REPORT OF INDEPENDENT AUDITOR

TO THE PLAN ADMINISTRATOR
BRIDGING ACCESS TO CARE, INC. 403(B) PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

I have performed audits of the financial statements of the Bridging Access to Care, Inc. 403(b) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of June 30, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the statements or information regarding assets so held are prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of and for the years ended June 30, 2024 and 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In my opinion, based on my audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

I conducted my audits in accordance with auditing standards generally accepted in the United States of America (GAAS). My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of my report. I am required to be independent of the Plan and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for at least one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, I

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

My audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

Other Matter -Supplemental Schedule Required by ERISA

The supplemental schedule of assets held as of June 30, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, I compared such information to the related certified investment information.

In forming my opinion on the supplemental schedule, I evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BRIDGING ACCESS TO CARE, INC. 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2024 AND 2023

1. DESCRIPTION OF PLAN

The Bridging Access to Care, Inc. 403(b) Plan (the Plan) is a defined contribution plan covering substantially all employees of Bridging Access to Care, Inc. (the Employer or Plan Sponsor). The Plan was established July 1, 2002 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The following description of the Plan only provides general information. Participants should refer to the Plan agreement or the Summary Plan Description for a more complete description of the Plan's provisions.

PARTICIPATION

Employees are eligible to make salary reduction contributions on their date of hire, except for non-resident aliens. In addition, employees who have attained age 18 and completed one year of service, as defined, may also participate in discretionary employer contributions. Entry dates are the first day of the month after completing the age and service requirements for these contributions.

CONTRIBUTIONS

All participants may elect to defer a specified percentage of compensation, not to exceed Internal Revenue Code limitations. Participants may also make after-tax Roth elective contributions.

Effective July 1, 2021, the Employer withholds 1% of compensation for any participant, unless the participant affirmatively elects a different percentage. The default withholding percentage automatically increases by 1% on July 1st of each Plan year, up to a maximum of 6%, according to the following schedule:

Initial Plan year of participation	1%
Second Plan year of participation	1%
Third Plan year of participation	2%
Fourth Plan year of participation	3%
Fifth Plan year of participation	4%
Sixth Plan year of participation	5%
Seventh Plan year of participation	6%

BRIDGING ACCESS TO CARE, INC. 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

1. DESCRIPTION OF PLAN (CONTINUED)

Effective July 1, 2021, the Employer may make discretionary matching contributions to eligible participants who complete 500 hours of service during a Plan year and are employed on the last day of the Plan year. These contributions are allocated pro-rata based on participant contributions. The Employer made discretionary matching contributions of approximately \$138,000 and \$140,000 for the years ended June 30, 2024 and 2023, respectively.

Prior to July 1, 2021, the Employer could make discretionary non-elective contributions to eligible participants who completed 500 hours of service during a Plan year and were employed on the last day of the Plan year.

Participants allocate and direct contributions made on their behalf among several investment options offered by the Plan.

VESTING

Participants are immediately vested in their elective deferral contributions and the Employer discretionary non-elective contributions. The vesting percentage in the Employer discretionary matching contributions is shown in the following schedule:

<u>Vesting Service (credited years)</u>	<u>Vesting Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

FORFEITURES

Participants who leave the Employer with less than six years of service forfeit the non-vested portion of the Employer matching contributions. Forfeitures are available to reduce contract charges associated with the Plan's administration or offset future Employer contributions. At June 30, 2024 and 2023, the Plan had approximately \$3,000 and \$700, respectively, of forfeited balances available. These were utilized to offset the matching contributions owed for the respective plan years ended June 30, 2024 and 2023.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

1. DESCRIPTION OF PLAN (CONTINUED)

PARTICIPANT LOANS / SECURED COLLATERAL BALANCES

Loans are made available to participants using the value of their account as collateral for the loan. Participants do not borrow from the Plan directly, but instead borrow from Mutual of America Life Insurance Company (Mutual of America).

Participants may obtain loans up to the lesser of \$50,000 (reduced by the highest outstanding loan balance in the previous year less any current outstanding loan balance), or 50% of the participants' vested account balance. In addition, participants may only have two loans outstanding, generally at a five year maximum term (longer for primary residence purchase). Loans are subject to a minimum of \$1,000, and bear interest at a variable rate, as determined quarterly by Mutual of America.

Participants requesting a loan must transfer 120% of the requested loan to the Interest Accumulation Account (see Note 4) to serve as security for the outstanding loan. If the participant defaults on the loan, they will be taxed on the outstanding loan balance. In addition, Mutual of America has the right to foreclose upon the security interest in the Interest Accumulation Account. As of June 30, 2024 and 2023, outstanding loans were \$66,429 and \$97,218, with corresponding secured collateral balances of \$79,715 and \$116,662, respectively.

PLAN TERMINATION

The Employer intends to continue the Plan indefinitely, but reserves the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of termination, participants will become fully vested in their accrued benefits.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

2. SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accounting records are maintained on the accrual basis.

Investment contracts held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan.

VALUATION OF INVESTMENTS

The Plan's investments are recorded at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 3 for further discussion of fair value measurements.

EXCESS CONTRIBUTIONS PAYABLE

Amounts payable to participants for contributions in excess of the amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The plan distributed excess contributions for the plan years ended June 30, 2024 and 2023 to the applicable participants in early 2025 and 2024, respectively.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts and disclosures reported in the financial statements. Actual results may differ from management's estimates and assumptions.

SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through the audit report date, the date the financial statements were available to be issued.

