by the investment adviser, insurance company and trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are reported on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investment contracts held by a defined contribution plan are required to be reported at fair value, as the Guaranteed Portfolio Fund does not permit the insurance company to terminate the agreement prior to the scheduled maturity date. Since the Plan cannot withdraw money until maturity, the contract is not considered fully benefit-responsive in accordance with Accounting Standards Codification (ASC) Topic 960-325. The contract is therefore considered non benefit-responsive and is included in the financial statements at fair value, which represents contributions made under the contract, plus earnings, less withdrawals and administrative expenses.

Investment Concentration

The Plan holds certain investments that represent 10% or more of the Plan's total investments at June 30:

	2024	2023
BlackRock LifePath Index 2025 K	\$ 2,422,077	\$ 2,324,573
BlackRock LifePath Index 2030 K	2,094,928	2,457,180
BlackRock LifePath Index Retirement K	1,472,924	1,934,713
BlackRock LifePath Index 2035 K	1,609,105	1,537,684

Contributions

Contributions from Plan participants and the matching contributions from the Employer are recorded in the year in which the employee contributions are withheld from compensation. The discretionary profit sharing contribution is funded subsequent to the year end.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments.

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Subsequent Events

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through March 21, 2025, the date the financial statements were available to be issued.

The Plan identified an operational error associated with the plan vesting provisions. As a result, the Plan has been retroactively amended as the plan undergoes self-correction procedures in accordance with Internal Revenue Service Revenue Procedure 2021-30. The Plan will restore incorrectly forfeited amounts. The Plan is still in the process of determining the corrective amount due to the Plan.

Additionally, the Plan was amended for the July 1, 2024 through June 30, 2025 Plan year regarding allocation conditions for nonelective contributions. Also, the Plan was amended for the year of service definition which established a minimum number of hours for participants who are credited with at least one Hour of Service on or after July 1, 2024.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets and liabilities in active markets;
- Quoted prices for identical or similar assets and liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTES TO FINANCIAL STATEMENTS

June 30, 2024 and 2023

NOTE 3 - FAIR VALUE MEASUREMENTS - CONTINUED

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2024 and 2023.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Investment contract with insurance company: Valued at fair value using a discounted cash flow valuation methodology where the interest rate for the portfolio investment contract is reset at least as frequently as annually.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2024 and 2023:

Assets at Fair Value as of June 30, 2024				
	Level 1	Level 2	Level 3	Total

NOTES TO FINANCIAL STATEMENTS

June 30, 2024 and 2023

NOTE 4 - INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has a non-benefit-responsive investment contract with Empower Annuity Insurance Company of America, which maintains contributions in a general account. The account is credited with earnings on the underlying investments and charges for participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of these investments at contract value. Certain events limit the ability of the Plan to transact at contract value with the issuer, including: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan); (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions; (3) bankruptcy of the plan sponsor or other plan sponsor events that cause a significant withdrawal from the Plan; or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 6 - TAX STATUS

The Company has adopted a Non-Standardized Pre-Approved Profit Sharing Plan with CODA sponsored by Empower Retirement LLC. The pre-approved profit sharing plan received an opinion letter on November 14, 2022 that the pre-approved profit sharing plan was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan administrator and the plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTES TO FINANCIAL STATEMENTS

June 30, 2024 and 2023

NOTE 7 - CERTIFIED INVESTMENTS

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at June 30, 2024 and 2023 and net appreciation in fair value of investments, and interest and dividends for the year ended June 30, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Annuity Insurance Company of America and Empower Trust Company, LLC (the trustee).

NOTE 8 - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Recordkeeping services are performed and certain plan investments are managed by Empower Annuity Insurance Company of America and Empower Trust Company, LLC, the trustee. Therefore, these transactions qualify as party-in-interest transactions. All other transactions which may be considered related party or parties-in-interest transactions relate to normal plan management and administrative services.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
