## Independent Auditor's Report

RSM US LLP

Board of Trustees  
Iowa Spring Manufacturing, Inc. 401(k) Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Iowa Spring Manufacturing, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of March 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended March 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of March 31, 2024 and 2023 and for the year ended March 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate to the best of its knowledge and belief.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

**Other Matter—Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of March 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. #### Note 1. Plan Description

The following description of the Iowa Spring Manufacturing, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

**General and eligibility:** The Plan is a defined contribution plan covering substantially all eligible employees of Iowa Spring Manufacturing & Sales Company and Affiliates (the Company). Employees are eligible to make salary deferral contributions to the Plan and receive safe harbor employer matching contributions once they have completed one year of service and have attained 18 years of age. Once eligible, participants can enter the Plan semiannually on the first day of the Plan year and the first day of the seventh month of the Plan year. To be eligible for employer discretionary contributions, employees must have worked at least 1,000 hours during the Plan year and be employed on the last day of the Plan year. Effective September 1, 2023, the Plan was amended to add Northeast Spring, LLC as a participating employer of the Plan. If employed as of September 15, 2023, the service requirement and age requirement were waived for employees of Northeast Spring, LLC. The Board of Trustees is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings, monitors investment performance. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and the applicable current Internal Revenue Code (IRC) provisions.

**Contributions:** Employees who are eligible to participate in the Plan may contribute a portion of their eligible compensation, subject to an annual limit, as defined by the Plan and set by the Internal Revenue Service (IRS). The Plan has an auto-contribution feature in which new, eligible employees are automatically enrolled at a 3% deferral rate on the first entrance date, unless the employee specifically opts out of the Plan. Participants may also contribute amounts representing distributions from other qualified defined contribution plans. The Company provides a safe harbor matching contribution equal to 100% of employee deferrals that do not exceed 3% of compensation plus 50% of employee deferrals between 3% and 5% of compensation. The Company, at its discretion, may make additional contributions to all eligible employees, regardless of participation in the Plan. There were no discretionary contributions to the Plan during the year ended March 31, 2024.

**Investment options:** Participants direct the investment of their contributions and any employer contributions into various investments offered by the Plan. Participants may change their investment options at any time.

**Participant accounts:** Each participant's account is credited with the participant's contribution, the Company's matching contribution, and an allocation of (a) the Company's discretionary contribution and (b) Plan earnings and charged with an allocation of administrative expenses. Allocations are based upon participant's compensation or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

**Vesting:** The participant is 100% vested in their elective deferral contributions and safe harbor employer matching contributions, plus actual earnings thereon. The Company's discretionary contributions begin vesting after two years of service and vest at 20% for each successive year until 100% vested after six years of service.

**Payment of benefits:** Participants or their beneficiaries are eligible for benefits upon retirement, termination, hardship, attaining age 59½, death or disability. Participants with vested balances greater than \$5,000 may elect to receive benefits in a lump-sum payment or an annuity. Participants with vested balances less than \$5,000 will receive a distribution in a single lump-sum as soon as administratively feasible, following the event that entitles the participant to a distribution.

#### Note 1. Plan Description (Continued)

**Forfeitures:** Forfeitures from nonvested account balances are used to pay for administrative expenses or reduce employer contributions. During the year ended March 31, 2023, no forfeitures were used to reduce employer contributions. There were approximately \$1,700 and \$1,400 in forfeitures available as of March 31, 2024 and 2023, respectively.

**Notes receivable from participants:** Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Terms range from one to five years. A maximum of two notes are available per participant and these notes are secured by the balance in the participants' accounts. Principal and interest are paid ratably through payroll deductions. Notes receivable outstanding at March 31, 2024, mature through July 2034. Notes receivable outstanding at March 31, 2024, bear interest at rates from 4.25% to 9.50%. Notes receivable outstanding at March 31, 2023, bore interest at 4.25% to 9.00%.

