Opinion on the 2023 Financial Statements

We have audited the financial statements of UFCW Local One 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements (2023 Financial Statements).

In our opinion, the accompanying 2023 financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023, and the changes in its net assets available for benefits for the year ended December 31, 2023, in accordance with accounting principles generally accepted in the United States of America (US GAAP).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2023 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the 2023 financial statements in accordance with US GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the 2023 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued (or when applicable, one year after the date that the financial statements are available to be issued).

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Our objectives are to obtain reasonable assurance about whether the 2023 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2023 Supplementary Information Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the 2023 financial statements as a whole. The supplementary information listed in the table of contents as of and for the year ended December 31, 2023 is presented for purposes of additional analysis and are not a required part of the financial statements but certain are supplemental information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS.

The Participants and Board of Trustees
UFCW Local One 401(k) Savings Plan

In forming our opinion on the supplementary information, we evaluated whether the supplementary information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplementary information is fairly stated, in all material respects, in relation to the 2023 financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter – Auditor's Report on the 2022 Financial Statements

The 2022 financial statements of the Plan as of and for the year ended December 31, 2022, were audited by Buchbinder Tunick & Company LLP, which entered into an asset purchase agreement with Weaver and Tidwell, L.L.P. effective January 1, 2024, expressed an unmodified opinion on those statements on October 16, 2023.

UFCW Local One 401(k) Savings Plan

Notes to Consolidated Financial Statements

Note 1. Description of the Plan

The following description of the UFCW Local One 401(k) Savings Plan (the Plan) is provided for general information purposes only. . Participants should refer to the *Plan document* for a more complete description of the Plan's provisions, which is available from Plan management.

General

The Plan is a multiemployer, defined contribution, participant-directed 401(k) pension plan. Participants are employees who are covered by a collective bargaining agreement between their employer and the United Food and Commercial Workers District Union Local One (the Local). Employees of the Local and the UFCW Local One Health Care Fund may also participate under participation agreements with the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Each year, participants may contribute on a pre-tax basis in accordance with the collective bargaining agreement between the participant's employer and the Local or as specified in the employer's participation agreement. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also designate some of their contributions as after-tax contributions to a Roth 401(k) option. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. Employers contribute as provided for in their respective collective bargaining agreement. The employer contribution is invested as directed by the participant. Contributions are subject to certain limitations.

One employer represented 74% and 77% of employer contributions income for the years ended December 31, 2023 and 2022, respectively and represented 82% and 86% of employer contributions receivable at December 31, 2023 and 2022, respectively.

Participant Accounts

Each participant's account is credited with the participant's contribution and employer contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions and employer contributions plus actual earnings thereon.

UFCW Local One 401(k) Savings Plan

Notes to Consolidated Financial Statements

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates as determined by Plan management. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

A participant is entitled to receive, upon the earlier of the participant's death, total and permanent disability, early or normal retirement, or after the attainment of age 59 1/2, the amount in his or her vested portion of the combined account. If a participant permanently terminates covered employment before any of the above events occur, the participant can receive a full distribution of the vested portion of the terminated participant's combined account. The normal form of benefit is a lump sum payment. The Plan also allows participants to make withdrawals in the event of a hardship resulting from an immediate and heavy financial need, under certain conditions.

Forfeited Accounts

At December 31, 2023 and 2022, forfeited non-vested accounts totaled of \$205,494 and \$105,657, respectively. These accounts will be used to first reduce the Plan's ordinary and necessary administrative expenses for the plan years in which they are incurred, and second, any remaining forfeitures shall be allocated to participants' accounts. During the years ended December 31, 2023 and 2022, \$106,300 and \$138,990, respectively, of forfeitures were allocated to participant accounts.

Third-Party Administrators

The Plan utilizes a third-party administrator for the administration of the Plan's participant account balances and for the payment of benefits to eligible participants.

Administrative Expenses

All administrative fees are paid by the Plan.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (US GAAP) requires Plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

UFCW Local One 401(k) Savings Plan

Notes to Consolidated Financial Statements

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Board of Trustees determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions from Plan participants and employer contributions are recorded in the year in which the employee contributions are withheld from compensation.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Expenses of maintaining the Plan are paid by the Plan. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

Plan Management's Review of Subsequent Events

The Plan has evaluated subsequent events through January 7, 2025 the date the financial statements were available to be issued.

UFCW Local One 401(k) Savings Plan

Notes to Consolidated Financial Statements

Note 3. Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the funds. The mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. The funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust fund: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Note 4. Related Party and Party-in-Interest Transactions

The Plan shares office space and administration with other related benefit funds. As part of a cost sharing arrangement, the Plan's affiliated Health Fund acts as paying agent for certain common administrative expenses. Consequently, the Plan reimburses its affiliated Health Fund for its estimated allocable share of these common administrative expenses as determined by the Board of Trustees under a cost sharing arrangement. Allocable administrative expenses include payroll and payroll related costs, rent and occupancy costs, as well as other administrative expenses. The actuary provides actuarial and related services for the Plan. These transactions are party-in-interest transactions under ERISA.

Reimbursable expenses to the Plan's affiliated Health Fund for administrative expenses for the years ended December 31, 2023 and 2022 totaled approximately \$387,000 and \$412,000 respectively. Reimbursements owed (to) the Plan's affiliated Health Fund as of December 31, 2023 and 2022 was \$(419,628) and \$(393,764), respectively.

Certain plan investments are managed by Unified Trust Company, N.A. Unified Trust Company, N.A. is the trustee of the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Notes to Consolidated Financial Statements

Note 5. Plan Termination

Although it has not expressed any intent to do so, the Board of Trustees has the right at any time to terminate the Plan. Termination shall not permit any part of the Plan to be used for or diverted to purposes other than the exclusive benefit of plan participants. In the event the Plan terminates, its net assets will be allocated as prescribed by ERISA and its related regulations.

Note 6. Tax Status

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated July 3, 2015, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, Plan management believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

US GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events, which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that some changes could materially affect participant account balances, and the amounts reported in the statements of net assets available for benefits.
