## INDEPENDENT AUDITORS' REPORT

Board of Trustees  
Inland Empire Electrical Workers Health and Welfare Plan  
Spokane, Washington

### **Report on the Audit of the Financial Statements**

#### ***Opinion***

We have audited the accompanying financial statements of Inland Empire Electrical Workers Health and Welfare Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and statements of benefit obligations as of June 30, 2024 and 2023, and the related statements of changes in net assets available for benefits and changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and benefit obligations of Inland Empire Electrical Workers Health and Welfare Plan as of June 30, 2024 and 2023, and the changes in its net assets available for benefits and changes in benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

#### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Inland Empire Electrical Workers Health and Welfare Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Inland Empire Electrical Workers Health and Welfare Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Inland Empire Electrical Workers Health and Welfare Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Inland Empire Electrical Workers Health and Welfare Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

**Supplemental Schedules Required by ERISA**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of June 30, 2024 and schedule of reportable transactions for the year ended June 30, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**INLAND EMPIRE ELECTRICAL WORKERS HEALTH AND WELFARE PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2024 AND 2023**

**NOTE 1 DESCRIPTION OF PLAN**

The following description of the Inland Empire Electrical Workers Health and Welfare Plan (the Plan) provides only general information. Participants should refer to the official Plan document for important details not included in these notes.

**General**

The Plan provides health related benefits covering those participants who have accumulated sufficient hours for current eligibility under the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

**Eligibility**

Active employees working under a collective bargaining agreement between a signatory employer and a participating union or nonbargained employees of participating employers, local unions, employer associates, or training trusts, whose employer submits the required contributions to the Plan under special agreements are eligible to participate in the Plan. Employees without sufficient hours, who submit the required contributions under the Plan's self-pay provisions, are also eligible to participate in the Plan.

**Contributions**

The collective bargaining agreement provides that participating employers make monthly contributions to the Plan of a specified amount for each hour worked to provide health benefits for participants. An employee may contribute specified amounts, determined annually by the Plan's consultant, to extend coverage under the self-pay provision for months in which the minimum accumulated hours requirement is not fulfilled. An employee may also make contributions in accordance with COBRA to continue coverage.

**Benefits**

The Plan provides health (hospital, medical, surgical, and major medical), dental, life insurance, accidental death and dismemberment (AD&D), weekly income, and vision benefits covering those participants who have met the eligibility requirements. All benefits provided by the Plan are self-funded. The Plan also provides benefits to retired (under COBRA) and self-pay participants for which a contribution is received.

The Plan utilizes a pharmacy benefit manager (PBM) which periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

**INLAND EMPIRE ELECTRICAL WORKERS HEALTH AND WELFARE PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2024 AND 2023**

**NOTE 1 DESCRIPTION OF PLAN (CONTINUED)**

**Benefits (Continued)**

The Plan maintains bank accounts for each employee eligible to participate. Contributions made on behalf of an employee are credited to his or her account as prescribed by the applicable collective bargaining agreement. New participants become eligible for benefits on the first day of the second month following the month in which contributions for 245 paid work hours are credited to their dollar bank account. Once a participant becomes eligible, a dollar amount of 145 hours times the applicable contribution rate is deducted each month from the participant's dollar bank account, except that on the initial month of eligibility, a dollar amount of 245 hours times the applicable contributions rate is deducted from the participant's dollar bank account. Eligibility continues so long as enough money remains in their account to cover 145 hours times the applicable contribution rate. In the event a dollar bank account of a participant is reduced below this amount, the participant may continue coverage by making self-payments. The maximum that may be accumulated in a dollar bank account is 2,000 hours times the current hourly contribution rate.

**Administration of the Plan**

The Plan is administered by a Board of Trustees with assistance from a contract administration organization. Medical claims administration responsibilities are shared between Rehn and Associates, Inc. and Aetna, Inc. Administrative expenses are borne by the Plan.

**Stop-Loss Coverage**

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The accompanying financial statements are prepared on the accrual basis of accounting.

**Change in Accounting Policy**

The Plan has adopted the Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) 2016-13, *Financial Instruments - Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*, effective July 1, 2023, utilizing the modified retrospective transition method. The accounting standard modifies the method for estimating credit losses on financial assets from probable or incurred credit losses to lifetime expected future credit losses (CECL). No cumulative effect adjustment to net assets available for benefits as of July 1, 2023, was necessary upon adoption.

**INLAND EMPIRE ELECTRICAL WORKERS HEALTH AND WELFARE PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2024 AND 2023**

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Employer Contributions Receivable**

Contributions due but not paid prior to year-end are recorded as contributions receivable. Contributions are due from employers as specified in the collective bargaining or participation agreement. In general, contributions are due on the 15th day of each month following the work month. Delinquent contributions and payroll audit findings are individually analyzed for collectability. The estimate for expected credit losses considers historical loss experience, current economic conditions, and forward-looking information, including factors such as payment history, employer financial condition, and labor trends. As of June 30, 2024 the allowance for credit losses was insignificant.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could vary from the estimates that were used.

**Valuation of Investments**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Payment of Benefits**

Claims are recorded when paid by the Plan.

**Refunds**

Refunds are recorded when earned and reasonably estimable. Refunds due as of the financial statement date are reported as a receivable, with the offset being netted against claims paid. Refunds of approximately \$913,000 and \$255,000 were offset against claims paid for the years ended June 30, 2024 and 2023, respectively.