#### Note 2. Significant Accounting Policies

**Basis of accounting:** The financial statements of the Plan are prepared under the accrual basis of accounting.

**Accounting estimates and assumptions:** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment valuation and income recognition:** The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Board of Trustees determines the Plan's valuation policies utilizing information provided by the investment advisors. See Note 7 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments sold as well as held during the year. Management and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

**Notes receivable from participants:** Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent loans are treated as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of March 31, 2024 or 2023.

**Payment of benefits:** Benefit payments are recorded when paid.

**Subsequent events:** The Plan has evaluated subsequent events for potential recognition and disclosure through March 24, 2025, which is the date the financial statements were available to be issued.

#### Note 3. Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Administrative expenses include fees related to the administration of notes receivable that are charged directly to the participant's account and certain recordkeeping fees paid by the Plan. Investment related expenses are included in net appreciation of fair value of investments.

#### Note 4. Information Certified or Provided by Reliance Trust Company, the Trustee

The following is a summary of the Plan's asset information as of March 31, 2024 and 2023, and for the year ended March 31, 2024, included throughout the Plan's financial statements and ERISA-required supplemental schedule, obtained by management and agreed to or derived from information certified by Reliance Trust Company, the trustee of the Plan. The Plan Administrator has obtained certifications from the trustee that information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information which appears throughout the financial statements and ERISA-required supplemental schedule related to the following assets:

|                                    | March 31            |                     |

| Investments at fair value:         |                     |                     |
| Common collective trust fund       | \$ 288,770          | \$ 281,587          |
| Mutual funds                       | 8,386,706           | 8,406,438           |
| Notes receivable from participants | 386,419             | 315,586             |
|                                    | <u>\$ 9,061,895</u> | <u>\$ 9,003,611</u> |

For the year ended March 31, 2024, Reliance Trust Company also certified to the completeness and accuracy of \$19,263 of interest income on notes receivable from participants, \$440,081 of dividend income, \$20,651 of other income and \$993,723 of net appreciation in fair value of the Plan's investments (including investments bought, sold and held during the year).

#### Note 5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their entire account.

#### Note 6. Tax Status

The Plan has adopted a non-standardized defined contribution pre-approved plan (pre-approved plan) sponsored by ADP, LLC (ADP). ADP has received an opinion letter dated from the IRS as to the pre-approved plan's qualified status. The pre-approved plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements.

#### Note 7. Fair Value Measurements

Accounting guidance on fair value measurements and disclosures, defines fair value, establishes a framework for measuring fair value and expands disclosures about fair value measurements. This guidance defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. This guidance requires the use of valuation techniques that are consistent with the market approach, the income approach and/or the cost approach. Inputs to valuation techniques refer to the assumptions that market participants would use in pricing the asset or liability. Inputs may be observable, meaning those that reflect the assumptions market participants would use in pricing the asset or liability developed based on market data obtained from independent sources, or unobservable, meaning those that reflect the Plan's own assumptions about the assumptions market participants would use in pricing the asset or liability developed based on the best information available in the circumstances. In that regard, this guidance establishes a fair value hierarchy for valuation inputs that give the highest priority to quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs. The fair value hierarchy is as follows:

- Level 1:** Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.
- Level 2:** Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data.
- Level 3:** Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

A description of the valuation methodologies used for instruments measured at fair value, as well as the general classification of such instruments pursuant to the valuation hierarchy, is set forth below. The level to which an asset or liability is classified is based upon the lowest level of input that is significant to the fair value measurements. There have been no changes in valuation methodologies at March 31, 2024 and 2023. During the year ended March 31, 2024, there were no transfers between Level 3 assets.

**Mutual funds:** Mutual funds are reported at fair value based on the quoted market price of the fund and are classified within Level 1 of the valuation hierarchy.

**Common collective trust fund:** Common collective trust fund is composed primarily of fully benefit-responsive investments contracts that are valued at the net asset value of units of the common collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur immediately. If the Plan initiates a full redemption of the collective trust, no notice to the issuer is required.

#### Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
