Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the accompanying financial statements of Southeast Unloading, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

To the Plan Administrator and Participants
Southeast Unloading, LLC 401(k) Plan
Fernandina Beach, Florida

INDEPENDENT AUDITOR'S REPORT

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4a - Schedule of Delinquent Participant Contributions and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial

statements, or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SOUTHEAST UNLOADING LLC, 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 1 - Description of Plan

The following description of the Southeast Unloading, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Summary Plan Description and the adoption agreement for a more complete description of the Plan's provisions.

General

The Plan, originally effective August 1, 2008, and most recently amended January 1, 2023, is a defined contribution plan covering all employees of Southeast Unloading, LLC (the Company) and participating employers who have completed 120 days of service and are age 18 or older. The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the provisions of the Internal Revenue Code (IRC). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Employees participating in the Plan may elect to contribute either pre-tax or Roth deferrals up to the maximum of \$22,500 allowed under the Internal Revenue Service (IRS) limitation for calendar year 2023. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to \$7,500 to the Plan in 2023. Participants may also contribute amounts representing distributions from other qualified retirement plans or individual retirement accounts. Upon completion of eligibility requirements, the Plan provides for an automatic participant deferral of 6% of the participant's compensation, as defined, unless the participant makes a contrary election. The deferral percentage will automatically increase by 1% on January 1 of each Plan year, up to a maximum of 10%.

Prior to January 1, 2023, the Plan allowed for the Company to make a discretionary matching contribution equal to a uniform percentage, as determined annually, of each participant's elective deferrals. The Company could also elect to make an additional discretionary contribution each year to the Plan, subject to certain eligibility criteria, as defined.

Effective January 1, 2023, the Plan was amended to convert to a 401(k) Safe Harbor Plan, under which the Company will provide a safe harbor matching contribution equal to 100% of a participant's elective deferrals, up to 4% of eligible compensation.

Qualified Non-Elective Contribution (QNEC)

The Plan recorded QNECs totaling \$159,639 and \$41,681 during the years ended December 31, 2023 and 2022, respectively, for certain participants who were not provided the opportunity to contribute their elected deferrals or did not receive the appropriate Company matching contribution due to certain administrative errors. Participants are immediately 100% vested in the QNECs. The contributions were made in accordance with IRS regulations and do not affect the tax status of the Plan. The QNECs were funded subsequent to December 31, 2023, and are included in employer qualified non-elective contributions receivable in the accompanying statements of net assets available for benefits.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's matching contributions, and an allocation of Plan earnings, and charged with benefit payments and an allocation of the Plan's losses and expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

SOUTHEAST UNLOADING LLC, 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Investment Options

Participants direct the investment of their accounts into various options offered by the Plan. Participants may change their investments periodically, as permitted by the Plan sponsor.

Vesting

Participants are immediately vested in their contributions and Company safe harbor matching contributions plus actual earnings thereon. Vested rights to Company contributions made prior to January 1, 2023, accrue at a rate of 20% per year beginning with the participant's second year of service with full vesting accruing after six years of service. Upon attaining normal or early retirement age, death, or permanent disability, Company contributions vest immediately.

Payment of Benefits

Upon termination of employment, retirement, disability, or death, if the participant's vested account balance does not exceed \$5,000, the participant may elect to receive the vested account balance in a single lump-sum payment. If the vested account balance is more than \$1,000 and the participant does not make an election, the Plan automatically will roll over the distribution to an individual retirement account. If the vested balance exceeds \$5,000, the participant may elect to receive a distribution in a single lump-sum payment or in a series of installments over time. Hardship withdrawals may be requested from employee deferrals and are paid in one lump-sum upon approval. In-service distributions from a participant's vested account balance may be made provided the participant has reached the age of 59 ½. One such distribution can be made in any 12-month period.

Forfeited Accounts

Any non-vested amounts remaining after the distribution of a terminated participant's account balance are forfeited. Forfeitures may be used to pay Plan expenses and reduce Company contributions. The balance of the forfeiture account was \$31 at December 31, 2022. There were no unallocated forfeitures at December 31, 2023. During 2023, forfeitures of \$15 were used to pay administrative expenses of the Plan and \$27,554 were used to reduce the Company's contributions.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements, in accordance with U.S. generally accepted account principles, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for additional discussion of fair value measurements.

SOUTHEAST UNLOADING LLC, 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payments of Benefits

Benefits are recorded when paid.

Plan Expenses

The Company has elected to pay certain administrative expenses of the Plan. Expenses paid by the Company are excluded from the financial statements. Administrative expenses paid by the Plan include investment management and recordkeeping fees. Certain transaction fees for distributions are charged directly to the accounts of the participants who incur those fees. Certain investment-related expenses are included in net appreciation in fair value of investments in the accompanying statement of changes in net assets available for benefits. Any costs associated with the investment of a participant's account are charged to that participant.

Excess Contributions Payable

The Plan is required to pass annual compliance tests. For those plans that do not pass the tests, options for corrections are available to the Plan. For Actual Deferral Percentage (ADP) and Actual Contribution Percentage (ACP) purposes, the Plan has two options for correction of testing failures: return excess contributions to highly compensated employees or make a qualified non-elective contribution to the non-highly compensated employees. The Plan did not pass the ADP test for the year ended December 31, 2022, and chose to return excess contributions to the highly compensated employees as the correction method. Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

Subsequent Events

The Plan has evaluated events and transactions occurring subsequent to December 31, 2023, as of February 13, 2025, which is the date the financial statements were available to be issued. No material events have occurred since December 31, 2023, that require recognition or disclosure in the financial statements.

