Independent Auditor's Report

The Administrative Committee
Postlethwaite & Netterville, APAC 401(K) Plan
Baton Rouge, Louisiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Postlethwaite & Netterville, APAC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 18, 2024 (in liquidation) and December 31, 2023 (in liquidation), and the related statement of changes in net assets available for benefits for the period ended June 18, 2024 (in liquidation), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 18, 2024 and December 31, 2023, and for the period ended December 31, 2023, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

What inspires you, inspires us. Let's talk. | eidebailly.com

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting

As further discussed in Note 2 to the financial statements, the Board of Directors of Postlethwaite & Netterville, APAC approved a plan of liquidation on September 8, 2023, and management determined liquidation was imminent. The Plan termination was effective September 30, 2023. As a result, the Plan changed its basis of accounting from the ongoing basis of accounting used in presenting the 2022 financial statements to the liquidation basis of accounting used in presenting the 2024 and 2023 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting

As further discussed in Note 2 to the financial statements, the Board of Directors of Postlethwaite & Netterville, APAC approved a plan of liquidation on September 8, 2023, and management determined liquidation was imminent. The Plan termination was effective September 30, 2023. As a result, the Plan changed its basis of accounting from the ongoing basis of accounting used in presenting the 2022 financial statements to the liquidation basis of accounting used in presenting the 2024 and 2023 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

POSTLETHWAITE & NETTERVILLE, APAC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan

The following description of the Postlethwaite & Netterville, APAC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan was a defined contribution plan covering all employees of Postlethwaite & Netterville, APAC and its wholly-owned subsidiary P&N Technologies, LLC (collectively referred to as the Company or Employer) who were age twenty-one or older and had completed one consecutive month of service. It was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On September 8, 2023, the Executive Committee of Postlethwaite and Netterville, APAC voted to terminate the Plan as a result of a company merger with EisnerAmper whereby all Company employees would be employed by EAG Gulf Coast, LLC as of May 21, 2023, the effective date of the company merger. Upon the approval of the termination, the Plan began liquidating investments according to the participant elections. For Employer profit-sharing contributions, May 21, 2023, was considered the last day of the Plan year for 2023.

Eligibility: Employees were eligible to participate in the Plan if they are 21 years of age and had completed 1 month of service. Employees were eligible for the discretionary matching and profit-sharing contribution once they completed one year of service. Employees were required to be employed on the last day of the plan year to be eligible for the discretionary profit-sharing contribution.

Entry Date: Employees entered the Plan on the first day of January, April, July, or October coinciding with or following the date they satisfied the Plan's eligibility requirements.

Contributions: Each year, participants were allowed to contribute pretax and after-tax (Roth) amounts up to the maximum amount allowed by IRS limitations. Participants who attained age 50 before the end of the Plan year were eligible to make catch-up contributions. Participants could also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Plan included an auto-enrollment provision whereby all newly eligible employees were automatically enrolled in the Plan unless they affirmably elected not to participate in the Plan. Automatically enrolled participants had their deferral rate set at 3 percent of eligible compensation and their contributions invested in a designated balance fund until changed by the participant. This deferral percentage increased by 1 percent each payroll year up to a maximum of 6 percent, absent instruction by the employee.

The Company, at management's discretion, could make an annual matching contribution for all participants who were employed as of the last day of the Plan year.

Participant Accounts: Each participant's account was credited with the participant's contribution and allocations of the Company's matching and profit-sharing contribution, and the Plan earnings and charged with an allocation of administrative expenses. Allocations were based on participant earnings, account balances, or specific participant transactions as defined. The benefit to which a participant is entitled was the benefit that could be provided from the participant's vested account.

POSTLETHWAITE & NETTERVILLE, APAC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan (continued)

Vesting: Participants were immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and profit-sharing contribution portion of their accounts plus actual earnings thereon was based on years of continuous service. A participant was 100% vested after six years of service. All active participants on May 21, 2023, became 100% vested in their accounts due to the Plan termination, unless they've incurred at least 5 consecutive 1-year breaks in service.

Payment of Benefits: On termination of service due to death, disability, or retirement, a participant could elect to receive either a lump-sum amount equal to the value of the participant's vested interest in their account, or periodic installments over various periods stipulated in the Plan. Any terminated participants with a balance of less than \$5,000 would be automatically paid out by the Plan upon termination. Distributions could be made at the participant's election prior to termination upon attainment of age 59½ and the Plan also allowed for hardship withdrawal options of employee contributions only.

