Independent Auditor's Report

To the Plan Administrator
GCI Residential Inc.
401(k) Profit Sharing Plan and Trust

Opinion on the 2023 Financial Statements

We have audited the accompanying financial statements of GCI Residential Inc. 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of GCI Residential Inc. 401(k) Profit Sharing Plan and Trust as of December 31, 2023, and the changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion on the 2023 Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of GCI Residential Inc. 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

To the Plan Administrator
GCI Residential Inc.
401(k) Profit Sharing Plan and Trust

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about GCI Residential Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of GCI Residential Inc. 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

To the Plan Administrator
GCI Residential Inc.
401(k) Profit Sharing Plan and Trust

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about GCI Residential Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2023 Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) and schedule of delinquent participant contributions are presented for additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter - Auditor's Report on the 2022 Financial Statements

The financial statements of GCI Residential Inc. 401(k) Profit Sharing Plan and Trust as of December 31, 2022, were audited by other auditors whose report dated October 16, 2023, expressed an unmodified opinion on those statements.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

NOTE 1: DESCRIPTION OF PLAN

The following description of the GCI Residential Inc. 401(k) Profit Sharing Plan and Trust (Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan established and effective January 1, 2006, to provide employees of GCI Residential Inc. (Company) the opportunity to accumulate savings that provide benefits in the event of retirement, disability, or death. The Plan is structured to comply with the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The responsibility for management of Plan assets and the investment policy is vested in plan management. The responsibility for operation and administration of the Plan is vested in the Chief Executive Officer. Effective January 1, 2020, the Plan did not have a trustee to certify the Plan's assets. Paychex Retirement Services is the record keeper for the Plan. Merrill Lynch provides investment trading-related services to the Plan.

Eligibility - Participation in the Plan is voluntary. Employees, except for non-resident aliens, employees covered by a collective-bargaining agreement, residents of Puerto Rico, and employees of any employer acquired as part of a merger or acquisition, become eligible to begin deferring in the Plan and receiving profit-sharing contributions after attaining 21 years of age and completing three months of service. Eligible employees become eligible to receive employer-match contributions after attaining 21 years of age and completing three months of service. Employees may enter the Plan on the first day of each month following the date of eligibility. Upon enrollment, participants direct their contributions to various investment options offered by the Plan.

Contributions - Each year, participants are eligible to make elective deferrals up to 92% (90% effective October 1, 2023) of their annual compensation, as defined in the Plan, up to the maximum permitted by law. Elective deferrals include pre-tax 401(k) contributions and after-tax Roth contributions. Participants who have attained age 50 before the end of a plan year are eligible to make catch-up contributions during the plan year. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Company contributes a safe harbor matching contribution equal to 100% of the participant's elective deferrals that do not exceed 3% of the participant's compensation, plus 50% of the next 2% of the participant's compensation. Company matching contributions are contributed to the Plan each payroll period and are calculated based on each participant's cumulative compensation and cumulative elective and catch-up contributions through such payroll period. Additional types of contributions may be contributed by the Company to the Plan. No such additional types of contributions were made for the Plan year ended December 31, 2023. All contributions are subject to certain limitations in accordance with provisions of the Internal Revenue Code (IRC).

NOTE 1: DESCRIPTION OF PLAN - CONTINUED

Participant Accounts - Each participant's account is credited with the participant's contribution and Company matching contributions, as well as allocations of the Company's profit-sharing contribution and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Certain administrative expenses are netted against the earnings of the investment alternatives held by the participants.

Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their contributions, safe harbor employer contributions, and actual earnings thereon. Participants vest in discretionary employer profit-sharing contributions on a 6-year graded schedule with 20% vesting at the end of two years of service, vesting an additional 20% each year, and becoming fully invested in discretionary employer profit-sharing contributions at the end of the sixth year of service.

