INDEPENDENT AUDITOR'S REPORT

Board of Trustees
Iron Workers Local 399 Vacation Fund
Hammonton, New Jersey

Opinion

We have audited the accompanying financial statements of Iron Workers Local 399 Vacation Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits (in liquidation) as of June 30, 2024 and 2023 and related statement of changes in net assets available for benefits (in liquidation) for the years ended June 30, 2024 and 2023, and the related notes to the financial statements.

In our opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the net assets available for benefits (in liquidation) of Iron Workers Local 399 Vacation Fund as of June 30, 2024 and 2023, and the changes in its net assets available for benefits (in liquidation) for the years ended June 30, 2024 and 2023 (on going), in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Iron Workers Local 399 Vacation Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As described in Note 6 to the financial statements, the governing body of the Plan resolved to terminate the Plan and management determined liquidation is imminent. Accordingly, certain provisions of the plan were amended to facilitate the termination. The distribution of benefits shall be made as soon as legally permissible and administratively predictable. As a result, the Plan has changed its basis of accounting to the liquidation basis of accounting. Our opinion is not modified with respect to that matter. The Plan terminated June 30, 2024.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

VACATION FUND
NOTES TO FINANCIAL STATEMENTS**

1. DESCRIPTION OF THE PLAN

The following brief description of Iron Workers Local 399 Vacation Fund is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General

Effective July 1, 1989, by an Agreement and Declaration of Trust, Iron Workers Local 399 Vacation Fund was formed for the purpose of providing Vacation Fund benefits for all employees covered by the Collective Bargaining Agreement. The Vacation Fund is subject to the provisions of the Employee Retirement Security Act of 1974 (ERISA).

The Plan provides payments for vacation benefits. Benefits earned by participants for hours worked in covered employment are credited monthly to each participant's vacation account.

The Vacation Fund may be terminated only by joint agreement between contractor and union (see Note 6).

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

As described in Note 6 to the financial statements, effective July 1, 2022, the governing body of the Plan resolved to terminate the Plan and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the going concern basis to the liquidation basis of accounting in presenting the financial statements.

Contributions

Since the resolution to terminate the Plan, effective for work periods on or after July 1, 2022 there are no contributions to the Plan. Contributions were deducted from employees' pay and remitted to the Plan at a rate of \$3.25 for work through June 30, 2022. The contributions in the accompanying financial statements represent delinquent contributions for work periods prior to July 1, 2022.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Income Taxes

The Fund is exempt from federal income tax under Section 501(c)(9) of the Internal Revenue Code. Accordingly, no provision for income tax is included in the accompanying financial statements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Subsequent Events

Management has evaluated events and transactions occurring subsequent to June 30, 2024 for items that should potentially be recognized or disclosed in these financial statements. The evaluation was conducted through the date these financial statements were available for issue.

3. CASH AND EQUIVALENTS

The Vacation Fund maintains cash balances in a financial institution located in the southern New Jersey area. Accounts at this institution are insured by the Federal Deposit Insurance Corporation up to \$250,000. At no times did the amount of deposit exceed the insured amount.

4. TERMINATION OF THE PLAN

In the event of the termination of the Plan, the assets then remaining after providing for the expenses of the Plan shall continue to provide vacation benefits until all the assets are disbursed. See Note 6.

5. RELATED PARTY TRANSACTIONS

The Vacation Fund, along with other Local 399 Funds, is jointly administered. Expenses for clerical wages and fringe benefits are allocated and reimbursed in accordance with a formula adopted by the Trustees. For the years ended June 30, 2024 and 2023, the Vacation Fund administrative allocation was \$5,864 and \$2,210, respectively.

6. . PLAN TERMINATION

Effective July 1, 2022, the governing body of the Plan resolved to terminate the Plan. Accordingly, certain provisions of the plan were amended to facilitate the termination. The distribution of benefits was made as soon as legally permissible and administratively predictable. All assets of the Plan were distributed as of June 30, 2024.

Participants should refer to the plan agreement, Summary of Material Modifications, and/or other notices from the plan or fiduciary for a more complete description.
