INDEPENDENT AUDITOR'S REPORT

To the Trustee
Industrial Packaging Supplies, Inc.
Fountain Inn, South Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Industrial Packaging Supplies, Inc. (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule on page 14 and 15 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Industrial Packaging Supplies, Inc. (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General: The Plan is a defined contribution plan covering all employees of Industrial Packaging Supplies, Inc. (the Company) who are age 21 or older and have completed three months of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions: Each year, participants may contribute up to 75% of pretax annual compensation as defined in the Plan, subject to limitations. The Plan permits employees to designate irrevocably some or all of their salary deferrals under the plan as designated Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan. Automatically enrolled participants have their deferral rate set at 5% of eligible compensation with a 1% annual increase up to 10% and their contributions invested in a designated balanced fund until changed by the participant. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company’s matching contribution is discretionary. The Company matches 50% of the employee’s contribution after one year’s service to a maximum of 5% of the employee’s compensation. The company match is also limited to an annual match of \$1,500 per employee. Contributions are subject to certain limitations.

Participant Accounts: Each participant’s account is credited with the participant’s contribution and allocations of (a) the Company’s contribution, (b) Plan earnings or losses, and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. A participant becomes 50% vested in employer contributions after two years of credited service and is 100% vested in employer contributions after three years of credited service.

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 9.50%, which are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is repaid ratably through monthly payroll deductions.

Payment of Benefits: On termination of service due to death, disability or retirement, a participant will receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount. Terminated participants with account balances less than \$5,000 may have their account balances administratively distributed. Hardship distributions are permitted upon demonstration of a financial hardship. All fully vested balances available for distribution after the participant reaches the age of 59^{1/2}.

Forfeited accounts: At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$4,753 and \$71, respectively. These accounts will be used to reduce administrative expenses, or to reduce employer contributions to the Plan. During the years ended December 31, 2023, the Company used \$6,388 of the forfeitures account to reduce employer contributions.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of Accounting: The financial statements of the plan are prepared on the accrual basis of accounting. The Form 5500 is prepared on the cash basis of accounting. Therefore, Note 8 discloses the reconciling differences between the financial statements and the Form 5500.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits: Benefits are recorded when paid.

Expenses: Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of the investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participants account.

NOTE 3 – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying Statements of Net Assets Available for Benefits. The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs.

- Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded. The fair values of common stock, corporate bonds, and U.S. Government securities are based on quoted market prices.

- Level 2 Fair Value Measurements

Fair values for separate accounts and collective trust funds are based on inputs other than quoted price included within Level 1 that are observable for valuing the asset or liability, either directly or indirectly. Observable inputs include quoted price for similar assets or liabilities in active or nonactive markets. Level 2 inputs may also include insignificant adjustments to market observable inputs.

- Level 3 Fair Value Measurements

There are no Level 3 investments in the Plan at December 31, 2023 and 2022.

NOTE 3 – FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023 and 2022:

Description	Assets		
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Other Observable Inputs (Level 2)
<u>December 31, 2023</u>			
Mutual Funds	\$ 14,948,506	\$ 14,948,506	\$ -
Total Investments at Fair Value	<u>\$ 14,948,506</u>	<u>\$ 14,948,506</u>	<u>\$ -</u>

Description	Assets		
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Other Observable Inputs (Level 2)
<u>December 31, 2022</u>			
Mutual Funds	\$ 13,451,691	\$ 13,451,691	\$ -
Total Investments at Fair Value	<u>\$ 13,451,691</u>	<u>\$ 13,451,691</u>	<u>\$ -</u>

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2023, are reported in net appreciation in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2023, there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

NOTE 4 – PARTY-IN-INTEREST

The Plan's investments include shares of mutual funds managed by ADP Retirement Services, the third-party-administrator and held by Reliance Trust, the trustee as defined by the Plan. Fees paid by the Plan for the investment management services amount to \$65,330 for the year ended December 31, 2023. Therefore, these transactions qualify as party-in-interest transactions.

Additionally, the Plan issues loans to participants, which are secured by the participant's account balances. These transactions qualify as party-in-interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

NOTE 6 – TAX STATUS

The Internal Revenue Service has determined and informed the Company by letter dated October 6, 2020 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified.

Accounting principles generally accepted in the United States of America (GAAP) require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 7 – INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

At December 31, 2023 and 2022, Reliance Trust Company (the Trustee) held the Plan's investments. The following is a summary of the Plan's financial information that is included in the financial statements based on information certified by the Trustees as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 7 – INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED) (CONTINUED)

The fair value of investments at December 31 as reported by the Trustee is:

	<u>2023</u>	<u>2022</u>
Mutual funds	\$ 14,948,506	\$ 13,451,691
	<u>\$ 14,948,506</u>	<u>\$ 13,451,691</u>

The investment income reported in the Statement of Changes in Net Assets Available for Plan Benefits for the year ended December 31, 2023, was certified by the Trustee.

The information included in Supplementary Schedule 1, Schedule of Assets (Held at End of Year), was certified by the Trustee.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 10 – CARES ACT

In March 2020, the Coronavirus Aid, Relief, and Economic Security (CARES) Act was signed into law to provide relief to those affected by the COVID-19 pandemic. The CARES Act allowed for coronavirus-related distributions of up to \$100,000, not to exceed the participant's account balance, without a 10% early withdrawal penalty. The CARES Act also allowed participants to borrow up to \$100,000, an increase from \$50,000 previously allowed under IRC Section 72(p) for loans made from March 27, 2020 through September 22, 2020, and repayment on these loans can be delayed. The CARES Act also allowed the suspension of loan payments from March 27, 2020 through December 31, 2020, as well as the suspension of the required minimum distributions (RMDs) for 2020. During the year ended December 31, 2020, the Plan allowed for coronavirus-related distributions with the increased limit and no early withdrawal penalty. During the year ended December 31, 2022, the Plan changed their TPA and was reestablished under the new TPA's volume submitter plan. Under the new Plan none of the CARES act provisions have been adopted but all the provisions of the CARES Act relating to employee benefit plans are set to be adopted into the plan by December 31, 2025.

NOTE 11 – SECURE ACT

In January 2020, the Setting Every Community Up for Retirement Enhancement (SECURE) Act was signed into law. The SECURE Act increased the cap on payroll contributions to 15% for automatic-enrollment safe harbor plans and allowed long-term part-time workers to participate in 401(k) plans, except in the case of collectively bargained plans. The SECURE Act also allows for in-service withdrawals for childbirth and adoption expenses and allows retirees to delay taking RMDs until age 72, up from the prior age of 70 ½, for participants in 401(k) and other defined contribution plans or defined-benefit pension plans. During the year ended December 31, 2020, the Plan adopted all provisions of the SECURE Act. During the year ended December 31, 2022, the Plan changed their TPA and was reestablished under the new TPA's volume submitter plan. Under the new Plan none of the SECURE Act provisions have been adopted but all the provisions of the SECURE Act relating to employee benefit plans are set to be adopted into the plan by December 31, 2025.

NOTE 12 – SUBSEQUENT EVENTS

The Plan administrator has evaluated subsequent events through March 13, 2025, which is the date the financial statements were available to be issued, and concluded that no subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements.
