INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
Local No. 731, I.B. of T.,
Health and Welfare Fund
Burr Ridge, Illinois

Opinion

We have audited the accompanying financial statements of Local No. 731, I.B. of T., Health and Welfare Fund (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and benefit obligations as of June 30, 2024 and 2023, and the related statements of changes in net assets available for benefits and changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of June 30, 2024 and 2023, and the changes in its net assets available for benefits and changes in its benefits obligations for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Local No. 731, I.B. of T., Health and Welfare Fund and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

HEALTH AND WELFARE FUND**

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED JUNE 30, 2024 AND 2023

NOTE 1. DESCRIPTION OF THE PLAN

Local No. 731, I.B. of T., Health and Welfare Fund (the Plan) was established in 1953 as a result of a collective bargaining agreement between the union and various employer associations, to provide health care, vision, dental, death, disability and scholarship benefits for eligible employees and their dependents. The Plan is a multiemployer defined-benefit health and welfare plan, subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Active employees and eligible dependents become initially eligible for benefits on the first day following completion of one full calendar month for which the employer has made the required contributions on the employee's behalf.

Generally, participant and eligible dependent coverage shall terminate on the last day of the month in which the participant ceases active work due to layoff, work stoppage, level of absence, resignation, dismissal, retirement, commencement of a pension or disability, unless the participant worked sufficient hours for that month to require his employer to contribute more than four weeks of contributions, in which case coverage will terminate the last day of the following month.

Under certain conditions, in order to continue coverage, an employee can make self-contributions for not more than nine consecutive months during a period of partial or total unemployment, and for not more than twelve consecutive months if on disability.

Continuation of health care benefits to persons who would otherwise lose those benefits due to certain events, as mandated by the Consolidated Omnibus Budget Reconciliation Act (COBRA), was adopted by the Plan.

Effective January 1, 2013, the Plan was amended to comply with the Patient Protection and Affordable Care Act (PPACA) and Health Care and Education Reconciliation Act (HCERA) of 2010. Changes include benefit improvements.

Participants should refer to the summary plan description for more complete information.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The financial statements are prepared using the accrual basis of accounting. Under this basis, revenue is recognized when earned and expenses are recognized when incurred.

Cash - Cash represent amounts immediately available in checking accounts.

Contributions Receivable - Contributions receivable represent amounts received subsequent to year end for work performed through June 30th, therefore an allowance for doubtful accounts is deemed unnecessary.

Investment Valuation and Income Recognition - The investments of the Plan are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell that asset (or paid to transfer a liability) in an orderly transaction between market participants at the measurement date (the exit price).

Purchases and sales of the investments are reflected on a trade-date basis.

Dividend income is reported on the ex-dividend date. Interest income is reported on the accrual basis. Net appreciation includes gains and losses on investments bought and sold as well as held during the year.

Cash and cash equivalents held by custodians for investment purposes are reported as investments.

Property and Equipment - Property and equipment are carried at cost. Major additions are capitalized while replacements, maintenance and repairs which do not improve or extend the lives of the respective assets are expensed currently. Depreciation is computed by the straight-line method over the estimated useful lives (three or five years) of the assets.

Depreciation expense was \$14,548 and \$10,358 for the years ended June 30, 2024 and 2023, respectively.

Benefits - The Plan is self-funded for all benefits paid to participants and their dependents except for member life insurance. Member life insurance benefits are paid under a group insurance contract by Dearborn Life Insurance Company. The Plan maintains a Network Administrative Agreement with BlueCross BlueShield of Illinois to provide a PPO network for medical services. This agreement provides negotiated rate savings. The PPO's service providers are available to all participants who elect to receive medical services at a PPO service provider.

The Plan has a contract with Union Labor Life Insurance Company which provides stop-loss protection for claims expense. The stop-loss attachment point is \$400,000.

Benefits are recorded when paid.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Benefit Obligations - The Plan's obligations for estimated claims payable for medical, dental, vision and prescription benefits, incurred but not reported medical claims and postretirement benefit obligations were calculated by the Plan's actuary. Actual amounts could differ from those estimates.

Estimates - The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Administrative Expenses - The Plan's expenses are paid by the Plan as provided by the Plan document. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are reported as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation of fair value of investment presented in the accompanying statements of changes in net assets available for benefits.

New Accounting Pronouncement Adopted - During the year ended June 30, 2024, the Plan adopted the provisions of Accounting Standards Update (ASU) 2016-13, *Financial Instruments – Credit Losses* (Topic 326). This ASU replaced the incurred loss methodology with an expected loss methodology that is referred to as the current expected credit loss (CECL) methodology. The ASU requires employee benefit plans to immediately recognize the estimated expected credit losses over the life of a financial instrument, including contributions receivable due from employers. The estimate of expected credit losses considers not only historical information, but also current and future economic conditions and events.

The Plan adopted the ASU effective July 1, 2023. The impact of the adoption was not considered material to the financial statements and primarily resulted in additional disclosures.

