## Independent Auditors' Report

To the Plan Administrator of  
Greater Cincinnati Behavioral Health Services Retirement Plan  
Cincinnati, Ohio

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Greater Cincinnati Behavioral Health Services Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of June 30, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended June 30, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended June 30, 2024 and 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Independent Auditors' Report  
(Continued)**

**Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Greater Cincinnati Behavioral Health Services Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Greater Cincinnati Behavioral Health Services Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material, if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

**Independent Auditors' Report  
(Continued)**

**Auditors' Responsibilities for the Audit of the Financial Statements (Continued)**

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Greater Cincinnati Behavioral Health Services Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Greater Cincinnati Behavioral Health Services Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of June 30, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

BARNES DENNIG

---

**Independent Auditors' Report  
(Continued)**

**Supplemental Schedule Required by ERISA (Continued)**

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# GREATER CINCINNATI BEHAVIORAL HEALTH SERVICES RETIREMENT PLAN

## Notes to Financial Statements

### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### *Basis of Presentation*

The financial statements of Greater Cincinnati Behavioral Health Services Retirement Plan (the "Plan") have been prepared on the accrual basis using accounting principles generally accepted in the United States of America ("GAAP").

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

#### *Investment Valuation*

Investments are reported at fair value except for the fully benefit-responsive investment contracts, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

The Plan utilized various investment instruments. Investment securities, in general, are exposed to various risks such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

#### *Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

#### *Benefit Payments*

Benefit payments are recorded upon distribution.

#### *Related-Party Transactions*

Certain Plan assets are in investment funds managed by Empower Trust Company, LLC ("Empower") and Lincoln National Life Insurance Company ("Lincoln") or their affiliates. Empower and Lincoln are custodians of the Plan and therefore, these transactions qualify as party-in-interest transactions.

### Notes to Financial Statements (Continued)

#### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

##### *Related-Party Transactions (Continued)*

Certain employees of the Greater Cincinnati Behavioral Health Services ("Plan sponsor") provide administrative and executive oversight services to the Plan. The Plan is not charged by the Plan sponsor for the services.

##### *Administrative Expenses*

Certain Plan expenses are paid by the Plan sponsor, and accordingly, are not reflected in the Plan's financial statements. Certain investment related expenses are included in net appreciation of fair value of investments.

##### *Estimates*

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

##### *Subsequent Events*

The Plan has evaluated subsequent events through April 7, 2025, which is the date these financial statements were available to be issued.

#### NOTE 2 DESCRIPTION OF THE PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan document and summary plan description for a more complete description of the Plan's provisions.

##### *General*

The Plan is a defined contribution plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"). The original effective date of the Plan was July 1, 1991 whereby it was called the Clermont Recovery Center TSA Plan and covered substantially all of the employees of Clermont Recovery Center. Effective July 1, 2015, the Plan was amended and restated as the Greater Cincinnati Behavioral Health Services Retirement Plan and covers all employees of Greater Cincinnati Behavioral Health Services who are not non-resident aliens and who work more than 20 hours per week. Employees are immediately eligible to participant upon attaining age 18. The amended and restated Plan reflects the merger of three organizations with three separate retirement plans. The Greater Cincinnati Behavioral Health Services 401(k) Plan and LifePoint Solutions Retirement Plan were former plans that were terminated. The most recent restatement of the Plan was effective July 22, 2022.

#### NOTE 2 DESCRIPTION OF THE PLAN (CONTINUED)

##### ***Contributions***

Participants may make pre-tax and post-tax salary deferral contributions to the Plan not to exceed 100% of eligible compensation. However, contributions may not exceed limitations established under Section 402(g) of the Internal Revenue Code of 1986 as amended (\$22,500 as of June 30, 2024). Section 414(v) of the Internal Revenue Code of 1986 as amended allows a maximum catch-up contribution of \$7,500 as of June 30, 2024.

The Plan sponsor may make a discretionary matching contribution under the Plan. The Plan sponsor has elected to make a matching contribution of 50% of employee deferrals up to 4% of eligible compensation for the year ending June 30, 2024. For the year ended June 30, 2024, the Plan sponsor made \$274,331 in discretionary matching contributions to the Plan.

The Plan sponsor may also make a discretionary employer contribution under the Plan. The Plan sponsor has elected to make an employer contribution of 4% of eligible compensation allocated based on eligible compensation. Participants must complete a year of service during the Plan year and be actively employed on the last day of the Plan year to share in the discretionary employer contributions. For the year ended June 30, 2024, the Plan sponsor made \$779,232 in discretionary employer contributions to the Plan.

##### ***Rollover Contributions***

Participants may rollover their taxable portion of funds previously held for their account in another employee benefit plan to the Plan on a tax-free basis.

##### ***Participant Accounts***

Each participant's account is credited with the participant's and Plan sponsor's contributions and a pro-rata allocation of the Plan's earnings and expenses. The pro-rata allocation is based upon the proportion of individual account balances to total participant's account balances in the respective investment funds. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

##### ***Vesting***

Participants are immediately vested in all employee deferrals plus earnings thereon. Vesting in the Company's matching and other discretionary contribution portions of their accounts plus earnings thereon is based on years of continuous service. A participant is fully vested after three years of continuous service. The non-vested balance is forfeited upon termination of service. Forfeitures are used to reduce employer contributions. At June 30, 2024 and 2023 the balance in the forfeiture account was \$23,938 and \$7,438, respectively. During June 30, 2024, forfeitures of \$56,334 were used to offset employer contributions.

