(1) Name: **BONADIO & CO LLP**

(2) EIN: **16-1131146**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		☒	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		☒	
l Has the plan failed to provide any benefit when due under the plan?		☒	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		☒	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

INDEPENDENT AUDITOR'S REPORT

November 25, 2024

To the Plan Administrator of
The Claxton-Hepburn Medical Center 403(b) Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the accompanying financial statements of Claxton-Hepburn Medical Center 403(b) Retirement Plan (the Plan), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Claxton-Hepburn Medical Center 403(b) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Claxton-Hepburn Medical Center 403(b) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Claxton-Hepburn Medical Center 403(b) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit Section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Claxton-Hepburn Medical Center 403(b) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Claxton-Hepburn Medical Center 403(b) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023, Schedule I, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITOR'S REPORT

(Continued)

Other Matter – Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

CLAXTON-HEPBURN MEDICAL CENTER 403(b) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF PLAN

The following brief description of Claxton-Hepburn Medical Center 403(b) Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering eligible employees of Claxton-Hepburn Medical Center (the Hospital) who have elected to participate. Management administers the Plan in accordance with its terms and applicable laws and has all necessary and appropriate powers to carry out the provisions of the Plan. Hand Benefits & Trust Company (Hand) and Lincoln Life and Annuity Company of New York (Lincoln) are custodians of the Plan's assets. Hand provides record keeping services to the Plan.

Eligibility

Participants that are NYSNA union members become eligible for employer matching and qualified non-elective contributions on the closest January 1st or July 1st after 1,000 hours of service over a 12 month period. Participants that are SEIU 1199 union members become eligible for employer matching on the closest January 1st or July 1st after 750 hours of service over a 12 month period. SEIU 1199 union members are not eligible for qualified non-elective contributions. Non-union members become eligible for employer and qualified non-elective contributions immediately upon hire. Participants become eligible for employee contributions immediately upon hire. There is no age requirement for employee or employer contributions.

Contributions

Participants may make voluntary contributions subject to certain limitations of the Plan and Internal Revenue Code (the Code). The Plan provides for matching contributions up to 1%, 2% or 3% of eligible compensation and makes an additional fixed contribution to the Plan amounting to 3.0% of eligible compensation provided the employee meets the service requirement and was employed on the last day of the Plan year. The level of each participant's match percentage and additional fixed contribution is based on whether the participant is a union or non-union employee, and which union the employee belongs to if the participant is a union employee.

Investments

The plan currently offers mutual funds and fully benefit responsive guaranteed investment contracts. A portion of investments are held in pooled separate accounts held with Lincoln Life and Annuity Company of New York, but participants are no longer able to direct contributions to that fund. Participants may change their investment options daily.

Participant Accounts

Each participant's account is credited with the participant's contributions and Hospital contributions, as well as allocations of Plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings (losses), account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. DESCRIPTION OF PLAN (Continued)

Vesting

Participants are immediately vested in their voluntary contributions plus earnings and losses thereon. Union members employed under collective bargaining agreement are also immediately vested in the organization's matching contributions and qualified non-elective contributions made by the organization and the actual earnings or losses thereon. Non-union members become 100% vested after three years of service. The Organization does not have an incremental vesting schedule therefore participants are fully vested after they complete the minimum years of service.

Forfeitures

Forfeited accounts can be used to pay Plan expenses or offset future employer contributions. At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$27,789 and \$19,571, respectively. There were no reductions of plan expenses or employer contributions from forfeited nonvested accounts during the years ended December 31, 2023 and 2022.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account. The loan interest rate, determined quarterly, is set at prime rate, as defined. Principal and interest is paid ratably through bi-weekly payroll deductions or directly by participants.

Payment of Benefits

Upon termination of service due to death, retirement or other reasons, a participant or beneficiary will receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum payment.

Hardship Withdrawals

Hardship withdrawals from the Plan are permitted from participant accounts. All hardship withdrawals must comply with rules relating to hardships, which are uniformly applicable to all participants.

Administration

Administrative expenses of the Plan for the years ended December 31, 2023 and 2022 were paid by the Plan participants as a reduction of investment income.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Recently Adopted Accounting Guidance

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) Topic 326 Financial Instruments – Credit Losses* requires certain financial assets to be measured at amortized cost net of an allowance for estimated credit losses. This standard replaced the incurred loss methodology with an expected loss methodology that is referred to as the current expected credit loss ("CECL") methodology. The estimated credit loss is required to be based on historical information, current conditions, and forecasts that could impact the collectability of the amounts. Under the standard, disclosures are required to provide users of the financial statements with useful information in analyzing an entity's exposure to credit risk and the measurement of credit losses.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Recently Adopted Accounting Guidance (Continued)

Effective January 1, 2023, the Plan adopted ASC 326 using the modified retrospective approach for all financial assets measured at amortized cost. The new accounting pronouncement did not have a material impact on the financial statements. Results for reporting periods beginning after January 1, 2023 are presented under CECL while prior period amounts continue to be reported and disclosed in accordance with previously applicable accounting standards.