NOTE 3. PRIORITIES UPON TERMINATION

It is the intent of the Board of Trustees (Trustees) to continue the Plan in full force and effect; however, to safeguard against any unforeseen contingencies, the right to discontinue the Plan is reserved to the Trustees. In the event of termination, the Trustees shall first satisfy or make provisions to satisfy the obligations of the Plan. Any remaining Plan assets will be distributed in such manner as will, in the opinion of the Trustees, bring about the purpose of the Plan. Termination shall not permit any part of the Plan to be used for or diverted to purposes other than the exclusive benefit of the participants.

NOTE 4. TAX STATUS

The Plan obtained its latest determination letter in April 1953, in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. The Plan's administrator and the Plan's counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. They believe that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdiction. The Plan's administrator believes that the Plan is no longer subject to income tax examinations for years prior to June 30, 2021.

NOTE 5. FUNDING POLICY

Participating employers contribute amounts as determined in collective bargaining agreements. Effective October 1, 2021, the Scavengers' rate was increased from \$368.40 to \$394.40 per week, per participant.

The standard Garage Attendants' contribution rate increased from \$279.00 to \$290.00 on August 1, 2023, and from \$267.50 to \$279.00 on August 1, 2021. The Linen and Laundry contribution rate increased from \$325 to \$337 on May 1, 2024 and from \$310 to \$325 on May 1, 2023.

These rates may include employee contributions remitted by employers and a Scholarship Fund allocation of \$2 per participant per week.

NOTE 6. CASH CONCENTRATION

The Plan maintains its cash balances with financial institutions deemed to be creditworthy. Balances are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. As of June 30, 2024, the cash balances exceeded FDIC limits by approximately \$5,327,000. The Plan has not experienced any losses in its cash balances and does not believe that it is subject to any credit risk.

NOTE 7. FAIR VALUE MEASUREMENTS

Accounting standards provide the framework for measuring fair value which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include other significant observable inputs including:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2024:

	Fair Value Measurements at 6/30/24 Using			
	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Registered investment companies	\$ 53,343,891	\$ 53,343,891	\$ -	\$ -
Short-term investment funds	117,971	-	117,971	-
	53,461,862	\$ 53,343,891	\$ 117,971	\$ -
Investments measured at net asset value *				
Common collective trusts	52,692,420			
Investments at fair value	<u>\$106,154,282</u>			

* In accordance with Accounting Standards Codification, investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 7. FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2023:

	Fair Value Measurements at 6/30/23 Using			
	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Registered investment companies	\$ 45,515,656	\$ 45,515,656	\$ -	\$ -
Short-term investment funds	325,617	-	325,617	-
	45,841,273	<u>\$ 45,515,656</u>	<u>\$ 325,617</u>	<u>\$ -</u>
Investments measured at net asset value *				
Common collective trusts	53,175,409			
Investments at fair value	<u>\$ 99,016,682</u>			

* In accordance with Accounting Standards Codification, investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at June 30, 2024 and 2023.

Level I

Most U.S. Government and government agency obligations are traded in active markets on national and international securities exchanges and are valued at closing prices on the last business day of each period presented.

The fair values of registered investment companies are determined by reference to the underlying assets, which are principally marketable foreign equity and fixed income securities. Shares held in registered investment companies are traded on national security exchanges and are valued at the net asset value (NAV) on the last business day of each period presented.

NOTE 7. FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2

U.S. Government agency obligations and corporate obligations are generally valued by benchmarking model-derived prices to quoted market prices and trade data for identical or comparable securities. To the extent that quoted prices are not available, fair value is determined based on a valuation model that include inputs such as interest rate yield curves and credit spreads. Foreign obligations and other securities traded in markets that are not considered active are valued based on quoted market prices, broker or dealer quotations, or alternative pricing sources with reasonable levels of price transparency. Securities that trade infrequently and therefore have little or no price transparency are valued using the investment manager's best estimates.

Short-term investment funds are valued at cost which approximates their fair value.

Investments Measured at Net Asset Value

Units held in common collective trusts are valued at the unit value as reported by the investment manager as of June 30, 2024 and 2023. Investments in common collective trusts consist primarily of marketable fixed income securities. The fair values of the investments in this category have been estimated using the NAV per share of the investments. Units may be issued and redeemed, with written notice, monthly at the NAV per unit as determined on the last day of each calendar month.

NOTE 8. FAIR VALUE MEASUREMENTS OF INVESTMENTS IN CERTAIN ENTITIES THAT CALCULATE NET ASSET VALUE PER SHARE (OR ITS EQUIVALENT)

Authoritative guidance on fair value measurements permits the Plan to measure the fair value of an investment in an investment entity that does not have a readily determinable fair value based upon the NAV of the investment. This guidance does not apply if it is probable that the investment will be sold at a value different than NAV.

The Plan's investments in these investment entities is subject to the terms of the respective agreements. Income or loss from investments in these investment entities is net of the Plan's proportionate share of fees and expenses incurred or charged by these investment entities.