Payment of Benefits - Upon retirement, disability, or termination of service, a participant may elect to receive a lump-sum amount equal to the value of the vested interest in his or her account, substantially equal installments, partial withdrawals provided the minimum withdrawal is \$1,000; or delay withdrawal until a future date, if the account balance is at least \$5,000. If a terminated participant does not elect to have a mandatory distribution not exceeding \$1,000 paid directly to an eligible retirement plan specified by the participant in a direct rollover or to receive the distribution directly, the plan administrator will direct the custodian to immediately distribute such benefit in a lump sum without the participant's consent. For any distribution exceeding \$1,000, but not more than \$5,000, the participant shall be given the option to elect to have such a distribution paid directly to an eligible retirement plan specified by the participant in a direct rollover or to receive the distribution directly. If neither option is selected, the plan administrator shall make such distribution in a direct rollover to an individual retirement plan designated by the plan administrator and shall provide written notice to the participant informing the participant that they have the option to transfer such amount into another individual retirement plan of his or her own choice. A participant who has reached age 59½ may elect to withdraw all or a portion of his or her vested account while still employed by the Company. Upon the death of a participant, the participant's beneficiary is entitled to the balance of the participant's account. As required under Section 401(a)(9) of the IRC, a participant must begin receiving required minimum distributions from the Plan by April 1 of the calendar year following the later of 1) the calendar year following the year in which the participant reaches age 72, or 73 if the participant is not 72 prior to January 1, 2023; or 2) the calendar year in which the participant retires if the participant is not a 5% owner.

Hardship Withdrawals - Effective October 1, 2023, the Plan was restated to allow hardship withdrawals. Participants may withdraw their vested account balance in the form of a hardship withdrawal to satisfy an immediate and heavy financial need, as defined by the Plan.

NOTES TO FINANCIAL STATEMENTS - CONTINUED
DECEMBER 31, 2023

NOTE 1: DESCRIPTION OF PLAN - CONTINUED

Notes Receivable from Participants - Participants may borrow from their accounts a minimum of \$1,000, generally the lesser of (a) \$50,000 reduced by the highest outstanding loan balance during the previous 12 months or (b) 50% of their vested account balance. Loan terms range from one to five years for general purpose loans. The loans are secured by the balance in the participant's account and bear fixed interest at the prime rate on the last day of the month preceding the month in which the loan is processed for payment, plus 1%. Generally, payments of principal and interest on the loan will be deducted from an employee's regular pay in equal amounts each pay period beginning with the first pay period following the date of the loan.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America require the Company to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received for the sale of an asset or paid for the transfer of a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and the custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is accrued when earned. Net appreciation/depreciation includes the Plan's gains and losses in investments bought and sold as well as those held during the year.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. Delinquent participant loans are recorded as distributions based on the terms of the plan agreement.

Contributions - Contributions from plan participants are recorded in the year in which the participant contributions are withheld from compensation.

Payment of Benefits - Benefits are recorded when paid.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Forfeited Accounts - Forfeitures may be used to reduce the Company's contributions, pay or reimburse administrative expenses, or may be treated as additional contributions at the Company's discretion. As of December 31, 2023 and 2022, forfeited nonvested accounts totaled \$0. During 2023, no forfeitures were used.

Administrative Expenses - Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Costs associated with participant-initiated transactions are paid by the respective participants' accounts. Administrative expenses of the Plan are partially paid by the Plan and partially absorbed by the plan sponsor. Some administrative expenses are paid from the annual operating expenses of the Plan's designated investment alternatives, which are netted against the investment earnings for the relevant participant-directed investments.

Subsequent Events - The Plan's policy is to evaluate events and transactions subsequent to its year end for potential recognition in the financial statements or disclosure in the notes to the financial statements. The plan administrator has evaluated events and transactions through the date of the independent auditor's report, which is the date the financial statements were available to be issued.

NOTE 3: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

NOTE 3: FAIR VALUE MEASUREMENTS - CONTINUED

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There has been no change in the methodology used as of December 31, 2023 and 2022.

