INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
403(b) Thrift Plan of Agape Network, Inc.
Miami, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of 403(b) Thrift Plan of Agape Network, Inc., (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of June 30, 2024, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment

information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule of Assets (Held at End of Year) as of June 30, 2024 and the Schedule of Delinquent Contributions as of June 30, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors’ Report on the 2022 Financial Statements

We were engaged to audit the 2022 financial statements of the Plan. As permitted 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated April 1, 2024, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2022 financial statements, and (b) the form and content of the information included in the 2022 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor’s Rules and Regulations for reporting and disclosure under ERISA.

NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2024

NOTE 1 – DESCRIPTION OF PLAN

The following description of the 403(b) Thrift Plan of Agape NETWORK, Inc. (the "Plan") provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General

The Plan is organized as a defined contribution plan under Section 403(b) of the Internal Revenue Code and covers substantially all full-time employees of South Florida Jail Ministries, Inc. d/b/a Agape Network (the "Employer"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and is administered by a custodian appointed by the Board of Directors of the Employer. The Plan was established effective July 1, 2008.

Eligibility

Generally, all employees who have completed at least 1,000 hours of service are eligible to participate in the Plan.

Contributions

Participants may elect to make voluntary pre-tax contributions or designated Roth contributions up to 100% of annual compensation. The maximum contribution for the 2024 and 2023 Plan years was \$23,000 and \$22,500, respectively. If a participant has attained age 50, the participant is eligible to make an additional catch-up contribution. For the 2024 and 2023 Plan year, a maximum catch-up contribution of \$7,500 was allowed. If a participant is an employee of a hospital or home health service agency, health or welfare service agency, church or educational organization, the participant may be eligible to make an additional contribution, called a special catch-up contribution. To be eligible for this special catch-up contribution, participants must have completed at least 15 years of service with the employer. Additionally, the Employer will make a matching contribution on the participant's behalf equal to 100% of the participant's contribution to the plan that does not exceed 5% of the participant's compensation received during the plan year. Participants must be at least 18 years of age and have completed at least 1,000 of service to receive employer matching contributions. Participants direct the investment of their contributions into a variety of investment options. Participants may change their investment options at their discretion.

Participant Accounts

Each participant's account is credited with the participant's contribution, allocations of the Employer's contribution and Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their non-Roth vested account balance. Loan terms may not exceed five years, unless used to acquire the principal residence of the participant. The loans are secured by the balance in the participant's account. Loans must bear a reasonable rate of interest, not to exceed the legal limit. The balance for Participant Loans as of June 30, 2024 and 2023 was \$21,004 and 7,230, respectively.

403(b) THRIFT PLAN OF AGAPE NETWORK, INC.
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2024

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Vesting

Participants are immediately vested in their own contributions plus actual earnings thereon. Vesting in the Employer's matching contribution portion of their accounts plus actual earnings thereon are fully vested when the participant has completed three (3) years of service with the Employer.

A participant will also be 100% vested under any of the following circumstances:

- Death before retirement date.
- Disability before retirement date.
- Attainment of normal retirement age.
- Termination of the Plan.

In addition, a participant is immediately 100% vested in any amount which has been transferred or rolled over into the Plan from another qualified employee benefit plan.

Payment of Benefits

On termination of service due to retirement, a married participant's vested accounts will be paid in the form of a qualified joint and survivor annuity and an unmarried participant's vested accounts will be paid in the form of a non-refund life annuity. If a participant dies before his or her benefits commence, the value of his account will be paid by December 31 of the calendar year containing the fifth anniversary of his death.

A participant may generally withdraw funds from any of his accounts under the Plan prior to his retirement for any of the following reasons:

- Severance of employment
- Death
- Disability
- Attained age of 59 ½
- Plan termination
- Hardship

In addition, a participant may withdraw his rollover contribution accounts at any time subject to IRS limitations.

Forfeitures

The nonvested portion of a participant's account is forfeited upon termination of employment with the Employer. Forfeitures remain in the Plan to reduce Employer contributions. The Plan incurred forfeitures of \$32,735 as of June 30, 2024.

Plan Termination

Although it has not expressed any intention to do so, the Employer has the right under the Plan to discontinue its contributions and to terminate the Plan subject to the provisions set forth in ERISA.

Investment Options

Upon enrollment in the Plan, participants may direct the investment of their contributions and the Organization's contributions into various investments.

403(b) THRIFT PLAN OF AGAPE NETWORK, INC.
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2024

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America. In September 2009, the Financial Accounting Standards Board (“FASB”) implemented the Accounting Standards Codification (“ASC”) which establishes FASB ASC as the source of authoritative U.S. accounting and reporting standards for nongovernmental entities. Presented below is a summary of significant accounting principles followed in the preparation of the accompanying financial statements.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions to net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Participant loans are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. The interest rate for the loan varies from 4.6% to 5.8%% interest. No allowance for credit losses has been recorded as of June 30, 2024 or 2023. The balance for Participant Loans as of June 30, 2024 and 2023 was \$21,004 and 7,230, respectively.