**Plan Benefits**

Plan obligations at June 30, 2024 and 2023 for accumulated eligibility credits and liabilities for claims payable and incurred but unreported claims were estimated by the Plan's administration. See Notes 6 and 7 for estimation methods used to calculate these liabilities.

**Reclassifications**

During the current year, certain amounts in the prior year financial statements have been reclassified to conform to the current year presentation. These reclassifications had no effect on the previously reported net decrease in net assets available for benefits.

**INLAND EMPIRE ELECTRICAL WORKERS HEALTH AND WELFARE PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2024 AND 2023**

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Subsequent Events**

The Plan has evaluated subsequent events through March 26, 2025, the date the financial statements were available to be issued.

**NOTE 3 FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

*Level 1* – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at June 30, 2024 and 2023.

*Short-Term Funds and Mutual Funds:* Investments in the short-term funds and mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**INLAND EMPIRE ELECTRICAL WORKERS HEALTH AND WELFARE PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2024 AND 2023**

**NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)**

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30:

	2024			
	Level 1	Level 2	Level 3	Total
Short-Term Funds	\$ 22,177,147	\$ -	\$ -	\$ 22,177,147
Mutual Funds	37,734,415	-	-	37,734,415
Total	\$ 59,911,562	\$ -	\$ -	\$ 59,911,562
	2023			
	Level 1	Level 2	Level 3	Total
Short-Term Funds	\$ 13,048,488	\$ -	\$ -	\$ 13,048,488
Mutual Funds	37,220,444	-	-	37,220,444
Total	\$ 50,268,932	\$ -	\$ -	\$ 50,268,932

**NOTE 4 TAX STATUS**

The VEBA trust funding certain benefits of the Plan received an exemption letter from the Internal Revenue Service (IRS) stating that the trust is tax-exempt under the provisions of Section 501(c)(9) of the Internal Revenue Code (IRC). However, as a result of the Plan's funding policy, from time to time the trust may be subject to income taxes. No federal or state income taxes have been recorded in 2024 or 2023 for unrelated business taxable income.

In addition, the Plan and trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust. The Plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions, and the Plan could be subject to income tax if certain issues were found by the IRS that could result in the disqualification of the Plan's tax-exempt status; however, there are currently no audits for any tax periods in progress.

**INLAND EMPIRE ELECTRICAL WORKERS HEALTH AND WELFARE PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2024 AND 2023**

**NOTE 5 PLAN TERMINATION**

Although they have not expressed any intent to do so, the Board of Trustees has the right under the Plan to terminate the Plan subject to the provisions of ERISA.

Upon the termination of the Trust Agreement, the Trustees shall wind up the affairs of the Trust Fund. Where the termination occurs as a result of a merger, as authorized by Article VIII, Section 28, any and all monies and assets remaining in the Trust Fund, after payment of expenses, shall be transferred to the trust fund with which the merger has been negotiated. With respect to any other termination, any and all monies and assets remaining in the Trust Fund, after the payment of expenses, shall be used for the continuance of the benefits provided by the then existing benefit plans, until such monies and assets have been exhausted, unless some other disposition is required in regulations of the Secretary of Labor. In no event shall any of the remaining monies or assets be paid to or be recoverable by any participating employer, association, or labor organization.

**NOTE 6 BENEFIT OBLIGATIONS**

The Plan “self-funds” the majority of the benefits provided to participants, but insures life. As of each June 30, there are many self-funded claims that have been incurred on which benefit payments will be made subsequent to that date. The liability for claims payable at June 30, 2024 and 2023 was estimated based on actual claims adjudicated prior to June 30 but paid after June 30. The liability for claims incurred but not reported (IBNR) at June 30, 2024 and 2023 was estimated by the Plan’s medical consultant based on claims data provided by the Plan’s third-party administrators. These amounts are paid by the Plan only if claims are submitted and approved for payment.

**NOTE 7 ACCUMULATED ELIGIBILITY CREDITS**

The Plan is required to provide benefits to certain members if such members have accumulated credit amounts (expressed in dollars) in excess of dollars required for current coverage.

The Plan’s accumulated eligibility credits liability is calculated by multiplying the accumulated eligibility credits from the dollar banks at year-end by the current rate for each benefit type (medical and dental).

**INLAND EMPIRE ELECTRICAL WORKERS HEALTH AND WELFARE PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2024 AND 2023**

**NOTE 8 SUPPLEMENTAL BENEFIT ACCOUNT**

The supplemental benefit account is included in the excess of net assets available for benefits over benefit obligations and provides for the tax-free accumulation of employer contributions in an individual account that can be used for the reimbursement of eligible out-of-pocket health care expenses. Participants are eligible if they are covered by an employer's collective bargaining agreement which requires the contribution and can be used both before and after retirement. Each month, a participant's individual account is increased by employer contributions and investment earnings and decreased by the payment of eligible health care expenses, investment losses, and administrative fees. The account can also be used for self-payments and other health care premiums.

**NOTE 9 PARTY-IN-INTEREST TRANSACTIONS**

As described in Notes 1 and 2, the Plan has several arrangements with service providers. These transactions are party-in-interest transactions under ERISA.

**NOTE 10 RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and those changes could materially affect the amounts reported in the statements of net assets available for benefits.

The liability for claims incurred but not reported (IBNR) at June 30, 2024 and 2023 was estimated using Plan provisions, the number of eligible participants, and the actual lag patterns of the Plan. The liability for accumulated eligibility credits was estimated by multiplying the accumulated eligibility credits from the dollar banks at year-end by the current rate for each benefit type (medical and dental). Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.