Registered Investment Companies (Mutual Funds) - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	2023			
	Level 1	Level 2	Level 3	Total
Interest-Bearing Cash	\$ 507	\$ -	\$ -	\$ 507
Registered Investment Companies	659	-	-	659

On December 27, 2023, the Plan transferred \$3,991,728 of assets administered by Paychex Retirement through Merrill Lynch to the Standard Retirement Services, Inc. (The Standard). The transfer was not completed by The Standard until January 18, 2024. These Plan assets are reflected as cash in transit on the schedule of net assets. See Note 11 for more detail.

NOTE 4: RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan has not considered normal plan operations such as participant and employer contributions or benefits accrued or paid by the Plan for participants as party-in-interest transactions that require separate disclosure. Distribution and loan fees are paid out of the relevant participants' accounts. These transactions qualify as party-in-interest transactions that are exempt from the prohibited transaction rules.

NOTE 5: PLAN TERMINATION

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in all employer contributions.

NOTE 6: TAX STATUS

Effective May 30, 2022, the Plan adopted the Ascensus non-standardized pre-approved profit-sharing plan with cash or deferred arrangement, which received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the form of the Plan is qualified under Section 401 of the IRC and, therefore, the related trust is tax exempt. Effective October 1, 2023, the Plan was restated to adopt The Standard non-standardized defined contribution pre-approved plan, which received an opinion letter from the IRS on June 30, 2020, stating that the form of the Plan is qualified under Section 401 of the IRC and, therefore, the related trust is tax exempt. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Company believes the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS or DOL. The Company has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan's federal Form 5500 is subject to examination by the IRS and DOL, generally for the three years after it was filed.

NOTE 7: RISKS AND UNCERTAINTIES

The Plan invests in various registered investment companies, which are exposed to various risks such as interest rates, market, and credit risk. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits.

NOTE 8: COMMITMENTS AND CONTINGENCIES

In the normal course of business, there may be various commitments and contingencies outstanding which are not reflected in these financial statements. In the opinion of the Company, the outcome of such events, if any, would not have a material effect on the Plan's financial position or operations.

NOTE 9: RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits between the financial statements and Form 5500 as of December 31:

	<u>2023</u>	<u>2022</u>

The following is a reconciliation of the change in net assets available for benefits between the financial statements and Form 5500 as of December 31:

	<u>2023</u>

Add: Participant Contributions Receivable December 31, 2022	<u>-</u>

NOTE 10: PROHIBITED TRANSACTIONS

As required by ERISA Section 2310.3-102, the plan sponsor is required to segregate employee contributions and loan repayments to the Plan from its general assets as soon as practicable. Employee contributions totaling \$19,242, all of which represented employee salary deferrals and loan repayments, were not remitted timely. These contributions are considered prohibited transactions. The Company will calculate lost investment earnings and file Form 5330, as applicable, and expects to compensate the Plan for the lost earnings in 2025.

NOTE 11: PLAN TRANSFERS

On December 27, 2023, the Plan transferred \$3,991,728 of assets administered by Paychex Retirement through Merrill Lynch to The Standard. Paychex initiated the wire on December 26, 2023, assets were transferred from Paychex on December 27, 2023, and Paychex provided records for the transfer on January 3, 2024. Due to concerns with the data, The Standard was not able to complete the reconciliation until January 18, 2024. Since the assets were not reflected on The Standard's December 31, 2023 statements for the Plan, these Plan assets are reflected as cash in transit on the schedule of net assets.

NOTE 12: PLAN AMENDMENT AND RESTATEMENT

Effective October 1, 2023, the Plan was restated to adopt the Standard Retirement Services, Inc. non-standardized defined contribution pre-approved plan, which received an opinion letter from the IRS on June 30, 2020, stating that the form of the Plan is qualified under Section 401 of the IRC and, therefore, the related trust is tax exempt.

Effective as of January 1, 2024, the Plan includes an automatic salary deferral feature. The Company will automatically withhold 1% of compensation for each payroll period. The automatic deferral provisions apply to employees whose employment commencement date (or reemployment commencement date) is January 1, 2024, or later.
