INDEPENDENT AUDITORS' REPORT

Board of Directors
Child Guidance Resource Centers, Inc. 403(b) Retirement Plan
Havertown, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of Child Guidance Resource Centers, Inc. 403(b) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2023, and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Child Guidance Resource Centers, Inc. 403(b) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Principal Trust Company, the custodian of the Plan, as of and for the years ended June 30, 2023 and 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of Child Guidance Resource Centers, Inc. 403(b) Retirement Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

Because of inadequacies in the Plan's prior year records, we were unable to obtain sufficient appropriate audit evidence with respect to individual participant account balances accumulated from inception of the Plan or the basis on which participants' equity is stated as of June 30, 2023, and 2022, or the propriety of the distributions to participants who terminated during the years then ended.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Child Guidance Resource Centers, Inc. 403(b) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of Child Guidance Resource Centers, Inc. 403(b) Retirement Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditors' report. However, because of the matters described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of Child Guidance Resource Centers, Inc. 403(b) Retirement Plan, and to meet our ethical responsibilities, in accordance with relevant ethical requirements relating to our audits.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at year end) is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section, it is inappropriate to, and we do not, express an opinion on the supplemental schedule referred to above.

NOTE 1 - Description of Plan

The following description of the Child Guidance Resource Centers, Inc. 403(b) Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan document, as amended and restated, for a more complete description of the Plan's provisions.

- A. **General** - Child Guidance Resource Centers, Inc. (the "Sponsor") established the Plan to provide employees with a systematic means of savings and investing for the future. All permissible employees of the Sponsor, as defined in accordance with the universal availability standards are eligible to enroll on their commencement date. The Plan is an IRS Section 403(b) defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").
- B. **Eligibility** - Each employee is eligible to participate in the Plan as of their date of hire. Each employee who has completed one year of service and attained the age of 20, and is not an employee classified by the Sponsor as Therapeutic Staff Support ("TSS"), Mobile Therapist ("MT"), Outpatient Therapist ("OPS"), Behavior Specialist Consultants ("BSC"), or Psychiatric Staff ("PS") is eligible to receive the employer contribution.

All employees who participated in the Plan as of December 31, 2007 are excluded from the service and age requirement previously disclosed, and are eligible to receive the employer contribution.

- C. **Employee Contributions** - Eligible employees may make a voluntary, tax-deferred contribution of 1% to 100% of their annual salary and bonus to the Plan up to a maximum of \$22,500 and \$20,500, which is the maximum dollar limit set by law for the calendar years ending December 31, 2023 and 2022, respectively.

Participants age 50 and over may elect to make "catch-up contributions." For the calendar years ending December 31, 2023 and 2022, the maximum catch-up contribution was \$7,500 and \$6,500 respectively.

Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

- D. **Employer's Contributions** - The Sponsor may make a discretionary matching contribution of the participants' elective deferrals. For the years ending June 30, 2023 and 2022, the Sponsor elected to match employee salary deferrals at a rate of 50% of each eligible employee's tax deferred contribution up to the first 4%.

The Sponsor can elect to make a discretionary non-elective contribution from year to year, which is not contingent on the participant actively participating in the plan. For the years ended June 30, 2023 and 2022, the Sponsor elected to contribute 5% of each eligible participant's eligible compensation.

NOTE 1 - Description of Plan (Continued)

- E. Participants' Accounts - Each participant's account is credited with the participant's contributions, allocations of the employer's contributions, and plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participants' earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.
- F. Vesting - All employee contributions are fully (100%) vested and nonforfeitable. Participants become fully (100%) vested in the employer contributions upon the occurrence of death, total or permanent disability, or normal or early retirement. All participants whose commencement date is prior to January 1, 2008 will at all times have 100% vested interest in his or her employer contributions.

Other than as stated above, employer contributions vest based upon the following table:

<u>Years of Service</u>	<u>Percentage</u>
Less than 3 Years	0%
After 3 Years	100%

A participant's vested balance is determined as of the date of termination of employment or retirement.