BRIDGING ACCESS TO CARE, INC. 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

3. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification 820 *Fair Value Measurements* (ASC 820) establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs. The financial instruments' fair value measurement level is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy under ASC 820 are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2 - Other significant observable inputs (including quoted prices in active markets for similar financial instruments), or other inputs that are observable or can be corroborated by observable market data.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

Following is a description of the valuation methodologies used for assets measured at fair value.

- Pooled separate accounts – The Plan's units of participation are valued using net asset value as a practical expedient, as reported by the investment manager. These net asset values generally represent amounts at which units are redeemed on a regular basis.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

BRIDGING ACCESS TO CARE, INC. 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

3. FAIR VALUE MEASUREMENTS (CONTINUED)

Fair value information for investments held at June 30, 2024 and 2023 is as follows:

June 30, 2024	Level 1	Level 2	Level 3	Total
Investments in fair value hierarchy:	\$ -	\$ -	\$ -	\$ -
Investments using NAV practical expedient:				
Pooled separate accounts				3,703,100
Total assets at fair value				\$ 3,703,100

June 30, 2023	Level 1	Level 2	Level 3	Total
Investments in fair value hierarchy:	\$ -	\$ -	\$ -	\$ -
Investments using NAV practical expedient:				
Pooled separate accounts				3,151,715
Total assets at fair value				\$ 3,151,715

4. INVESTMENTS

All investment information disclosed in the accompanying financial statements and schedule, including investments held at June 30, 2024 and 2023, and net gain (loss) on pooled separate accounts and interest & other income for the years then ended, were obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Mutual of America Life Insurance Company, the custodian of the Plan (a qualified institution).

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

BRIDGING ACCESS TO CARE, INC. 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

4. INVESTMENTS (CONTINUED)

In May 2018, the Plan Sponsor entered into a guaranteed investment contract with Mutual of America (Interest Accumulation Account). Mutual of America maintains the Plan's original deposits in a general fund to which it adds interest from the underlying investments. As the contract is fully benefit responsive, it is recorded at contract value as determined by Mutual of America. Contract value represents contributions made under the contract, plus interest at the contract rate, less funds used to pay Plan benefits and administrative expenses.

The crediting interest rate is determined by Mutual of America and reviewed periodically for resetting. The crediting rate was 0.25% from July 1, 2022 to December 31, 2022, 1.60% from January 1, 2023 to December 31, 2023, and 2.85% from January 1, 2024 to June 30, 2024.

There are no other restrictions on withdrawal of funds under the contract, other than amounts pledged to secure outstanding participant loans (see Note 1).

5. PARTY-IN-INTEREST TRANSACTIONS

Plan investments consist of pooled separate accounts and a guaranteed investment contract managed by Mutual of America, the custodian of the Plan. Therefore, these transactions and accounts qualify as party-in-interest.

The Plan incurs various management fees and operating expenses for its investments in pooled separate accounts. These costs are not reflected separately, but are included in the net investment return of these investments.

Direct expenses paid from Plan assets consist of monthly participant account maintenance charges. Participant loan fees are deducted from the proceeds of the loan, rather than paid from Plan assets. Any other costs of Plan administration are paid by the Plan Sponsor.

BRIDGING ACCESS TO CARE, INC. 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

6. TAX STATUS

The Plan has received an opinion letter from the Internal Revenue Service dated March 31, 2017, stating that the written form of the underlying prototype plan document is qualified under Section 403(b) of the Internal Revenue Code (the "Code"), and that any employer adopting this form of the Plan will be considered to have a plan qualified under Section 403(b) of the Code. Therefore, the related trust is exempt from taxation. Subsequent to the issuance of this opinion letter, the plan was amended. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan Sponsor has indicated that it will take the necessary steps to maintain the Plan's qualified status.

The Plan Sponsor has concluded that as of June 30, 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Sponsor believes it is no longer subject to tax examinations for reporting years prior to 2021.

7. RECONCILIATION TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of June 30, 2024 and 2023.

	<u>2024</u>	<u>2023</u>

7. RECONCILIATION TO FORM 5500 (CONTINUED)

The following is a reconciliation of increase (decrease) per the financial statements to the Form 5500 for the years ended June 30, 2024 and 2023.

	<u>2024</u>	<u>2023</u>

Net increase (decrease) per the Form 5500	<u>\$ 550,061</u>	<u>\$ 415,583</u>

Contributions and return of excess contributions related to ACP test refunds are recorded on the cash basis on the Form 5500.

8. ROLLOVER CONTRIBUTIONS FROM PENSION PLAN

The Employer also sponsored The Bridging Access to Care, Inc. Pension Plan (the Pension Plan), a defined contribution money purchase plan which covered the same employees as the 403(b) Plan. As a result, participants could rollover their Pension Plan balances into the 403(b) Plan. Further, the Pension Plan was terminated effective April 1, 2021 and assets were distributed in early 2022, resulting in a number of incoming rollover contributions. Approximately \$1.1 million of balances from the Pension Plan were transferred into the 403(b) Plan during the plan year ended June 30, 2022.

The Plan Sponsor had identified an instance in which a portion of participant balances from the Pension Plan were not properly transferred to the 403(b) Plan due to a clerical reporting error by the Pension Plan custodian relating to defaulted loan balances. The Plan Sponsor worked to resolve these differences with the Pension Plan custodian (Mutual of America). The principal of \$39,888 was deposited to the 403(b) Plan in June 2023 and lost earnings of \$14,675 were also deposited by November 2023, resolving the issue.

At June 30, 2023, a rollover contribution receivable was recorded in the financial statements for amounts due to the 403(b) Plan related to this instance.
