## INDEPENDENT AUDITORS' REPORT

To the Participants and  
Plan Administrator of the  
Swords to Plowshares 403(b) Plan  
San Francisco, California

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Swords to Plowshares 403(b) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year then ended June 30, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of June 30, 2024 and 2023 and for the year ended June 30, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

The supplemental Schedule of Assets Held for Investment at Year End is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**SWORDS TO PLOWSHARES 403(B) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2024 AND 2023**

**NOTE 1 - DESCRIPTION OF PLAN**

The following description of the Swords to Plowshares 403(b) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan was established on July 1, 2005 as a defined contribution plan established to provide eligible employees of Swords to Plowshares (the Organization) (the Plan Sponsor) with retirement, death and disability benefits. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and Section 403(b) of the Internal Revenue Code (IRC).

Participant Eligibility, Contributions and Vesting - All employees are eligible to participate in the Plan except for the following classes: (a) employees who are non-residents aliens who do not receive earned income from the Organization which constitutes income from sources within the United States and (b) employees who are on call contingent workers. Participants may begin deferring a portion of their compensation into the Plan upon their first day of employment. The Plan allows participants to designate contributions as Roth 403(b) contributions. Contributions to the Plan are limited to the maximum amount allowable under the provisions of the IRC.

The Plan Sponsor is allowed to make discretionary non-elective quarterly contributions for a flat dollar amount based on years of service, as defined in the Plan and as approved by the Board of Directors. To be eligible for a discretionary non-elective contribution, the participants must complete one year of service with at least 1,000 hours, normally work more than 20 hours per week and be employed on the last day of the Plan quarter. For the year ended June 30, 2024, the Plan Sponsor approved non-elective employer contributions in the amount of \$482,000.

Participation in the Plan is voluntary. Participants are fully vested in the entire amount of their contributions and any rollover amounts from other qualified plans, together with actual earnings thereon, at all times. The Plan Sponsor's non-elective contributions vest immediately.

Forfeited non-vested accounts are available by the Plan to offset future employer contributions or pay plan expenses. As of June 30, 2024 and 2023, the forfeited non-vested accounts totaled \$1,691 and \$1,668, respectively.

Investment Options - Participants exercise control over the types of investments made on their behalf, provided that such accounts are invested in investment funds designated by the Plan. Participants may invest in any one or more investment funds and change their investment options at any time.

Payment of Benefits - Upon retirement (age 59 ½), termination, disability or death, a participant or their beneficiary in the event of death, may elect to receive a lump-sum amount, annuity distribution or installment payments equal to the value of the participant's vested interest in their account. Additionally, participants may take in-service distributions from their deferral contributions account due to hardship. Upon termination, automatic distributions are required for balances of less than \$5,000. Generally, certain minimum distributions are required for participants who have separated from service and have reached age 73.

**SWORDS TO PLOWSHARES 403(B) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2024 AND 2023**

**NOTE 1 - DESCRIPTION OF PLAN (Continued)**

Notes Receivable from Participants - Subject to Internal Revenue Service (IRS) regulations and limitations, participants may borrow up to the lesser of \$50,000 or 50% of their vested account balance with a minimum loan amount of \$1,000. Such loans bear interest at a commercially reasonable rate established by the Plan administrator and are generally repayable in terms of up to 5 years, except for home mortgage loans which are 30 years. Loan payments will be suspended for up to one year following an approved non-military leave of absence. All loans are secured by the participants' account balances.

Participant Accounts - Each participant's account is credited with the employee's payroll contributions, the employer's contributions, and Plan earnings and losses. Allocations to participants' accounts are based on participant compensation or account balances in accordance with the provisions of the Plan.

Administration - The Plan Sponsor is the plan administrator. The Plan's assets are managed by Empower Trust Company, LLC (Empower) and Lincoln National Life Insurance Company (Lincoln), the custodians of the Plan. The custodians, appointed by the Plan Sponsor, execute investment transactions and hold Plan investment assets. The plan administrator reviews the performance of the various available investments and makes decisions on the addition or deletion of an investment fund.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting - The accompanying financial statements have been prepared on the accrual basis of accounting and in accordance with accounting principles generally accepted in the United States of America. Contributions from participants are recorded when withheld. Benefit payments and expenses are recorded when paid.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties - The Plan provides for various investment securities. These securities are exposed to various risks such as interest rate, market fluctuations and credit risks. Further, due to the level of risk associated with these securities and the level of uncertainty related to changes in the values of investment securities, it is possible that changes in the various risk factors in the near term would materially affect the participants' account balances and the amounts reported in the accompanying financial statements.

**SWORDS TO PLOWSHARES 403(B) PLAN  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2024 AND 2023**

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Valuation of Investments - Investments in mutual funds are stated at fair value determined by quoted market prices. The investment in the fixed annuities that invests in a fully benefit-responsive investment contract is valued at contract value. Participant loans are valued at cost, which approximates fair value. Purchases and sales of investments are recorded on a trade-date basis. Net change in fair value of investments consists of the change in unrealized appreciation or depreciation during the year and the realized gain or loss of sold investments during the year. Acquisition costs are included in the cost of investments and sales are recorded net of selling expenses.

