<b>Independent Auditor's Report</b>	1-2
<b>Statement of Net Assets Available for Benefits</b>	3
<b>Statement of Changes in Net Assets Available for Benefits</b>	4
<b>Notes to Financial Statements</b>	5-6

## Independent Auditor's Report

To the Plan Administrator  
Lettuce Help You Fund

### **Opinion**

We have audited the financial statements of Lettuce Help You Fund (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of June 30, 2024 and 2023 and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of June 30, 2024 and 2023 and the changes in net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audits of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or that may become due to such participants.

### **Auditor's Responsibilities for the Audits of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that audits conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Plan Administrator  
Lettuce Help You Fund

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

**Note 1 - Plan Description**

The following description of Lettuce Help You Fund (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

***General***

The Plan was established by Lettuce Entertain You Enterprises, Inc. (the "Company") on July 1, 2005 and covers substantially all hourly employees of the Company. The Plan is a defined contribution welfare benefit plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

***Administration***

The Company is the Plan's sponsor and administrator. The Plan's board of trustees consists of the following company personnel: one owner, the director of human resources, and three hourly employees. The three hourly employees will rotate each year. The Company pays all administrative costs of the Plan.

***Eligibility***

All hourly employees of the Company, except for those who are managers or qualify as highly compensated employees under Internal Revenue Service (IRS) guidelines, are eligible to participate in the Plan after completing 90 days of service.

***Contributions***

All contributions to the Plan are voluntary. All employees of the Company, including those not covered by the Plan for benefit purposes, may make contributions to the Plan after completing 90 days of service. The Company may also make contributions to the Plan.

***Benefits***

The Plan provides emergency financial assistance to eligible employees in cases of extreme financial need beyond the employees' control. Examples include loss of residence, funeral expenses, uninsured automobile damages, and uninsured medical expenses.

A benefit payment will be considered only upon completion of an application for financial assistance by an eligible employee and limited to the available funds in the Plan. All benefit payments will be made at the discretion of the hourly trustees. All claims will be reviewed and decided upon within 90 days. However, if there are special circumstances that require additional time to process the claim, the plan administrator will notify the participant of a specific date no later than 180 days after receipt of the claim. A participant has the right to appeal a denial within 60 days after written notification of denial or expiration of the 90- or 180-day review period, whichever is applicable. Additional information regarding the claim can be submitted at the time of the appeal.

In most cases, benefit payments will be made through the Company's payroll system, as the majority of the payments will be subject to payroll taxes. The Plan will then reimburse the Company for the amount of the payments. Benefit payments can also be made directly from the Plan's trust. As of June 30, 2024 and 2023, the Plan owed the Company \$2,327 for unreimbursed payments.

**Note 2 - Summary of Significant Accounting Policies**

***Benefit Claim Payments***

Benefit claims are recorded when paid.

***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

***Subsequent Events***

The financial statements and related disclosures include evaluation of events up through and including January 31, 2025, which is the date the financial statements were available to be issued.

**Note 3 - Tax Status**

The trust established under the Plan to hold the Plan's assets is intended to qualify pursuant to Section 501(c)(9) of the Internal Revenue Code, and, accordingly, the trust's income is generally exempt from income taxes. The trust has obtained a favorable tax exemption letter from the Internal Revenue Service, and the plan sponsor believes that the trust continues to qualify and to operate in accordance with applicable provisions of the Internal Revenue Code.

**Note 4 - Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to modify benefits, discontinue contributions, and terminate the Plan at any time subject to the provisions set forth in ERISA. If the Plan terminates, funds will be used for the intended purposes until exhausted.