### Notes to Financial Statements (Continued)

#### NOTE 2 DESCRIPTION OF THE PLAN (CONTINUED)

##### *Payment of Benefits*

Upon a participant's retirement, death, total and permanent disability, other termination of employment with the Company or termination of the Plan, the participant's account is distributed by a lump sum distribution. Participants with a vested account balance of \$5,000 or less may be automatically distributed as a lump-sum.

In-service distributions are permissible from a participant's elective deferral account balance if the participant has attained the age of 59 ½. Matching and other discretionary contribution balances are eligible for in-service distributions if the participant has attained the age of 59 ½ and reached three years of continuous service.

In conditions of "financial hardship" a participant may apply to the Plan administrator for approval to withdraw that portion of their vested account balance necessary to meet the financial hardship, subject to the limitations of the Plan and the Internal Revenue Code.

Participants are permitted to withdrawal amounts segregated as rollover contributions at any time.

##### *Notes Receivable from Participants*

The Plan allows all participants to borrow against their assets held in the Plan. Participants may borrow up to the lesser of \$50,000 or 50% of the participant's vested interest. The minimum note receivable amount is \$1,000. Only one active note receivable is allowed per participant per plan year. All notes receivable from participants bear interest at a fixed rate over a term not more than five years, except in the case of a note for the purpose of acquiring a home. Interest rates are charged at market rates at the inception of the note receivable. Generally, payments of principal and interest are made through quarterly remittances. Prior to May 2019, only participants from the Clermont Recovery Center TSA Plan could take a loan from the Plan; they were permitted to only borrow against their assets held prior to Plan restatement on July 1, 2015.

#### NOTE 3 UNALLOCATED INSURANCE CONTRACTS

The Plan also entered into benefit-responsive investment contracts with Lincoln National Life Insurance Company. At June 30, 2024 and 2023, the contract values of these traditional investment contract were \$240,491 and \$247,384, respectively.

Lincoln National Life Insurance Company maintains the contributions in a general account that is invested at its discretion. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The minimum crediting interest rate under the contracts is 1.50% or 3.00% depending on the contract terms.

## GREATER CINCINNATI BEHAVIORAL HEALTH SERVICES RETIREMENT PLAN

### Notes to Financial Statements (Continued)

#### NOTE 3 UNALLOCATED INSURANCE CONTRACTS (CONTINUED)

Lincoln National Life Insurance Company limits certain transfers from its contracts. On an annual basis, no more than twelve transfers are permitted, individual transfers cannot be for an amount less than \$500 or the remaining amount in the contract, if under \$500, and total transfers from the contracts are limited to 25% of the value of the contract.

Liquidation of an entire contract may cause a one-time adjustment to the aggregate contract value, limiting the Plan to transact at contract value with Lincoln National Life Insurance Company. This total liquidation is a contingent event, which can be initiated by the Plan participants on an individual contract basis or by the Plan sponsor upon the termination of the Plan. The occurrence of these events that may limit the ability of the Plan to transact at contract value is not probable.

#### NOTE 4 INFORMATION CERTIFIED BY A QUALIFIED INSTITUTION

The following information provided by Lincoln National Life Insurance Company as of as of June 30, 2024 and 2023 and for the year ended June 30, 2024 was certified to be complete and accurate with respect to the following:

#### NOTE 5 FAIR VALUE MEASUREMENTS

FASB *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs.

The hierarchy is broken down into three levels based on the ability to observe inputs as follows:

*Level 1* – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at June 30, 2024 and 2023.

*Mutual funds:* Valued at the net asset value ("NAV") of shares held by the Plan. The mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish the NAV and to transact at that price.

*Pooled separate accounts:* Valued at the NAV of shares held by the Plan. NAV is based on the market value of underlying investments. The pooled separate accounts are not publicly-quoted price in an active market. The NAV is measured by the custodian as of the close of regular daily trading. The pooled separate accounts invest in various registered mutual funds to generate their investment return.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

#### NOTE 5 FAIR VALUE MEASUREMENTS (CONTINUED)

##### *Assets Measured at Fair Value on a Recurring Basis*

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2024:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 28,805,219	\$ -	\$ -	\$ 28,805,219
Pooled separate accounts	-	1,776,087	-	1,776,087
Total assets at fair value	<u>\$ 28,805,219</u>	<u>\$ 1,776,087</u>	<u>\$ -</u>	<u>\$ 30,581,306</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2023:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 25,235,814	\$ -	\$ -	\$ 25,235,814
Pooled separate accounts	-	1,839,157	-	1,839,157
Total assets at fair value	<u>\$ 25,235,814</u>	<u>\$ 1,839,157</u>	<u>\$ -</u>	<u>\$ 27,074,971</u>

#### NOTE 6 TAX STATUS

The Company has adopted a prototype plan which has received an opinion letter from the Internal Revenue Service dated March 31, 2014, which states the provider's prototype, as then designed, was in compliance with the applicable requirements of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC, therefore, no provision for income taxes has been included in the Plan's financial statements.

#### NOTE 7 PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event the Plan is terminated, participants will become fully vested in their account balances.