Administrative Expenses - Certain expenses of maintaining the Plan are paid directly by the Organization and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net change in fair value of investments.

Subsequent Events - Subsequent events were evaluated through April 2, 2025, the date the financial statements were available to be issued.

**NOTE 3 - CERTIFIED INFORMATION**

In accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, information certified by Empower and Lincoln regarding the current value of assets held as of June 30, 2024 and 2023, and transactions entered into during the Plan year were used in the preparation of the accompanying financial statements and supplemental schedule. The following table summarizes the assets certified by the custodians.

	<u>2024</u>	<u>2023</u>
Fixed annuities	\$ 626,943	\$ 607,130
Mutual funds	8,501,028	7,094,901

**SWORDS TO PLOWSHARES 403(B) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2024 AND 2023**

**NOTE 3 - CERTIFIED INFORMATION (Continued)**

In addition, Empower and Lincoln certified the following amounts for the year ended June 30, 2024:

Interest from notes receivable from participants	\$ 17,166
Interest and dividends	221,778
Net investment gain from fully benefit-responsive investment contracts	16,939
Net change in fair value of investments	<u>845,177</u>
	<u><u>\$ 1,101,060</u></u>

**NOTE 4 - FAIR VALUE MEASUREMENTS**

Generally accepted accounting principles establish a hierarchy to prioritize the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest ranking to fair values determined using unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest ranking to fair values determined using methodologies and models with unobservable inputs (Level 3). Observable inputs are those that market participants would use in pricing the assets based on market data obtained from sources independent of the Plan. Unobservable inputs reflect the Plan's assumption about the inputs market participants would use in pricing the asset or liability developed based on the best information available in the circumstances.

The fair value hierarchy is categorized into three levels based on the inputs as follows:

Level 1 - Values are unadjusted quoted prices for identical assets or liabilities in active markets accessible at the measurement date.

Level 2 - Inputs included in quoted prices for similar assets or liabilities in active markets, quoted prices from those willing to trade in markets that are not active, or other inputs that are observable or can be corroborated by market data for the term of the instrument. Such inputs include market interest rates and volatilities, spreads and yield curves.

Level 3 - Certain inputs are unobservable (supported by little or no market activity) and significant to the fair value measurement. Unobservable inputs reflect the Plan's best estimate of what hypothetical market participants would use to determine a transaction price for the asset or liability at the reporting date.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodology used for assets measured at fair value at June 30, 2024 and 2023.

*Mutual funds:* Valued at the Net Asset Value (NAV) of shares held by the Plan at year end.

**NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)**

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

In accordance with generally accepted accounting principles, the following table represents the Plan's fair value hierarchy for its financial assets measured at fair value on a recurring basis as of June 30, 2024:

	<b>Level 1</b>	<b>Level 2</b>	<b>Level 3</b>	<b>Total Amount</b>
Mutual funds	\$ 8,501,028	\$ -	\$ -	\$ 8,501,028

In accordance with generally accepted accounting principles, the following table represents the Plan's fair value hierarchy for its financial assets measured at fair value on a recurring basis as of June 30, 2023:

	<b>Level 1</b>	<b>Level 2</b>	<b>Level 3</b>	<b>Total Amount</b>
Mutual funds	\$ 7,094,901	\$ -	\$ -	\$ 7,094,901

**NOTE 5 - TAX STATUS**

The Plan adopted a prototype 403(b) plan with a cash or deferral arrangement which has received a favorable opinion letter from the IRS, which states that the Plan is designed in compliance with the applicable sections of the IRC. The Plan has been amended since receiving the opinion letter. The Plan's opinion letter is being relied on by the Plan. Plan management believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. The Plan's tax filings are subject to audit by various taxing authorities.

**NOTE 6 - PLAN TERMINATION AND MODIFICATION**

The Plan Sponsor intends to continue the Plan indefinitely for the benefit of its employees; however, it reserves the right to terminate and/or modify the Plan at any time by resolution of its Board of Directors and subject to the provision of ERISA.

**NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are managed by Empower and Lincoln, the custodians of the Plan. Any purchases and sales of these funds are performed in the open market at fair value or contract value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA. During the year, the Plan incurred administrative fees of \$24,497 to Empower, \$675 to Lincoln, and \$8,550 to Peery & Associates Inc as their third-party administrator. Some of these fees were paid outside of the Plan.

**NOTE 8 - FULLY BENEFIT RESPONSIVE INVESTMENT CONTRACT**

The Plan's investment in the fixed annuities is fully benefit-responsive. The fully benefit-responsive investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the fixed annuity contracts are fully benefit-responsive, contract value is the relevant measurement and presented on the face of the statement of net assets available for benefits. Contract value, as reported to the Plan by the custodians, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawals or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than zero percent.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events that cause a significant withdrawal from the Plan or (4) the failure of the trust to qualify for exemption under ERISA. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are probable of not occurring.