Reclassifications

Certain items have been reclassified in the 2022 financial statements to conform to the 2023 presentation.

Note 3 - Information Certified by Principal Life Insurance Company, Principal Global Investors Trust Company, and Principal Trust Company

The following is a summary of the Plan's financial information and data included in the Plan's financial statements and supplemental schedule of assets (held at end of year), which was certified by Principal Life Insurance Company, Principal Global Investors Trust Company, and Principal Trust Company as of December 31, 2023 and 2022, and for the year ended December 31, 2023, as complete and accurate, as permitted by 29 CFR 2520.103 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SOUTHEAST UNLOADING LLC, 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule of assets (held at end of year).

Note 4 - Fair Value Measurements

The Plan measures and reports its financial assets and liabilities using a three-tier hierarchy, which prioritizes the inputs used in measuring fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1—Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2—Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3—Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There has been no change in the methodologies used at December 31, 2023 and 2022.

Pooled Separate Accounts—The Plan holds units of participation in the separate accounts, which are valued daily at their accumulation unit value. Accumulation unit value is determined based on the net asset values of the underlying funds, which are generally quoted in active markets, and the contract's separate account charges. The pooled separate accounts allow one transfer per 30-day period. Contributions into the investment option are not impacted. There are no unfunded commitments on these investments.

Mutual Funds—Valued as determined by quoted market price, which represents the net asset value of shares held by the Plan at year-end. The mutual funds held by the Plan are deemed to be actively traded.

Collective Investment Trusts—The Plan invests in certain Principal LifeTime Hybrid Collective Investment Trust funds maintained by Principal Global Investors Trust Company. These investments are valued at the net asset value of the units held by the Plan as determined by the issuer of the trusts based on the fair value of the underlying investments less liabilities. Participant transactions (purchases and sales) may occur daily. There are no unfunded commitments on these investments.

SOUTHEAST UNLOADING LLC, 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

The Plan also invests in the Principal Stable Value Z Fund, which is a collective investment fund established, operated, and maintained by Principal Global Investors Trust Company. The Principal Stable Value Z Fund invests solely in the Morley Stable Value Fund, which invests in conventional, synthetic, and separate account investment contracts. The fund is valued at the net asset value of the units of the respective collective trust. The net asset value, as provided by the issuer of the fund, is used as a practical expedient to estimate fair value. The net asset value of shares held by the Plan at year-end are based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value.

Principal Global Investors Trust Company files a U.S. Department of Labor Form 5500, Annual Return/Report of Employee Benefit Plan, as a direct filing entity for the Principal Stable Value Z Fund collective investment trust. Accordingly, certain disclosure requirements under the Financial Accounting Standards Board Accounting Standards Update 2015-12, with respect to investment strategies for investments measured using the net asset value practical expedient, are not required in this report.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables, set forth by level within the fair value hierarchy, indicate the Plan's assets at fair value as of December 31, 2023 and 2022:

December 31, 2023	Fair Value	Fair Value Measurements at Reporting Date Using		
		Level 1	Level 2	Level 3

**Investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been included in the fair value hierarchy. The net asset values presented in this table are intended to reconcile the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.*

SOUTHEAST UNLOADING LLC, 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

The following tables for December 31, 2023 and 2022, set forth a summary of the Plan's Investment reported at net asset value as a practical expedient to estimate fair value:

<u>December 31, 2023</u>	<u>Fair Value Measurements at Reporting Date Using</u>			
	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Principal Stable Value Z Fund	<u>\$ 16,352</u>	<u>\$ -</u>	Daily	12 Months
<u>December 31, 2022</u>	<u>Fair Value Measurements at Reporting Date Using</u>			
	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Principal Stable Value Z Fund	<u>\$ 11,472</u>	<u>\$ -</u>	Daily	12 Months

Note 5 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

Note 6 - Tax Status

The Plan sponsor has adopted a non-standardized pre-approved profit-sharing plan, which received a favorable opinion letter dated June 30, 2020, in which the IRS states that the pre-approved plan is in compliance with the requirements of the IRC. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more-likely-than-not, based on the technical merits, to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7 - Party-in-Interest Transactions

Certain of the Plan's investments were held and managed by Principal Life Insurance Company and Principal Global Investors Trust Company as of December 31, 2023 and 2022. Transactions in these investments qualify as party-in-interest transactions. Administrative fees paid to Principal Life Insurance Company totaled \$49,815 for the year ended December 31, 2023.

Note 8 - Risks and Uncertainties

The Plan utilizes various investment instruments, which are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near-term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9 - Non-Exempt Transactions

During the Plan years ended December 31, 2021 and 2023, the Company did not remit certain employee deferrals within the appropriate time period prescribed by the Department of Labor. These transactions constitute prohibited transactions as defined by ERISA. The Company has corrected certain of these late remittances and is in the process of correcting the remainder of them including depositing lost earnings into the Plan.

Note 10 - Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2022:

	<u>2022</u>
Net Assets Available for Benefits Per the Financial Statements	\$ 2,030,324
Excess Contributions Payable - 2022	<u>34,209</u>
Net Assets Available for Benefits Per Form 5500	<u>\$ 2,064,533</u>

The following is a reconciliation of net increase in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31, 2023:

	<u>2023</u>
Net Increase in Net Assets Available for Benefits Per the Financial Statements	\$ 1,155,363
Excess Contributions Payable - 2022	<u>(34,209)</u>
Net Increase in Net Assets Available for Benefits Per Form 5500	<u>\$ 1,121,154</u>
