FINANCIAL STATEMENTS

JUNE 30, 2024 AND 2023

INDEPENDENT AUDITOR'S REPORT

Board of Trustees
SEIU 775 Secure Retirement Plan
215 Columbia Street, Suite 300
Seattle, Washington 98104

Members of the Board:

Opinion

We have audited the accompanying financial statements of SEIU 775 Secure Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of June 30, 2024 and 2023 and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of June 30, 2024, and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

SEIU 775 SECURE RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024 AND 2023

NOTE 1 - DESCRIPTION OF THE PLAN

The SEIU 775 Secure Retirement Plan (the "Plan") is a multiemployer collectively-bargained defined contribution pension plan established on March 1, 2016 to provide pension benefits pursuant to applicable collective bargaining agreements between Service Employees International Union, Local 775 (SEIU 775) and various signatory employers. The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended and provisions of the Internal Revenue Code (the "Code").

THE PLAN DOCUMENTS INCLUDE DETAILED RULES FOR EACH SITUATION. PARTICIPANTS SHOULD REFER TO THE PLAN AGREEMENT AND ANY AMENDMENTS REGARDING SPECIFIC PROVISIONS OF THE PLAN.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

B. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Board of Trustees to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Cash and Cash Equivalents

Cash and cash equivalents include interest bearing demand deposits held at financial institutions.

D. Employer Contributions

Effective July 1, 2023, employer contributions are based on a three-tier contribution rate of employee's cumulative career hours as determined by the collective bargaining agreement.

Employer contributions as reported are contributions made for hours worked during the year. Employer contributions are based on covered hours of active member work and are made in accordance with rates set forth in the collective bargaining. Contributions receivable is estimated based on contributions received subsequent to the end of the year. No allowance is provided for uncollectible accounts.

E. Employer Payroll Compliance Program

Remittance reports were accepted as submitted, without examination or verification of employers' payroll records. The system of internal control provides for examination of employers' records under a separate payroll compliance program.

SEIU 775 SECURE RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024 AND 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

F. Vesting

Prior to July 1, 2019, a participant became fully vested after the completion of three years of credited service. Furthermore, a participant earned one year of credited service for any plan year where they completed 300 hours of service between March 1, 2016 and June 30, 2019. Effective July 1, 2019, a participant is fully vested in and has a non-forfeitable right to amounts in their account. A participant who does not have credited service after June 30, 2019 will follow the three-year vesting schedule as implemented prior to July 1, 2019.

G. Property and Equipment

Property and equipment is presented at cost. The Plan capitalizes all significant expenditures for items that have a useful life in excess of one year and an aggregate value of \$10,000 or more. Amortization is calculated on the straight-line method over the estimated useful lives of the various assets. Management estimates the useful lives of the leasehold improvements to be 8 years. Property and equipment consist of the following at June 30:

	2024	2023
Leasehold Improvements	\$ 2,216	\$ 2,216
Less: Accumulated Amortization	(898)	(621)
	\$ 1,318	\$ 1,595

H. Participants Accounts

A participant's account reflects the participant's employer contributions plus the participant's pro rata share of plan investment earnings, less administrative expense charges. Participants are not permitted to direct the investment of their account.

I. Tax-Exempt Status

The Plan received a favorable Internal Revenue Service determination letter. The Board of Trustees and legal counsel believe the Plan is designed and operated in compliance with applicable regulations. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

J. Plan Termination

The Plan may be amended or terminated by action of the Board of Trustees. In the case of termination, the Board must provide thirty days' advance written notice to the signatory parties and to the appropriate state agency (or its successor) if such advance notice is practicable under the circumstances. The Plan may also be terminated by the signatory parties or their successors. Such a termination would be subject to the provisions of ERISA, including the requirement that all participants become fully vested in their accounts. Upon termination, any

and all monies remaining in the related trust fund, after the payment of expenses, will be allocated among the participating employees and beneficiaries. In no event will any of the assets remaining in the trust be paid to or be recoverable by any employer.

NOTE 3 - FAIR VALUE MEASUREMENTS

Accounting standards establish a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market:

Level 1 - Inputs are quoted prices in active markets.

Level 2 - Inputs are based on quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 - Inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

The following tables represent the Plan's investments at fair value, based on the inputs used to value them:

		June 30, 2024			
		Level 1	Level 2	Level 3	Total
	Interest Bearing Cash	\$ -	\$ 1,523,780	\$ -	\$ 1,523,780
	Mutual Funds	375,614,976	-	-	375,614,976
		\$ 375,614,976	\$ 1,523,780	\$ -	\$ 377,138,756
		June 30, 2023			
		Level 1	Level 2	Level 3	Total
	Interest Bearing Cash	\$ -	\$ 5,702,622	\$ -	\$ 5,702,622
	Mutual Funds	272,856,023	-	-	272,856,023
		\$ 272,856,023	\$ 5,702,622	\$ -	\$ 278,558,645

Level 1 investments include mutual funds valued based on quoted prices in an active market. Level 2 investments include interest bearing cash recorded at amortized cost, which approximates fair value. Purchases and sales of securities are reported on the trade date basis. Dividends are recorded on the ex-dividend date and interest income is recorded on the accrual basis. Net appreciation of investments includes gains and losses on investments bought and sold as well as held during the year.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2024 AND 2023

NOTE 4 - RISKS AND UNCERTAINTIES

Investments are exposed to various risks such as interest rate, market fluctuations and credit risks. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in value of investment securities in the near term could materially affect the amounts reported in the financial statements.

NOTE 5 - RELATED PARTY TRANSACTIONS

The SEIU 775 Benefits Group (“SEIU BG”) was established to aid and support the administrative functions of the related parties: SEIU Healthcare Northwest Training Partnership (“SEIU NTP”), SEIU Healthcare NW Health Benefits Trust (“SEIU HBT”), Carina and the Plan (collectively the “SEIU Related Parties”). Effective December 28, 2020, each of the SEIU Related Parties entered into a Resource Sharing Agreement with SEIU BG to provide administrative services. The Plan reimburses SEIU BG for its costs directly and indirectly attributable to the Plan pursuant to the allocation methodology periodically approved by the Board of Trustees.

For the years ended June 30, 2024 and 2023, reimbursements paid to the SEIU BG were as follows:

	2024	2023
Wages, Payroll Taxes and Benefits	\$ 1,336,571	\$ 1,261,765
Occupancy	193,730	152,551
Consulting and Other Professional Services	229,043	141,958
Accounting Fees	37,796	38,244
Audit Fees	44,737	24,937
Computer Hardware and Software	23,811	16,716
	\$ 1,865,688	\$ 1,636,171

When SEIU BG was established, each related party gave a deposit to cover the SEIU Related Parties operating expenses paid by SEIU BG prior to being reimbursed. The deposit is if the resource sharing agreement with the SEIU Related Parties is terminated, the deposits will be used to pay any outstanding administrative expenses, with the remaining balances returned to the individual related parties. The Plan’s deposit was \$192,000, which represents the equivalent of two months of operating expenses for the SEIU Related Parties.

NOTE 6 - CONTRACTED PROFESSIONAL SERVICES

For the years ended June 30, 2024 and 2023, contracted professional services consisted of:

	2024	2023
SEIU BG	\$ 1,865,688	\$ 1,636,171
Contract Administration	2,435,930	2,280,366
IT Services	30,023	38,483
Legal Fees	53,387	33,000
	\$ 4,385,028	\$ 3,988,020

NOTE 7 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through March 18, 2025, the date on which the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosures in these financial statements.