- G. Payment of Benefits - Upon retirement, death, total or permanent disability of a participant, financial hardship, or upon a participant's termination of employment with the employer, the participant or their beneficiary, will receive a lump sum distribution of their account. For terminated participants with vested balances less than \$5,000, the administrator shall pay the participant in one simple lump sum payment as soon as possible after termination. For vested balances that exceed \$5,000, no distribution is made from the Plan without consent of the participant.
- H. Tax Status - The Plan terms have been drafted in reliance on the sample language provided by the Internal Revenue Service in Revenue Procedure 2007-71 and 2013-22. The Plan Administrator intends to apply for a determination letter on the Plan when the government opens such program. The Plan is required to operate in conformity with the Code to maintain its tax exemption. Plan management believes the Plan is currently designed and operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting Principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

NOTE 1 - Description of Plan (Continued)

- I. **Forfeitures** - Any participant who terminates employment without being fully (100%) vested in their employer contribution account forfeits their unvested portion of the employer contribution. The balance in the forfeited nonvested accounts was \$5,942 and \$0 at June 30, 2023 and 2022, respectively. Forfeitures are to be used to pay administrative costs or to offset the employer contributions. During 2023 and 2022, forfeitures were used to reduce employer contributions in the amounts of \$59,612 and \$98,977, respectively.
- J. **Risks and Uncertainties** - The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 2 - Summary of Significant Accounting Policies

This summary of significant accounting policies of the Plan is presented to assist in understanding the Plan's financial statements. The financial statements and notes are a representation of the Plan's management, who is responsible for their integrity and objectivity. The accounting policies described below conform to accounting principles generally accepted in the United States of America and have been applied consistently in the preparation of the financial statements.

Basis of Accounting - The financial statements of the Plan are prepared under the accrual method of accounting.

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Estimates - The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. The Plan's custodians determine the Plan's valuation policies utilizing information provided by the investment advisors, custodian, and insurance company.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 - Summary of Significant Accounting Policies (Continued)

Benefit Payments - Benefits are recorded when paid.

Administrative Expenses - Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Corrective Employer Contributions - At June 30, 2023, the Plan had \$14,555 of corrective employer contributions receivable due to the Plan sponsor failing to properly remit discretionary and matching contributions for certain eligible participants during 2023. Corrective employer discretionary contributions during the year ended June 30, 2023 were \$14,555.

Subsequent Events - Subsequent events were evaluated through March 17, 2025, which is the date the financial statements were available to be issued.

NOTE 3 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2023 and 2022.

NOTE 3 - Fair Value Measurements (Continued)

Registered Investment Companies: Valued at the daily closing price as reported by the fund. Shares of Registered Investment Companies held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The shares of Registered Investment Companies held by the Plan are deemed to be actively traded.

The following tables set forth, by level within the fair value hierarchy, the Plan's investment at fair value as of June 30, 2023 and 2022.

		Fair Value Measurements at the End of Reporting Period Using:
		Quoted Prices in Active Markets for Identical Assets (Level 1)

NOTE 4 - Custodian Certification

The information and activity for the years ended June 30, 2023 and 2022 summarized below was certified by Principal Trust Company. The Plan administrator has obtained certifications from Principal Trust Company as of and for the years ended June 30, 2023 and 2022, that the information provided to the plan administrator by the custodian is complete and accurate:

NOTE 5 - Investment Contract with Insurance Company

The Plan maintains a fully benefit-responsive guaranteed investment contract with Principal Trust Company. Principal Trust Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administration expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

As described in Note 2, because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by Principal Trust Company, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contracts at June 30, 2023 and 2022 was \$2,646,105 and \$2,639,258, respectively. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis.

Certain events limit the Plan's ability to transact at contract value with Principal Trust Company. Such events include the following: (a) amendments to the Plan document (including complete or partial plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE 6 - Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. However, no such action may deprive any participant or beneficiary under the Plan of any vested right.

NOTE 7 - Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of June 30, 2023 or 2022. If a participant ceases to make a loan repayment and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their nonforfeitable account balance, whichever is less. Loan transactions are treated as transfers between the investment fund and the participant notes fund. Loan terms range from one to five years, except for loans for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan's custodian. Interest rates on loans disbursed during the year ended June 30, 2023 range from 5.75% to 9.00% and interest rates on loans disbursed during the year ended June 30, 2022 range from 4.25% to 5.00%. Principal and interest are paid ratably through payroll deductions. Balances outstanding at June 30, 2023 and 2022 were \$339,412 and \$381,753 respectively.

NOTE 8 - Related Party Transactions

Principal Trust Company also provides administrative services for certain investment alternatives in the Plan. Principal Trust Company is the custodian as defined by the Plan, and, therefore, these transactions qualify as party-in-interest transactions. Fees paid directly by the Plan for these services amounted to \$20,044 and \$24,437 for the years ended June 30, 2023 and 2022, respectively. The custodian also received indirect compensation from the Plan which is calculated using basis points assigned by each alternative investment.

NOTE 9 - Reconciliation of Financial Statements to Form 5500