The Plan's risk of loss in these entities is limited to its investment. The Plan may increase or decrease its level of investment in these entities at its discretion. The Plan typically has the ability to redeem its investment from these entities on a daily or quarterly basis, but longer lock-up periods can apply to certain investments.

NOTE 8. FAIR VALUE MEASUREMENTS OF INVESTMENTS IN CERTAIN ENTITIES THAT CALCULATE NET ASSET VALUE PER SHARE (OR ITS EQUIVALENT) (CONTINUED)

The following table summarizes investments measured at fair value based on NAV per share as of June 30, 2024 and 2023:

	Fair Value		Redemption Frequency	Unfunded Commitments	Redemption Notice Period
	2024	2023			
Common collective trusts	\$52,692,420	\$53,175,409	Monthly	\$ -	Monthly

The investment above reports as a direct filing entity (DFE) to the Department of Labor.

The preceding method may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 9. RELATED ORGANIZATIONS AND PARTY-IN-INTEREST TRANSACTIONS

Identification of Related Organizations

The Plan has six related entities:

- Excavating, Grading, Asphalt, Private Scavengers & Recyclers, Automobile Salesroom Garage Attendants and Linen & Laundry & Machinery, Scrap Iron, Steel & Metal Trade Chauffeurs, Handlers, Helpers & Alloy Fabricators Local Union No. 731, International Brotherhood of Teamsters (the Local);
- Chicago Teamsters Construction Labor/Management Cooperation Committee;
- Local 731, I.B. of T. Excavators and Pavers Pension Trust Fund;
- Local No. 731, I.B. of T., Pension Fund;
- Health and Welfare Fund of the Excavating, Grading and Asphalt Craft, Local No. 731 (Local 731 Excavators Welfare Fund); and
- Employees' Pension Plan of Local 731, I.B. of T.

Certain Trustees of the Plan serve as officers of the Local. Certain Trustees of the Plan are also Trustees of some of the above related plans.

Shared Administrative Expenses

Shared administrative expenses incurred with related organizations are initially paid by Local 731 Excavators Welfare Fund. These expenses are reimbursed on a monthly basis on an allocation method approved by the Trustees of the respective plans. The Plan paid \$1,350,651 and \$1,262,989 for the years ended June 30, 2024 and 2023, respectively.

NOTE 9. RELATED ORGANIZATIONS AND PARTY-IN-INTEREST TRANSACTIONS (CONTINUED)

Office Leases

The Plan entered into a ten year agreement with Local No. 731, I.B. of T., Pension Fund in November 2002. Effective November 2012, the Plan amended this lease agreement to extend the term an additional ten years through October 31, 2022. The lease contained a 120 day notice period for the Plan to terminate the lease and may require certain termination fees. Under the amended lease agreement, the Plan was subject to gross monthly rental amounts (\$12,588 at June 30, 2024 and 2023). Effective November 1, 2022, the Plan continues to rent on a month-to-month basis.

Rent expense was \$144,092 and \$139,941 for the years ended June 30, 2024 and 2023, respectively.

Pension Funds

Substantially, all of the Plan's full-time employees are covered by a multiemployer defined benefit plan.

These transactions qualify as party-in-interest transactions, which are exempt from the prohibited transactions rules of ERISA.

NOTE 10. POSTRETIREMENT BENEFIT OBLIGATIONS

The postretirement benefit obligation represents the actuarial present value of those estimated future benefits that are attributable to employee service rendered to the date of the financial statements, reduced by the actuarial present value of contributions expected to be received in the future from current Plan participants. Postretirement benefits include future benefits expected to be paid to or for (1) currently retired or terminated employees and their beneficiaries and (2) active employees and their beneficiaries after retirement from service with the participating employers. Prior to an active employee's full eligibility date, the postretirement benefit obligation is the portion of the expected postretirement benefit obligation that is attributed to that employee's service in the industry rendered to the valuation date.

As reported by the actuary, some of the more significant actuarial assumptions were:

Mortality rates:	2024 and 2023 - RP-2014 Blue Collar Table (sex distinct) projected for Mortality Improvement in years beyond 2014 using Projection Scale MP-2015.
------------------	---

NOTE 10.

Medical/Drug trend rates:	2024 Local 731 I.B. of T. Private Scavengers Health and Welfare Fund - 6.0%. 2023 Local 731 I.B. of T. Private Scavengers Health and Welfare Fund - 6.0%. 2024 Local 731 I.B. of T. Garage Attendants, Linen and Laundry Health and Welfare Fund – 7.0% graded to 6.0%. 2023 Local 731 I.B. of T. Garage Attendants, Linen and Laundry Health and Welfare Fund – 7.0% graded to 6.0%.
---------------------------	---

The trend rate assumption has a significant effect on the amounts reported in the accompanying financial statements. If the assumed trend rates increased by one percentage point in each year, it would increase the obligation as of June 30, 2024 and 2023 by \$4,615,759 and \$3,021,123, respectively.

The foregoing assumptions are based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of the postretirement benefit obligation.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

The actuarial present value of benefit obligations is reported based on certain assumptions pertaining to interest rates, health care inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near-term would be material to the financial statements.