Use of Estimates

The preparation of financial statements in accordance with GAAP requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investment in registered investment companies and pooled separate accounts are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are reflected on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan's investments in fixed annuity contracts and a stable value fund that are fully benefit-responsive and are stated at contract value. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully-benefit responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. The contract value represents contributions made under the contracts, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan invests in various types of investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits. All investments are participant directed.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Allowance for Credit Losses

The Plan records a receivable for the employer contribution that is remitted to the Plan subsequent to the Plan's year-end. The Plan considers an expected allowance for credit losses that is updated to reflect any changes in credit risk since the receivable was initially recorded. The estimated allowance for credit losses is based on historical, current, and expected future conditions. The Plan has not experienced any historical credit losses relative to contributions receivable and future economic conditions are not expected to change relative to historical financial information, therefore management has determined that no allowance for credit losses is necessary as of December 31, 2023.

Benefits Paid to Participants

Benefit payments to participants are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan that are paid directly by the Hospital are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses presented on the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation in fair value of investments presented on the accompanying statements of changes in net assets available for benefits.

Risks and Uncertainties

The Plan provides for various investment options in a variety of investment securities. Investment securities are exposed to various risks, such as interest rate risk, financial market risk and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the statements of assets available for benefits.

Fair Value Measurement

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair market value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under ASC Section 820 are described below:

- Level 1 - Valuations are based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Valuation adjustments are not applied to Level 1 instruments. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these products does not entail a significant degree of judgment.
- Level 2 - Valuations are based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.
- Level 3 - Valuations are based on inputs that are unobservable and significant to the overall fair value measurement.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurement (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Registered investment companies: Valued at the daily closing price as reported by the fund. Registered investment companies held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded. (Level 1)

Pooled separate accounts: Units of pooled separate accounts are valued at each accounts NAV as determined by Lincoln Life as a practical expedient to estimate fair value.

There have been no changes to the valuation techniques used during 2023 and 2022.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

3. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIANS

The Plan administrator has obtained certifications from the plan custodians, Hand and Lincoln for the years ended December 31, 2023 and 2022, that the following information is complete and accurate as of and for the year ended December 31:

	<u>2023</u>	<u>2022</u>
Investments, at fair value	\$ <u>61,944,898</u>	\$ <u>51,137,750</u>
Investments, at contract value	\$ <u>17,887,662</u>	\$ <u>18,135,823</u>
Notes receivable from participants	\$ <u>740,626</u>	\$ <u>791,196</u>
Interest and dividends	\$ <u>2,389,280</u>	\$ <u>2,722,613</u>
Net appreciation (depreciation) in fair value of investments	\$ <u>8,309,003</u>	\$ <u>(14,495,128)</u>
Interest income on notes receivable from participants	\$ <u>38,210</u>	\$ <u>41,778</u>
Schedule of Assets Held at End of Year	Schedule I	

4. FAIR VALUE MEASUREMENTS

The Plan's assets at fair value, within the fair value hierarchy, were as follows at December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies	<u>\$ 60,139,187</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 60,139,187
Pooled separate accounts at net asset value (a)				<u>1,805,711</u>
				<u>\$ 61,944,898</u>

The following sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies	<u>\$ 49,538,607</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 49,538,607
Pooled separate accounts at net asset value (a)				<u>1,599,143</u>
				<u>\$ 51,137,750</u>

(a) In accordance with the FASB authoritative guidance regarding fair value measurement, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The Plan invests in pooled separate accounts of Lincoln Financial which are designed to mimic the investment returns of traditional equity and fixed-income markets. The fair value of these investments has been estimated using the net asset value per share of the investments as provided by Lincoln.

5. GUARANTEED INVESTMENT CONTRACTS

The Plan invests in a MetLife Stable Value Fund (the Fund) and a group annuity contract held by Lincoln which hold fully benefit responsive investment contracts provided with guaranteed principal and accrued interest, based on credited interest rates, for participant-initiated withdrawals as long as the contracts remain active.

Because the fund's investment in guaranteed investment contracts are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contracts. Therefore, the guaranteed investment contracts are presented on the face of the statement of net assets available for benefits at contract value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

5. GUARANTEED INVESTMENT CONTRACTS (Continued)

There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents, including complete or partial Plan termination or merger with another plan or (2) bankruptcy of the plan sponsor. The plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

6. PARTY-IN-INTEREST TRANSACTIONS

Lincoln and Hand are custodians of the Plan's assets; Hand is the Plan recordkeeper; and the Hospital is the Plan sponsor. As such, transactions between Lincoln, Hand, the Hospital, and the Plan qualify as party-in-interest transactions. Additionally, certain plan assets consist of notes receivables from participants, which qualify as party-in-interest transactions.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the trustees of the Plan have the right to terminate the plan at any time, subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). In the event of termination, partial termination, or complete discontinuance of contributions to the Plan, all amounts credited to the accounts of the participants would become fully vested and nonforfeitable. All distributions would be made in accordance with any applicable requirements of ERISA and the Internal Revenue Code (the Code).

8. TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the IRC. A prototype document was used by the Plan to obtain its latest determination letter on March 31, 2017, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

9. RECONCILIATION TO FORM 5500

Certain items have been classified differently between the financial statements and Form 5500. Net assets available for benefits and changes in net assets available for benefits per the financial statements agree to Form 5500 in total as of and for the years ended December 31, 2023 and 2022.

10. SUBSEQUENT EVENTS

Subsequent events have been evaluated through November 25, 2024, which is the date the financial statements were available to be issued.
