INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of the OCAB, Inc.
Community Action Agency Tax Sheltered Annuity Plan
Orangeburg, South Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of OCAB, Inc. Community Action Agency Tax Sheltered Annuity Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of OCAB, Inc. Community Action Agency Tax Sheltered Annuity Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023, and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 11 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of OCAB, Inc. Community Action Agency Tax Sheltered Annuity Plan, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about OCAB, Inc. Community Action Agency Tax Sheltered Annuity Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of OCAB, Inc. Community Action Agency Tax Sheltered Annuity Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about OCAB, Inc. Community Action Agency Tax Sheltered Annuity Plan's ability to continue as a going concern for a reasonable period of time.
- Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets held at year for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information

directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022**

NOTE 1 - DESCRIPTION OF THE PLAN

Orangeburg-Calhoun-Allendale-Bamberg Community Action Agency, Inc. ("Agency"), the Plan Sponsor, maintains the OCAB, Inc. Community Action Agency Tax Sheltered Annuity Plan ("Plan") for the benefit of eligible employees. The Plan is a 403(b) retirement plan. The Plan administrator is the Orangeburg-Calhoun-Allendale-Bamberg Community Action Agency, Inc. Board of Directors. The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering the employees of the Agency. All employees are eligible for tax deferred contributions at the date of hire. Employees are eligible to receive matching contributions when they have completed six months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions - Each year, participants may contribute up to the maximum percentage of compensation and dollar amounts permissible under the Internal Revenue Code, not to exceed the annual limit set by the Internal Revenue Service. The Agency matches 100% of the contributions made by the participants up to a maximum of 10% of the employee's compensation. Participants direct the investment of their contributions into various investment options offered by the Plan.

Participant Accounts - Each participant's account is credited with the participant's contribution, the Agency's matching contributions and an allocation of the Plan earnings (losses) and administrative expenses. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the amount that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Agency's matching contribution portion of their accounts is based on years of service. An employee is not vested in employer matching contributions during the first three years of service. After three years of credited service, a participant is 100% vested in the Agency's matching contributions. Participants also become 100% vested upon death, attainment of retirement age, or permanent disability.

Investments - Upon enrollment in the Plan, a participant may direct contributions into any of the investment options provided under the Plan. At December 31, 2023, and 2022, the investment options were sponsored by Nationwide Trust Company, FSB.

Participant Loans - Participants may borrow from their account balances up to certain limitations. The maximum amount a participant may borrow is the lesser of 50% of their account balance or \$50,000. The \$50,000 maximum is reduced by the participant's highest outstanding loan balance in the previous twelve months. The loans are secured by the balance in the participant's account and accrue interest at an interest rate of bank prime plus 1%. Loan terms range from one to five years or up to 10 years for purchase of a primary residence. Principal and interest are paid through payroll deductions. Participant loans are stated at their outstanding balances, which approximate fair value.

Payment of Benefits - Upon termination of service, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in their account. An eligible rollover distribution is also permitted.

In the event of a hardship as defined by the Plan, participants may withdraw an amount not to exceed the total of the exact amount needed to cover the financial need, plus any income taxes or penalties related to the hardship withdrawal.

NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022**

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared under the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan documents. No allowances for credit losses have been recorded as of December 31, 2023, and 2022.

Investment Valuation and Income Recognition - Investments include mutual funds and a fully benefit responsive investment contract.

Mutual funds held by the Plan are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Plan's fully benefit responsive investment contract is valued at contract value. Contract value equals the book value less any contingent deferred sales charge. This contract currently does not have a contingent deferred sales charge.

Purchases and sales of investments are recorded on a trade date basis. Net appreciation includes the Plan's dividends paid and gains and losses on investments bought, sold and held during the year.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - The Plan's expenses are paid either by the Plan or the Agency, as provided by the plan document. Expenses that are paid directly by the Agency are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying Statements of Changes in Net Assets Available for Benefits. In addition, certain investment related expenses are included in net appreciation of fair value of investments presented in the accompanying Statements of Changes in Net Assets Available for Benefits. (Note G contains additional information regarding Administrative Expenses).

Excess Contributions - Contributions received from participants in 2022 are net of excess contributions of \$14,575. The excess contributions are returned to certain participants as required to satisfy the relevant nondiscrimination provisions of the Plan. The amount is included in the Plan's Statements of Net Assets Available for Benefits as excess contributions payable at December 31, 2023.

New Accounting Pronouncements - Accounting standards that have been issued or proposed by the Federal Accounting Standards Board or other standards setting bodies are not expected to have a material impact on the Plan's Statements of Net Assets Available for Benefits or Statements of Changes in Net Assets Available for Benefits.

NOTE 3 - CONTRIBUTIONS RECEIVABLE

As of December 31, 2023, the Plan had an employer contribution receivable of \$6,550, an employee contribution receivable of \$6,593, and nothing for Plan year 2022 the receivables were \$2,814 and \$2,835 respectively.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy are described as follows:

Level 1 - Quoted market prices in active markets for identical assets or liabilities.

Level 2 - Other observable market-based inputs or unobservable inputs that are corroborated by market data.

Level 3 - Unobservable inputs that cannot be corroborated by market data and reflect the Plan's own assumptions.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023, and 2022.

Mutual funds - The mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and were valued at the daily closing price as reported by the fund.

The Plan's investments as of December 31, 2023, and 2022 are reported at fair value measured on a recurring basis as follows:

Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3
Investments at Fair Value:			
Mutual funds	\$ 884,751	\$ -	\$ -
			\$ 884,751
Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3
Investments at Fair Value:			
Mutual funds	\$ 877,873	\$ -	\$ -
			\$ 877,873

During the years ended December 31, 2023, and 2022, the net appreciation in fair value of the Plan's investments was \$156,690 and \$(170,846).

NOTE 5 - INVESTMENT CONTRACT

At December 31, 2023, and 2022 the Plan holds a traditional investment contract in the amounts of \$222,428 and \$236,841, respectively. The contract value represents contributions made under the contract, less withdrawals and applicable administrative expenses. The contract is fully benefit responsive, which means participants may direct the withdrawal or transfer in and out for all or a portion

of their investment at contract value, or book value. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract does not have a maturity date. The provisions do not provide for a distribution at contract book value at some specified future date. The contract continues in force until assets have been distributed or no further payments are due.

NOTE 6 - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Descriptions of related-party and qualified party-in-interest transactions follow:

The Plan's investments are managed by Nationwide Trust Company, FSB, the trustee of the Plan's assets.

Nationwide Financial Services, Inc. is the recordkeeper as defined by the Plan and received fees of \$14,902 and \$7,815 in 2023 and 2022, respectively, that are included in Administrative Expenses in the Statement of Changes in Net Assets Available for Benefits.

Certain audit and legal fees relating to the Plan are paid by the Agency.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the employer has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 9 - TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2014, that the Plan, as a Volume Submitter Profit Sharing Plan with Cash or Deferred Arrangement, is acceptable under the applicable section of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes the Plan is designed and is currently being operated in compliance with the Internal Revenue Code requirements and is exempt from federal income taxes. Therefore, no provision for federal income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions.