Forfeitures: At June 18, 2024 and December 31, 2023, the balance in the nonvested forfeiture account totaled \$0 and \$28,171, respectively. During the period ended June 18, 2024, \$37,750 was utilized to pay Plan expenses and \$85,789 was allocated and distributed to Plan participants who received the 2023 discretionary employer contribution.

2. Summary of Accounting Policies

Basis of Accounting: The financial statements of the Plan as of June 18, 2024 and December 31, 2023, and for the period ended June 18, 2024, were prepared under the liquidation basis of accounting.

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments were reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for further discussion of fair value measurements.

Purchases and sales of securities were recorded on a trade-date basis. Interest was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

POSTLETHWAITE & NETTERVILLE, APAC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

Payment of Benefits: Benefits were recorded when paid.

Expenses: Certain expenses of maintaining the Plan were paid directly by the Company and were excluded from these financial statements. Investment-related expenses were included in net appreciation of fair value of investments.

Subsequent Events: The Plan Sponsor has evaluated subsequent events through March 31, 2025, the date which the financial statements were available to be issued.

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under GAAP under the framework are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement determined using model-based techniques that include option pricing models, discounted cash flow models, and similar techniques.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 18, 2024 and December 31, 2023.

Mutual funds and money market fund: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish the daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are considered to be actively traded.

POSTLETHWAITE & NETTERVILLE, APAC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

3. Fair Value Measurements (continued)

Common collective trust fund: Valued at fair value based on the NAV of units held of the collective fund. The NAV, as provided by the trustee/custodian is used as a practical expedient to estimate fair value. The NAV is based on the observable market prices of the underlying investments within the fund less liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. As of June 18, 2024 and December 31, 2023, there are no unfunded commitments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

Assets at Fair Value as of December 31, 2023 (in liquidation)

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Money market fund	\$ 47,875	\$ -	\$ -	\$ 47,875
Mutual funds	<u>6,468,590</u>	<u>-</u>	<u>-</u>	<u>6,468,590</u>
	<u>\$ 6,516,465</u>	<u>\$ -</u>	<u>\$ -</u>	<u>6,516,465</u>
Common collective trust fund (a)				<u>586,967</u>
Total Assets at Fair Value				<u>\$ 7,103,432</u>

(a) *The common collective trust fund is measured using NAV as a practical expedient. These investments have not been classified in the fair value hierarchy table. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.*

All assets have been distributed as of June 18, 2024.

POSTLETHWAITE & NETTERVILLE, APAC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

4. Income Tax Status

The Plan was a qualified cash or deferred arrangement established under Section 401(k) of the Internal Revenue Code and is exempt from income taxes under Section 401(a) of the Internal Revenue Code (IRC). The Plan executed an adoption agreement using The Vanguard Group Volume Submitter 401(k) Profit Sharing Plan and relied on the opinion letter dated June 30, 2020, issued for the standard plan. The Plan administrator believed the Plan was designed and operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America required Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan took an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan was subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

5. Related Party Transactions

The Plan invested in investment securities managed by the trustee. Transactions in such investments qualified as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA. The Plan paid administrative fees which totaled \$44,669 for the period ended June 18, 2024, and was included in the statement of changes in net assets available for benefits.

6. Risks and Uncertainties

The Plan invested in various investment securities. Investment securities were exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it was at least reasonably possible that changes in the values of investment securities would occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

7. Information Prepared and Certified by the Trustee

Certain information related to investments disclosed in the accompanying financial statements, including investments from participants held at June 18, 2024 and December 31, 2023, and net appreciation in fair value of investments and interest and dividends, for the period ended June 18, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Vanguard Fiduciary Trust Company, a qualified institution as defined by ERISA.

8. Plan Termination

As noted earlier, the Plan sponsor adopted a provision to terminate the Plan in September 2023. Plan assets were to be distributed as soon as administratively feasible and Plan participants had to elect either to have their single sum distribution paid to them or to an eligible retirement plan in a direct rollover. As of June 18, 2024, all funds have been distributed and the Plan has been liquidated.