Payment of Benefits

Benefits are recorded when paid.

Plan Expenses

The Employer pays substantially all expenses of the administration of the Plan. Any administrative expenses or costs associated with the investment of a participant's account and any costs or expenses associated with making a distribution to a participant are charged to that participant's account.

403(b) THRIFT PLAN OF AGAPE NETWORK, INC.
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2024

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Income Taxes

The Plan is qualified under Section 403(b) of the Internal Revenue Code (the "Code") and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan administrator believes the Plan is operated in compliance with the applicable requirements of the Code and, therefore, believes the Plan continues to be qualified and the related trust is tax-exempt. Accordingly, no provision for income taxes has been recorded in the accompanying financial statements. U. S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

Risk and Uncertainties

The Plan provides for various investment options. These investments are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of such investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statement of net assets available for plan benefits and statement of changes in net assets available for plan benefits.

NOTE 3 – PARTY-IN-INTEREST TRANSACTIONS

Certain of the Plan's investments are shares of mutual funds and Interest Accumulation Account named by Mutual of America. Mutual of America is the custodian of the Plan and, therefore, these transactions qualify as party-in-interest. Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of the of the investment, as they are paid through revenue sharing rather than a direct payment. Additionally, the Plan issues loans to participants which are secured by the participant's account balances. These transactions qualify as party in interest transactions. Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employees receives compensation from the Plan.

NOTE 4 – INFORMATION CERTIFIED BY THE CUSTODIAN

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mutual of America Life Insurance Company, the custodian of the Plan, has certified to the completeness and accuracy of all investments and cash and cash equivalents reflected on the accompanying Statements of Net Assets Available for Benefits as of June 30, 2024 and June 30, 2023 and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of June 30, 2024, and the related net appreciation in value of investments and interest reflected in the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended June 30, 2024.

403(b) THRIFT PLAN OF AGAPE NETWORK, INC.
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2024

NOTE 5- NON-EXEMPT PARTIES IN INTEREST TRANSACTIONS

Certain employee pretax contributions totaling \$39,367, after-tax contributions of \$15,034 and Employer matching contributions of \$39,487 were not remitted to the Plan within the defined time period. The defined time period requires that sponsors remit employee contributions to the Plan as soon as they can be reasonably segregated from the sponsor's general assets, but not later than the 15th business day of the month following the month in which the participant contributions are withheld or received by the sponsor. These contributions are deemed nonexempt party-in-interest transactions and are disclosed in the accompanying supplemental schedule of delinquent participant contributions. To correct this, lost earnings of \$309 were remitted to the Plan and allocated to participants in 2025.

NOTE 6 – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits.

ASC 820, *Fair Value Measurements*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available.

ASC 820 establishes a three-level valuation hierarchy for measurement and disclosure of fair value. The valuation hierarchy is based upon the transparency of inputs used to measure fair value. The three levels are as follows:

Level 1 – asset value is based on actual quoted prices in active markets for identical securities (mark-to-market).

Level 2 – other significant observable inputs are used to arrive at fair value (including yield, quality, coupon rate, maturity, issue type, quoted prices for similar securities, prepayment speeds, trading characteristics, etc.).

Level 3 – significant unobservable inputs (including management's own assumptions in determining the fair value of investments).

Pooled Separate Accounts: Valued at the quoted net asset value ("NAV") of shares held by the Plan at year end.

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been provided and certified as complete and accurate by the custodian.

The Plan's investments at June 30, 2024 and 2023 are reported at fair value in the accompanying statements of net assets available for benefits.

NOTE 7 – INTEREST ACCUMULATION ACCOUNT

Participants may select from a variety of investments including an Interest Accumulation Account with Mutual of America Life Insurance Company ("Mutual"). Mutual maintains amounts allocated under this contract in a general account titled the "Mutual of America Interest Accumulation Account." The account is included in cash and cash equivalents on the Statements of Net Assets Available for Benefits.

On a daily basis, Mutual increases the value of units in the general account to appropriately match the stated rate of interest. The account is charged for withdrawals and administrative expenses. Participants may withdraw or transfer all or a portion of their account balance at any time. Accordingly, participant account balances are completely liquid.

NOTE 8 – SUBSEQUENT EVENTS

ASC Topic 855, Subsequent Events, establishes general standards of accounting for and disclosure of events that occur after the consolidated balance sheet date but before consolidated financial statements are issued or are available to be issued. For the year ended June 30, 2024, the Plan has evaluated all subsequent events through April 7, 2025, which is the date the consolidated financial statements were available to be issued, and concluded no additional subsequent events have occurred that would require recognition or disclosure in these consolidated financial statements that have not already been accounted for.
